Jungle raj allies against Jai Shri Ram chants: PM

PRESS TRUST OF INDIA
Forbesganj/Saharsa, 3 November

In a veiled attack at the Congress and the Rashtriya Janata Dal (RJD), Prime Minister Narendra Modi on Tuesday said the “friends of jungle raj” were against the people of Bihar chanting “Bharat Mata Ki Jai” and “Jai Shri Ram”. He also mocked the Congress for its shrinking numbers in the two Houses of Parliament which have dropped below 100, claiming people were punishing the party for its false promises of poverty eradication and farm loan waiver.

Mounting an unsparring assault on the RJD-Congress alliance in Bihar on the last day of his campaign blitzkrieg to power the NDA to a fourth straight term in office, Modi reminded the people of the “jungle raj” the two parties presided over when rampant booth capturing robbed the poor of their right to vote.

Under Chief Minister Nitish Kumar, he asserted, the state had left behind the “darkness of insecurity and anarchy”. Modi said the Congress’ “false promises” of poverty eradication, farm loan waiver and one rank-one pension for retired servicemen had left people angry.

“Now, whenever people get an opportunity, they punish the Congress. Public anger has reduced the party to such a sorry state that it has been left with less than 100 MPs in both Houses of Parliament together,” he said, while addressing an election meeting in Forbesganj town of Araria district. The BJP won nine of the 11 Rajya Sabha seats, results of which were declared on Monday, taking its tally up to 92 in the Upper House and

66.28% polling in MP by-elections

Amid reports of violence at a few places, an estimated 66.28 per cent voter turnout was recorded until 6 pm on Tuesday in the crucial by-elections to 28 Assembly seats in Madhya Pradesh, an official said.

One person was injured in stray incidents of violence, police said.

The average voting percentage in the 2018 Assembly polls in these 28 constituencies, most of them in the Gwalior-Chambal region, was 72.93, the official said.

A total of 355 candidates, including 12 ministers, were in the fray in these bypolls. As the voting progressed, Chief Minister

Shivraj Singh Chouhan reached the BJP office in Bhopal in the afternoon and held discussions with party leaders. Former chief minister Kamal Nath and other senior Congress leaders, including Digvijaya Singh, monitored the polling from a control room set up at the state party office in Bhopal.

By-elections were also held in Uttar Pradesh, Haryana, Karnataka, Chhattisgarh, Nagaland, Odisha, Jharkhand, and Gujarat. Also these states, but Haryana, reported over 50 per cent turnout, with Nagaland and Chhattisgarh witnessing 87.1 per cent and 77 per cent polling, respectively. **PTI**

Adani to own...

The group is constructing one of the world’s largest coal mining and rail connectivity from port to mine projects in Australia.

Adani won only one mine during the coal auctions held in 2014 for awarding coal blocks for captive/self-use.

However, two years later, the coal block was deallocated and given to Jindal Steel & Power.

Another big name that grabbed a coal block to commercially mine and sell coal was Essel Mining & Industries (EMIL) of Aditya Birla Group. EMIL placed the highest bid for Bandha mine in MP. It quoted a premium of 21 per cent over the floor price.

For the first time, the Centre is awarding coal mines for commercial mining and sale to private companies. It amended the Coal Mines (Special Provisions) Act, 2015, in May. The two-part auction commenced last month when companies submitted their technical bids comprising eligibility and initial price offer for 38 coal blocks on offer. The second and final round of placing financial bids through e-auction started on Monday with five mines. Vedanta and Hindalco were among the winners on Day 1. On Tuesday, four mines were up for auction.

Andhra Pradesh Mineral Development Corporation (APMDC), the only state-owned company participating in the commercial coal auction, placed the highest bid for Brahmadaha mine in Jharkhand. This is the smallest mine on offer with 0.15 mtpa capacity. However, APMDC placed a premium of 41 per cent for the mine — the highest bid so far.

Sahapur West mine in MP received the highest closing bid from Sarda Energy & Minerals. The company quoted a premium of 26 per cent over the floor price.

Rush for premium...

“We have observed a compelling behavioural change in customers’ buying pattern which is now more tilted towards the large-screen segment, especially 55 inch and above televisions due to stay-at-home environment,” said Sony India managing director Sunil Nayyar. He expects the trend to continue at least till Diwali.

