COLOMBO, AUG 30 /--/ Sri Lankan President Ranil Wickremesinghe on Tuesday appealed to all parties to join the unity government to tackle the island nation's worst-ever economic crisis and prevent "strong economies" from using it as a "tool of interference," days after India and China verbally clashed over the docking of a high-tech Chinese ship at a port in the country. His remarks came as he presented the revised budget for 2022 in his capacity as the minister of finance. "We can no longer be a nation dependent on loan assistance. We can also no longer be used as a tool of interference by other countries with strong economies, Wickremesinghe without naming any country. docking of 'Yuan Wang 5' at SriLanka's Hambantota port. All this can be achieved, only if we work together in unity with common consent. I reiterate the invitation to all the parties represented in this Parliament to join an allparty government. Since this unprecedented situation is the responsibility of us all, and therefore need to prioritise the necessities of the country. Sri Lanka granted the port access to the vessel from August 16 to 22. There were apprehensions in New Delhi about the possibility of the Chinese vessel's tracking systems attempting to snoop on Indiandefence installations while being on its way to the Sri Lankan port. India on Saturday hit back at China for alleging that it was "interfering" in Sri Lanka's internal affairs, firmly telling Beijing that what Colombo needs now was "support, not unwanted pressure or unnecessary controversies' to serve another country's agenda. Some parties say that they will not join an all-party government due to action by the government which they cannot condone. Others express a reluctance to join due to their opposition to the policies," he said. The proposal for an all-party government was mooted in April amidst widespread public unrest the previous government led by former President Rajapaksa's mish and ling of the economiccrisis. Rajapaksa's call to form an all-party government was ignored by the opposition parties. Sri Lanka has been witnessing one of the worst economic crises since its Independence in 1948.
