CORPORATE GOVERNANCE REPORT

1. Our corporate governance philosophy

Corporate governance is most often viewed as both the structure and the relationships which determine corporate direction and performance. The board of directors is typically central to corporate governance. Its relationship to the other primary participants, typically shareholders and management, is critical. Additional participants include employees, customers, suppliers, and creditors.

- James McRitchie

The Company has complied with all the applicable code provisions in the Corporate Governance Code set out in Schedule II of the Listing Regulation 2015.

Corporate governance guidelines

The Board has developed corporate governance guidelines to help fulfill our corporate responsibility towards our stakeholders. These guidelines ensure that the Board will have the necessary authority and processes to review and evaluate our operations when required. Further, these guidelines allow the Board to make decisions that are independent of the Management. The Board may change these guidelines regularly to achieve our stated objectives.

2. Board composition

Size and composition of the Board

We believe that our Board needs to have an appropriate mix of executive and independent directors to maintain its independence, and separate its functions of governance and management. Listing regulations mandate that for a company with a non-executive chairman, at least one-third of the board should be independent directors. On March 31, 2020, our Board consists of FOUR members, of whom two are independent directors Including one Women director, one non independent non executive director, one CEO one CFO, remaining all are executive directors. The Board periodically evaluates the need for change in its composition and size.

Board Meetings

The Board meets regularly at least four times a year at quarterly intervals and holds additional meetings as and when the Board thinks appropriate.

Nineteen Board meetings were held during FY 2019-20. Notice of not less than 14 days was given to directors for the regular Board meetings. Draft agenda for Board meetings were prepared by the Company Secretary and were circulated to all directors for comments before each meeting. Directors were given an opportunity to include any other matters in the agenda. The agenda, together with Board papers, were sent in full to the directors not less than three business days before the intended date of the Board meeting.

Minutes of Board meetings were prepared by the Company Secretary with details of decisions reached, any concerns raised and dissenting views expressed. The draft minutes were sent to all directors within a reasonable time after each meeting for their comment before being formally signed by the chairman of the meeting. Copies of the final version of minutes of the Board meetings were sent to the directors for information and record.

At each regular Board meeting, executive directors of the Company made presentations to the Board on various aspects, including the business performance, financial performance, corporate governance and outlook, etc. A written report reviewing all the key operational aspects of the Group was provided to the directors before each regular Board meeting to enable them to make informed decisions for the benefit of the Company.

Throughout FY2019-20, directors of the Company also participated in the consideration and approval of matters of the Company by way of written resolutions circulated to them. Supporting written materials were provided in the circulation and verbal briefings were given by the subject executive directors or the Company Secretary when required.

Pursuant to the bye-laws of the Company, a director, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board at which the question of entering into the contract or arrangement is first considered. Furthermore, a director shall not vote (nor be counted in the quorum) on any resolution of the directors in respect of any contract or arrangement or proposal in which he or any of his associate(s) is to his knowledge materially interested. Matters to be decided at Board meetings are decided by a majority of votes from directors allowed to vote. These bye-laws were strictly observed throughout FY 2019-20

Directors of the Company play an active role in participating the Company's meetings through contribution of their professional opinions and active participation in discussion. The attendance record of each of the directors for the Board meetings, the board committees' meetings and the general meeting held during FY 2019-20 is listed as follows:

ANNEXURE -VI

VIGILMECHANISM CUM WHISLTE BLOWER POLICY

1. PREAMBLE

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, Legality, integrity and ethical behavior. Any actual or potential violation of the same, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations cannot be undermined. Accordingly, this Vigil Mechanism has been formulated with a view to provide a mechanism for employees of the Company to raise concerns of any violations of legal or regulatory requirements, incorrect or misrepresentation of any financial statements and reports, etc.

Corporate Governance of SEBI Listing Regulation, 2015 between the Company and Bombay Stock Exchange, inter alia, provides for a nonmandatory requirement to establish a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the company's code of conduct or ethics policy.

