Marching ahead with Confidence...

My Dear Shareholder,

I have pleasure in sharing with you yet another year of satisfying performance. The enclosed reports and financial statements provide you with detailed and relevant information.

The year gone by had significant ups and downs. While the domestic growth in the first half of the year was good, the second half turned out to be disappointing. The overall growth of the Indian Automotive Industry for the year was 6.45%, much lower than most expected during the beginning of the year.

The overall business of your Company grew well. This is largely due to the strong aftermarket growth, both at Cables and Phoenix Lamps Division (PLD), strong export growth of cables at Suprajit Automotive Private Limited (SAL) and industry beating performance in the domestic OEM cable business. Wescon and PLD continue to consolidate their businesses in spite of competition, global economic scenario, tariff wars etc. Your Company has initiated changes at the top management of the group and enhanced grass-root level operational improvements, which are expected to be positive for the group in the longer run.

Your Company has now planned to increase the annual capacity from 250 million to 325 million from the earlier 300 million cables. Trial production at our new Narsapura plant has started. An additional infrastructural facility at the existing Manesar plant is planned. Trial production at the new plant at SAL is expected to start during the second quarter of this year to meet significant new businesses, both from Europe and North America. Suprajit Europe will set up a comprehensive warehouse in Slovenia to augment European customers' requirements and Brexit.

Your Company recently announced an Asset Purchase Agreement to acquire the Halogen Bulb manufacturing facility near Chennai from M/s. Osram India Pvt. Ltd. (Osram). The transaction is expected to be completed by the end of September, 2019. This is very strategic for your Company to derisk and grow profitably with a marquee new global customer, Osram.

Your Company has started a "Chairman's Club" to identify and reward top 100 employees of the Company.

The year ahead is expected to be even more challenging with slowing domestic and global economy. The automotive growth in India continues to be sluggish due to difficulty in vehicle financing, concerns on BS VI implementation, currency fluctuations, wage increases, insurance costs, tariff wars, global risks, commodity prices, etc. Your Company continues to have strong focus on various operational matrices, which is expected to drive all the divisions of your Company to perform satisfactorily, in this difficult environment.

To this end, I seek your continued support and good wishes in our endeavour to excel in our business as we continue to March ahead with Confidence.

With warm personal regards,

Yours sincerely,

K. Ajith Kumar Rai
Founder and Chairman

- Vertical process integration for key processes and optimized supply chain

PRODUCT RANGE

Top Management Speaks

MOHAN N S
Managing Director & Group CEO

The year 2018-19 has continued to be a year of consolidation at Suprajit group.

Our efforts to focus and build a solid foundation for good corporate governance and strengthening the managerial processes of retaining a balance between entrepreneurial independence of business units, while aligning to the group aspirations, goals, ethics and strict fiscal discipline, continues.

Exports of Automotive cable continue to grow, warranting an expansion in capacities at Suprajit Automotive Ltd. The trust posed in marquee global customers in Europe and offlets in US, has helped in establishing Suprajit as one of the key players in the European automotive market. Our plans to open a warehouse in Slovenia show our commitment to mainland EU customers and a way to de-risk the Brexit uncertainties.

On the domestic cable division front, we continued to be a partner of choice with our customers. This led to the plan of opening another plant at Narasapura. Our plan to “autonomate” manufacturing process and modernise our plants have gathered pace.

Phoenix lamps division continues on its journey to expand the market share in the Indian Aftermarket, hold on to the market position in the OEM segment and make forays into new territories in the export market. Re-structuring the business in Europe by bringing both the entities under a single leadership has started to yield operational efficiencies and reducing costs.

During the year, we had a change in the leadership at Wescon. We are making qualitative changes at Wescon and have kicked off a new initiative called “Wescon In New Environment”. This is a companywide initiative involving the employees at all levels to bring in Automotive business practices to the shop floor and aims to increase operational efficiencies and reduce waste and costs. Suprajit Engineering Non Automotive (SENA) strongly has been given a fresh impetus.

Our plan to acquire Osram, a leading world player in the lighting market as our new customer has been given momentum in our signing for an asset purchase of Osram’s manufacturing assets near Chennai. Our search for appropriate acquired growth continues.

Engineering is the backbone of our Industry. Engineering innovations continue to get the spotlight to generate new products, applications and patents for the same. Implementation of Product Life Cycle Management (PLM) software to ensure standardization and bring in the discipline in program launches has been a highlight of the year.

As we stare at volatility in the industry within India and in the world markets, we, at Suprajit have started to tighten the belt and get ready to face the rough weather while not losing sight of our long-term objective of becoming an Engineering company of repute.

MEDAPPA GOWDA J
CFO - Group

The Company has established a good governance system across Indian and overseas locations to ensure statutory compliance requirements. Robust management information system evolved over the years with effective internal control systems is the backbone of the Organization with good risk management practices. The Company is in a position to effectively manage multi-state, multi-location and multi geographical presence, though challenging.

The effective cash management system, optimal debt structure with minimal cost, overseas structured debt management, efficient capital allocation, treasury management, good credit ratings, with renowned rating agencies, effective foreign currency management with balanced hedging policies are delivering positive results. The Company has consistently maintained healthy key financial ratios like ROCE, Debt : Equity, ROE, Debt to EBIDTA, Asset

Turnover, etc, which continue to be our strength and primary objective. Highest levels of transparent business practices, simplified ethical business model, timely disclosure of information to the general public, has increased the confidence level with its investor fraternity.

Advanced IT tools and communication systems have supported the Company to manage the operations and to meet the customers advanced requirement globally.

NARAYANA SHANKAR K
COO
Domestic Cable Division

Graduating the "Team Operations" from routine to strategic thinking has been the success story of the year of Operations Team. We now work on the theme of Rhythm and harmony in operations at all our manufacturing units to get focused attention on all key critical issues like Quality, Cost, Delivery and development. Units have been able to make head way in upgrading the thought processes on various operational issues and concentrate on planned improvements. The customer rating has improved uniformly in all the units and has been one of the measures of success of the units.

Commissioning Narasapura unit as one of the modern units of the company has been achieved during the year. Business from the unit is very promising for the existing and future customers, in the coming years.

Competition has increased during the year and cost challenges continue for Operations Team. We have always been proactive in driving profits as per budget by making continual improvements. Cost management along with technology development will continue to be the challenges of the operations in the days to come. Automation continues to be a focus area with emphasis on a disciplined approach to implement systems, processes and procedures.

The team is well knit and motivated to meet the above challenges by working smartly and with a clear focus on results.

PETER GREENSMITH
Managing Director
Suprajit Europe Ltd.

2018-19 was a year of sustained growth resulting in the combined turnover of both subsidiaries, Suprajit Europe and Suprajit Automotive increasing by 30%. The development and manufacturing teams worked at full stretch to achieve this result.

In preparation for introducing future contracts, our Suprajit Automotive manufacturing footprint is being doubled in size on the same Bangalore site during 2019.

In 2019, the opening of Suprajit Europe Koper, based in Slovenia, will provide double the current warehousing capacity, together with a structural solution to the anxieties our customers have expressed over possible Brexit outcomes.

AKHILESH GOEL
COO
Phoenix Lamps Division

The Domestic aftermarket sales have grown better than market and we enhanced our market share. This year we continued our efforts on expansion of geographical reach of products. Product basket has been expanded by additional Halogen products. This year, major efforts have been on developing drop in LED Solution.

Significant progress has been made in terms of overall quality improvement through "Q" Challenge as well as low-cost automation for productivity improvement. RGL program launched early last year has been a success. This year, we expanded to P (low power consumption) & T (lower temperature) as well. Last year's initiative "C" Challenge" to improve cost-efficiencies have been expanded to other support functions as well. A new logo for Phoenix Lamps was launched during the year.

Capacity utilization of new H7 line has improved compared to the year before. Significant progress has been on overall Quality & Efficiency levels across the operations.

On the shop floor, a new initiative "Operations - GV (Gyan-Vigyan)" was launched, wherein the Knowledge and Science of the Lamp Making process is being documented. A team of Engineers was deployed, which will work closely with experienced associates.

FRANK KLINKERT
Managing Director
Luxlite Lamps SARL, Luxembourg
& Trifa Lamps Germany GmbH

Working in good times is easy, but working in difficult times is the challenge. As the market becomes more and more competitive, as a team in India and Europe, we can defend & work towards expanding our position. Customers demand in service and quality is increasing and so also the value for money.

We are working towards increasing the operational efficiencies; this will help us to serve customers better in Europe from a single warehousing location. We are expanding the market with representatives in Brazil and USA with Trifa as our brand in Europe, Americas, Middle East, Africa and China. It is our endeavour to be in multiple markets and be successful.

STEVE FRICKER
CEO
SENA & Wescon Controls LLC

Wescon has experienced some headwinds over the past years, primarily due to the changing weather patterns and unpredictability of the "Green and the Snow seasons". To overcome this, we are focusing on establishing new customers in several market sectors beyond the Outdoor Power Equipment (OPE) segment, while maintaining / expanding our dominate position within the OPE sector. With this SENA (Suprajit Engineering Non Automotive) strongly planting several seeds in FY20 that should produce harvest for years to come.

We have realigned our sales team to capture new business in Non-OPE markets. Major emphasis also being placed on developing new customers in South America, Europe and USA. In addition, we are refocusing our efforts on productivity, quality, and customer service. SENA is replacing retiring employees with experienced automotive personnel who are bringing new perspectives and improved skill sets to the organization.

PRAVEEN RAO
Vice President
Sales & Marketing

Brand Suprajit for Control Cables and PHOENIX for Halogen Bulbs once again reinforced its performance and leadership position in its served market of OE & Aftermarket in India and continued its foray into the markets in the world.

We won new businesses from marquee customers in India, Europe and Americas for both cables and halogen lamps. We are in advanced discussions for more businesses with major OEMs. We also ramped up our customer engagement in the Aftermarket, Distributor, Retailer and Mechanic meets promoting product and safety awareness across the Value Chain.

Expanding the product range of cables, strengthening high performance range of bulbs, reinventing Brand Phoenix and expanding export foot print are high on the agenda in the forthcoming year.

BADRINARAYANA H R
Associate Vice President (HR)

"Human Resource Management isn't something that we do. It's everything that runs our business..."

The year 2018-19, continued to be a year of progress for HR in our company. The challenges of wage increases and talent management were the focus of the HR management. We continued our policy of linking compensation to performance for talent retention at various levels.

The initiatives on expanding the depth of managerial talent was given special focus. Specially tailored training modules have been launched in the company and positive results are already seen. We have collaborated with some of our key customers to work on training and enhance our HR capabilities and man management.

The year saw a peaceful IR in all the units. The company commissioned one more unit near Bengaluru with staffing recruited and trained appropriately. HR will continue to contribute to the human resources requirement of the company and well-being of the employees and keeping high, the spirit of "Team Suprajit"

Next Gen...

AKHILESH RAI
Chief Strategy Officer
Suprajit Group

Suprajit will continue to look into strategic acquisitions to bolster our global cable manufacturing footprint and domestic automotive product range. The proposed acquisition of Osram's Chennai assets brings Phoenix Lamps Division important market leadership in India and puts Phoenix Lamps into the supply chain of Osram, a global leader in lighting. The new plant in Suprajit Automotive, and start of operations in Slovenia, are key milestones backing our European business pipeline.

Systems and automation will be a key focus area going forward, ensuring Suprajit is an agile and lean manufacturing company. Strategic initiatives have been taken at all levels to bring an entrepreneurial mindset to all employees, and the rewards will be seen in the coming years.

ASHUTOSH RAI
Head - Suprajit Tech Center (STC)
Suprajit Group

This year we have been successful in strengthening our Engineering and Design capabilities in all areas of the organisation, including our products and systems. The successful implementation of a Product Lifecycle Management System consolidated all design related data in a central, safe location and streamlined our product development cycle.

We have focused on expanding our product portfolio into new and innovative products, applying for 7 patents and closing 1 patent in the process.

With niche electric vehicle customers entering the market, we are dedicating our resources to several of these players and developing a range of products for this new and exciting segment.

18. Voting through Electronic means:

- A. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations Disclosure Requirements) Regulations, 2015, the Company is pleased to provide remote e-voting facility to its members to exercise their vote on Resolutions

proposed to be passed in the Thirty Fourth Annual General Meeting by electronic means.

- B. The facility for voting through Ballot Paper shall be made available at the Meeting and the members attending the Meeting who have not cast their votes by remote e-voting shall be able to vote at the Meeting.
- C. Members who have cast their vote by remote e-voting prior to the Meeting may also attend the Meeting but shall not be entitled to cast their vote again.

The Company has engaged the services of Central Depository Services (India) Limited (CDSL) to provide the e-voting facility.

The voting period begins on August 07, 2019 (9.00 a.m.) and ends on August 09, 2019 (5.00 p.m). During this period, Shareholders of the Company, holding Shares either in physical form or in dematerialized form, as on the cut-off date of i.e, August 03, 2019, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

19. The instructions for Shareholders voting electronically are as under:

- i. The Shareholders should log on to the e-voting website www.evotingindia.com.
- ii. Click on Shareholders / Members
- iii. Now enter your User ID
 - a) For CDSL: 16 digits beneficiary ID
 - b) For NSDL: 8 Character DP ID followed by 8 Digits Client ID
 - c) Members holding shares in Physical Form should enter Folio Number registered with the Company.
- iv. Next enter the Image Verification as displayed and Click on Login.
- v. If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- vi. If you are a first time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN Field.

PAN	<ul style="list-style-type: none"> • In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iii).

- (vii) After entering these details appropriately, click on "SUBMIT" tab.
- (viii) Members holding Shares in physical form will then directly reach the Company selection screen. However, Members holding Shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for Resolutions of any other Company on which they are eligible to vote, provided that the Company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For Members holding Shares in physical form, the details can be used only for e-voting on the Resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant SUPRAJIT ENGINEERING LIMITED on which you choose to vote.
- (xi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

- (xiv) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take out print of the voting done by you by clicking on “Click here to print” option on the Voting page.
- (xvi) If a demat account holder has forgotten the changed login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvii) Shareholders can also cast their vote using CDSL’s mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xviii) **Note for Non – Individual Shareholders and Custodians**
- Non-Individual Shareholders (i.e., other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com
 - After receiving the login details a Compliance user should be created using the admin login and password. The Compliance user would be able to link the account(s) for which they wish to vote on.
 - The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xix) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com
- (xx) Further, Members may note the following:
- a. Remote e-voting shall not be allowed beyond the said date and time.
 - b. The Company is providing facility to vote on a poll to the Members present at the meeting.
 - c. The Members who have cast their vote by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote again.
 - d. A person whose name is recorded in the Register of Beneficial Owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the General Meeting.
21. Mr. Parameshwar G. Bhat, Practising Company Secretary (Membership No. FCS-8860), Bengaluru has been appointed as Scrutinizer to scrutinize the e-voting process in a fair and transparent manner. The Scrutinizer shall within 48 (Forty Eight) hours from the conclusion of the e-voting period unblock the votes in the presence of at least two witnesses who are not in the employment of the Company and make his report of the votes cast in favour or against and shall submit to the Chairman of the Meeting.
22. The results of the Annual General Meeting shall be declared within 48 (Forty Eight) hours from the conclusion of the Annual General Meeting. The results declared along with the Scrutinizer’s Report shall be placed on the Company’s website (www.suprajit.com) and on the website of CDSL and shall be communicated to BSE Limited (BSE) and National Stock Exchange of India Limited (NSE).

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:**Item No. 4:**

Based on the recommendations of the Nomination and Remuneration Committee, the Board at its Meeting held on February 11, 2019 has appointed Mr. Mohan Srinivasan Nagamangala, (who has been appointed as Whole Time Director of the Company in February 2017) as Managing Director and Group Chief Executive officer of the Company for a period of 5 (five) years with effect from April 01, 2019.

In this connection, the Board recommends the resolution as set out in Item no. 4 for the approval of the Members in terms of Sections 196 and 197 read with Schedule V and other applicable provisions of the Companies Act, 2013, and the Rules made there under for the appointment of Mr. Mohan Srinivasan Nagamangala. The terms and conditions of his appointment are set out in the resolution.

Except Mr. Mohan Srinivasan Nagamangala, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested financially or otherwise in the said Resolutions.

Item Nos. 5 & 6:

The Board of Directors of the Company, based on the recommendation of Nomination and Remuneration Committee, at its meeting held on February 11, 2019 has appointed Mr. K. Ajith Kumar Rai, as Executive Chairman of the Company for a period of 5 (Five) years with effect from April 01, 2019 and also, subject to the approval of Members of the Company, approved the remuneration payable to him.

