Dear Sir/Madam,

We're proud and glad to inform you that the Company has contributed greatly to the construction of Surat Diamond Bourse – the world's largest office building, by supplying Vnext fibre cement boards through our business partners. Vnext boards are an eco-friendly construction alternative product to plywood and gypsum, with water, fire and termite resistant properties.

The Company has supplied over 3000 panels and over 1200 boards covering a vast area of 2,00,000 sq.ft for the application of partitions. The product has been supplied by our long-time dealers Agarwal Plywood and Maradur Kesari, Surat.

Through this project, the Company has helped to save over 100 trees from being felled, and over 45000 kg CO2 emissions.

This is for your information and dissemination.

Yours faithfully,

For VISAKA INDUSTRIES LIMITED

Ramakanth Kunapuli
AVP & Company Secretary