Section 177 of the Companies Act, 2013 also provides that the Company shall establish a Vigil Mechanism for Directors and Employees to report genuine concerns. This Vigil Mechanism is meant to serve the purpose of Section 177 of the Companies Act, 2013 as well as 'Whistle Blower Policy' under Listing Agreement.

2. OBJECTIVE

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. This policy aims to provide an avenue for employees & Directors to raise concerns of any violations of legal or regulatory requirements, unethical behavior, fraud, violation of Company's code of conduct, incorrect or misrepresentation of any financial statements and reports, etc.

3. POLICY

The Vigil Mechanism intends to cover serious concerns that could have grave impact on the operations and performance of the business of the Company. The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation. No adverse personnel action shall be taken or recommended against an employee or Director in retaliation to his disclosure in good faith of any unethical and improper practices or alleged wrongful conduct. This protects such employees or Director from unfair termination and unfair prejudicial employment practices.

However, this policy does not protect an employee from an adverse action which occurs independent of his disclosure of unethical and improper practice or alleged wrongful conduct, poor job performance, any other disciplinary action, etc. unrelated to a disclosure made pursuant to this policy.

4. SCOPE

Various stakeholders of the Company are eligible to make Protected Disclosures under the Policy. These stakeholders may fall into any of the following broad categories:

- a. Employees of the Company
- b. Directors of the Company
- c. Employees of other agencies deployed for the Company's activities, whether working from any of the Company's offices or any other location
- d. Contractors, vendors, suppliers or agencies (or any of their employees) providing any material or service to the Company.
- e. Customers of the Company
- f. Any other person having an association with the Company.

A person belonging to any of the above mentioned categories can avail of the channel provided by this Policy for raising an issue covered under this Policy.

NOTE: Policy should not be used to be a route for raising malicious or unfounded allegations against colleagues.

5. GUIDING PRINCIPLES

To ensure that this Policy is adhered to, and to assure that the concern will be acted upon seriously, the Company will

- i. Ensure that the Whistleblower and/or the person processing the Protected Disclosure is not victimized for doing so
- ii. Treat victimization as a serious matter, including initiating disciplinary action on such person/(s)
- iii. Ensure complete confidentiality
- iv. Not attempt to conceal evidence of the Protected Disclosure
- v. Take disciplinary action, if any one destroys or conceals evidence of the Protected Disclosure made/to be made
- vi. Provide an opportunity of being heard to the persons involved especially to the Subject

6. ANONYMOUS ALLEGATION

Whistleblowers must put their names to the allegations made by them because follow-up action & investigation may not be possible unless the source of the information is identified. Disclosures expressed anonymously will ordinarily not be investigated.

7. PROTECTION TO WHISTLEBLOWER

- A.** If one raises a concern under this Policy, he/she will not be at risk of suffering any form of reprisal or retaliation. Retaliation includes discrimination, reprisal, harassment or vengeance in any manner. Company's employee will not be at the risk of losing her/ his job or suffer loss in any other manner like transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistleblower's right to continue to perform his/her duties/functions including making further Protected Disclosure, as a result of reporting under this Policy. The protection is available provided that:
- i.** The communication/ disclosure is made in good faith
 - ii.** He/She reasonably believes that information, and any allegations contained in it, are substantially true; and
 - iii.** He/She is not acting for personal gain
 - iv.** Anyone who abuses the procedure (for example by maliciously raising a concern knowing it to be untrue) will be subject to disciplinary action, as will anyone who victimizes a colleague by raising a concern through this procedure. If considered appropriate or necessary, suitable legal actions may also be taken against such individuals.
However, no action will be taken against anyone who makes an allegation in good faith, reasonably believing it to be true, even if the allegation is not subsequently confirmed by the investigation
- B.** The Company will not tolerate the harassment or victimization of anyone raising a genuine concern. As a matter of general deterrence, the Company shall publicly inform employees of the penalty imposed and discipline of any person for misconduct arising from retaliation. Any investigation into allegations of potential misconduct will not influence or be influenced by any disciplinary or redundancy procedures already taking place concerning an employee reporting a matter under this policy.
Any other Employee/business associate assisting in the said investigation shall also be protected to the same extent as the Whistleblower.

