Delhivery Set to Expand its Infrastructural Footprint in Greater Mumbai and Bangalore

Delhivery, India's largest and fastest-growing fully-integrated logistics services provider, has announced plans to expand its infrastructure in two key cities of Bhiwandi (Greater Mumbai) and Bangalore.

Delhivery is collaborating with Welspun on a 7 Lakh sq ft mega-gateway in Greater Mumbai and with GMR for a 1 Million+ sq ft facility in Bangalore. The Bangalore facility also includes a warehouse for multi-channel order fulfillment for Delhivery's customers. These fully-automated large integrated trucking terminals will be operational by 2023 and will increase Delhivery's processing capacity to meet the customer demand from the South and West.

Commenting on the announcement, **Ajith Pai, Chief Operating Officer, Delhivery**, said, "Since our inception, we have created a robust pan-India network supported by high-quality infrastructure, automation, proprietary technology, and data capabilities. Aligned to our objective, we will continue to drive speed, reliability, and cost-efficiency for all our customers through these on-going investments."

Speaking on the occasion, **Mr. Bodapati Bhaskar, CEO of GMR Enterprises Limited**, said, "GMR Logistics is happy to partner with Delhivery for their one million sq. ft. mega warehouse project in Bangalore. With the growth of the cargo sector in the country, there is a need to augment the logistics infrastructure. GMR and Delhivery are committed to building world-class infrastructure, and creating a warehousing footprint across the country."

Anshul Singhal, Managing Director, Welspun One Logistics Parks said, "Welspun One has since inception endeavored towards solving the location needs for our clients. We worked closely with Delhivery to create a customized solution to suit their needs. The Delihvery premises are completely bespoke to help them achieve greater operational efficiencies. With the logistics and warehousing sector going through a transformational phase in India, this partnership will take us one step closer to positively value add to our client's business requirements by ensuring they get the highest quality Grade A assets."

About GMR

GMR is the largest private airport operator in Asia and the 2nd largest in the world with a passenger handling capacity of over 189 million annually. GMR's subsidiary GMR Airports Limited has Groupe ADP as a strategic partner holding 49 percent stake. It operates the iconic Delhi Airport, which is the largest and fastest-growing airport in India. It also runs Hyderabad Airport, a pioneering greenfield airport known for several technological innovations. The company is also operating the architecturally renowned Mactan Cebu International Airport in Cebu, Philippines, in partnership with Megawide. Expanding its overseas footprint, GMR, in collaboration with Angkasa Pura II (AP II), has recently bagged the development and operation rights of Kualanamu International Airport in Medan, Indonesia. GMR's energy businesses have an installed capacity of over 3,000 MW capacity. With a significant focus on green energy, the company is working towards creating a more sustainable environment by harnessing the power of wind, water, and sun for energy generation. It has a balanced mix in its energy generation portfolio. The transportation and Urban Infrastructure division of the Group has four operating highway assets spanning over 1824 lane kilometres. GMR Group's underlying philosophy is to work closely with and support the local communities wherever it is present. Towards this, GMR Varalakshmi Foundation (GMRVF), the CSR arm of the Group, focuses on improving the quality of life of people by enhancing skills, providing education and developing healthcare infrastructure and services.

About Welspun One Logistics Parks (WOLP)

Welspun One Logistics Parks (WOLP) is an integrated fund, development, and asset management organization; designed to deliver large format, institutional, Grade-A logistics parks across India. It is a part of the USD 2.7 billion global conglomerate 'Welspun Group'- one of India's fastest-growing multinationals, with a leadership position in line pipes, home textiles, infrastructure, advanced textiles, and flooring solutions.

The core of Welspun One's business offering is to solve the location needs of its customers and provide them with best-in-class real-estate solutions, to better manage their supply chain needs. Welspun One aspires to become the most-preferred warehousing company in India; by sourcing and developing feasible land parcels which suit institutional investors and get leased by valued occupiers, whilst maintaining high levels of safety and 100% compliance to regulatory standards across the project lifecycle.
