Notes to financial result:
1. The Financial Results have been prepared in accordance with the principles and procedures of Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015, as specified in Section 133 of the Companies Act, 2013.
2. As the Company has only one Operating Segment, disclosure under Ind AS 108-Operating Segment is not applicable.
3. The above results were reviewed by the audit committee and approved by the Board of Directors in their meeting held on August 11, 2021 and the Statutory Auditors of the Company have carried out a limited review of the same.
4. Trade Payables, Trade Receivables and other Loans and Advances given or taken continued to be subject to reconciliation and confirmation. Further Term Loan Accounts with the banks are also subject to reconciliation/ confirmation.
5. The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. However the company has accumulated losses and negative net worth as on 30/06/2021. The current liabilities are exceeding the current assets due to the reason that the outstanding term loans including accrued interest are accounted under the Head of Current liabilities as the same has been termed as NPA by the lenders. The Company is in active discussion with the lenders for resolution of the debt. Considering the continuity of the operations, generation of positive EBITDA, Central Government thrust on the development of Infrastructure projects in the country and the encouraging order book of the company, maintaining a going concern basis of accounting is appropriate.
6. The Company has outstanding working capital loan of Rs.8793.25 Lakhs and term loans aggregating to Rs.40811.75 Lakhs including interest accrued and due thereon from Banks which have been declared as non-performing assets (NPA) by these lenders in earlier years as the repayments against these loans have become overdue. As part of their process, the lenders have taken symbolic possession of the assets of the Company on 19/02/2021 and contemplating follow on processes. The company is also trying to resolve this through OTS route. Further, the Company has classified all its borrowings from banks as current liabilities under 'Other Financial Liabilities'.
7. Advances from Customers of Rs.5357.12 Lakhs included in "Other Current Liabilities" of the Statement include a sum of Rs.5286.01 Lakhs from parties with whom no business transactions have taken place after Financial Year 2017-18.
8. During the quarter ended 30/06/2021, the company's operations were moderately affected due to economic slowdown caused by the Covid-19 pandemic. However, based on its assessment of business/economic conditions, the company expects to recover the carrying value of all its assets including inventories, receivables and loans and advances in the ordinary course of its business. The company continues to evaluate the pandemic related uncertainty arising from the on-going second wave and update its assessment.
9. The figures for the previous period have been re-grouped/re-classified to make them comparable with the figures for the current period.
10. The above Financial Results for the Quarter ending 30/06/2021 are also available on the website of the Company i.e. www.aiiml.in and the website of BSE i.e. www.bseindia.com.

individually by the CODM, the functions do not meet the requirements of Ind AS 108 for classification as an operating segment, hence there is only one operating segment namely, "Automotive tyres, tubes & flaps".

4 In 2008, the State of Haryana (the State) introduced "the Haryana Tax on Entry of Goods into Local Areas Act, 2008 ("Act") which High Court of Punjab and Haryana declared as "Unconstitutional". As on date, the State did not frame and notify enabling "Rules" under the Act, and no demand has been received by the Company. Accordingly, the amount of liability involved, if any, under the Act, also cannot be measured. Further, on November 11, 2016, the nine Judges Bench of Hon'ble Supreme Court held that the State Governments do have right to levy an 'Entry Tax', however (i) whether States have enacted correct legislations in alignment with Indian Constitutional provisions, (ii) whether such taxes demanded by State Governments were actually used for intended development of local area and (iii) the interpretation of the word "Local Area" were among questions not addressed by the November 11, 2016 ruling, but instead are to be heard by Hon'ble Divisional Bench of the Supreme Court individually for each state, on merits. The above mentioned matters were heard by the Hon'ble Divisional Bench of the Supreme Court and remanded back to High Court of Punjab and Haryana and directed that fresh petitions should be filed by the parties, based on the principles given by the nine Judges Bench of Hon'ble Supreme Court. The Company filed its fresh petition in May 2017.

Having regard to the status of matter above and in the absence of any rules notified under which tax can be levied or measured and matter is also time barred since no demand has been raised till date since enactment of the Act, the management supported by the legal opinion has assessed obligation towards entry tax, if any, as a contingent liability.

5 The Company has considered the ongoing possible effects that may result from the pandemic relating to COVID 19 on the carrying amount of all assets and liabilities as at June 30, 2021. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financials results has used internal and external sources on the expected future performance of the Company. The Company has made assessment of its liquidity position for the current period and expects that the carrying amount of these assets / liabilities will be recovered / settled and subsequent liquidity is available to fund the business operations for at least another 12 months. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results and would be recognized prospectively.

6 The figures of last quarter of previous year are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the financial year which are subject to limited review.

7 This Statement has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on August 12, 2021. The financials results for the quarter ended June 30, 2021 have been audited and reviewed by the Statutory Auditors of the Company and they have expressed an unmodified conclusion thereon.