8. ACCOUNTABILITIES – WHISTLEBLOWERS

- I.** Bring to early attention of the Company any improper practice they become aware of. Although they are not required to provide proof, they must have sufficient cause for concern. Delay in reporting may lead to loss of evidence and also financial loss for the Company.
- II.** Avoid anonymity when raising a concern
- III.** Follow the procedures prescribed in this policy for making a Disclosure
- IV.** Co-operate with investigating authorities, maintaining full confidentiality
- V.** The intent of the policy is to bring genuine and serious issues to the fore and it is not intended for petty Disclosures. Malicious allegations by employees may attract disciplinary action
- VI.** A whistleblower has the right to protection from retaliation. But this does not extend to immunity for involvement in the matters that are the subject of the allegations and investigation
- VII.** Maintain confidentiality of the subject matter of the Disclosure and the identity of the persons involved in the alleged Malpractice. It may forewarn the Subject and important evidence is likely to be destroyed.
- VIII.** In exceptional cases, where the whistleblower is not satisfied with the outcome of the investigation carried out by the Whistle Officer or the Committee, he/she can make a direct appeal to the CMD of the Company or the Audit Committee.

9. ACCOUNTABILITIES – OMBUDSMAN AND WHISTLE COMMITTEE

- i. Conduct the enquiry in a fair, unbiased manner
- ii. Ensure complete fact-finding
- iii. Maintain strict confidentiality
- iv. Decide on the outcome of the investigation, whether an improper practice has been committed and if so by whom
- v. Recommend an appropriate course of action - suggested disciplinary action, including dismissal, and preventive measures.
- vi. Minute Committee deliberations and document the final report.

10. RIGHTS OF ASUBJECT

- i. Subjects have right to be heard and the Ombudsman or the Committee must give adequate time and opportunity for the subject to communicate his/her say on the matter.
- ii. Subjects have the right to be informed of the outcome of the investigation and shall be so informed in writing by the Company after the completion of the inquiry/investigation process.

11. MANAGEMENT ACTION ON FALSE DISCLOSURES

An employee/person who knowingly makes false allegations of unethical & improper practices or alleged wrongful conduct shall be subject to disciplinary action, up to and including termination of employment, in accordance with Company rules, policies and procedures. Further this policy may not be used as a defense by an employee against whom an adverse personnel action has been taken independent of any disclosure of intimation by him and for legitimate reasons or cause under Company rules and policies.

12. PROCEDURE FOR REPORTING & DEALING WITH DISCLOSURES

The procedure as per Annexure will be followed.

13. ACCESS TO REPORTS AND DOCUMENTS

All reports and records associated with 'Disclosures' are considered confidential information and access will be restricted to the Whistleblower, the Whistle Committee and Ombudsman. 'Disclosures' and any resulting investigations, reports or resulting actions will generally not be disclosed to the public except as required by any legal requirements or regulations or by any corporate policy in place at that time.

14. RETENTION OF DOCUMENTS

All Protected Disclosures in writing or documented along with the results of investigation relating thereto shall be retained by the Company for a minimum period of 03 years from the date of conclusion of the investigation.

15. REPORTS

A quarterly status report on the total number of complaints received during the period, with summary of the findings of the Whistle Committee and the corrective actions taken will be sent to the Audit Committee as well as Board of Directors of the Company.

The contents of this Policy will be displayed by the Company on its Website and will also be included in the Directors Report.

