Chairman and Managing Director's Message

Dear Fellow Stakeholders,

This is my first letter to you in an annual report of your Company. I am honoured to write this letter because I am truly proud of how well your Baid Finserv Limited (formerly known as “Baid Leasing and Finance Co. Ltd.”) has performed in three decades despite difficult economic circumstances.

The growth in India's GDP during FY 2021-22 is estimated at 8.9% as against a contraction of 6.6% in FY 2020-21. India's gross domestic product (GDP) is estimated to grow at 8.9% in FY 2021-22 instead of 9.2% estimated earlier, with year-on-year growth. India's GDP growth not only remained weak, but also continued to decline as compared to estimated growth in FY 2021-22.

Today, we are looking at low GDP growth; lack of sufficient investments to significantly increase the nation's productive capital stock; a high current account deficit for FY 2021-22 and a scenario where wholesale price inflation (WPI) and consumer price inflation (CPI) may remain uncomfortably high.

In such an environment, I am delighted to share with you how well Baid Finserv Limited (formerly known as “Baid Leasing and Finance Co. Ltd.”) has performed.

Here are some key facts:

- Profit before tax grew by **18.11%** to **Rs. 1,215.26 Lakhs**
- Profit after tax rose by **17.48%** to **Rs. 878.72 Lakhs**
- Asset Under Management was up by **5.66%** to **Rs. 26,314.50 Lakhs**
- The Company ended the year with net non-performing assets (net NPA) accounting for **1.02%** of its total loan book
- Capital adequacy as on 31 March 2022 stood at **51.01%**, which is well above the RBI norms

Being progressive in business yet conservative in financing, your Company opted to raise further funding in FY 2021-22 through a various Bankers and Financial Institutions. Thanks to your faith in the Company and its business model, enabled Baid Finserv Limited (formerly known as “Baid Leasing and Finance Co. Ltd.”) to raise **Rs. 8,500 Lakhs**. This will create adequate headroom to leverage further growth in the next couple of years.

I am particularly delighted, how well your Company has deeply penetrated in the semi urban and rural areas in Rajasthan and funding against vehicle, property and providing loan to small & medium entrepreneurs.

On your behalf, allow me to congratulate Mr. Aman Baid, Whole Time Director, Mr. Aditya Baid, Chief Financial Officer and the rest of the management team for performing so well while maintaining high standards of financial care and probity.

Having said so, let me state that FY 2022-23 may continue to be a difficult year for India in terms of inflation. Therefore, it is imperative for your Company’s management to remain even more focused on its businesses to deliver the excellent results that we are now getting accustomed to. I’m sure that the team will yet again rise to the challenge.

May it continue to scales greater heights in times to come as Baid Finserv Limited, new avatar of Baid Leasing and Finance Co. Ltd.

Thank you for your support.

Yours sincerely,

Sd/-

Report on the Ind AS Financial Statements

Opinion:

We have audited the accompanying standalone Ind-AS Financial Statements of **Baid Leasing and Finance Co. Limited (CIN:L65910RJ1991PLC006391)** which comprise the Balance Sheet as at **31 March 2022**, and the Statement of Profit and Loss (including the Statement of Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flow for the year then ended, and notes to the Standalone Ind-AS Financial Statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind-AS Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies(Indian Accounting Standards)Rules, 2015, as amended, ("Ind-AS") and other accounting standards generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its Profit, total comprehensive income, changes in equity and its Cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind-AS financial statements in accordance with the standards on auditing specified under Section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind-AS Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind-AS financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on standalone Ind-AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind-AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind-AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

**Description of Key Audit Matters****Key audit matters****How our audit addressed the key audit matter****(a) Impairment of financial assets (expected credit losses)**

Recognition and measurement of impairment of loans and advances involve significant management judgments.

With the applicability of Ind-AS 109 credit loss assessment is now based on expected credit loss ('ECL') model. The Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgment in determining the quantum of loss based on a range of factors.

The most significant areas are:

- Segmentation of loan book
- Loan staging criteria
- Calculation of probability of default / Loss given default
- Consideration of probability weighted scenarios and forward looking macro-economic factors

There is a large increase in the data inputs required by the ECL model. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. In some cases, data is unavailable and reasonable alternatives have been applied to allow calculations to be performed.

