Ingots  
**Production Capacity: 18,000 MTPA**

Conductor and  
Cable  
**Production Capacity: 12,000 MTPA**

# Production Facilities

# Corporate Office

---

# Installed Capacity Expansion Bifurcation

Capacity Expansion from FY 2024P to FY 2033P -  
Product Wise

# Growth Drivers

---

Capacity  
Expansion

Brownfield growth opportunity by enhancing the installed capacity by >60% over the next 10 years with estimated capital outlay of INR 500 Mn.

High  
margin  
products

Focus on high margin products and product premiumisation by forward integration, launch of new products, optimising portfolio mix and higher capacity utilisation.

Strategic  
Alliances

Exploring opportunities of strategic alliances with key domestic and international players for geographical and product portfolio expansion.

Reduce  
Carbon  
Footprints

Plan to commission renewable energy project for captive consumption to reduce the carbon footprints and energy cost.

# Investment by JFE Shoji India Private Limited

---

- Arfin India Limited (“Arfin”) and JFE Shoji India (a group company of JFE Holdings) (“JFE”) have entered into investment agreement wherein JFE will invest INR 52.5 Cr for assuming ~5.81% stake in Arfin on fully diluted basis.
- The amount would be utilised by Arfin to fund the capex requirements for expanding the installed production capacity, funding long-term working capital requirements and other growth avenues of the company.
- In addition to the investment agreement, Arfin and JFE Shoji India has entered into Strategic Partnership. As a strategic partner for Arfin, JFE Shoji will strive to expand sales of Arfin’s recycled aluminum deox products within India as well as in the surrounding region.

Thank You
