Sub: Clarification regarding the news item with title 'DGGI has initiated action against FMCG players' published by one business news channel, and other related messages being circulated on internet, social media platforms etc.

Dear Sir/Ma'am,

This has come to notice of the company that one business news channel published a new item with title '**DGGI has initiated action against FMCG players**' wherein our company name is also mentioned without checking the facts, and thereafter based on this news, various messages started circulating on internet, social media since yesterday.

We wish to clarify that **there is no such action that has been initiated by the DGGI for alleged GST evasion against Sarveshwar Foods Limited.**

Our Company name is unnecessarily being dragged without checking the facts. We are fully compliant and have nothing to do with the reported action by the DGGI for alleged GST evasion, directly or indirectly. The news item and other messages being circulated by some miscreants, without verifying the facts, with malaise intentions to create a narrative with ulterior motives against the Company and its business. Necessary action also being contemplated to get clarification issued by the new channel concerned also.

We request your good self to take this submission on record and disseminate it on your official website for wider circulation and oblige.

Your faithfully

For Sarveshwar Foods Limited

Sadhvi Sharma