- We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109.
- We tested the criteria for staging of loans based on their past-due status to check compliance with requirement of Ind AS 109.
- We evaluated the reasonableness of the Management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation.
- Tested the ECL model, including assumptions and underlying computation.
- Assessed the floor/minimum rates of provisioning applied by the Company for loan products with inadequate historical defaults.
- Audited disclosures included in the Ind AS financial statements in respect of expected credit losses.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS

Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's board of directors are responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard of Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with Standard of Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Internal Financial Controls over Financial Reporting

The Annexure referred to in paragraph 2(f) under the heading 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

Independent Auditor's Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with respect to Ind-AS financial statements of **Baid Leasing and Finance Co. Ltd.**(the "Company") as of 31 March 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

5) Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

5.1) INCOME

(i) Interest income

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or an assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability.

(ii) Dividend income

Dividend income on equity shares is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iii) Other revenue from operations

Revenue (other than for those items to which Ind AS 109 - Financial Instruments are applicable) is measured at fair value of the consideration received or receivable.

(iv) Recoveries of financial assets written-off

The Company recognizes income on recoveries of financial assets written off on realization or when the right to receive the same without any uncertainties of recovery is established.

(v) Taxes

Incomes are recognized net of the Goods and Services Tax/Service Tax, wherever applicable.

5.2) Expenditures

(i) Finance Costs

Borrowing costs on financial liabilities are recognized using the EIR.

(ii) Fees and Commission Expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges, etc., are recognized in the statement of profit and loss on an accrual basis.

(iii) Taxes

Expenses are recognized net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

5.3) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

5.4) Financial Instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognized on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognizes the financial instruments on settlement date.

(i) Financial Assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, and cash and cash equivalents.

a. Initial Measurement

All financial assets are recognized initially at fair value including transaction costs that are attributable to the acquisition of financial assets. Generally, the transaction price is treated as fair value unless proved to the contrary.

b. Subsequent Measurement

Equity investments designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in OCI. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognized in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

De-recognition of financial assets

The Company derecognizes a financial asset (or, where applicable, a part of a financial asset) when

: The right to receive cash flows from the asset has expired; or

: The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognized, the Company does not have any continuing involvement in the same.

Impairment of Financial Assets

The Company records allowance for expected credit losses for all loans, other debt financial assets not held at FVTPL, together with financial guarantee contracts. Equity instruments are not subject to impairment under Ind AS 109.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is the portion of Lifetime ECL that represents the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date.

Both Lifetime ECLs and 12-month ECLs are calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Company does the assessment of significant increase in credit risk at a borrower level. If a borrower has various facilities having different past due status, then the highest days past due (DPD) is considered to be applicable for all the facilities of that borrower.

Based on the above, the Company categorizes its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage 1

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Company classifies all standard advances and advances up to 30 days default under this category. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

Stage 2

All exposures where there has been a significant increase in credit risk since initial recognition but is not credit impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

Stage 3

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognized and interest revenue is calculated by applying the effective interest rate to the amortized cost (net of provision) rather than the gross carrying amount. 90 Days Past Due is considered as default for classifying a financial instrument as credit impaired. If an event (for e.g. any natural calamity) warrants a provision higher than as mandated under ECL methodology, the Company may classify the financial asset in Stage 3 accordingly.

(ii) Financial Liabilities

A financial liability includes liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

a. Initial Measurement

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

b. Subsequent Measurement

After initial recognition, all financial liabilities are subsequently measured at amortized cost using the EIR. Any gains or losses arising on de-recognition of liabilities are recognized in the Statement of Profit and Loss.

5.5) Taxes

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets, if any, are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

5.6) Property, Plant and Equipment

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, plant and equipment'.

Depreciation on property, plant and equipment

- (a) Depreciation is provided on a pro rata basis for all tangible assets on straight line method over the useful life of assets.
- (b) Useful lives of assets are determined as prescribed by Schedule II – Part C of the Companies Act, 2013.
- (c) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
- (d) An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income in the Statement of Profit and Loss when the asset is derecognized.
- (e) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

5.7) Impairment on Non-financial Assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

5.8) Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