16. COMPANY'S POWERS

The Company is entitled to amend, suspend or rescind this policy at any time. Whilst, the Company has made best efforts to define detailed procedures for implementation of this policy, there may be occasions when certain matters are not addressed or there may be ambiguity in the procedures. Such difficulties or ambiguities will be resolved in line with the broad intent of the policy and the applicable Law. The Company may also establish further rules and procedures, from time to time, to give effect to the intent of this policy and further the objective of good corporate governance. The Audit Committee shall review the policy and its implementation on regular basis.

The above policy has been reviewed by the Audit Committee

ANNEXURE

PROCEDURE FOR REPORTING & DEALING WITH DISCLOSURES

1. How should a Disclosure be made and to whom?

A disclosure should be made in writing. Letters can be submitted by hand delivery, courier or by post addressed to the Ombudsman appointed by the Company. Emails can be sent to the email id: axisrailindia@gmail.com.

2. Is there any specific format for submitting the Disclosure?

While there is no specific format for submitting a Disclosure, the following details MUST be mentioned:

- a) Name, address and contact details of the Whistleblower (add Employee ID if the Whistleblower is an employee).
- b) Brief description of the Malpractice, giving the names of those alleged to have committed or about to commit a Malpractice. Specific details such as time and place of occurrence are also important. Documentary evidence, wherever possible, should be appended.
- c) In case of letters, the disclosure should be sealed in an envelope marked "Whistle Blower" and addressed to the Ombudsman or the Chairman, Audit Committee, depending on position of the person against whom disclosure is made.

3. What will happen after the Disclosure is submitted?

- a. The Ombudsman shall acknowledge receipt of the Disclosure as soon as practical (preferably within 04 days of receipt of a Disclosure), to the address provided by the Whistleblower
- b. The Ombudsman will proceed to determine whether the allegations (assuming them to be true only for the purpose of this determination) made in the Disclosure constitute a Malpractice by discussing with the Executive Directors and CMD of the Company (if required). If the Ombudsman determines that the allegations do not constitute a Malpractice, he/she will record this finding with reasons and communicate the same to the Whistleblower.
- c. If the Ombudsman determines that the allegations constitute a Malpractice, he/she will proceed to investigate the Disclosure with the assistance of the Whistle Committee comprising of Senior Level Officers of HR, Internal Audit, Finance and Legal. The Whistle Committee, if it

deems fit can also take assistance of Head of the Department where the breach has occurred. If the alleged Malpractice is required by law to be dealt with under any other mechanism, the Ombudsman shall refer the Disclosure to the appropriate authority under such mandated mechanism and seek a report on the findings from such authority.

- d. If the Protected Disclosure has been made to the Chairman of the Audit Committee, he will proceed to investigate the matter with the help of CMD, Ombudsman or Whistle Committee or any other officer as he deems fit.
- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. The investigation may involve study of documents and interviews with various individuals. Any person required to provide documents, access to systems and other information by the Ombudsman or Whistle Committee for the purpose of such investigation shall do so. Individuals with whom the Ombudsman or Whistle Committee requests an interview for the purposes of such investigation shall make themselves available for such interview at reasonable times and shall provide the necessary cooperation for such purpose.
- g. If the Malpractice constitutes a criminal offence, the Ombudsman will bring it to the notice of the Executive Directors & CMD and take appropriate action including reporting the matter to the police.
- h. The CMD of the Company may, at his/her discretion, participate in the investigations of any Disclosure.
- i. The Whistle Committee shall conduct such investigations in a timely manner and shall submit a written report containing the findings and recommendations to the Ombudsman as soon as practically possible and in any case, not later than 90 days from the date of receipt of the Disclosure. The Ombudsman may allow additional time for submission of the report based on the circumstances of the case.
- j. Whilst it may be difficult for the Ombudsman to keep the Whistleblower regularly updated on the progress of the investigations, he/she will keep the Whistleblower informed of the result of the investigations and its recommendations subject to any obligations of confidentiality.
- k. The Ombudsman will ensure action on the recommendations of the Whistle Committee/ Officer and keep the Whistleblower informed of the same. Though no timeframe is being specified for such action, the Company will endeavor to act as quickly as possible in cases of proved Malpractice.
- l. In case, the Whistle Blower is not satisfied with the investigation carried by the Whistle Committee, he can appeal to the Chairman of Audit Committee with all relevant details.

