Subject: Retirement

Dear Sir,

After thoughtful considerations I have decided to retire by end of December 2023. Since I am on extension of the service, kindly treat this letter also as my resignation from the services of the company as President (Tube Operations).

After completion of education I started my career in ISMT. I have been working in ISMT for last about 35 years. I was fortunate to get opportunities to work in varied roles like Manufacturing, Central Planning, Product development, Marketing and Operations. During my journey I have seen ups & downs, glory & challenges faced by the company. There was learning in all situations. It was a pleasure working in this organization. I thank all my seniors under whom I have worked for their guidance. I also thank all my colleagues in the organization for their help & cooperation during my journey.

I thank Mr. RV Gumaste Sir and you for giving me opportunity to work under your leadership. I have learnt many new facets of management under you. I have no doubt that Kirloskar Ferrous Company will keep on achieving new peaks of growth & glory under your leaderships. I wish our Company success & great future.

With this letter I am also resigning from the boards of Structo Hydraulics AB and ISMT Europe AB. During my notice period, I will be happy do task you would like me to prioritize to the best of my abilities.

Thanking you,

Kishore Bharambe