Further, Regulation 17(6) (e) (i) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (SEBI) (Amendment) Regulations, 2018, which is effective from April 01, 2019, has made it mandatory to pass a Special Resolution, if annual remuneration payable to Executive Director, who is a Promoter or Members of Promoter Group, exceeds Rupees 5 crores or 2.5 % of the net profits of the Company, whichever is higher.

In this connection, the Board recommends the resolution as set out in Item nos. 5 & 6 for the approval of the Members for the approval of remuneration payable to Mr. K. Ajith Kumar Rai, Chairman. The terms and conditions of his appointment are set out in the resolution.

Except Mr. K. Ajith Kumar Rai, Chairman, Dr. Supriya A. Rai, Director and their Sons, namely, Mr. Akhilesh Rai, Mr. Ashutosh Rai and Mr. Aashish Rai, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested financially or otherwise in the said Resolutions.

Item No. 7:

Mr. Ajith Kumar Rai, Chairman of the Company, has attained the age of 60 years in 2018, is eligible to receive gratuity amount accrued to him during the tenure of 33 years of employment from the date of inception of the Company, as per Payment of Gratuity Act, 1972. The Shareholders had approved the remuneration payable to him during all his previous appointments including gratuity payable to him.

Since the gratuity is payable after the attainment of age of 60 years, the Company, as a matter of abundant caution and compliance, proposes to obtaining shareholders' approval once

again for payment of gratuity. In this connection, the Board recommends the resolution as set out in Item no. 7 for the approval of the Members.

Except Mr. K. Ajith Kumar Rai, Chairman, Dr. Supriya A. Rai, Director and their Sons, namely, Mr. Akhilesh Rai, Mr. Ashutosh Rai and Mr. Aashish Rai, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested financially or otherwise in the said Resolutions.

Item Nos. 8 & 9:

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company at its meeting held on February 28, 2019, had appointed Mrs. Bharati Rao (DIN: 01892516) and Mr. M. Lakshminarayan (DIN: 00064750) as Additional Directors (Independent Directors) of the Company with effect from April 01, 2019.

Pursuant to the provisions of Section 161 of the Companies Act, 2013, the Additional Director appointed by the Board will hold office up to the date of the ensuing Annual General Meeting. Hence, the approval of the Members of the Company is required to appoint Mrs. Bharati Rao and Mr. M. Lakshminarayan as Independent Directors of the Company for a period of Three (3) years with effect from April 01, 2019. Brief profile and other details of the both have been provided in the notes.

In this connection, the Board recommends the resolution as set out in Item nos. 8 & 9 for the approval of the Members of the Company.

Except Mrs. Bharati Rao and Mr. M. Lakshminarayan, none of the Directors, Key Managerial Personnel or their relatives is concerned or interested financially or otherwise in the said Resolutions.

Item No. 10:

The Board on the recommendation of Audit Committee had appointed Messrs G N V and Associates, as the Cost Auditors of the Company for the financial year 2019-20 and fixed a remuneration of ₹ 1,25,000/- plus applicable taxes and reimbursement of out of pocket expenses at actuals.

Further, in terms of the provisions of Section 148 of the Companies Act, 2013 and the Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to Cost Auditors requires to be ratified by the Members of the Company at the Annual General Meeting.

Hence, your Board recommends the Ordinary Resolution as set out in Item no. 10 for the approval of the Members. None of the Directors, Key Managerial Personnel of the Company or their relatives, is concerned or interested financially or otherwise in the said Resolution.

The composition of the Board of Directors of the Company as on the date of this report is as below:

- 1 Mr. Kula Ajith Kumar Rai - Chairman
- 2 Mr. Mohan Srinivasan Nagamangala - Managing Director
- 3 Mr. Babugowda Sanganagowda Patil (IAS Retd.) - Independent Director
- 4 Mr. Ian Williamson - Independent Director
- 5 Mr. Suresh Shetty - Independent Director
- 6 Mrs. Supriya A. Rai - Non Executive Director
- 7 Mr. M. Lakshminarayan –Independent Director
- 8 Mrs. Bharati Rao – Independent Director

SHARE CAPITAL:

During the financial year there were no changes in the Authorized Share Capital and Paid up Share Capital of the Company.

As on March 31, 2019, the Authorized Share Capital of the Company was ₹ 850,000,000 (Rupees Eight fifty Million) and the Paid up Share Capital was ₹ 139,872,473/- (Rupees One Thirty Nine Million Eight Hundred Seventy Two Thousand Four Hundred Seventy Three Only).

DISCLOSURE REGARDING ISSUE OF EQUITY SHARES WITH DIFFERENTIAL VOTING RIGHTS AND/ OR ISSUE OF SWEAT EQUITY SHARES:

During the year under review, the Company has not issued any Shares with Differential voting Rights and / or any Sweat Equity Shares.

CHANGE IN NATURE OF BUSINESS:

The Company is engaged in the business of manufacturing and selling of automotive and other components and that are considered as single segment. There were no changes in the nature of business during the financial year.

OPERATIONS – MANAGEMENT DISCUSSION AND ANALYSIS:

The Indian Automotive industry grew at 6.45 % as against 14.48% previous year, showing lower growth. Your Company, on a standalone basis, recorded an operational income of ₹ 10,584.94 million during the financial year 2018-19 as against ₹ 9,648.21 million during the financial year 2017-18, recording a growth of 9.71%. The Profit for the year was ₹ 1,148.23 million during the financial year 2018-19 as against the Profit for the year of ₹ 1,046.41 million during the financial year 2017-18, recording a growth of 9.73 %. The consolidated Group operational income was ₹ 15,899 million for the financial year 2018-19 against ₹ 14,310.60 million for the financial year 2017-18, recording a growth of 11.10 %. The consolidated Profit for the year was ₹ 1,337.94 million during the financial year 2018-19 as against ₹ 1,384.83 million during the financial year 2017-18, a negative growth of 3.39%. The performance of your Company has been satisfactory, despite challenging environment.

While the first half of the year witnessed a decent growth, the second half turned out to be weak with lower festival sales, unavailability of credit in the market, increased concern on BS VI norms and the national elections.

DOMESTIC CABLE DIVISION (DCD):

Your Company's plan to set up a plant at Narsapura is in advanced stage of completion with trial production commenced. The overall performance was ahead of industry growth, with good performance both with OEM's and aftermarket.

PHOENIX LAMPS DIVISION (PLD) :

PLD had a muted year largely due to underperformance of subsidiaries and exports, while the domestic business grew in line with the industry. Your Company is taking steps to improve performance in the current year.

WHOLLY OWNED SUBSIDIARIES:

The consolidated sales of all the subsidiaries were ₹ 5314.06 million against ₹ 4666.92 million previous financial year. The EBIDTA was ₹ 614.35 million against ₹ 618.93 million previous financial year. The Profit Before Tax was ₹ 313.31 million against ₹ 344.34 million previous financial year. The Profit for the year was ₹ 189.71 million against ₹ 338.42 million previous financial year.

The wholly owned cable subsidiaries namely Suprajit Automotive Private Limited and Suprajit Europe Limited, focused on automotive business, have performed well during the year gone by. The new plant at Doddaballpur Indl. Area is expected to start trial production in the new factory in Q2 during current financial year.

Suprajit USA Inc (Wescon Controls LLC), 100% owned subsidiary of your Company is focused on non-automotive business. The

sales were ₹ 2862.69 million against ₹ 2562.51 million previous year. The EBIDTA was ₹ 256.30 million against ₹ 356.35 million previous year. The Profit Before Tax was ₹ 8.47 million against ₹ 118.99 million previous year. The Profit for the year was ₹ 6.65 million against ₹ 202.85 million previous year.

The strategy -SENA (Suprajit Engineering Non-Automotive), will now be driven by the new CEO and expected to provide better results in the coming years.

Trifa & Luxlite:

Trifa and Luxlite, the 100% owned subsidiaries relating to PLD had a challenging year. The combined sales increased to ₹ 1485.14 million from ₹ 1452.14 in the previous year. EBIDTA was ₹ (41.41) million as against ₹ 11.05 million in the previous financial year.

Trifa & Luxlite are only marketing arms of PLD and the performance has to be seen under the consolidated performance of PLD.

CURRENT YEAR & OUTLOOK:

The Indian economy is likely to have a difficult year, with uncertain, credit crisis and down trend in automotive sector. The performance for the year is expected to be further challenged by global uncertainties with tariff war, fluctuating commodity / oil prices etc. However, your Company's Value for Money approach, close monitoring of operations and continued customer focus is expected to yield a reasonable year.

SALIENT FEATURE OF FINANCIAL STATEMENT OF SUBSIDIARIES

A separate statement in Form AOC-1, is given as **Annexure-1**, which contains the salient features of the financial statement of subsidiaries. The Annual Accounts and related documents of the Subsidiary Companies will be kept open for inspection at the Registered Office of the Company. The aforesaid documents will also be made available to the Members of the Company upon receipt of written request from them.

CREDIT RATING:

The Company's financial discipline and prudence are reflected in the strong credit ratings ascribed by rating agencies as exhibited below:

Instrument	Rating Agency	Rating	Outlook
Long Term Debt	CRISIL	AA	Stable
Long Term Debt	ICRA	AA	Stable
Long Term Debt	India Ratings & Research	AA	Stable
Short Term	CRISIL	A1+	Stable
Short Term	ICRA	A1+	Stable
Short Term	India Ratings & Research	A1+	Stable
Term Deposit	Indian Ratings & Research	tAA+	Stable

FRAUD REPORTED BY THE AUDITORS DURING THE YEAR:

Not applicable as there were no such instances during the year.

DEPOSITS:

During the year the Company has repaid all the deposits to the Deposit Holders, with interest. Hence, as on March 31, 2019, the Company has no deposits.

MATERIAL CHANGES & COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY, BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT:

There were no material changes and commitments between the end of the financial year and the date of the Report, which affect the financial position of the Company.

EXTRACT OF THE ANNUAL RETURN:

The extract of the annual return in Form MGT-9 is enclosed as a part of this report in compliance with Section 134 (3) of the Companies Act, 2013 as **Annexure – 2**.

PARTICULARS OF LOANS, INVESTMENTS, GUARANTEES GIVEN OR SECURITY PROVIDED BY THE COMPANY:

During the year the Company has not provided any loan/ guarantee / security which fall under the provisions of Section 186 of the Companies Act, 2013.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES REFERRED TO IN SECTION 188(1) OF THE COMPANIES ACT, 2013:

All related party transactions which were entered into during the financial year were on at arm's length basis and were in the ordinary course of business and with the omnibus approval of the Audit Committee. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large.

All related party transactions, wherever applicable, are placed before the Audit Committee. The quarterly disclosures of transactions with related parties are made to the Audit Committee. In compliance with the provisions of Section 134(3) of the Companies Act, 2013, particulars of contracts or arrangements with related parties referred to in the provisions of Section 188(1) of the Companies Act, 2013 are enclosed, in the Form AOC-2, as part of this report as **"Annexure- 3"**.

NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

Meetings of the Board are held at regular intervals with a time gap of not more than 120 days between two consecutive Meetings. During the financial year, 5 (Five) Meetings were held on May 29, 2018, August 14, 2018, November 14, 2018, February 11, 2019 and February 28, 2019 .

Agenda of the Meeting is circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

DIRECTORS' RESPONSIBILITY STATEMENT:

In pursuance of Section 134 (3) (c) of the Companies Act, 2013 the Board of Directors of the Company confirms and submits that:

- i. in the preparation of the annual accounts, the applicable Accounting Standards have been followed and there have been no material departure;

- ii. the selected accounting policies were applied consistently and the judgments and estimates made are reasonable and prudent, so as to give a true and fair view of the state of affairs of the Company as at March 31, 2019 and of the profits of the Company for the year ended on that date;
- iii. proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv. the annual accounts have been prepared on a 'going concern' basis;
- v. adequate system of internal financial controls has been laid down and the said system is operating effectively; and
- vi. proper systems to ensure compliance with the provisions of all applicable laws have been devised and such systems were adequate and are operating effectively.

CORPORATE GOVERNANCE AND BUSINESS RESPONSIBILITY REPORT:

Being a Listed Company, necessary measures are taken to comply with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) as amended from time to time. A report on Corporate Governance, along with a Certificate of Compliance from a Practising Company Secretary, forms part of this report.

The Business Responsibility Report as required to be annexed to this report is annexed as **Annexure -4**.

DIVIDEND DISTRIBUTION POLICY:

The Company has a Dividend Distribution Policy in place, which is available on the website of the Company at www.suprajit.com (<http://www.suprajit.com/investors/compliance/policies-codes/>) and also annexed as **Annexure -5**.

RISK MANAGEMENT POLICY:

The Company has Risk Management Policy in place. With effect from April 01, 2019, the Company has constituted Risk Management Committee to oversight in the area of financial risks and controls. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

The development and implementation of Risk Management Policy has been covered in the management discussion and analysis, which forms part of this report. The Company has taken Directors' and Officers' Liability Insurance Policy.

CORPORATE SOCIAL RESPONSIBILITY (CSR)/ SUPRAJIT FOUNDATION:

Your Company has been active in CSR activities through Suprajit Foundation for the last 8 years. The Companies Act, 2013, based on the prescribed criteria, mandates the companies to contribute 2% on CSR. During the year, your Company has paid ₹ 24.87 millions. Also, Suprajit Automotive, a Wholly Owned Subsidiary

of your Company has paid ₹ 3.36 millions to Suprajit Foundation for various activities undertaken by the said Foundation. The detailed activities of Suprajit Foundation have been provided in **Annexure –6** to this report. The copy of the CSR Policy is available on the website of the Company at www.suprajit.com (<http://suprajit.com/investors/compliance/policies-codes/>).

The Suprajit Foundation was established in 2011 as a not-for-profit Trust to conduct social welfare activities. Over the years, the Foundation has initiated, guided and conducted several programs in education, healthcare and rural development.

Your Directors would like to thank the honorary Trustees of the Foundation, who continue to devote their valuable time and energy in planning, directing and monitoring its activities.

DETAILS OF EMPLOYEES STOCK BENEFIT SCHEMES:

The Shareholders of the Company have approved 'SEL Employee Stock Appreciation Rights Plan 2017' ("ESAR 2017") at the 32nd Annual General Meeting of the Company held on November 11, 2017. A Certificate from the Statutory Auditors confirming the implementation of 'ESAR 2017' in accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and Shareholders Resolution shall be placed before the Annual General Meeting.

CONSERVATION OF ENERGY:

Conservation of energy is one of the highest priority measures directly supervised by the senior management of the Company. As and when new plants are getting added by the Company, the management ensures that various measures like rain- water harvesting, STP, water usage control, planting of trees, discarding of old gen-sets and minimum usage of lighting power during day time are well adopted from day one.

In addition, the following new initiatives have been undertaken during the financial year at various plants:

- a) The Company has installed 100 kWp solar capacity as the first pilot project in the year 2016, to assess the use of solar energy for the operational requirements of the Company. The Company will monitor the performance of this project and based on the success, will consider deploying such projects at various units.
- b) Various plants have started using LED lamp to reduce power consumption.
- c) Additional facilities have been fitted with Automatic Water Level Controllers along with the water pumps which are used for pumping water to the storage tanks.
- d) Electrical systems in all the new plants have been provided with individual controls so that the user can select particular

fan, light etc., depending upon requirement at that particular point of time. This avoids indiscriminate bulk selection of electrical systems.

- e) Additional facilities, Shop floors having roofing sheets with thermal vents on top of the roofing sheets (circulating fans operating with wind) in order to reduce the heat effect in summer and also to reduce usage of electrically operated fans in the shop floor.
- f) Rain water harvesting has been modified to properly channelize the rain water into earth in manner bore well gets adequate water for its re-generation.
- g) Efforts made to improve power factors by installing additional active capacitors
- h) Continuous efforts in reduction of power load by replacing DC drive to AC drive.
- i) Compressor room temperature reduction for reducing maintenance cost.

RESEARCH AND DEVELOPMENT, TECHNOLOGY, ABSORPTION, ADAPTATION & INNOVATION:

a) Research and Development (R&D):

1. The Company has set up a centralized Suprajit Tech Centre (STC) at Bengaluru. STC has Engineers for R&D, testing and validation teams to products as per customers' requirements. The Group also has tech centers at Tamworth, U.K (Suprajit Europe Limited) and Wichita, USA (Wescon).
2. The Company has product & process patents, which are deployed commercially. The Company's R&D has developed many specialized cables, lamps and other products for Customers as per the end user requirements. This is being successfully deployed by the customer with significant cost savings.
3. Development cells in respective units have been upgraded with more Engineers and latest equipments.
4. The Company has developed many types of equipments and automation specialized for cable and lamps with significant energy savings and increased productivity.
5. "Product Life Cycle Management"–software has been implemented to enhance standardization of new product launch and change management.
6. Launch of RGL and C program to enhance robustness, geometry tolerances and life of the halogen bulbs, has led to significant improvements in quality, cost and productivity at Phoenix Lamps Division.

b) Expenditure on Research and Development:

(₹ in Millions)

PARTICULARS OF EMPLOYEES:

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 in respect of employees of the Company, will be provided upon request. In terms of Section 136 of the Act, the Report and Accounts are being sent to the Members and others entitled thereto, excluding the information on employees’ particulars, which is available for inspection by the Members at the Registered Office of the Company during business hours on working days of the Company up to the date of the ensuing Annual General Meeting. If any Member is interested in obtaining a copy thereof, such member may write to the Company Secretary in this regard.