4. What should a Whistleblower do if he/she faces any retaliatory action or threats of retaliatory action as a result of making a Disclosure?

If anyone faces any retaliatory action or threats of retaliatory action as a result of making a Disclosure, he/she should inform the Ombudsman in writing immediately. Ombudsman will treat reports of such actions or threats as a separate Disclosure and investigate the same accordingly and may also recommend appropriate steps to protect the Whistle Blower from exposure to such retaliatory action and ensure implementation of such steps for your protection. In case, the Whistle Blower is not satisfied with the resolution given by Ombudsman, he can appeal to the Chairman of Audit Committee with all relevant details.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of M/s K&R Rail Engineering Limited ("The Company"), which comprise the Standalone Balance Sheet as at 31st March, 2020 and the Standalone Statement of Profit & Loss including Other Comprehensive Income, Standalone Statement of Changes in Equity and Standalone statement of Cash Flows for the year then ended, and notes to the Standalone financial statements, including a summary of a significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements').

In our opinion and to the best of our information and to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020 and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters ("KAM") are those matters that, in our professional judgement, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters:

Key Audit Matters	How our audit addressed the Key Audit Matter
Revenue Recognition The Company engages in Fixed Price Contracts, wherein, revenue is recognized using the percentage of completion method i.e. as and when the work executed by the Company is certified by the Contractee, the Company recognize income to that extent. Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The Company has revenue from different segments ie. Sale of products, construction contracts and consultancy services. The Company has not maintained separate books or records to know the profit or loss of respective segment.

Management's responsibility for the Standalone financial statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit or loss (including other Comprehensive Income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities. Selection and application of appropriate

accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit.

Report on Other Legal and Regulatory requirements

Annexure A to the Independent Auditor's Report

With reference to the Annexure A referred to in the Independent Auditor's Report to the Members of the Company on the standalone financial statements for the year ended on 31st March,2020, we report the following:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets, by which all fixed assets are verified in a phased manner. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its fixed assets. Pursuant to the programme certain fixed assets were physically verified during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no immovable properties in the name of the Company. Hence the verification of title deeds of immovable properties does not arise.

In respect of immovable properties taken on lease, the lease agreements are in the name of the Company.

- (ii) The Inventory has been physically verified by the Management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory.
- (iii) According to the information and explanations given to us, the Company has not granted any loans secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a), (b) and (c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to loans given, investments made, guarantees and securities given. Accordingly paragraph 3(iv) of the Order is not applicable to the Company.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 of the Act for any of the services rendered by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees State Insurance, Income tax, Goods and Service Tax, duty of customs, Cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees State Insurance, Income tax, Goods and Service Tax, duty of Customs, Cess and other material statutory dues were in arrears as at 31st March,2020 for a period of more than six months from the date they became payable. But GST Audit for the Financial Year 2017-18 was not yet completed, pending outcome of the audit, if any, not provided for in the books of accounts.

(b) According to the information and explanations given to us, there are no dues of Income tax or Sales Tax or Service Tax or Goods and Service Tax or duty of Customs or duty of Excise or Value Added Tax which have not been deposited by the Company on account of dispute or pending assessments in the relevant authorities, except the following:

Name of the Statute	Period	Forum where dispute is pending
The Finance Act,1994 - Service Tax	FY 2015-16, 2016-17 and FY 2017-18 (From April 17 to June 2017)	The Commissioner Secunderabad Commissionerate GST Bhawan, Hyderabad

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The

Company did not have any outstanding loans or borrowings from financial institutions or Government and there are no dues to debenture holders during the year.

