PRESS RELEASE

May 15, 2024

Nucleus Software appoints Surya Prakash Kanodia as CFO

[Nucleus Software](#), the BSE & NSE listed, India's leading provider of robust digital lending and transaction banking solutions to the global financial services industry, announced Surya Prakash Kanodia as its Chief Financial Officer with effect from May 8, 2024.

In his new role, Surya will be responsible for managing finances, capital markets, shaping portfolio strategies, undertaking major investment and financing decisions, and communicating with key stakeholders. His focus lies in orchestrating significant transactions, forging strategic alliances, overseeing pricing and contract administration, and vigilantly monitoring risks.

With Surya stepping in as Chief Financial Officer, Anurag Mantri will be relieved from his additional role as the company's CFO. Mr. Mantri will continue his role as an Executive Director and Chief Operating Officer within the company.

"As Nucleus Software charts its course through an era of dynamic growth and innovation, I am thrilled to welcome Surya Prakash Kanodia as our new CFO. Surya brings with him a wealth of financial wisdom and a strategic mindset that will be instrumental in navigating the complexities of our expanding landscape. His appointment marks a significant milestone in our journey and underscores our commitment to driving innovation and sustainable growth through our robust products and services offerings. With Surya joining Nucleus Software, I am confident that we will continue to achieve remarkable accomplishments and propel Nucleus Software to new heights of success", says **Vishnu R Dusad, Co-Founder & Managing Director, Nucleus Software, said**

Before joining Nucleus Software, Surya held the position of Head of Finance for Digital Operations and Platform business at Wipro Limited, where he accumulated a decade of experience. With qualifications as a distinguished Chartered Accountant and a Certified Financial Analyst from the United States, Surya boasts two decades of post-qualification expertise in various facets of Financial Management across both Wipro Limited and Genpact.

"I'm excited to join Nucleus Software at this pivotal moment. With our global expansion plans, and our commitment to translating domain expertise into tangible value, I believe that my past experience in end-to-end problem-solving, ensuring optimal and sustainable solutions, along with my ability to understand user requirements and maintain a high first-pass ratio, will significantly accelerate Nucleus Software's already impressive growth trajectory", says **Surya Prakash Kanodia, Chief Financial Officer, Nucleus Software.**

About Nucleus Software

Nucleus Software Exports Ltd. is a publicly traded (BSE: 531209, NSE: NUCLEUS), software product company that provides lending and transaction banking products to global financial leaders.

Nucleus Software delivers disruptive Fintech Solutions to 200+ Banks and Financial Institutions across 50 countries supporting Retail, Corporate & SME Finance, Islamic Finance, Automotive Finance, Captive Automotive Finance, Cash Management, Mobile & Internet Banking, Transaction Banking and more. We facilitate over 26 million transactions each day through our globally integrated transaction banking platform. Our lending platform manages US \$ 500 billion of loans in India alone, and over US \$700 billion of loans globally other than India, while enabling 500,000+ users to log in daily.

Our Flagship Products FinnOne Neo® and FinnAxia® are backed by 3 decades of BFSI domain expertise and an inbuilt AI powered platform to realize the digital transformation goals of FIs worldwide.

1. FinnOne Neo®: The next-generation digital lending platform, designed to revolutionize the lending process. FinnOne Neo® is built on an advanced technology platform, empowering financial institutions to streamline their lending operations, enhance customer experiences, and drive business growth.
2. FinnAxia®: An integrated global transaction banking suite, trusted by banks worldwide to optimize their transaction banking processes. With FinnAxia®, financial institutions can efficiently manage their cash management, trade finance, liquidity management, and other transaction banking activities on a single platform, thereby improving operational efficiency, visibility, and enhancing client relationships.
3. PaySe™: The world's first online and offline digital payment solution, created with the vision to democratize money. This innovative payment solution offers users a seamless and convenient way to conduct digital transactions, both online and offline, facilitating financial inclusion and empowering individuals and businesses.
4. Nucleus Software Services: Our comprehensive suite of services is tailored to assist banks and financial institutions in their digital transformation journey and maintain an optimal technology infrastructure. Through Nucleus Software Services, we offer a holistic approach to digital transformation, enabling organizations to deliver seamless customer experiences, achieve operational and cost efficiencies, and gain actionable insights to drive strategic decision-making.

These offerings collectively underline Nucleus Software's commitment to driving innovation and empowering financial institutions to thrive in an increasingly digital world. For more information, please visit: <http://www.nucleussoftware.com>