The ratio of the remuneration of each Director to the median employee’s remuneration and other details in terms of Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, are forming part of this report as “Annexure –9”.

CAUTIONARY NOTE:

Management Discussion and Analysis forming part of this Report is in compliance with Corporate Governance Standards, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with Stock Exchanges and such statements may be “forward looking” within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company’s operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets/currency fluctuations in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

ACKNOWLEDGEMENT:

The Directors place on record their appreciation for valuable contribution made by employees at all levels, active support and encouragement received from various Governmental agencies, Company’s Bankers, Customers, vendors, distributors, Business Associates and other Acquaintances.

Your Directors recognize the continued support extended by all the Shareholders and gratefully acknowledge with a firm belief that the support and trust will continue in the future.

For and on behalf of the Board

K Ajith Kumar Rai

Chairman

I. Registrar and Share Transfer Agent:

Integrated Registry Management Services Private Limited
No. 30, Ramana Residency, 4th Cross, Sampige Road
Malleswaram, Bangalore - 560 003
Tel: +91-80-23460815
Fax: +91-80-23460819
E-mail: irg@integratedindia.in

m. Nomination Facility:

The provisions of Section 72 of the Companies Act, 2013, introduced the concept of nomination by securities holders. The facility is mainly useful for all holders holding the Shares in single name. Investors are advised to avail this facility, especially investors holding securities in single name, to avoid the lengthy process of transmission formalities.

The nomination form may be obtained from the Company/ Registrars and Share Transfer Agents on request.

However, if the Shares are held in dematerialized form, the nomination has to be conveyed by the Shareholders to their respective Depository Participant (DP) directly, as per the format prescribed by them.

n. Shareholders' Rights:

Upon the approval of quarterly and annual Financial Results by the Board of Directors, these are sent to the Stock Exchanges with whom the Shares of the Company are listed. Also, the results, in the prescribed proforma are published in National and Local dailies i.e., Business Standards (English) and Sanjevani (Kannada) in the prescribed time limit.

o. Reporting of Internal Auditors:

The Internal Auditors report to the Audit Committee.

p. Commodity price risk or foreign exchange risk and hedging activities:

Details of Commodity price risk or foreign exchange risk and hedging activities are given in notes to accounts in note no. 43 of the standalone financial statement.

q. Disclosure as per Regulation 34(3) and Para A of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015:

Name of the Subsidiary	As at March 31, 2019	
	Outstanding amount	Maximum balance Outstanding during the year
Suprajit Automotive Private Limited	4.33	4.33

17. MANAGEMENT DISCUSSION & ANALYSIS REPORT**a) INDUSTRY STRUCTURE AND DEVELOPMENT**

Your Company retained its position as a market leader in Automotive cables and halogen lamps in India with supplies to major Original Equipment Manufacturers

(OEMs). It is also a major exporter to developed countries. The long term outlook for the Indian automotive industry remains positive due to strong macroeconomic fundamentals, improving economic activity, easy availability of finance and introduction of GST. Your Directors are looking at satisfactory performance for your Company in the coming years. Added to this, opportunities to export countries to be satisfactory. It may be noted that current year out look is challenging due to de-growth in the automotive sector.

b) OPPORTUNITIES AND THREATS**OPPORTUNITIES**

- Good potential to grow the exports business for both cable & halogen lamps.
- Good Potential to secure the business from new model launches in the OEM segment in India and overseas, as a value for money supplier.
- Potential to grow aftermarket business including OLM.
- To introduce more and higher margin in products in the aftermarket.
- Strategic and niche opportunities in the inorganic space.

THREATS

- Any slowdown in the Indian Auto industry can impact OEM volumes, which is the case currently.
- Service quality and delivery issues can reduce customer business.
- Currency fluctuations can affect the net realization of sales and hence the margins.
- Increase in the commodity prices.

c) SEGMENT WISE OR PRODUCT WISE PERFORMANCE

As at 31 March 2019, the Company is engaged in manufacturing and trading of automotive cables and components & halogen lamps predominantly.

The Company has identified a single business segment being manufacturing and selling of automotive and other components. The internal reporting and performance of the Group is assessed by the Chief Executive Officer as single segment. However for the purpose of explaining the performance of the Company to investors, the management provides further break down at product and customer level.

d) OUTLOOK

Indian economy is expected to grow at less than 7%. Outlook for automotive sector is not ok this year due to multiple challenges, Global economy continues to struggle. With focused customer service and operational improvements, the outlook for the Company appears in line with the industry.

e) RISKS AND CONCERNS:

The Company's risk management strategy encompasses in-depth identification, assessment and prioritization of risk followed by speedy mobilization of resources to minimize, monitor, and control the losses of unfortunate events.

Excessive volatility in the prices of the Company's key raw materials can have impact on its profitability. As the Company derives a significant portion of its revenues from exports and pays for purchases in foreign exchange, excessive fluctuations in currency rates can have impact. Quality related costs can also add to the risk and concerns.

f) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has an adequate system of internal controls commensurate with its size to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition. All the transactions are authorized, recorded and reported correctly.

The Company's internal control systems are further supplemented by an extensive programme of internal audit by a firm of Chartered Accountants and periodic review by the Management. The internal control system is designed to ensure that all financial and other records are reliable for preparing financial statements and for maintaining accountability of assets.

g) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES & INDUSTRIAL RELATIONS FRONT INCLUDING NUMBER OF PEOPLE EMPLOYED:

Employees continue to be the key for the continued success of Organization. Industrial relations have been generally harmonious in all units. Sound human resource development policies of the Company ensure that each employee grows as an individual and contributes to the performance and growth of the Company. Regular in-house training programs for employees at all levels help in this objective. While getting skilled manpower at various levels in the operations continues to be a challenge and employee turnover remained low during the year. The Company has satisfactory recruitment system in place to address the every challenging requirement of the Company at all levels of the organization.

DIVIDEND DISTRIBUTION POLICY

This Policy applies to the distribution of Dividend by Suprajit Engineering Limited (“the Company”) in accordance with the provisions of the Companies Act, 2013 (‘the Act’) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

SEBI, vide its notification dated July 08, 2016, notified Regulation 43A – Dividend Distribution Policy which requires top 500 listed Companies based on market capitalization to formulate Dividend Distribution Policy.

This Policy sets the parameters and circumstances that will be taken in to account by the Board of Directors of the Company in declaring dividend or retaining the profit, as the case may be.

A. THE CIRCUMSTANCES UNDER WHICH THE SHAREHOLDERS OF THE COMPANY MAY OR MAY NOT EXPECT DIVIDEND;

The Company shall comply with the Companies Act, 2013 and/ or rules made there under or such other applicable statutory / regulatory requirements, if any while declaring / recommending the dividend. The Board shall, after taking in to consideration financial performance of the Company, determine the dividend payable to the Shareholders.

B. THE FINANCIAL PARAMETERS THAT SHALL BE CONSIDERED WHILE DECLARING DIVIDEND;

Following financial parameters shall be considered by the Board of Directors while distributing dividend:

- a. Working Capital requirement of the Company in near future
- b. Capital expenditure towards purchase / maintenance of machineries and Building
- c. Acquisition / take over as part of growth plans
- d. Cash required for contingencies
- e. Servicing the outstanding loans, etc

C. INTERNAL AND EXTERNAL FACTORS THAT SHALL BE CONSIDERED FOR DECLARATION OF DIVIDEND;

The Board of Directors shall provide due regard to the following internal / external parameters while declaring or recommending the dividend:

- Any political, regulatory, or such other changes that may have major impact on the industry in which the Company is operating.
- Any changes in the competitive environment requiring significant investment
- Any significant changes in the business or technology, which requires substantial investment

D. POLICY AS TO HOW THE RETAINED EARNINGS SHALL BE UTILIZED;

The consolidated profits earned by the Company can be retained in the business or used for the above mentioned purposes or it may be distributed to the shareholders.

E. PARAMETERS THAT SHALL BE ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES:

The provisions of this Policy shall be applicable to all the classes of Shares of the Company. Presently, the Company has only one class of Shares i.e. Equity Shares.

REVIEW / AMENDMENT:

The Board may review this Policy from time to time and may at its discretion amend the provisions of this Policy, whenever it thinks necessary. Any amendments in Companies Act, 2013 / or rules made there under or SEBI regulations or such other statutory amendments, to the extent applicable shall automatically apply to this Policy.

In the event of any difference between Companies Act, 2013 and SEBI Regulations or such other statutory enactments (“the Regulations”) and provisions of this Policy, the Regulations shall prevail.

Form No. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members
SUPRAJIT ENGINEERING LIMITED
Bangalore
(CIN: L29199KA1985PLC006934)

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SUPRAJIT ENGINEERING LIMITED (CIN: L29199KA1985PLC006934) (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31.03.2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by SUPRAJIT ENGINEERING LIMITED for the financial year ended on 31.03.2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - (b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (d) Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - (e) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (f) Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (g) Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013;
 - (h) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (i) Circulars/Guidelines issued there under;
- (vi) There are no specific laws applicable to the Company pursuant to the business carried by the Company.
- (vii) The other general laws as may be applicable to the Company including the following:

(1) Employer/Employee Related laws & Rules:

- i. Industries (Development & Regulation) Act, 1951
- ii. The Factories Act, 1948
- iii. The Employment Exchanges (Compulsory notification of Vacancies) Act, 1959
- iv. The Apprentices Act, 1961
- v. The Employees Provident Fund & Miscellaneous Provisions Act, 1952
- vi. The Employees State Insurance Act, 1948
- vii. The Workmen's Compensation Act, 1923
- viii. The Maternity Benefits Act, 1961
- ix. The Payment of Gratuity Act, 1972

- x. The Payment of Bonus Act, 1965
- xi. The Industrial Disputes Act, 1947
- xii. The Trade Unions Act, 1926
- xiii. The Payment of Wages Act, 1936
- xiv. The Minimum Wages Act, 1948
- xv. The Child Labour (Regulation & Abolition) Act, 1970
- xvi. The Contract Labour (Regulation & Abolition) Act, 1970
- xvii. The Industrial Employment (Standing Orders) Act, 1946
- xviii. Equal Remuneration Act, 1976
- xix. Inter-State Migrant Workmen (Regulation of Employment and Conditions of Services) Act, 1979
- xx. The Sexual Harassment of Women at Work Place (Prevention, Prohibition & Redressal) Act, 2013
- xxi. Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1996
- xxii. Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013
- xxiii. Dangerous Machines (Regulation) Act, 1983
- xxiv. Indian Boilers Act, 1923
- xxv. The Industrial Establishments (National and Festival Holidays) Act, 1963
- xxvi. The Labour Welfare Fund Act, 1965
- xxvii. The Karnataka Daily Wage Employees Welfare Act, 2012
- xxviii. For majority of Central Labour Laws the respective States have introduced Rules [names of each of the Rules is not included here]

(2) Environment Related Acts & Rules:

- i. The Environment Protection Act, 1986
- ii. The Water (Prevention & Control of Pollution) Act, 1974
- iii. The Air (Prevention & Control of Pollution) Act, 1981
- iv. Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008.

3) Economic/Commercial Laws & Rules:

- i. The Competition Act, 2002
- ii. The Indian Contract Act, 1872
- iii. The Sales of Goods Act, 1930
- iv. The Forward Contracts (Regulation) Act, 1952
- v. The Indian Stamp Act, 1899
- vi. The Transfer of Property Act, 1882

I have also examined compliances with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India on the Board and General Meetings i.e. SS - 1 and SS – 2.

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above as may be applicable during the year under review. Certain non material findings made during the course of the audit relating to the provisions of Companies Act, Secretarial Standards, Labour Laws were addressed suitably by the Management..

Further I report that with regard to financial and taxation matters, I have relied on the Audit Report, Limited Review Report and the Internal Audit Report provided by the Statutory/Internal Auditor as the case may be.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors which took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes as per the practice followed. However, during the period under report, there was no such instance.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

CERTIFICATE

CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE AS REQUIRED UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To
The Members
Suprajit Engineering Limited
Bangalore

I have examined all the relevant records of Suprajit Engineering Limited ('the Company') for the purpose of certifying the compliances of the conditions of Corporate Governance by the Company for the financial year ended 31st March, 2019 as stipulated under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the Management. My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS

To
The Members of **SUPRAJIT ENGINEERING LIMITED**

Report on the Audit of the standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Suprajit Engineering Limited ("the Company"), which comprise the standalone Balance sheet as at March 31, 2019, the standalone Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's

Responsibilities for the Audit of the standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the standalone Ind AS financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Impairment assessment of Investments in Subsidiaries (as described in note 5 of the standalone Ind AS financial statements)	
<p>As at March 31, 2019, the carrying value of investment in wholly owned subsidiaries in the standalone Ind AS balance sheet amounts to ₹ 2,524.59 Million, which is assessed for impairment.</p> <p>To assess if there is an impairment in the investment, management conducted impairment tests, annually or whenever changes in circumstances or events indicate that, the carrying amount of such investment may not be recoverable. An impairment loss is recognized if the recoverable amount is lower than the carrying value.</p> <p>The recoverable amount is estimated by calculating the value in use, basis valuation conducted by an external valuation specialist ('management's expert') factoring future business plans and such valuation report/future business plans which are reviewed and approved by the Audit Committee/ Board of Directors of the Company. This is a key audit matter as the testing of investment impairment is complex and involves significant judgement. The key assumptions involved in impairment tests are projected revenue growth, operating margins, discount rates and terminal growth etc.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • We understood the Company's process for identification of indicators for impairment and evaluated the Company's internal controls over its impairment assessment of investment in subsidiaries. We understood the key assumptions applied by the management such as revenue growth, operating margins, discount rates and terminal growth rates in determining impairment; • In respect of the external valuation specialist engaged by the management, we obtained the valuation report from the management and assessed the independence, objectivity and competence of the management expert; • We tested the key assumptions and considered the sensitivity scenarios performed by management's expert; • We involved valuation specialists for evaluating and testing the key assumptions and methodologies used by the management's expert in their valuation reports; and • We assessed the disclosures made in the standalone Ind AS financial statements.

INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including annexures, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most

INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS

significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone Ind AS Balance Sheet, the standalone Ind AS Statement of Profit and Loss including the Statement of Other Comprehensive Income, the standalone Cash Flow Statement and standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2019, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 34(a) to the standalone Ind AS financial statements;
 - ii. The Company did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2019; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF SUPRAJIT ENGINEERING LIMITED

Statement on the matters specified in paragraphs 3 and 4 of the Companies (Auditor's report) Order, 2016 ("the Order")

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment. However, identification/ tagging of certain classes of assets needs to be further strengthened to facilitate timely reconciliation with results of physical verification.
- (b) During the year, the Company has carried out physical verification of certain property, plant and equipment and no material discrepancies were noted on such verification. In our opinion, the process of physical verification of property, plant and equipment and reconciliation thereof needs to be further strengthened.
- (c) According to the information and explanations given by the management and confirmation from banks relating to title deeds of immovable properties mortgaged with the banks, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given by the management, the Company has complied with the provisions of section 185 and 186 of the Act in respect of grant of loans to directors including entities in which they are interested and in respect of loans and advances given, making investments and providing guarantees and securities, as applicable.
- (v) In respect of deposits accepted, in our opinion and according to the information and explanations given to us, directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act, and the rules framed there under, to the extent applicable, have been complied with. We are informed by the management that no order has been passed by the National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act, related to the manufacture of automobile components and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, duty of custom, goods and service tax, cess and other material statutory dues applicable to it. Also Refer Note 34(d) to the standalone Ind AS financial statements.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, duty of custom, goods and services tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. Also Refer Note 34(d) to the standalone Ind AS financial statements.
- (c) According to the records of the Company, there are no dues of income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, goods and services tax and cess which have not been deposited on account of any dispute, except the following:

Name of the statute	Nature of the dues	Amount (₹ in Million)	Payment / Refund adjusted under protest	Period (financial year) to which the amount relates	Forum where dispute is pending
The Income Tax Act, 1961	Disallowance of certain expenses and benefit	3.35	0.90	2008-09 & 2009-10	Income Tax Appellate Tribunal
The Income Tax Act, 1961	Disallowance of certain expenses and benefit	7.96	7.96	2010-11 & 2011-12	Commissioner of Income Tax (Appeals)
The Income Tax Act, 1961	Disallowance of certain expenses and benefit (including interest)	1.26	1.26	2012-13	Income Tax Appellate Tribunal
The Finance Act, 1994	Ineligible cenvat credit availed (including interest and penalty)	1.03	-	2009-10 & 2010-11	Customs, Excise and Service Tax Appellate Tribunal, New Delhi
		0.11	-	2015-16	Customs Excise & service tax Appellate Tribunal
Central Sales Tax Act, 1956	Central Sales Tax	2.17	0.3	2006-07	Joint Commissioner of Sales Tax (Appeals)

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF SUPRAJIT ENGINEERING LIMITED

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans or borrowings to bank or dues to a financial institution. The Company did not have any outstanding dues to debenture holders or government during the year.
- (ix) In our opinion and according to information and explanations given by the management, monies raised by the company by way of term loans were partly applied for the purpose for which they were raised, though idle/surplus funds which were not required for immediate utilization have been gainfully invested in liquid investments payable on demand. The maximum amount of idle/surplus funds invested during the year was Rs 22.42 Million, of which Rs 22.42 Million was outstanding at the end of the year. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and hence not commented upon.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the standalone Ind AS financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Act where applicable and the details have been disclosed in the notes to the standalone Ind AS financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Act.
- (xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF SUPRAJIT ENGINEERING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Suprajit Engineering Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Standalone Ind AS Financial Statements

A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

1. Corporate information

Suprajit Engineering Limited ('the Company') is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The registered office of the Company is situated at No. 100 & 101, Bommasandra Industrial Area, Bengaluru - 560 099. The Company CIN is L29199KA1985PLC006934.