- (ix) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.
- (x) To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) In our opinion and according to the information and explanations given to us, and based on the examination of the records of the Company, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) According to the information and explanations given to us, in our opinion, the Company is not a Nidhi Company as specified under Section 406 of the Act. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the Standalone financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us, and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons concerned with him / her. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report

Annexure B to the Independent Auditor's Report on the Standalone Financial Statements of K&R Rail Engineering Limited

Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statements under clause (1) of Sub section 3 of Section 143 of the Companies Act, 2013.

Opinion

We have audited the internal financial controls with reference to Standalone financial statements of K&R Rail Engineering Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to the standalone financial statements and such internal financial controls were operating effectively as at 31st March, 2020, based on the internal financial controls with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control as stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note").

Management's Responsibility for internal financial controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control as stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established, maintained and whether such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls and their operating effectiveness. Our audit of internal financial controls included obtaining and understanding of such internal financial controls, assessing the risk, testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls with reference to the standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial controls is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls include those policies and procedures that (1) pertain to the maintenance of records that accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made in accordance with authorization of Management and Board of Directors of the Company; (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of Internal Financial Controls , including the possibility of collusion or improper management override controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls with reference to future periods are subject to the risk that the internal financial controls may become inadequate because of changes in conditions, or that the degree of compliance with policies or procedures may deteriorate.

- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of non-current assets/ liabilities respectively. All other assets/ liabilities are classified as non-current.

2.5 Critical accounting judgements and key sources of estimation uncertainty Operating cycle

In the application of the Company's accounting policies, which are described in note 3, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2020 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

2.6 Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3 Significant Accounting Policies

3.1 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the amount can be reliably measured.

- Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, volume rebates and GST are recognised when all significant risks and rewards of ownership of the goods sold are transferred.
- The recognition of revenue and expenses by reference to the stage of complete of a contract is referred to as the percentage of completion method. Under this method, contract revenue is matched with the contract costs incurred in reaching the stage of completion, resulting in the reporting of revenue, expenses and profit which can be attributed to the proportion of work completed at the reporting date as per the IAS and Income Disclosure Standards.
- Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

3.2 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets are capitalized at fair value of the asset or present value of the minimum lease payments at the inception of the lease, whichever is lower. Assets held under leases that do not transfer substantially all the risks and reward of ownership are not recognized in the balance sheet.

Lease payments under operating lease are generally recognised as an expense in the statement of profit and loss on a straight-line basis over the term of lease unless such payments are structured to increase in line with the expected general inflation to compensate for the lessor's expected inflationary cost increases.

Further, at the inception of above arrangement, the Company determines whether the above arrangement is or contains a lease. At inception or on reassessment of an arrangement that contains a lease, the Company separates a payments and other consideration required by the arrangement into those for the lease and those for other elements on the basis of their relative fair values.

If the Company concludes for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the Company's incremental borrowing rate.

Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

3.3 Foreign currencies

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

3.4 Borrowing costs

Specific borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use and borrowing costs are being incurred. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred. Borrowing cost includes interest expense, amortization of discounts, ancillary costs incurred in connection with borrowing of funds and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the Interest cost.

3.5 Taxation

Income tax expense consists of current and deferred tax. Income tax expense is recognized in the income statement except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current tax

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognized for the following temporary differences: the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit; differences relating to investments in subsidiaries and jointly controlled entities to the extent that it is probable that they will not reverse in the foreseeable future; and taxable temporary differences arising upon the initial recognition of goodwill. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax

liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.6 Earnings per share

The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the net profit attributable to equity shareholders for the year relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share.

3.7 Property, plant and equipment

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16 – Property, Plant and Equipment.

3.8 Expenditure during construction period

Expenditure during construction period (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) is included under Capital Work-in-Progress, and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under “Other non-current Assets”.

K&R RAIL ENGINEERING LIMITED
(Formerly Known as AXIS RAIL INDIA LIMITED)

3.9 Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a Straight Line basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment.

Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company, or the number of production or similar units expected to be obtained from the asset by the Company

The Company has componentised its PPE and has separately assessed the life of major components. In case of certain classes of PPE, the Company uses different useful lives than those prescribed in Schedule II to the Act. The useful lives have been assessed based on technical advice, taking into account the nature of the PPE and the estimated usage of the asset on the basis of management's best estimation of obtaining economic benefits from those classes of assets.

Such classes of assets and their estimated useful lives are as under:

Particulars	Useful life
Buildings	30 years
Plant and Machinery	9 years
Office Equipment	5 years
Computers	3 years
Furniture and Fixtures	10 years
Vehicles	8 years

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the date of deduction/disposal.

3.10 Intangible assets and amortisation

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use.

Amortization

The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

3.11 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

3.12 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated. Bank overdrafts are classified as part of cash and cash equivalent, as they form an integral part of an entity's cash management.

3.13 Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. Where the Company receives non-monetary grants, the asset and the grant are accounted at fair value and recognised in the statement of profit and loss over the expected useful life of the asset.

3.14 Impairment of non financial assets

The carrying amounts of the Company's non-financial assets, inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the income statement if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized. Goodwill that forms part of the carrying amount of an investment in an associate is not recognized separately, and therefore is not tested for impairment separately. Instead, the entire amount of the investment in an associate is tested for impairment as a single asset when there is objective evidence that the investment in an associate may be impaired.

An impairment loss in respect of equity accounted investee is measured by comparing the recoverable amount of investment with its carrying amount. An impairment loss is recognized in the income statement, and reversed if there has been a favorable change in the estimates used to determine the recoverable amount.

3.15 Employee benefits

Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

The Company's contributions to defined contribution plans are charged to the income statement as and when the services are received from the employees.

Defined benefit plans

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the projected unit credit method consistent with the advice of qualified actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related defined benefit obligation. In countries where there is no deep market in such bonds, the market rates on government bonds are used. The current service cost of the defined benefit plan, recognized in the income statement in employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognized immediately in income. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the income statement. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy.

3.16 Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

3.17 Contingent liabilities & contingent assets

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

3.18 Financial instruments

a. Recognition and Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

b. Classification and Subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- FVTPL

K&R RAIL ENGINEERING LIMITED
(Formerly Known as AXIS RAIL INDIA LIMITED)
Notes forming part of the financial statements
(All amounts Lakhs in Indian Rupees (₹), except share data and where otherwise stated)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management’s strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company’s management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company’s continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, ‘principal’ is defined as the fair value of the financial asset on initial recognition. ‘Interest’ is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;

- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition. Financial assets: Subsequent measurement and gains and losses.

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial liabilities: Classification, Subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

c. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit.

d. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

e. Impairment

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost;

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the trade receivable does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

40 Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as commodity risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits. The sensitivity analysis in the following sections relate to the position as at March 31, 2020 and March 31, 2019. The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt.

The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2020 and March 31, 2019.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of variable rate borrowings. The Company does not enter into any interest rate swaps.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	Increase/decrease in interest rate	Effect on profit before tax
March 31, 2020		
INR	+1%	2.13
INR	-1%	(2.13)
March 31, 2019		
INR	+1%	0.34
INR	-1%	(0.34)

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

The Company establishes an allowance for credit loss that represents its estimate of expected losses in respect of trade and other receivables based on the past and the recent collection trend. The maximum exposure to credit risk as at reporting date is primarily from trade receivables. The movement in allowance for credit loss in respect of trade and other receivables during the year was as follows:

Allowance for credit loss	31-Mar-20	31-Mar-19
Opening balance	-	-
Credit loss provided/ (reversed)	-	-
Closing balance	-	-

There is no concentration of revenue as there is no customer which accounts for more than 10% of the revenue.