Samsung India senior vice-president for consumer electronics business Raju Pullan is of the view that consumer preference has shifted towards premium products. Like Sony, Samsung too has registered better growth in 55-inch or larger screen TV sets, bigger

refrigerators, fully automatic washing machines and microwave ovens. According to Pullan, the convenience factor played a key role in this surge. “Our premium segment grew by 50 per cent starting early October when we launched our festive promotion.”

Whirlpool India MD Vishal Bhola explained that with more time spent at home, consumers are willing to invest more in appliances that make their daily lives easier. “Consumer durables have moved from a passive to an active space, enabling daily household chores and supporting everyday care,” he said. While consumers confined to home are driving sales of appliances and audio products, online learning and remote work culture are helping growth of superior quality tablets and notebooks, analysts believe.

The pre-orders for Apple’s iPhone12, too, captured the trend. The largest company in the luxury segment for smartphones and notebooks recorded close to 25 per cent higher pre-orders for the iPhone12 range. Priced at least 15 per cent higher than last year, it received over 100,000 pre-orders for iPhone 12 and 12 Pro. In the September quarter, the firm recorded the highest sale in India led by MacBook and a record 800,000 iPhones.

LG, too, is in the midst of a good festive season with a 31 per cent growth in sales so far. “We are seeing good demand in the replacement market and premium products, especially premium refrigerators (above 300 litres) and high-end washing machines,” said LG Electronics India V-P for home appliances Vijay Babu. Industry leaders are hoping that the extraordinary festival demand for premium products would translate into a sharp rebound that stays on.

Abu Dhabi’s...

Under the scheme, investment has to be made before March 31, 2024 and with a minimum lock-in period of three years. “Any income in the nature of dividend, interest, or LTCG (long-term capital gains) arising from an investment made by Abu Dhabi’s SWF on or after November 2, 2020, but on or before March 31, 2024, shall be entitled to exemption if specified conditions are met,” said a government official.

The sub-sectors under the scheme include infrastructure for special economic zones,

Jai, Bihar is also uncomfortable with them,” he told another rally in Saharsa.

He was apparently responding to the RJD’s ally Jharkhand CM Hemant Soren, who recently told an election rally that he goes insane (“*dimraag kharab ho jata hai*”) when he hears “Bharat Mata Ki Jai” and “Jai Shri Ram”. Katihar, Purnea and Kishanganj districts adjoining Saharsa have substantial Muslim population.

textile parks and agriculture markets, telecom towers, electricity generation, and transmission and distribution, besides ports and airports.

The other areas include ports, stadiums, tourism, theme-based parks including food parks, multi-modal logistics parks, and textile parks. Under the scheme, the government will incentivise investors to invest directly or through vehicles such as alternative investment funds or infrastructure investment trusts. The CBDT had issued a detailed notification of the scheme in July.

MIC Redwood 1 RSC applied for tax exemption on September 18. “Amid the challenges of Covid-19, all deliberations and meetings between the applicant and tax authorities were held virtually and communications were made only through emails. MIC Redwood 1 RSC submitted its final replies on October 20 and after that the process of notification, including consultations with the Ministry of Law and Justice for legal vetting of the notification, has been completed in less than two weeks,” said the official.

The taskforce on the National Infrastructure Pipeline (NIP) for 2019-25 has estimated investment requirements at ₹11 trillion in infra projects to achieve the target of becoming a \$5 trillion economy by FY25.

PM to brainstorm...

The focus of the “exclusive dialogue” is to assess their views on India’s economic outlook and structural reforms that are required to attract long-term capital into the country.

AustralianSuper, British Columbia Investment Management Corp, CDQP, CCP Investment, Future Fund, GIC, Japan Post Bank, Japan Bank for International Cooperation, Korean Investment Corporation, Nippon Life, Ontario Teachers, PensionDanmark, PGGM Investment Management, DSP, Qatar Investment Authority, Teachers Retirement Texas, Temasek, and US International Development Finance Corporation are among the global wealth and sovereign funds that would be participating in the meeting. Tarun Bajaj, secretary, Department of Economic Affairs (DEA), confirmed on Tuesday.