The Company is engaged in the business of manufacturing of auto components consisting mainly of control cables, speedo cables, auto lamps and other components for automobiles and caters to both domestic and international markets.

The standalone financial statements were authorised for issue in accordance with a resolution of the Company's Board of Directors on May 27, 2019.

2. Significant accounting policies

(a) Basis of preparation of standalone financial statements

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements.

The standalone financial statements have been prepared on a historical cost basis, except for certain assets and liabilities which have been measured at fair value at the end of the reporting period, as explained further in the accounting policies below. The standalone financial statements are presented in Indian Rupees ("INR/₹") and all values are rounded to the nearest Million (INR 000,000), except when otherwise indicated.

(b) Use of estimates, assumptions and judgments

The preparation of the standalone financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the standalone financial statements and the reported amounts of revenues and expenses for the year reported. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty as at the date of standalone financial statements, which may cause a

material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of the following:

Impairment of financial assets

In accordance with Ind AS 109, the Company assesses impairment of financial assets ('Financial instruments') and recognises expected credit losses, which are measured through a loss allowance.

The Company provides for impairment of investment in subsidiaries. Impairment exists when there is a diminution in value of the investment and the recoverable value of such investment is lower than the carrying value of such investment.

The Company provides for impairment of trade receivables based on assumptions about risk of default and expected timing of collection. The Company uses judgement in making these assumptions and selecting inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit ("CGU") exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow ("DCF") model. The cash flows are derived from the budget for future years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date (refer note 36).

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables. These mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Fair Value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using internal valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Also refer note 2(e).

Share-based payments (Employee Stock Appreciation Plan)

Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in note 44.

Taxes

The Company's major tax jurisdictions is in India. Significant judgments are involved in determining the provision for income taxes and tax credits, including the amount expected to be paid or refunded (refer note 31).

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that future taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- expected to be realized or intended to be sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realized within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- expected to be settled in normal operating cycle;
- held primarily for the purpose of trading;
- due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(d) Foreign currencies

The standalone financial statements are presented in Indian Rupee (₹), which is also the Company's functional currency. Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date, the transaction first qualifies for recognition. However, for practical reasons, the Company uses an average rate, if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in the standalone statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in other comprehensive income ("OCI"))

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

or the statement of profit or loss are also recognized in OCI or the statement of profit or loss, respectively).

Effective April 1, 2018, the Company has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

(e) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

The Company's management determines the policies and procedures for fair value measurement. External valuers are involved, wherever considered necessary.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above. This note summarizes accounting policy for fair value and the other fair value related disclosures are given in the relevant notes.

(f) Revenue from contract with customer

The Company earns revenue from contract with customer primarily from sale of goods.

Effective April 1, 2018, the Company has applied Ind AS 115 Revenue from Contract with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the standalone statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. Refer Note 2(f) – Significant accounting policies – Revenue Recognition - in the annual report of the Company for the year ended March 31, 2018, for revenue recognition policy as per Ind AS 18 and Ind AS 11. The impact of adoption of the standard on the standalone financial statements of the Company is insignificant.

Revenue from contract with customers is recognized upon transfer of control of promised products to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer, it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

In accordance with the erstwhile Ind AS 18 on "Revenue" and Schedule III to the Companies Act, 2013, sales for the period April 1, 2017 to June 30, 2017 were reported gross of Excise Duty and net of Value Added Tax (VAT)/ Sales Tax. Excise Duty was reported as a separate expense line item. Consequent to the introduction of Goods and Services Tax (GST) with effect from July 1, 2017, VAT, Sales Tax, Excise Duty etc. have been subsumed into GST and accordingly, the same is not recognized as part of sales as per the requirements of the erstwhile Ind AS 18 on "Revenue", now replaced by Ind AS 115 on "Revenue from Contracts with Customers".

Application of Ind AS 115 did not have any significant impact on the standalone Ind AS financial statements.

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

Revenues in excess of invoicing are classified as contract assets (which we refer to as Unbilled Revenue). The specific recognition criteria described below must also be met before revenue is recognized.

Sale of goods:

Revenue from sale of goods is recognized at the point in time when control of the asset is transferred to the customer.

The revenue is collected immediately upon sale of goods or as per agreed credit terms which is within 0 to 270 days upon delivery.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated.

Variable Consideration:

Rights of return, volume discounts, or any other form of variable consideration is estimated using either the sum of probability weighted amounts in a range of possible consideration amounts (expected value), or the single most likely amount in a range of possible consideration amounts (most likely amount), depending on which method better predicts the amount of consideration realizable. Transaction price includes variable consideration only to the extent it is probable that a significant reversal of revenues recognized will not occur when the uncertainty associated with the variable consideration is resolved. Our estimates of variable consideration and determination of whether to include estimated amounts in the transaction price may involve judgment and are based largely on an assessment of our anticipated performance and all information that is reasonably available to us.

Sale of Services

Revenue from service contracts are recognized as per the contractual terms as and when the services are rendered. No further obligations remains and the collection is probable.

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount

of the financial asset or to the amortized cost of a financial liability. When calculating EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in other income in the standalone statement of profit and loss.

Export benefits

Export entitlements in the form of Merchandise Export from India (MEIS) and Duty Entitlement Pass Book / draw back (DEPB) are recognized in the standalone statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Dividend

Revenue is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(g) Government grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to the standalone statement of profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

Government grants related to expenditure on property, plant and equipment are credited to the statement of profit and loss over the useful lives of qualifying assets or other systematic basis representative of the pattern of fulfilment of obligations associated with the grant received. Grants received less amounts credited to the statement of profit and loss at the reporting date are included in the balance sheet as other liabilities.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

(h) Taxes

Current income tax

Tax Expense comprises of current tax and deferred tax and is recognized in the standalone statement of profit and loss.

Current income tax assets and liabilities is the amount of income tax determined to be payable/recoverable in respect of taxable income as computed in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside the standalone statement of profit or loss is recognized outside the standalone statement of profit or loss (either in OCI or in equity in correlation to the underlying transaction). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions, where appropriate

Deferred tax

Deferred income tax is recognized using the balance sheet approach, deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets include Minimum Alternative Tax ("MAT") paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax

asset in the consolidated balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

(i) Property, plant and equipment

Property, plant and equipment and capital-work-in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement, if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the standalone statement of profit or loss as incurred.

Depreciation is calculated on a straight-line basis over the useful lives of the assets, as specified in Schedule II to the Act except in case of certain assets wherein depreciation is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

	<u>Useful lives (years)</u>
Buildings – Factory	30
Buildings- Others	60
Electrical installations	21
Plant and equipments	5 to 30
Dies and moulds	15
Furniture and fixtures	10 and 15
Office equipments	5 and 10
Vehicles	8 and 10
Computers and networks	3 and 6

In respect of plant and machinery (excluding pipelines and electrical fittings etc.) used at any time during the year on double shift or triple shift basis, the depreciation for that period is increased by 50% or 100%, respectively.

Leasehold land is amortized on a straight-line basis over the period of lease. Leasehold improvements are amortized on straight-line basis over the lower of useful life of the asset and the remaining period of the lease.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and

the carrying amount of the asset) is included in the standalone statement of profit and loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(j) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the standalone statement of profit or loss in the period in which the expenditure is incurred.

Intangible assets are amortized over the useful economic life and assessed for impairment, whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each reporting period. The amortization expense on intangible assets is recognized in the standalone statement of profit and loss.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the standalone statement of profit and loss when the asset is derecognized.

A summary of amortization policies applied to the Company's intangible assets, is as below:

	<u>Useful life (years)</u>
Software	3
Business rights	5
Patents	5

(k) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(l) Leases

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement at the inception of the lease. The

arrangement is or contains a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognized as an expense in the standalone Ind AS statement of profit and loss over the lease term.

The Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

(m) Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
- Finished goods and work-in-progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

- Traded goods: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(n) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's ("CGU") fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country in which the entity operates, or for the market in which the asset is used.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's

or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the standalone statement of profit or loss, unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

(o) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the standalone statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provision for warranty is recognized based on the historical experience and future estimate claims by the management. The estimate of such warranty related costs is revised annually.

(p) Retirement and other employee benefits

Retirement benefit in the form of provident fund and employee state insurance which are defined contribution schemes. The Company has no obligation, other than the contribution payable to the provident fund and employee state insurance. The Company recognizes contribution payable to the provident fund and employee state insurance scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund i.e. Employee's Group Gratuity cum Life Assurance Scheme of Life Insurance Corporation of India. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the standalone balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the standalone statement of profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognizes changes in the net defined benefit obligation which includes service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and net interest expense or income, as an expense in the standalone statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. The Company presents the leave as a current liability in the standalone balance sheet, to the extent it does not have an unconditional right to defer its settlement for twelve months after the reporting date. Where the Company has the unconditional legal and contractual right to defer the settlement for a period beyond twelve months, the same is presented as non-current liability.

(q) Share-based payment (Employee Stock Appropriation Plan)

Employees (including senior executives) of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

Equity-settled transactions

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

That cost is recognized, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The standalone statement of profit and loss expense or credit for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Company's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

No expense is recognized for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognized is the expense had the terms had not been modified, if the original terms of the award are met. An additional expense is recognized for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee as measured at the date of modification. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through profit or loss.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(r) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortized cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in below categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

A 'debt instrument' is measured at the amortized cost, if both the following conditions are met:

- (i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- (ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. This category generally applies to trade and other receivables.

A 'debt instrument' is classified as FVTOCI, if both of the following criteria are met:

- (i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and

- (ii) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI.

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the standalone statement of profit or loss.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the standalone statement of profit or loss.

Investment in subsidiary

Investments in subsidiary are carried at cost less provision for impairment, if any.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e., all cash shortfalls), discounted at the original Effective interest rate ('EIR'). ECL allowance (or reversal) recognized during the period is considered as income/ expense in the standalone statement of profit and loss. This amount is reflected under the head 'other expenses' in the standalone statement of profit or loss.

The Company uses a provision matrix based on age to determine impairment loss allowance on portfolio of its trade receivables.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and in case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include borrowings, trade and other payables, and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification. Financial liabilities at fair value through the standalone statement of profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as fair value through profit or loss. Gains or losses on liabilities held for trading are recognized in the standalone statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the standalone statement of profit or loss.

Loans and borrowings

Borrowings is the category most relevant to the Company. After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in standalone statement of profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the standalone statement of profit and loss.

Financial guarantee

Financial guarantee issued by the Company that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument, is recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the standalone statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(s) Derivative financial instruments and hedge accounting

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to the standalone statement of profit and loss.

Any derivative that is either not designated as a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through statement of profit and loss. Derivative designated as hedge and is effective as per Ind AS 109, the effective portion of changes in the fair value of the derivative is recognized in other comprehensive income.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

(t) Cash and cash equivalents

Cash and cash equivalents in the standalone balance sheet and cash flow statement comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(u) Standalone statement of cash flow

Cash flows are reported using the indirect method, whereby profit/(loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(v) Cash dividend to equity holders

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

(w) Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more

uncertain future events not wholly within the control of the Company; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements.

(x) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The effects of anti-dilutive potential equity shares are not considered in calculating dilutive earnings per share.

(y) Segment reporting

In accordance with Ind AS 108, Operating segments, segment information has been provided in the consolidated financial statements of the Company and therefore no separate disclosure on segment information is given in these standalone financial statements.

Proposed dividend on equity shares are subject to approval by shareholders at the annual general meeting and hence not recognised as a liability (including dividend distribution tax thereon) as at March 31, 2019 and March 31, 2018.

Nature and purpose of reserves

15.1 Capital reserve

The Company recognised capital subsidy received (₹ 4.58 Million) prior to April 1, 2017 along with profit on forfeiture of the Company's own equity instruments (₹ 0.55 Million) to capital reserve.

15.2 Capital redemption reserve

The Company recognised capital redemption reserve on redemption of Preference shares of erstwhile Phoenix Lamps Limited and upon merger of erstwhile Phoenix Lamps Limited with the company, the balances have been brought as such to the Company.

15.3 Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

15.4 General reserve

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

15.5 Share based payments reserves

Share based payments reserves represents employee share based expense recognised in fair valuation of option expenses on ESAR.

(ii) Details of CSR expenditure

As per Section 135 of the Company's Act, 2013, a Corporate Social Responsibility ('CSR') committee has been formed by the Company. The primary function of the Committee is to assist the Board of Directors in formulating the CSR policy and review the implementation and progress of the same from time to time. The Company has formed Suprajit Foundation to carry out the CSR activities on behalf of Company. Suprajit Foundation is engaged in the activities of eradication of hunger, malnutrition, promoting education and healthcare.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Current tax relating to earlier periods	(13.24)	24.22
Others	22.93	(3.04)
Total adjustments	(B) (16.90)	(6.78)
Total tax expense	(A+B) 590.67	543.48

32 Earnings per share (EPS)

Basic earnings per share amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

Computation of basic and diluted EPS:

	Year ended March 31, 2019	Year ended March 31, 2018
Nominal value per equity share (₹ per share)	1	1
Profit attributable to equity shareholders (₹ in Million)	1,148.23	1,046.41
Weighted average number of equity shares (No. in Million)*	139.87	139.87
Earnings per share basic and diluted (₹ per share)**	8.21	7.48

* There are no transactions involving equity shares or potential equity shares between the reporting date and the date of authorisation of these financial statements.

** Employee stock appreciation rights outstanding as at March 31, 2019 are anti-dilutive and accordingly have not been considered for the purpose of computing dilutive EPS for the year ended March 31, 2019.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

33 Commitments

(a) Operating lease as lessee

The Company is obligated under non-cancellable operating lease for factory, warehouse, office and residential space that are renewable on a periodic basis at the option of both the lessor and lessee. The total rental expenses for the year under non-cancellable operating leases amounted to ₹ 6.91 Million (March 31, 2018: ₹ 9.02 Million).

The future minimum lease payments under non-cancellable operating leases are as follows:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Not later than one year	3.38	3.38
Later than one year and not later than five years	13.47	13.47
More than five years	16.25	19.62
Total	33.10	36.47

The above does not include leasehold land taken by the Company for which the upfront lease premium has been paid in earlier years. (refer note 13).

The Company leases factory, warehouse, office and residential space under cancellable operating lease agreements. The Company intends to renew such leases in the normal course of its business. Total rental expense for the year under cancellable operating leases amounted to ₹ 2.54 Million (March 31, 2018: ₹ 4.08 Million).

- (b) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) is ₹ 105.20 Million (March 31, 2018: ₹ 10.34 Million).

