BJP upbeat, RSS affiliates happy with FM's steps

Finance Minister Nirmala Sitharaman announcing a host of decisions and undoing some of previous decisions has not only the market happy but has also given the BJP a much-needed reprieve.

Assam Finance Minister Himanta Biswa Sarma said that the announcement made today by the FM are no ordinary decisions. "It will have huge impact in keeping the economy on the right track. Some of the decisions will have immediate effect. I am extremely happy as Assam's Finance Minister at the decisions taken today and want to thank the FM", said Sarma.

Sitharaman's cabinet colleague Prakash Javadekar took to Twitter to congratulate her. He tweeted, ".@narendramodi Govt ensures cheaper home&auto loans, higher depreciation for all vehicles, GST refunds to MSMEs within 30 days, withdraws enhanced surcharge on FPIs, releases Rs 70,000 crore to boost liquidity of Banks, removes enhanced surcharge on capital gains " with hashtag that says #GovtBoostsEconomy

Meanwhile, Ashwani Mahajan, National co-convenor of Swadeshi Jagran Manch, an RSS affiliate, too thanked the FM. Generally critical of economic policies of the Modi government, Mahajan said, "This was much-needed. The middle class will get some immediate respite. I hope it will bring India's economy on a stronger path." Finance Minister Sitharaman on Friday announced a series of decisions including the rollback of the controvertial tax surcharge on the Foreign Portfolio Investment (FPIs) announced in the Budget last month.

Loot & corruption reined in: PM Modi

Prime Minister Narendra Modi on Friday said the resounding mandate in the 2019 Lok Sabha polls was for building a 'new India', and asserted that corruption, nepotism, loot of people's money, and terrorism have been reined in like never before. In a veiled reference to abrogation of Article 370, PM Modi said: 'There is no scope for 'temporary' in India. You have seen that a country of 1.25 billion people, the land of Mahatma Gandhi, Gautam Buddha, Ram and Krishna, took 70 years to remove what was 'temporary'. To remove 'temporary' it 📑 took 70 years, I don't know whether I should laugh or cry... Reform, perform,

and transform and with permanent

systems, the country is moving

forward to achieve its goal." PM Modi, who was in France on the first leg of his three-nation tour, said there have been a number of constructive changes in the last five years. India is racing ahead not because of

Modi...it is because of the stamp of approval that the people of India have given in the form of their votes, the Prime Minister said, amid loud cheers of 'Modi hai toh mumkin hai' (it is possible if Modi is there) from the crowd.

As Pak cries foul over Kashmir, UAE to honour Modi with civilian award

AGENCIES New Dethi

At a time when Pakistan is virtually begging for support from the Muslim world against India for Kashmir, it faces a huge rebuff from the United Arab Emirates (UAE), with the key Islamic nation set to host Prime Minister Narendra Modi and honour him with the countrys highest civilian

This comes days after UAE's Ambassador to India, Ahmad Al Banna, said his country found nothing wrong in the Modi government's decision to reorganize Jammu and Kashmir and that it was purely an internal matter of

The UAE does not see the decision to end special status of Jammu and Kashmir and its bifurcation as some unique incident and views it as a measure aimed at reducing regional disparities.

Against this backdrop, Modi will be in UAE for two days from Friday and will meet Crown Prince of Abu Dhabi, Sheikh Mohammed bin Zayed Al Nahyan, to discuss billateral, regional and international matters of mutual interest. A major highlight of the visit will be the presentation of 'Order of Zayed', the highest civilian honour of the UAE, to Modi. The UAE had announced the honour for Modi in April this year for giving a boost to the bilateral relations.

The award is instituted in the name of the country's founding father Sheikh Zayed bin Sultan Al Nahyan and is being presented to Modi in the year of his birth centenary which adds even greater significance to it.

This is the third visit by Modi to UAE in four years and has added importance considering the fact that it is taking place at a time when Pakistan is trying to garner support, particularly from the Muslim countries,

against India over abolition of the special status of Jammu and Kashmir and bifurcation of the state.

In that context, it marks a major setback for Pakistan and highlights the extent of isolation it has been subjected to, even in the Islamic world.

The UAE, which is the largest business hub in the Gulf region, hosts a big Indian diaspora and is a destination for a huge number of Indian tourists. India-UAE ties were elevated to a Comprehensive Strategic Partnership in 2015. In February 2018, Modi visited the UAE as Chief Guest at the World Government Summit. The Crown Prince of Abu Dhabi was the Chief Guest at the Republic Day celebrations in 2017. India-UAE bilateral trade stands at \$60 billion, and the UAE is India's third-largest tradepartner. The UAE is also the fourth-largest exporter of crude oil for India and is home to a 3.3 million-strong Indian community.