Credit risk on cash and cash equivalent is limited as the Company generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

c) Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

	On demand	Less than 3 months	3 to 12 months	Total
Year ended March 31, 2020				
Borrowings	577.02			577.02
Trade payables		1,321.09	264.22	1,585.31

As at April 1, 2018				
Borrowings	49.46	-	-	49.46
Trade payables		3,579.52	715.90	4,295.42

41 Capital management

The Company's policy is to maintain a stable capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors capital on the basis of return on capital employed as well as the debt to total equity ratio.

For the purpose of debt to total equity ratio, debt considered is long-term and short-term borrowings. Total equity comprise of issued share capital and all other equity reserves.

The capital structure as of March 31, 2020, March 31, 2019 and April 1, 2018 was as follows:

Particulars	31-Mar-20	31-Mar-19	31-Mar-18
Total equity attributable to the equity shareholders of the Company	4,400	4,203	4,006
As a percentage of total capital	88.41%	99.25%	98.78%
Long term borrowings including current maturities	474	-	15

As a percentage of total capital	11.59%	0.75%	1.22%
Total capital (equity and borrowings)	4,977	4,235	4,055

42 Legal cases:

The Company had signed an agreement with Paradip Port Trust under the name 'K.V.R. Rail Infra Projects Private Limited for 'Railway Work for Deep Draught berths at Paradip Port' for the Contract price of Rs.98.67 Crores. The Letter of Intent (LOI) was issued on 06.06.2011 by the Paradip Port Trust. Subsequently by the order dated 13.10.2014 of Hon'ble High Court of Andhra Pradesh, Hyderabad, the Company has merged with 'Axis Rail India Limited'. Subsequently the name of the Company has been changed from 'Axis Rail India Limited' to 'K&R Rail Engineering Limited'.

The Paradip Port Trust (PPT) has terminated the contract and issued letter dated 26.09.2013 on the ground that the Company had sublet the contract to third party. Aggrieved by this termination of the Contract, the Company had filed a petition before the Arbitral Tribunal of Hon'ble DR. Justice A.K.Rath, Former Judge, High Court of Orissa (Sole Arbitrator) vide Arbitration Proceeding No. 3 of 2020. The Company had claimed the following in the petition filed.

(i) Refund of Retention Money:

The Company claimed Refund of Retention Money for an amount of Rs.4.34 Crores with interest @9% p.a. with effect from 26.09.2013. Thus total Retention Money claimed with interest is Rs.8.64 Crore.

(ii) Refund of the invoked Bank Guarantee

The Company had furnished a Performance Bank Guarantee for a sum of Rs.97.67 lakhs. The PPT had issued a show cause notice on 18.06.2013. In response to the show cause notice the Company through its Lawyer replied on 27.06.2013. However, the PPT had encashed the Bank Guarantee on 24.07.2013. Hence the Company filed petition before the Arbitral Tribunal of Hon'ble Dr Justice A.K.Rath, Former Judge, High Court of Orissa (Sole Arbitrator) vide Arbitration Proceeding No.3 of 2020 and claimed for refund of the Bank Guarantee of Rs. 97.67 lakhs with interest @9% p.a with effect from 24.07.2013. Thus the total claim under this head is Rs.150.42 lakhs.

Legal Cses (Contd..)

(iii) Idling Charges:

The Company had incurred additional expenditure towards equipment hiring charges for the period from February 2013 to August 2013 amounted to Rs.700 lakhs. Hence the Company claimed towards idling charges for an amount of Rs.700 lakhs with interest @9% p.a. with effect from 01.09.2013. Thus the total claim under this head is Rs.11.09 Crore with interest.

(iv) Claim for Final Bill:

The Company raised final bill for Rs.95.37 lakhs on 07.06.2013 towards the work done and materials supplied. The PPT has not paid the same. Hence the

Company claimed for Rs.95.37 lakhs with interest @9% p.a. with effect from 01.09.2013. Thus total claim under this head is Rs.1.51 Crore.

The case is still under process. Pending the out come of the petition the claims for idling charges were not recognised in the financial statements as at 31.03.2020.