34 Contingent liabilities

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
(a) Claims against Company not acknowledge as debts*		
Income tax demands**	2.44	1.26
Value Added Tax/Central Sales Tax demands	2.17	65.35
Excise duty/service tax demand	1.14	1.14
Suspension period wages	6.80	5.35
(A)	12.55	73.10
(b) Others		
Bonds executed in favour of customs authority	15.00	15.00
Bank guarantees (furnished to tax authorities)	0.80	0.75
Corporate guarantees (issued on behalf of subsidiaries to their bankers towards credit facilities)	2,120.38	1,997.46
Others	4.90	-
(B)	2,141.08	2,013.21
Total	(A+B) 2,153.63	2,086.31

*These demands are disputed by the Company and the Company has filed appeals against these orders with various appellate authorities. The management is confident that the demands raised by the Officers of the respective departments are not tenable under the respective statutory provisions. Pending outcome of the aforesaid matters under litigation, no provision has been made in the books of account towards these demands. The Company does not expect any material adverse effect in respect of the above contingent liabilities.

** Net of tax provision made for pending litigations.

- (c) The Company does not have any commitments as at balance sheet date except as disclosed in note 33.

- (d) The Hon'ble Supreme Court (SC) of India in a judgment on Provident Fund (PF) dated February 28, 2019 addressed the principle for determining salary components that form part of basic salary for individuals below a prescribed salary threshold. The Company determined that they had not previously included such components in basic salary. There are numerous interpretative issues relating to the SC judgment on PF dated 28th February, 2019. As a matter of caution, the company has made a provision on a prospective basis from the date of the SC order. The company will update its provision, on receiving further clarity on the subject.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

35 The Company has entered into 'International transactions' with 'Associated Enterprises' which are subject to Transfer Pricing regulations in India. The Company is in the process of carrying out transfer pricing study for the year ended March 31, 2019 in this regard, to comply with the requirements of the Income Tax Act, 1961. The Management of the Company, is of the opinion that such transactions with Associated Enterprises are at arm's length and hence in compliance with the aforesaid legislation. Consequently, this will not have any impact on the standalone Ind AS financial statements, particularly on account of tax expense and that of provision for taxation.

36 Employee benefit plans

(a) Defined contribution plans

The Company makes contributions to Provident Fund, Employee State Insurance scheme contributions which are defined contribution plan for qualifying employees. Under the scheme, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits.

The Company has recognised the following amounts towards the defined contribution plans in the statement of profit and loss:

	₹ in Million	
	Year ended March 31, 2019	Year ended March 31, 2018
Employers contribution to Provident Fund	39.59	36.46
Employers contribution to Employee State Insurance	10.83	10.84

(b) Defined benefit plans

Gratuity

The Company offers gratuity benefits to employees, a defined benefit plan, gratuity plan is governed by the Payment of Gratuity Act, 1972. Under gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service. The scheme is funded with an insurance company in the form of qualifying insurance policy.

The following tables summarize the components of net benefit expense recognized in the standalone statement of profit and loss and the funded status and amounts recognized in the standalone Balance Sheet.

K Notes

- (i) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. The overall expected rate of return on assets is determined based on the market price prevailing on that date, applicable to the period over which the obligation is to be settled.
- (ii) The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable change in key assumptions occurring at the end of the reporting period.
- (iii) The weighted average duration of the defined benefit obligation at the end of the reporting period is 13.31 years (March 31, 2018: 12.62 years).

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

37 Segment reporting

In accordance with Ind AS 108, Operating segments, segment information has been provided in the consolidated Ind AS financial statements of the Company and therefore no separate disclosure on segment information is given in these standalone Ind AS financial statements.

38 Amalgamation of Phoenix Lamps Limited

The scheme of amalgamation of Phoenix Lamps Limited, an erstwhile subsidiary of the Company with Suprajit Engineering Limited with the appointed date as April 1, 2016 was approved by the National Company Law Tribunal (NCLT) vide order dated August 17, 2017 and upon necessary filing with the Registrar of Companies, the scheme had become effective on September 13, 2017. In consideration for aforesaid amalgamation, the Company issued and allotted 8,533,699 equity shares of ₹ 1/- (Rupee one only) each, amounting to ₹ 8.53 Million, to the minority shareholders of erstwhile Phoenix Lamps Limited on September 14, 2017 based on share exchange ratio of 4:5 as per the scheme of amalgamation.

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. For the year ended March 31, 2019, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2018: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

40 Operating lease as lessor

During the year the company has entered into lease agreement with subsidiary for the lease of vacant land. The total rental income for the year under non-cancellable operating leases amounted to ₹ 3.85 Million (March 31, 2018 ₹ Nil).

The future minimum lease receipts under non-cancellable operating leases are as follows:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Not later than one year	5.32	-
Later than one year and not later than five years	17.62	-

Provision for MTM losses on foreign currency forward contract	15.26	-	-	15.26
Total financial liabilities measured at fair value	15.26	-	-	15.26

There have been no transfer between Level 1, Level 2 and Level 3 during the year ended March 31, 2019 and March 31, 2018.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

41 (iii) Valuation technique used to determine fair value

- The Company enters into derivative forward financial contracts with financial institutions in nature of foreign currency forward contracts which are valued using mark to market valuation provided by financial institutions. The valuation includes foreign currency exchange rates in the active markets. Hence, the valuation is considered Level 1 by the management.
- The Company has investment in quoted mutual funds these investments other than investment in subsidiaries are carried at fair value through profit and loss using quoted prices in active markets and accordingly classified with in Level 1 of the valuation hierarchy

42 Capital management

The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and capital ratios in order to ensure sustained growth in the business and to maximise the shareholders value.

₹ in Million

	As at March 31, 2019	As at March 31, 2018
A. Total equity attributable to the share holders of the Company (Capital)	7,010.31	6,060.30
B. Borrowings		
Non-current borrowings	245.36	262.61
Current borrowings	1,268.64	1,245.72
Current maturities of non-current borrowings	176.98	229.61
Current maturities of public deposits	-	0.40
Less: Cash and cash equivalents	(177.52)	(41.29)
Less: Current investments (limited to the extent of borrowings)	(1,513.46)	(1,258.09)
Net debt	-	438.96
C. Total capital and net debt (A+B)	7,010.31	6,499.26
D. Gearing ratio (B/C)	0%	7%

- The Company is predominantly equity financed as evident from the capital structure table above. Further the Company has sufficient cash and cash equivalents, current investments and financial assets which are liquid to meet the debts.
- In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. The breaches in meeting the financial covenants would permit the bank to immediately call borrowings. There have been no breaches in the financial covenants of any borrowings in the current year.

43 Financial risk management

Objective and policies:

The Company's principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, fair value through profit and loss investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the position as at March 31, 2019 and March 31, 2018.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and on the basis of hedge designations in place at March 31, 2019.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate due to change in the market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the Company's borrowings with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant. The impact on entity's profit before tax due to change in the interest rate/ fair value of financial liabilities are as disclosed below:

	₹ in Million			
	Year ended March 31, 2019		Year ended March 31, 2018	
	1% increase	1% decrease	1% increase	1% decrease
Effect of profit before tax expense	(17.07)	17.07	(17.53)	17.53

(b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exchange risk arises from its foreign operations and foreign currency revenues and expenses. The Company has exposures to United States Dollars ('USD'), Great Britain Pound ('GBP'), Euro ('EUR') and other currencies. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities.

The Company uses derivative financial instruments, such as foreign exchange forward contracts, to mitigate the risk of changes in foreign currency exchange rates in respect of its trade receivables.

Below is the summary of unhedged foreign currency exposure of Company's financial assets and liabilities.

Currency	₹ in Million			
	Foreign currency amount		Amount in ₹	
	As at March 31, 2019	As at March 31, 2018	As at March 31, 2019	As at March 31, 2018
Financial assets				
USD	1.75	2.00	119.27	128.37
EUR	0.98	1.30	75.99	104.81
GBP	0.15	0.19	13.60	17.30
Total			208.86	250.48
Financial liabilities				
USD	1.74	0.83	121.83	53.97
EUR	2.88	1.08	223.71	86.67
GBP	-	-	0.04	0.07
Others	0.74	1.79	7.59	1.10
Total			353.17	141.81
Net financial assets			(144.31)	108.67

The Company holds derivative financial instruments such as foreign currency forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counter party for these transactions are banks. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the market place.

Forward contracts outstanding are as below:

Currency	₹ in Million			
	Foreign currency amount		Amount in ₹	
	March 31, 2019	March 31, 2018	March 31, 2019	March 31, 2018
EUR*	0.98	1.13	75.76	91.10
EUR**	1.60	3.23	124.32	260.41

* towards foreign currency receivables

** towards highly probable foreign currency sales.

Sensitivity analysis

Every 1% appreciation or depreciation of the respective foreign currencies compared to functional currency of the Company would cause the profit before tax in proportion to revenue to increase or decrease respectively by 0.01% (March 31, 2018: 0.01%).

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

(c) Commodity price risk

The Company is affected by the price volatility of certain commodities. Its operating activities require the ongoing purchase and manufacture of automotive cables & lamps and therefore require a continuous supply of below said products. The Company's Board of Directors has developed and enacted a risk management strategy regarding commodity price risk and its mitigation.

Commodity price sensitivity

The following table shows the effect of price changes in below said products:

	₹ in Million			
	Year ended March 31, 2019		Year ended March 31, 2018	
	1% increase	1% decrease	1% increase	1% decrease
Impact on profit before tax				
Steel wire	(14.99)	14.99	(14.15)	14.15
Cable components	(38.31)	38.31	(37.48)	37.48
Glass tube	(2.16)	2.16	(2.02)	2.02
Lamp components	(11.40)	11.40	(5.30)	5.30

(ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

a. Trade receivables

Credit risk is managed by each business unit as per the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

b. Credit risk exposure

The Company's credit period generally ranges from 0-270 days. The credit risk exposure of the Company is as below:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Trade receivables	(A) 2,039.16	1,949.54
Impairment allowance (allowance for bad and doubtful debts)		
Balance as per last financial statements	10.72	10.16
Add: Charge for the year	0.42	0.56
Less: Utilised during the year	(0.52)	-
Closing balance	(B) 10.62	10.72
Total	(A-B) 2,028.54	1,938.82

The Company evaluates the concentration of risk with respect to trade receivables as low, since majority of its customers are reputed automobile companies and are spread across multiple geographies.

c. Financial instruments and cash deposits

Credit risk is limited, as the Company generally invests in deposits with banks with high credit ratings assigned by international and domestic credit rating agencies. Investment primarily includes investment in liquid mutual fund units. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(iii) Liquidity risk

The Company's principal sources of liquidity are cash and cash equivalents, investment in mutual funds and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents and deposits is as below:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Cash on hand	2.98	1.30
Balance with banks	175.92	39.99
Investment in mutual funds	1,564.65	1,258.09
	1,743.55	1,299.38

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

The table below summarises the maturity profile of the Company's financial liabilities at the reporting date. The amounts are based on contractual undiscounted payments.

	₹ in Million				
	On demand	1-180 days	180-365 days	> 365 days	Total
March 31, 2019					
Non-current borrowings	-	-	-	245.36	245.36
Current borrowings	1,268.64	-	-	-	1,268.64
Trade payables	-	1,099.12	-	-	1,099.12
Other financial liabilities	20.17	262.59	88.49	17.37	388.62
Total	1,288.81	1,361.71	88.49	262.73	3,001.74
March 31, 2018					
Non-current borrowings	-	-	-	262.61	262.61
Current borrowings	1,245.72	-	-	-	1,245.72
Trade payables	-	1,326.74	-	-	1,326.74
Other financial liabilities	17.26	236.80	115.01	15.13	384.19
Total	1,262.98	1,563.54	115.01	277.74	3,219.26

44 Employee Stock Appreciation Rights ('ESAR') (Equity Settled):

Employee Stock Appreciation Rights Plan – 2017 (the ESAR 2017 Plan): Effective June 26, 2018, the company instituted the ESAR 2017 plan. The Board of directors of the Company and shareholders approved the ESAR 2017 plan at its meeting held on September 13, 2017 and November 11, 2017 respectively. The ESAR 2017 Plan provides for the issue of stock appreciation rights to certain employees of the Company and its subsidiaries.

The ESAR 2017 Plan is administered by the Nomination and Remuneration Committee. As per the ESAR 2017 Plan, the stock appreciation rights are granted at the exercise price of ₹ 1 /-. The equity shares covered under these stock appreciation rights vest over five years from the date of grant. The exercise period is five years from the respective date of vesting.

The movement in the rights under the ESAR 2017 plan for the year ended March 31, 2019 is set out below

The ESAR 2017 Plan	Year ended March 31, 2019	
	No. of stock appreciation rights	Weighted Average Exercise Price (₹)
Rights outstanding at the beginning	-	-
Granted	883,440	1
Forfeited/ Surrendered	34,998	-
Lapsed	-	-
Exercised	-	-
Rights outstanding at the end	848,442	1

The stock appreciation rights outstanding on March 31, 2019 has an exercise price of ₹ 1.00 and the weighted average remaining contractual life of 8.02 years.

The weighted average fair value of stock appreciation rights granted during the year was ₹ 248.14. The Black - Scholes valuation model has been used for computing the weighted fair value considering the following inputs:

	March 31, 2019
Weighted average share price on the date of Grant (₹)	257.65
Exercise Price (₹)	1
Expected Volatility*	35.79%
Weighted average expected life (in years)	6.53
Average risk free interest rate	7.92
Dividend Yield	0.54

* The expected volatility was determined based on historical volatility data

Total Employee Compensation Cost pertaining to the ESAR 2017 plan during the year is ₹ 45.89 Million, net of cross charge to subsidiary.

Employee-wise details of ESAR's granted during the year ended March 31, 2019 to:

Senior managerial personal

Name of the employee	No. of ESAR's Granted
Mr. Mohan Srinivasan Nagamangala	115,385
Mr. Narayan Shankar	61,538
Mr. Medappa Gowda J	48,077
Mr. Akhilesh Goel	38,462

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

45 Standards issued but not yet effective

The standards issued, but not yet effective up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards when they become effective.

i) Ind AS 116: Leases

On March 30, 2019, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amended Rules, 2018 ("amended rules"). As per the amended rules, Ind AS 116, "Leases", will replace existing Ind AS on Lease. It replaces Ind AS 17, "Leases" and is applicable for all accounting periods commencing on or after April 1, 2019.

The standard introduces a comprehensive model for the identification of lease arrangements and accounting treatments for both lessors and lessees. For lessees, Ind AS 116 removes distinctions between operating leases and finance leases. These are replaced by a model where a right of use asset and a corresponding liability are recognised for all leases except for short-term leases and low value assets.

In contrast to lessee accounting, Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17, and continues to require a lessor to classify a lease either as an operating lease or a finance lease.

The standard permits two possible methods of transition:

Full Retrospective approach: Under this approach the standard will be applied retrospectively to each prior reporting period presented.

Modified Retrospective approach: Under this approach the entity shall not restate the comparative information. Instead, the entity shall recognise the cumulative effect of initially applying this Standard as an adjustment to the opening balance of retained earnings at the date of initial application.

The Company has established an implementation team to implement Ind AS 116 related to the identification and recognition of leases and continues to evaluate the changes to accounting system and processes, and additional disclosure requirements that may be necessary.

During the current period the Company has made progress in a number of areas including the identification of leases and contracts that could be determined to include a lease; the collation of lease data required for the calculation of the impact assessment; identification of areas of complexity or judgment relevant to the Company; identification of necessary changes to systems and processes required to enable reporting and accounting in accordance with Ind AS 116; and development of initial estimates for discount rates.

From the work performed to date and based on the undiscounted lease commitments presented in note 33(a), it is anticipated that implementation of the new standard using the modified retrospective approach will have impact on the reported assets and liabilities of the Company.

These adjustments will lead to an increase in total assets and total liabilities at the date of transition as a result of the recognition of the right of use assets and the corresponding lease liabilities.

In addition, the implementation of the standard will impact the income statement and classification of cash flows.

While the total amount of expenses charged over the term of the lease remains the same, the distribution of such expenses over time and the breakdown of the same into depreciation on the right of use asset and interest expense on the lease liability.

A reliable estimate of the financial impact on the Company's results is dependent on a number of unresolved areas, including; choice of transition option, refinement of approach to discount rates, estimates of lease-term for leases with options to break and renew and conclusion of data collection. In addition, the financial impact is dependent on the facts and circumstances at the time of transition.

ii) Amendment to Ind AS 12: Income taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

iii) Appendix C to Ind AS 12: Uncertainty over Income Tax Treatments

The Interpretation addresses the accounting for income taxes when tax treatments involve uncertainty that affects the application of Ind AS 12 and does not apply to taxes or levies outside the scope of Ind AS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The Interpretation specifically addresses the following:

- Whether an entity considers uncertain tax treatments separately
- The assumptions an entity makes about the examination of tax treatments by taxation authorities
- How an entity determines taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
- How an entity considers changes in facts and circumstances

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

An entity has to determine whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments. The approach that better predicts the resolution of the uncertainty should be followed. In determining the approach that better predicts the resolution of the uncertainty, an entity might consider, for example, (a) how it prepares its income tax filings and supports tax treatments; or (b) how the entity expects the taxation authority to make its examination and resolve issues that might arise from that examination.

The interpretation is effective for annual reporting periods beginning on or after 1 April 2019, but certain transition reliefs are available.

iv) Amendment to Ind AS 19: Plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- a) To use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- b) To recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

46 Events after reporting period

The Board of Directors, at its meeting held on May 27, 2019 recommended a final dividend of ₹ 0.85 (85%) per equity share for the financial year ended March 31, 2019. The payment is subject to the approval of the shareholders in the ensuing Annual General Meeting of the Company. The final dividend declared in the previous year was ₹ 0.80 (80%) per equity share.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To
The Members of **Suprajit Engineering Limited**

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Suprajit Engineering Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the consolidated Balance sheet as at March 31, 2019, the consolidated Statement of Profit and Loss, including the Statement of other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities

under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
<i>Impairment assessment of goodwill (as described in note 4 of the consolidated Ind AS financial statements)</i>	
<p>As at March 31, 2019, the total goodwill recognized in the consolidated balance sheet amounts to ₹ 1,418.35 million pertaining to two acquired entities which are separate cash generating units ('CGUs') ie: Wescon Controls LLC and Luxlite Lamps SARM.</p> <p>To assess if there is an impairment in the goodwill, the management conducts impairment tests at CGU level to which the goodwill is attributable, annually or whenever changes in circumstances or events indicate that, the carrying amount of such goodwill may not be recoverable. An impairment loss is recognized if the recoverable amount is lower than the carrying value.</p> <p>The recoverable amount of the CGU is estimated by calculating the value in use of the CGU to which goodwill is attributable, basis valuation conducted by an external valuation specialist ('management's expert') factoring future business plans and such valuation reports/future business plans which are reviewed and approved by the Audit Committee/Board of Directors of the Company. This is a key audit matter as the testing of goodwill impairment is complex and involves significant judgement. The key assumptions involved in impairment tests are projected revenue growth, operating margins, discount rates and terminal growth.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> We evaluated the Group's internal controls over its annual impairment assessment and key assumptions applied such as revenue growth, operating margins, discount rates and terminal growth rates; In respect of the external valuation specialist engaged by the Group, we obtained the valuation report from the management and assessed the independence, objectivity and competence of the management expert; We tested the key assumptions and considered the sensitivity scenarios performed by management's expert; We involved valuation specialists for evaluating and testing the key assumptions and methodologies used by the management's expert in their valuation reports; and We assessed the disclosures made in the consolidated Ind AS financial statements.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Director's report including annexures, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books;
- (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the consolidated Cash Flow Statement and consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of written representations received from the directors of the Holding Company and its subsidiary company which are incorporated in India as on March 31, 2019, and taken on record by the Board of Directors of the Holding Company and its subsidiary Company, none of the directors of the Holding Company and its subsidiary Company is disqualified as on March 31, 2019, from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Holding Company and its subsidiary Company incorporated in India, refer to our separate report in "Annexure 1" to this report ;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid / provided by the Holding Company and its subsidiary Company, incorporated in India to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on its consolidated financial position of the Group - Refer note 38(a) to the consolidated Ind AS financial statements;
 - ii. The Group did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2019; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary Company, which are incorporated in India during the year ended March 31, 2019.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF SUPRAJIT ENGINEERING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of Suprajit Engineering Limited as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of Suprajit Engineering Limited (hereinafter referred to as the "Holding Company") and its subsidiary company, incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Consolidated Ind AS Financial Statements

A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

1. Corporate information

The consolidated financial statements comprise financial statements of Suprajit Engineering Limited ('SEL' or 'the Company' or 'the Holding Company') and its subsidiaries (collectively, 'the Group'). SEL is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on the Bombay Stock Exchange and the National Stock Exchange in India. The registered office of the Holding Company is situated at No. 100 & 101, Bommasandra Industrial Area, Bengaluru - 560 099.

The Group is engaged in the business of manufacturing of auto components consisting mainly of control cables, speedo cables, auto lamps and other components for automobiles and caters to both domestic and international markets.

The consolidated financial statements were authorised for issue in accordance with a resolution of the Company's Board of Directors on May 27, 2019.

2. Significant accounting policies

(a) Basis of preparation of Consolidated financial statements

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting

Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the consolidated financial statements.

The consolidated financial statements have been prepared on a historical cost basis, except for certain assets and liabilities which have been measured at fair value at the end of the reporting period, as explained further in the accounting policies below. The consolidated financial statements are presented in Indian Rupees ("INR/₹") and all values are rounded to the nearest Million (INR 000,000), except when otherwise indicated.

The consolidated financial statements were authorised for issue in accordance with a resolution of the Company's Board of Directors on May 27, 2019.

(b) Basis of consolidation

The consolidated financial statements for the year ended March 31, 2019 comprise the financial statements of Suprajit Engineering Limited and its subsidiaries (collectively referred to as "the Group").

Name of entity	Relationship	Country of Incorporation	% of Ownership Interest	
			March 31, 2019	March 31, 2018
Suprajit Automotive Private Limited	Subsidiary	India	100%	100%
Suprajit Europe Limited	Subsidiary	United Kingdom	100%	100%
Suprajit USA Inc.	Subsidiary	USA	100%	100%
Trifa Lamps, Germany GmbH	Subsidiary	Germany	100%	100%
Luxlite Lamps SARL	Subsidiary	Luxembourg	100%	100%
Wescon Controls LLC	Subsidiary of Suprajit USA Inc	USA	100%	100%

All the above subsidiaries are under the same management and are engaged in the same principle activities as the holding company.

Control exists when the parent has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in

the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the holding company, i.e., year ended on March 31. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent, to enable the

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- i. Combine like items of assets, liabilities, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- ii. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. The excess of cost to the Company of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the date on which the investment in the subsidiaries were made, is recognized as 'Goodwill' being an intangible asset in the consolidated financial statements and is tested for an impairment on an annual basis. On the other hand, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investments of the Company, it is recognized as 'Capital Reserve' and shown in 'Other Equity', in the consolidated financial statements. The 'Goodwill/Capital Reserve' is determined separately for each subsidiary company and such amounts are not set off between different entities.
- iii. Eliminate in full intragroup assets and liabilities, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and property, plant & equipment are eliminated in full).

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group.

(c) Use of estimates, assumptions and judgements

The preparation of the consolidated financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the consolidated financial statements and the reported amounts of revenues and expenses for the year reported. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty as at the date of consolidated financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of the following:

Impairment of financial assets

In accordance with Ind AS 109, the Group assesses impairment of financial assets ('Financial instruments')

and recognises expected credit losses, which are measured through a loss allowance.

The Group provides for impairment of trade receivables based on assumptions about risk of default and expected timing of collection. The Group uses judgement in making these assumptions and selecting inputs to the impairment calculation, based on the Group's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit ("CGU") exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow ("DCF") model. The cash flows are derived from the budget for future years and do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes. These estimates are most relevant to goodwill recognized by the Group. The key assumptions used to determine the recoverable amount for the different CGUs, are disclosed and further explained in note 2(p).

Business combinations and intangible assets

Business combinations are accounted for using Ind AS 103, Business Combinations. Ind AS 103 requires the identifiable intangible assets and contingent consideration to be fair valued in order to ascertain the net fair value of identifiable assets, liabilities and contingent liabilities of the acquiree. Significant estimates are required to be made in determining the value of contingent consideration and intangible assets. These valuations are conducted by external valuation experts and in certain cases by management internally (refer note 4).

Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment benefits and the present value of the gratuity obligation is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date (Refer note 40).

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables. These mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Fair Value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the consolidated balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using internal valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Also refer note 2(g).

Share-based payments (Employee Stock Appreciation Plan)

Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in note 47.

Taxes

The Group's two major tax jurisdictions are India and the United States, though the Group also files tax returns in other foreign jurisdictions. Significant judgments are involved in determining the provision for income taxes and tax credits including the amount expected to be paid or refunded. Also refer note 2(j) and note 34.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that future taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(d) Current versus non-current classification

The Group presents assets and liabilities in the consolidated balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- expected to be realized or intended to be sold or consumed in normal operating cycle;

- held primarily for the purpose of trading;
- expected to be realized within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

A liability is current when:

- expected to be settled in normal operating cycle;
- held primarily for the purpose of trading;
- due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

(e) Business combination and goodwill

The Group accounts for its business combinations using acquisition method of accounting. Acquisition related costs are recognized in the consolidated statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognized at their fair values at the acquisition date.

Purchase consideration paid in excess of the fair value of net assets acquired is recognized as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognized as capital reserve.

Business combinations arising from transfers of interests in entities that are under the common control are accounted using pooling of interest method. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

Goodwill is initially measured at cost and subsequently measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination.

A cash generating unit to which goodwill has been allocated is tested for impairment annually as at March 31 or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognized in the consolidated statement of profit and loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.

(f) Foreign currencies

The Consolidated financial statements are presented in Indian Rupee (₹), which is also the Group's functional currency. For each entity the Group determines the functional currency and items included in the financial statements of each entity are measured using that functional currency.

The functional currency of the Company and its Indian subsidiaries is Indian Rupee whereas the functional currency of foreign subsidiaries is the currency of their countries of domicile. Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the consolidated balance sheet date.

Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are included in the consolidated statement of profit and loss.

Assets and liabilities of entities with functional currency other than presentation currency have been translated to the presentation currency using exchange rates prevailing on the consolidated balance sheet date. Statement of profit and loss have been translated using weighted average exchange rates. Translation adjustments have been reported as foreign currency translation reserve in the consolidated statement of changes in equity.

Effective April 1, 2018, the Group has adopted Appendix B to Ind AS 21 - Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

(g) Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

The Group's management determines the policies and procedures for fair value measurement. External valuers are involved, wherever considered necessary.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above. This note summarizes accounting policy for fair value and the other fair value related disclosures are given in the relevant notes.

(h) Revenue from contract with customer

The Group earns revenue from contract with customer primarily from sale of goods.

Effective April 1, 2018, the Group has applied Ind AS 115 Revenue from Contract with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the consolidated statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. Refer Note 2(h) – Significant accounting policies

– Revenue Recognition - in the annual report of the Group for the year ended March 31, 2018, for revenue recognition policy as per Ind AS 18 and Ind AS 11. The impact of adoption of the standard on the consolidated financial statements of the Group is insignificant.

Revenue from contract with customers is recognized upon transfer of control of promised products to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those goods. The Group has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer, it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

In accordance with the erstwhile Ind AS 18 on “Revenue” and Schedule III to the Companies Act, 2013, sales for the period April 1, 2017 to June 30, 2017 were reported gross of Excise Duty and net of Value Added Tax (VAT)/ Sales Tax. Excise Duty was reported as a separate expense line item. Consequent to the introduction of Goods and Services Tax (GST) with effect from July 1, 2017, VAT, Sales Tax, Excise Duty etc. have been subsumed into GST and accordingly, the same is not recognized as part of sales as per the requirements of the erstwhile Ind AS 18 on “Revenue”, now replaced by Ind AS 115 on “Revenue from Contracts with Customers”.

Application of Ind AS 115 did not have any significant impact on the consolidated Ind AS financial statements.

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

Revenues in excess of invoicing are classified as contract assets (which we refer to as Unbilled Revenue).

The specific recognition criteria described below must also be met before revenue is recognized.

Sale of goods:

Revenue from sale of goods is recognized at the point in time when control of the asset is transferred to the customer.

The revenue is collected immediately upon sale of goods or as per agreed credit terms which is within 0 to 270 days upon delivery.

The Group considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated.

Variable Consideration:

Rights of return, volume discounts, or any other form of variable consideration is estimated using either the

sum of probability weighted amounts in a range of possible consideration amounts (expected value), or the single most likely amount in a range of possible consideration amounts (most likely amount), depending on which method better predicts the amount of consideration realizable. Transaction price includes variable consideration only to the extent it is probable that a significant reversal of revenues recognized will not occur when the uncertainty associated with the variable consideration is resolved. Our estimates of variable consideration and determination of whether to include estimated amounts in the transaction price may involve judgment and are based largely on an assessment of our anticipated performance and all information that is reasonably available to us.

Sale of Services

Revenue from service contracts are recognized as per the contractual terms as and when the services are rendered. No further obligations remains and the collection is probable.

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating EIR, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in finance income in the consolidated statement of profit and loss.

Export benefits

Export entitlements in the form of Merchandise Export from India (MEIS) and Duty Entitlement Pass Book / draw back (DEPB) are recognized in the consolidated statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Dividend

Revenue is recognized when the Group’s right to receive the payment is established, which is generally when shareholders approve the dividend.

(i) Government grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

is recognized as income in equal amounts over the expected useful life of the related asset.

When the Group receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to the consolidated statement of profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

Government grants related to expenditure on property, plant and equipment are credited to the statement of profit and loss over the useful lives of qualifying assets or other systematic basis representative of the pattern of fulfilment of obligations associated with the grant received. Grants received less amounts credited to the statement of profit and loss at the reporting date are included in the balance sheet as other liabilities.

(j) Taxes on income

Tax Expense comprises of current tax and deferred tax and is recognized in the consolidated statement of profit and loss.

Current income tax assets and liabilities is the amount of income tax determined to be payable/recoverable in respect of taxable income as computed in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside the consolidated statement of profit or loss is recognized outside the consolidated statement of profit or loss (either in OCI or in equity in correlation to the underlying transaction). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions, where appropriate.

Deferred income tax

Deferred income tax is recognized using the balance sheet approach, deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets include Minimum Alternative Tax ("MAT") paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the consolidated balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

(k) Property, plant and equipment

Property, plant and equipment and capital-work-in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects, if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement, if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the consolidated statement of profit or loss as incurred.

Depreciation is calculated on a straight-line basis over the useful lives of the assets, as specified in Schedule II to the Act except in case of certain assets wherein depreciation is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

	<u>Useful lives (years)</u>
Buildings – Factory	10 to 30
Buildings- Others	60
Electrical installations	21
Plant and equipments	5 to 30
Dies and moulds	15
Furniture and fixtures	10 and 15
Office equipments	3 to 10
Vehicles	5 and 10
Computers	3 and 6

In respect of plant and machinery (excluding pipelines and electrical fittings etc.) used at any time during the year on double shift or triple shift basis, the depreciation for that period is increased by 50% or 100%, respectively.

Leasehold land is amortized on a straight-line basis over the period of lease. Leasehold improvements are amortized on straight-line basis over the lower of useful life of the asset and the remaining period of the lease.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the consolidated statement of profit and loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(l) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the consolidated statement of profit or loss in the period in which the expenditure is incurred.

Intangible assets are amortized over the useful economic life and assessed for impairment, whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each reporting period. The amortization expense on intangible assets is recognized in the consolidated statement of profit and loss.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the

asset and are recognized in the consolidated statement of profit and loss when the asset is derecognized.

A summary of amortization policies applied to the Group's intangible assets, is as below:

	<u>Useful life (years)</u>
Software	3
Business rights	5
Patents	5
Customer relationship	13
Non-compete agreement	1
Trade marks	Indefinite

(m) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(n) Leases

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is or contains a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

The Group as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognized as an expense in the consolidated statement of profit and loss over the lease term.

(o) Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

present location and condition. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

- Finished goods and work-in-progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs.
- Traded goods: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(p) Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's ("CGU") fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country in which the entity operates, or for the market in which the asset is used.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the consolidated statement of profit or loss, unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

(q) Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the consolidated statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provision for warranty is recognized based on the historical experience and future estimate claims by the management. The estimate of such warranty related costs is revised annually.

(r) Retirement and other employee benefits

Retirement benefit in the form of provident funds and employee state insurance which are defined contribution schemes. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund i.e. Employee's Group Gratuity cum Life Assurance Scheme of Life Insurance Corporation of India. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the consolidated balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the consolidated statement of profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognizes changes in the net defined benefit obligation which includes service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and net interest expense or income, as an expense in the consolidated statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. The Group presents the leave as a current liability in the consolidated balance sheet, to the extent it does not have an unconditional right to defer its settlement for twelve months after the reporting date. Where the Group has the unconditional legal and contractual right to defer the settlement for a period beyond twelve months, the same is presented as non-current liability.

(s) Share-based payment (Employee Stock Appreciation Plan)

Employees (including senior executives) of the Group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

Equity-settled transactions

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

That cost is recognized, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service

conditions are fulfilled in employee benefits expense. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest. The consolidated statement of profit and loss expense or credit for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Group's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

No expense is recognized for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognized is the expense had the terms had not been modified, if the original terms of the award are met. An additional expense is recognized for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee as measured at the date of modification. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through profit or loss.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(t) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortized cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in below categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

A 'debt instrument' is measured at the amortized cost, if both the following conditions are met:

- (i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- (ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. This category generally applies to trade and other receivables.

A 'debt instrument' is classified as FVTOCI, if both of the following criteria are met:

- (i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- (ii) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI.

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments included

within the FVTPL category are measured at fair value with all changes recognized in the consolidated statement of profit or loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired; or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e., all cash shortfalls), discounted at the original Effective interest rate ('EIR'). ECL allowance (or reversal) recognized during the period is considered as income/expense in the consolidated statement of profit and loss. This amount is reflected under the head 'other expenses' in the consolidated statement of profit or loss.

The Group uses a provision matrix based on age to determine impairment loss allowance on portfolio of its trade receivables.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and in case of borrowings and payables, net of directly attributable transaction costs. The Group's financial liabilities include borrowings, trade and other payables, and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification. Financial liabilities at fair value through the

statement of profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as fair value through profit or loss. Gains or losses on liabilities held for trading are recognized in the statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to profit or loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the consolidated statement of profit or loss.

Loans and borrowings

Borrowings is the category most relevant to the Group. After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial guarantee

Financial guarantee issued by the Group that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument, is recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the consolidated statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet, if there is a currently enforceable legal right to

offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(u) Derivative financial instruments and hedge accounting

The Group uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to the consolidated statement of profit and loss.

Any derivative that is either not designated as a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through statement of profit and loss. Derivative designated as hedge and is effective as per Ind AS 109, the effective portion of changes in the fair value of the derivative is recognized in other comprehensive income.

(v) Cash and cash equivalents

Cash and cash equivalents in the consolidated balance sheet and cash flow statement comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(w) Consolidated statement of cash flow

Cash flows are reported using the indirect method, whereby profit/(loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

(x) Cash dividend to equity holders

The Group recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Group. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

(y) Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

amount of the obligation cannot be measured with sufficient reliability. The Group does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

(z) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The effects of anti-dilutive potential equity shares are not considered in calculating dilutive earnings per share.

(aa) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Chief Executive Officer

has been identified as the chief operating decision maker.

The Group has identified a single business segment being manufacturing and selling of automotive and other components. This being a single segment no additional segment disclosure has been made for the business segment. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

The Group's operations are categorized geographically as (a) India (b) United States of Americas ('USA') (c) Rest of the world. 'Rest of the world' comprises the Group's operations in the 'United Kingdom', 'Germany' and 'Luxembourg'. Customer relationships are driven based on customer domicile.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Group. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to the segments on the basis of their relationship to the operating activities of the segment.

4 Goodwill

Following is the movement of carrying value of Goodwill:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Carrying value as per last financial statement	1,357.72	1,318.12
On account of restatement	60.63	39.60
Closing balance	1,418.35	1,357.72

Below is the Cash Generating Unit ('CGU') wise break-up of goodwill:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Wescon Controls LLC	1,171.57	1,101.67
Luxlite Lamps SARL, Luxembourg ('Luxlite Lamps')	246.78	256.05
Total	1,418.35	1,357.72

Goodwill impairment testing

The Group tests whether goodwill has suffered any impairment on an annual basis as at March 31. The recoverable amount of a CGU is determined based on value-in-use calculations which require the use of assumptions. The calculations use cash flow projections based on financial budgets approved by the management. An average of the range of each assumption used is mentioned below:

	As at March 31, 2019	As at March 31, 2018
Growth rate	7% to 9%	7.50% to 12.00%
Operating margins	11.6% to 20.8%	8.90% to 16.70%
Discount rate	12.2% to 13%	7.39% to 11.70%

The above discount rate is based on the Weighted Average Cost of Capital (WACC) which represents the weighted average return attributable to all the assets of the CGU. These estimates are likely to differ from future actual results of operations and cash flows.

As at March 31, 2019, the Group assessed the carrying value of its goodwill along with the carrying value of related CGUs, based on future operational plan, projected cash flows and valuation carried out by an external valuer. Considering the aforesaid valuation, the management is of the view that, the carrying value of its goodwill as at March 31, 2019 is appropriate.

(a) Terms/rights attached to equity shares:

The Company has only one class of equity shares having a par value of ₹ 1 per share. Each holder of equity share is entitled to one vote per share and such amount of dividend per share as declared by the Company. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by shareholders.

Nature and purpose of reserves

17.1 Capital reserve

The Group recognised capital subsidy received (₹ 4.58 Million) prior to April 1, 2017 along with profit on forfeiture of the Company's own equity instruments (₹ 0.55 Million) to capital reserve.

17.2 Capital redemption reserve

The Group recognised capital redemption reserve on redemption of Preference shares of erstwhile Phoenix Lamps Limited and upon merger of Phoenix Lamps Limited with the Company, the balances have been brought as such to the Company.

17.3 Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

17.4 General reserve

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

17.5 Share based payments reserves

Share based payments reserves represents employee share based expense recognised in fair valuation of option expenses on ESAR.

17.6 Foreign currency translation reserve

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income as described in accounting policy and accumulated in a separate reserve within equity. The cumulative amount is reclassified to profit or loss when the net investment is disposed-off.

(i) Term loan from bank consists of:

- (a) Indian rupee term loan of ₹ Nil (March 31, 2018: ₹ 7.00 Million), which carried floating interest rate of 1.15% above Marginal Cost of funds based Lending Rate (MCLR) p.a. and was repayable in quarterly installments ranging from ₹ 4.50 Million to ₹ 10.00 Million each. The loan was due for repayment in full by June 30, 2018. The loan was secured by pari-passu first charge on the entire movable fixed assets, equitable mortgage of land and buildings and second charge on entire current assets of the Company.
 - (b) Indian rupee term loan of ₹ 83.33 Million (March 31, 2018: ₹ 194.45 Million), for which interest would be charged at agreed rate over and above MCLR and is repayable in 4 quarterly installments of ₹ 13.90 Million each, after a moratorium of nine months from the date of disbursement of loan, the loan is due for repayment in full by January, 2020. The loan is secured by pari-passu first charge on the entire movable fixed assets, equitable mortgage of land and buildings and second charge on entire current assets.
 - (c) Indian rupee term loan of ₹ Nil (March 31, 2018: ₹ 48.53 Million) carried floating interest rate of 10.25% to 11.25% p.a. and was repayable in 15 quarterly installments of ₹ 4.40 Million each beginning from May 5, 2017. The loan was repaid in full by November 20, 2018. The loan was secured by exclusive charge on the plant and equipment purchased from the said term loan located at Plot no. 59A to F, Noida Special Economic Zone, Noida and second pari passu charge on all present and future movable and immovable fixed assets at various locations of the Company.
 - (d) USD 13.75 Million (₹ 951.11 Million) (March 31, 2018: USD 18.75 Million [₹ 1,219.57 Million]), borrowed by Suprajit USA Inc., during the year ended March 31, 2017 towards acquisition of Wescon Controls LLC, USA, the principle loan borrowed was USD 25 Million (₹ 1,683.25 Million), the term loan carried interest at Libor plus 2.30% (March 31, 2018: Libor plus 2.30% p.a.), the loan is repayable on quarterly installments starting from December 31, 2017, the loan is due for repayment in full by September 30, 2021. The loan is collateralised by substantially all of the assets of the Suprajit USA Inc. and is guaranteed by the Company. Suprajit USA Inc. has entered into a interest swap agreement to mitigate the risk of floating rate. Suprajit USA Inc. pays the fixed rate of interest to a private company.
 - (e) Foreign currency term loan in Suprajit Automotive Private Limited (SAPL) of EURO 3.03 Million (₹ 239 Million) (March 31, 2018: ₹ Nil) carries fixed interest rate of 2.20% and is repayable in 16 quarterly installments of EURO 0.19 Million, the loan repayment starts from November 29, 2019. The loan is secured by pari-passu charge on the present and future current assets including stocks and receivables of SAPL and first exclusive charge by way of equitable mortgage of property located at 25 & 26-A (part), KIADB industrial area, Veerapura Village, Doddaballapur, Bengaluru - 561 203 belonging to SAPL, to mitigate the risk of the floating rate, SAPL has entered into interest rate swap agreement with bank.
- (ii) Term loan from financial institution represents Indian rupee loan which carries a floating interest rate linked to Bajaj Finance Limited base rate. The loan is repayable in 15 quarterly installments ranging from ₹ 2.78 Million to ₹ 9.52 Million each, loan is due for repayment in full by November, 2020. The loan is secured by pari-passu first charge on the entire movable fixed assets with minimum fixed assets coverage ratio.
- (iii) Finance lease in Trifa Lamps, Germany GmbH obligations consisted of car finance loan of ₹ Nil (March 31, 2018: ₹ 0.70 Million), which carried interest rate @ 2.90% p.a and was repayable in five equal monthly installment of ₹ 0.03 Million each. The loan was due for repayment in full by August 6, 2018 and accordingly repaid during the year. The loan is secured by hypothecation of vehicle purchased out of the proceeds of the such loan.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

- (iv) External commercial borrowing is the term loan of EURO 2.5 Million (₹ 194.26 Million) (March 31, 2018: ₹ Nil) which carries fixed interest rate of 1.75% and is repayable by the Company in 16 quarterly installments of EURO 0.16 Million, the loan repayment starts from May 20, 2020. The loan is secured by pari-passu first charge on the entire movable fixed assets, equitable mortgage of land and buildings and second charge on entire current assets of the Company.
- (v) Public deposits were unsecured deposits that carried an interest rate of 8.00% p.a (March 31, 2018: 8.00% p.a), payable either quarterly, half-yearly or on maturity. These deposits were repayable over the agreed term of two years from the date of receipt. During the year ended March 31, 2019, the Company had repaid these deposits. Further, the Company has maintained margin money deposit of ₹ Nil (March 31, 2018: ₹ 1.00 Million) with the banks towards such deposits as per the requirement of the Act.
- (vi) **Current secured borrowings consists of:**
- Working capital loans availed from banks by the Company and SAPL are secured by current and future current assets. These facilities are also collaterally secured by pari-passu charge on entire property, plant and equipment (except certain plant and equipment on which exclusive charge has been created towards term loans) and equitable mortgage of the properties located at Bengaluru, Doddabalapur and Noida. Working capital demand loan, cash credit and overdraft is repayable on demand. These facilities carry interest in the range of 8% to 12.9% p.a. (March 31, 2018: 8.20% to 11.70% p.a.), such line of credit availed by Suprajit USA Inc., expiring in September, 2019 is collateralized by substantially all of the assets of that Suprajit USA Inc., and is guaranteed by the Company with interest varying with the LIBOR rate plus 2.75%, which was 5.25% on March 31, 2019 (March 31, 2018: 4.86%).
 - Packing credit loans from banks are taken for a term not exceeding 180 days and carry interest rate of 4% to 6%. (March 31, 2018: 4% to 6%)
 - Bill discounting facility in the Company is repayable over a term of 60 to 90 days with an fixed rate of interest 9.75% p.a. (March 31, 2018: 9.75% p.a.)
- (vii) Current unsecured borrowings consists of bill discounting facility in Luxlite Lamps SARL which represents the receivables assigned to a factoring firm that does not takeover the default risk.

Other operating revenue	78.72	44.67
Total	15,899.00	14,546.16

Refer note 42 for disaggregate revenue details based on customer geographical location.

* Revenue from operations includes excise duty collected from customers of ₹ Nil (March 31, 2018: ₹ 235.56 Million). Revenue from operations net of excise duty is ₹ 15,899.00 Million (March 31, 2018: ₹ 14,310.60 Million).

Revenue from operations for periods up to June 30, 2017 includes excise duty. From July 1, 2017 onwards the excise duty and most indirect taxes in India have been replaced with Goods and Services Tax (GST). The group collects GST on behalf of the Government. Hence, GST is not included in revenue from operations. In view of the aforesaid change in indirect taxes, revenue from operations for the year ended March 31, 2019 is not comparable with March 31, 2018.

Total tax expense (A+B)	714.27	549.40

35 Earnings per share (EPS)

Basic earnings per share amounts are calculated by dividing the profit for the year attributable to equity holders of the Holding Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Holding Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

Computation of basic and diluted EPS:

	Year ended March 31, 2019	Year ended March 31, 2018
Nominal value per equity share (₹ per share)	1	1
Profit attributable to equity shareholders (₹ in Million)	1,337.94	1,384.83
Weighted average number of equity shares (No. in Million)*	139.87	139.87
Earnings per share basic and diluted (₹ per share)**	9.57	9.90

* There are no transactions involving equity shares or potential equity shares between the reporting date and the date of authorisation of these financial statements.

** Employee stock appreciation rights outstanding as at March 31, 2019 are anti-dilutive and accordingly have not been considered for the purpose of computing dilutive EPS for the year ended March 31, 2019.

36 Group information

Information about subsidiaries

The consolidated financial statements of the Group includes subsidiaries listed in the table below:

Wescon Controls LLC (Subsidiary of Suprajit USA Inc.)	Automotive Components	USA	100.00	100.00

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

37 Commitments

(a) Operating leases

The Group is obligated under non-cancellable operating lease for factory, warehouse, office and residential space that are renewable on a periodic basis at the option of both the lessor and lessee. The total rental expenses for the year under non-cancellable operating leases amounted to ₹ 57.42 Million (March 31, 2018: ₹ 54.72 Million).

Future minimum lease payments under non-cancellable operating leases are as follows:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Within one year	50.47	47.75
After one year but not more than five years	37.91	67.88
More than five years	16.25	19.62

The above does not include leasehold land taken by the Group for which the upfront lease premium has been paid in earlier years. (Refer note 15).

The Group leases factory, warehouse, office and residential space under cancellable operating lease agreements. The Group intends to renew such leases in the normal course of its business. Total rental expense for the year under cancellable operating leases amounted to ₹ 36.78 Million (March 31, 2018: ₹ 35.61 Million).

(b) Finance lease and hire purchase commitments

The Group has finance leases and hire purchase contracts for certain items of plant and equipments. The Group's obligations under finance leases are secured by the lessor's title to the leased assets.

Minimum lease payments under hire purchase is as follows:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Within one year	1.02	0.59
After one year but not more than five years	1.78	1.00

- (c) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) is ₹ 173.47 Million (March 31, 2018 : ₹ 12.07 Million).

38 Contingent liabilities

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
(a) Claims against Group not acknowledge as debts*		
Income tax demands**	2.44	1.69
Value Added Tax/Central Sales Tax demands	2.17	65.35
Excise duty/service tax demand	14.53	8.46
Suspension period wages	6.80	5.35
(A)	25.94	80.85
(b) Others		
Bonds executed in favour of customs authority	15.00	15.00
Bank guarantees (furnished to tax authorities)	0.80	0.75
Others	4.90	-
(B)	20.70	15.75
Total	(A+B) 46.64	96.60

*These demands are disputed by the Group and the Group has filed appeals against these orders with various appellate authorities. The management is confident that the demands raised by the Officers of the respective departments are not tenable under the respective statutory provisions. Pending outcome of the aforesaid matters under litigation, no provision has been made in the books of account towards these demands. The Group does not expect any material adverse effect in respect of the above contingent liabilities.

** Net of tax provision made for pending litigations.

- (c) The Group does not have any commitments as at balance sheet date except as disclosed in note 37.

- (d) The Hon'ble Supreme Court (SC) of India in a judgment on Provident Fund (PF) dated February 28, 2019 addressed the principle for determining salary components that form part of basic salary for individuals below a prescribed salary threshold. The Group determined that they had not previously included such components in basic salary. There are numerous interpretative issues relating to the SC judgment on PF dated February 28, 2019. As a matter of caution, the Group has made a provision on a prospective basis from the date of the SC order. The Group will update its provision, on receiving further clarity on the subject.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

39 The Group Companies has entered into 'International transactions' with 'Associated Enterprises' which are subject to Transfer Pricing regulations in India, as well as in the other geographies. The Group is in the process of carrying out transfer pricing study for the year ended March 31, 2019 in this regard, to comply with the requirements of the Income Tax Act, 1961 and other applicable laws in other countries. The Management of the Group, is of the opinion that such transactions with Associated Enterprises are at arm's length and hence in compliance with the aforesaid legislation. Consequently, this will not have any impact on the consolidated Ind AS financial statements, particularly on account of tax expense and that of provision for taxation.

40 Employee benefit plans

(a) Defined contribution plans

The Group makes contributions to Provident Fund, Employee State Insurance scheme, 401(k) plan and other Social Security Schemes which are defined contribution plan for qualifying employees. Under the scheme, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits.

The Group has recognised the following amounts towards the defined contribution plans in the consolidated statement of profit and loss:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Employers contribution to Provident Fund	45.08	83.30
Employers contribution to Employee State Insurance	13.09	13.06
Employers contribution to 401(k) plan	30.61	26.60

(b) Defined benefit plans

Gratuity

The Group offers Gratuity benefits to employees, a defined benefit plan, Gratuity plan is governed by the Payment of Gratuity Act, 1972. Under gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service. The scheme is funded with an insurance company in the form of qualifying insurance policy.

The following tables summarize the components of net benefit expense recognized in the consolidated statement of profit and loss and the funded status and amounts recognized in the Balance Sheet.

K Notes

- (i) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. The overall expected rate of return on assets is determined based on the market price prevailing on that date, applicable to the period over which the obligation is to be settled.
- (ii) The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable change in key assumptions occurring at the end of the reporting period.
- (iii) The weighted average duration of the defined benefit plan obligation at the end of the reporting period is 13.31 to 17.95 years (March 31, 2018: 12.62 years).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

41 Business Combination

Amalgamation of Phoenix Lamps Limited

The scheme of amalgamation of Phoenix Lamps Limited, an erstwhile subsidiary of the Company with Suprajit Engineering Limited with the appointed date as April 1, 2016 was approved by the National Company Law Tribunal (NCLT) vide order dated August 17, 2017 and upon necessary filing with the Registrar of Companies, the scheme had become effective on September 13, 2017. Total financial assets measured at fair value	1,307.32	2.59	-	1,309.91
Financial liabilities measured at fair value through profit and loss				
Provision for MTM losses on foreign currency forward contract	-	-	-	-
Total financial liabilities measured at fair value	-	-	-	-

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

44 (iii) Valuation technique used to determine fair value

- The Group enters into derivative forward financial contracts with financial institutions in nature of foreign currency forward contracts which are valued using mark to market valuation provided by financial institutions. The valuation includes foreign currency exchange rates in the active markets. Hence, the valuation is considered Level 1 by the management.
- The Group enters into derivative forward financial contracts with financial institutions in nature of interest rate swap, the fair value of which is estimated using forward-looking interest rate curves and discounted cash flows that are observable or can be corroborated by observable market data, therefore, are classified with in Level 2 of the valuation hierarchy.
- The Group has investment in quoted mutual funds these investments other than investment in subsidiaries are carried at fair value through profit and loss using quoted prices in active markets and accordingly classified with in Level 1 of the valuation hierarchy.

45 Capital management

The primary objective of the group capital management is to ensure that it maintains a strong credit rating and capital ratios in order to ensure sustained growth in the business and to maximise the shareholder value.

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
A. Total equity attributable to the share holders of the Company (Capital)	7,750.73	6,549.00
B. Borrowings		
Non-current borrowings	973.80	1,076.03
Current borrowings	2,007.60	1,741.72
Current maturities of non-current borrowings	639.25	635.93
Current maturities of public deposits	-	0.60
Current maturities of finance lease obligations	-	0.33
Less: Cash and cash equivalents	(442.29)	(301.47)
Less: Current investments	(1,719.87)	(1,303.99)
Net debt	1,458.49	1,849.15
C. Total capital and net debt (A+B)	9,209.22	8,398.15
D. Gearing ratio (B/C)	16%	22%

- The Group is predominantly equity financed as evident from the capital structure table above. Further the Group has sufficient cash and cash equivalents, current investments and financial assets which are liquid to meet the debts.
- In order to achieve this overall objective, the group capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. The breaches in meeting the financial covenants would permit the bank to immediately call borrowings. There have been no breaches in the financial covenants of any borrowings in the current year.

46 Financial risk management

Objective and policies:

The Group's principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. It is the Group's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, fair value through profit and loss investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the position as at March 31, 2019 and March 31, 2018.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and on the basis of hedge designations in place at March 31, 2019.

(i) (a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate due to change in the market interest rates. The Group's exposure to the risk of changes in market interest rate relates primarily to the Group's borrowings with floating interest rates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant. The impact on entity's profit before tax due to change in the interest rate/ fair value of financial liabilities are as disclosed below:

	₹ in Million			
	Year ended March 31, 2019		Year ended March 31, 2018	
	1% increase	1% decrease	1% increase	1% decrease
Effect of profit before tax expense	(36.38)	36.38	(34.84)	34.84

(i) (b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exchange risk arises from its foreign operations, foreign currency revenues and expenses. The Group has exposures to United States Dollars ('USD'), Great Britain Pound ('GBP'), Euro ('EUR') and other currencies. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities and financing activities.

Group uses derivative financial instruments, such as foreign exchange forward contracts, to mitigate the risk of changes in foreign currency exchange rates in respect of its trade receivables.

Below is the summary of unhedged foreign currency exposure of Group's financial assets and liabilities.

Currency	₹ in Million			
	Foreign currency amount		Amount in ₹	
	As at March 31, 2019	As at March 31, 2018	As at March 31, 2019	As at March 31, 2018
Financial assets				
USD	2.58	3.03	176.06	194.19
EUR	1.42	1.04	109.04	83.39
GBP	0.15	0.43	13.60	38.67
Total			298.70	316.25
Financial liabilities				
USD	1.78	0.91	124.26	59.35
EUR	5.93	1.19	465.05	96.06
GBP	0.12	0.04	10.89	4.07
Others	0.74	1.79	7.59	1.10
Total			607.77	160.58
Net financial assets			(309.07)	155.67

The Group holds derivative financial instruments such as foreign currency forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counter party for these transactions are banks. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that are directly or indirectly observable in the market place.

Forward contracts outstanding are as below:

Currency	₹ in Million			
	Foreign currency amount		Amount in ₹	
	As at March 31, 2019	As at March 31, 2018	As at March 31, 2019	As at March 31, 2018
EUR*	2.43	1.89	188.68	152.57
GBP*	0.85	-	76.90	-
EUR**	9.33	3.23	724.57	260.01
GBP**	3.60	-	325.71	-
Total			1,315.86	412.58

* towards foreign currency receivables

** towards highly probable foreign currency sales.

The above forward contracts are taken by Group companies for the receivables from intercompany transactions. For the purpose of consolidation intercompany balances are eliminated.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Sensitivity analysis

Every 1% appreciation or depreciation in the respective foreign currencies against functional currency of the each of the group entities would cause the profit before tax in proportion to revenue to increase or decrease respectively by 0.03% (March 31, 2018: 0.01%).

(i) (c) Commodity price risk

The Group is affected by the price volatility of certain commodities. Its operating activities require the ongoing purchase and manufacture of automotive cables & lamps and therefore require a continuous supply of below said products. The Group's Board of Directors has developed and enacted a risk management strategy regarding commodity price risk and its mitigation.

The following table shows the effect of price changes in below said products:

₹ in Million

	Year ended March 31, 2019		Year ended March 31, 2018	
	1% increase	1% decrease	1% increase	1% decrease
Impact on profit before tax				
Steel wire	(21.25)	21.25	(15.68)	15.68
Cable components	(52.76)	52.76	(51.20)	51.20
Glass tube	(2.16)	2.16	(2.02)	2.02
Lamp components	(11.84)	11.84	(5.30)	5.30

(ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

a. Trade receivables

Credit risk is managed by each business unit as per the Group's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group does not hold collateral as security.

b. Credit risk exposure

The Group's credit period generally ranges from 0-270 days. The credit risk exposure of the Group is as below:

₹ in Million

	As at March 31, 2019	As at March 31, 2018
Trade receivables	(A) 2,929.49	2,901.72
Impairment allowance (allowance for bad and doubtful debts)		
Balance as per last financial statements	11.63	13.93
Add: Charge for the year	2.77	(1.73)
Less: Utilised during the year	(0.52)	-
Add / Less: Exchange differences	(0.04)	(0.57)
Closing balance	(B) 13.84	11.63
Total	(A-B) 2,915.65	2,890.09

The Group evaluates the concentration of risk with respect to trade receivables as low, since majority of its customers are reputed automobile companies and are spread across multiple geographies.

C. Financial instruments and cash deposits

Credit risk is limited, as the Group generally invests in deposits with banks with high credit ratings assigned by international and domestic credit rating agencies. Investment primarily includes investment in liquid mutual fund units. Counterparty credit limits are reviewed by the Group periodically and the limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

(iii) Liquidity risk

The Group's principal sources of liquidity are cash and cash equivalents, investment in mutual funds and the cash flow that is generated from operations. The Group believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents and deposits is as below:

	₹ in Million	
	As at March 31, 2019	As at March 31, 2018
Cash on hand	3.30	1.52
Balance with banks	441.96	301.90
Current investments	1,719.87	1,303.99
Total	2,165.13	1,607.41

The table below summarises the maturity profile of the Group's financial liabilities at the reporting date. The amounts are based on contractual undiscounted payments.

	₹ in Million				
	On demand	0.-180 days	180-365 days	> 365 days	Total
March 31, 2019

Total	2,027.77	2,332.73	319.63	990.78	5,670.91
March 31, 2018					
Non-current borrowings	-	-	-	1,076.03	1,076.03
Current borrowings	1,741.72	-	-	-	1,741.72
Trade payables	-	1,824.21	-	-	1,824.21
Other financial liabilities	17.26	487.89	318.43	28.48	852.06
Total	1,758.98	2,312.10	318.43	1,104.51	5,494.02

47 Employee Stock Appreciation Rights ('ESAR') (Equity Settled):

Employee Stock Appreciation Rights Plan – 2017 (the ESAR 2017 Plan): Effective June 26, 2018, the company instituted the ESAR 2017 plan. The Board of directors of the Company and shareholders approved the ESAR 2017 plan at its meeting held on September 13, 2017 and November 11, 2017 respectively. The ESAR 2017 Plan provides for the issue of stock appreciation rights to certain employees of the Company and its subsidiaries.

The ESAR 2017 Plan is administered by the Nomination and Remuneration Committee. As per the ESAR 2017 Plan, the stock appreciation rights are granted at the exercise price of ₹ 1 /-. The equity shares covered under these stock appreciation rights vest over five years from the date of grant. The exercise period is five years from the respective date of vesting.

The movement in the rights under the ESAR 2017 plan for the year ended March 31, 2019 is set out below

	Year ended March 31, 2019	
	No. of stock appreciation rights	Weighted Average Exercise Price (₹)
The ESAR 2017 Plan		
Rights outstanding at the beginning	-	-
Granted	883,440	1
Forfeited/ surrendered	34,998	-
Lapsed	-	-
Exercised	-	-
Rights outstanding at the end	848,442	1

The stock appreciation rights outstanding on March 31, 2019 has an exercise price of ₹ 1.00 and the weighted average remaining contractual life of 8.02 years.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

The weighted average fair value of stock appreciation rights granted during the year was ₹ 248.14. The Black - Scholes valuation model has been used for computing the weighted fair value considering the following inputs:

	March 31, 2019
Weighted average share price on the date of Grant (₹)	257.65
Exercise Price (₹)	1
Expected Volatility*	35.79%
Weighted average expected life (in years)	6.53
Average risk free interest rate	7.92
Dividend Yield	0.54

* The expected volatility was determined based on historical volatility data

Total Employee Compensation Cost pertaining to the ESAR 2017 plan during the year is ₹ 50.22 Million.

Employee-wise details of ESAR's granted during the year ended March 31, 2019 to:

Senior managerial personal

Name of the employee	No. of ESAR's Granted
Mr. Mohan Srinivasan Nagamangala	115,385
Mr. Narayan Shankar	61,538
Mr. Medappa Gowda J	48,077
Mr. Akhilesh Goel	38,462

49 Standards issued but not yet effective

i) Ind AS 116: Leases

On March 30, 2019, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amended Rules, 2018 ("amended rules"). As per the amended rules, Ind AS 116, "Leases", will replace existing Ind AS on Lease. It replaces Ind AS 17, "Leases" and is applicable for all accounting periods commencing on or after April 1, 2019.

The standard introduces a comprehensive model for the identification of lease arrangements and accounting treatments for both lessors and lessees. For lessees, Ind AS 116 removes distinctions between operating leases and finance leases. These are replaced by a model where a right of use asset and a corresponding liability are recognised for all leases except for short-term leases and low value assets.

In contrast to lessee accounting, Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17, and continues to require a lessor to classify a lease either as an operating lease or a finance lease.

The standard permits two possible methods of transition:

Full Retrospective approach: Under this approach the standard will be applied retrospectively to each prior reporting period presented.

Modified Retrospective approach: Under this approach the entity shall not restate the comparative information. Instead, the entity shall recognise the cumulative effect of initially applying this Standard as an adjustment to the opening balance of retained earnings at the date of initial application.

The Group has established an implementation team to implement Ind AS 116 related to the identification and recognition of leases and continues to evaluate the changes to accounting system and processes, and additional disclosure requirements that may be necessary.

During the current period the Group has made progress in a number of areas including the identification of leases and contracts that could be determined to include a lease; the collation of lease data required for the calculation of the impact assessment; identification of areas of complexity or judgment relevant to the Group; identification of necessary changes to systems and processes required to enable reporting and accounting in accordance with Ind AS 116; and development of initial estimates for discount rates.

From the work performed to date and based on the undiscounted lease commitments presented in note 33(a), it is anticipated that implementation of the new standard using the modified retrospective approach will have impact on the reported assets and liabilities of the Group.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

These adjustments will lead to an increase in total assets and total liabilities at the date of transition as a result of the recognition of the right of use assets and the corresponding lease liabilities.

In addition, the implementation of the standard will impact the income statement and classification of cash flows.

While the total amount of expenses charged over the term of the lease remains the same, the distribution of such expenses over time and the breakdown of the same into depreciation on the right of use asset and interest expense on the lease liability.

A reliable estimate of the financial impact on the Group's results is dependent on a number of unresolved areas, including; choice of transition option, refinement of approach to discount rates, estimates of lease-term for leases with options to break and renew and conclusion of data collection. In addition, the financial impact is dependent on the facts and circumstances at the time of transition.

ii) Amendment to Ind AS 12: Income taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Group is currently evaluating the effect of this amendment on the consolidated financial statements.

iii) Appendix C to Ind AS 12: Uncertainty over Income Tax Treatments

The Interpretation addresses the accounting for income taxes when tax treatments involve uncertainty that affects the application of Ind AS 12 and does not apply to taxes or levies outside the scope of Ind AS 12, nor does it specifically include requirements relating to interest and penalties associated with uncertain tax treatments. The Interpretation specifically addresses the following:

- Whether an entity considers uncertain tax treatments separately
- The assumptions an entity makes about the examination of tax treatments by taxation authorities
- How an entity determines taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates
- How an entity considers changes in facts and circumstances

An entity has to determine whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments. The approach that better predicts the resolution of the uncertainty should be followed. In determining the approach that better predicts the resolution of the uncertainty, an entity might consider, for example, (a) how it prepares its income tax filings and supports tax treatments; or (b) how the entity expects the taxation authority to make its examination and resolve issues that might arise from that examination.

The interpretation is effective for annual reporting periods beginning on or after April 1, 2019, but certain transition reliefs are available.

iv) Amendment to Ind AS 19: Plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- a) to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- b) to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

50 Events after reporting period

The Board of Directors, at its meeting held on May 27, 2019 recommended a final dividend of ₹ 0.85 (85%) per equity share for the financial year ended March 31, 2019. The payment is subject to the approval of the shareholders in the ensuing Annual General Meeting of the Company. The final dividend declared in the previous year was ₹ 0.80 (80%) per equity share.

May 27, 2019

Dear Shareholder,

The Ministry of Corporate Affairs, Government of India ("MCA") has, by its Circular dated 21st April, 2011 announced a "Green Initiative in the Corporate Governance" by allowing paperless compliance by companies. In terms of the said Circular, service of notice/documents by a Company to its Shareholders required to be made under the provisions of the Companies Act, 2013 can be made through the electronic mode.

In line with the above initiative of the MCA, the Company proposes to send documents such as the Notice of the Annual General Meeting, audited Financial Statements, Directors' Report, Auditors' Report, Postal Ballots etc., henceforth to all its esteemed shareholders, including your good self, in electronic form, through e-mail. To facilitate the same, we request you to furnish your e-mail ID, quoting your folio number/DPID/Client ID to our Registrar and Share Transfer Agent at the following address:

Integrated Registry Management Services Private Limited

No. 30, Ramana Residency

4th Cross, Sampige Road

Malleswaram, Bangalore – 560 003

Phone :+91-80-23460815-18, Fax :+91-80-23460819

E-mail : irg@integratedindia.in

We are sure you would appreciate this initiative taken by the MCA to reduce consumption of paper and thereby, protect the environment. We expect to receive your support and co-operation in helping the Company to contribute its share to the said initiative.

Thanking you,

Yours faithfully

For **Suprajit Engineering Limited**

Medappa Gowda J

Company Secretary
