13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Wednesday, March 29, 2023 as the record date ("Record Date") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- 13.2. As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- 13.3. The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders (defined below) and (ii) the general category for all other Eligible Shareholders.
- 13.4. As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares on the Record Date was recorded, of not more than ₹2,00,000/- (Indian Rupees two lakh only). For the purpose of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number ("PAN"), in case of securities held in the demat form are to be clubbed together.
- 13.5. In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 13.6. Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.
- 13.7. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients
- 13.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other
- 13.9. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible
- 13.10. The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.
- 13.11. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure

laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. Unquote PRIOR APPROVALS FROM LENDERS

As on the date of this Public Announcement, the Company has outstanding facilities with lenders. The Company has obtained such approvals as may be required from the lenders pursuant to the provisions of such facilities.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- 13.1. As required under the Buyback Regulations, the Company has fixed Wednesday, March 29, 2023 as the record date ("Record Date") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- 13.2. As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- 13.3. The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders (defined below) and (ii) the general category for all other Eligible Shareholders.
- 13.4. As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares on the Record Date was recorded, of not more than ₹2,00,000/- (Indian Rupees two lakh only). For the purpose of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number ("PAN"), in case of securities held in the demat form are to be clubbed together.
- 13.5. In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 13.6. Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.
- 13.7. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients
- 13.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 13.9. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
 13.10. The maximum number of Equity Shares that can be tendered under the Buyback.
- by any Eligible Shareholder should not exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date.

 13.11. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well

- laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the mechanism notified by SEBI Circulars.
- 13.12. Income arising to the shareholders under the Buyback is exempt from income tax in India. However, the participation in the Buyback by non-resident shareholders may be taxable in their country of residence according to tax laws of their respective countries. The Buyback transaction would also be chargeable to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.
- 13.13. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent to the Eligible Shareholders. Eligible shareholders who have registered their email ids with the depositories/ the Company, shall be dispatched the Letter of Offer through electronic means. If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or Registrar at the address mentioned as paragraph 17. Eligible Shareholders which have not registered their email ids with the depositories / the Company, shall be dispatched the Letter of Offer through physical mode.

- The funds for the implementation of the proposed Buyback will be sourced out of free reserves of the Company (retained earnings) and/or such other source as may be permitted by the Buyback Regulations or the Act.

RECORD DATE AND SHAREHOLDER ENTITLEMENT 13. 13.1.

- As required under the Buyback Regulations, the Company has fixed Wednesday, March 29, 2023 as the record date ("**Record Date**") for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- 13.2. As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- The Equity Shares proposed to be bought back by the Company shall be divided into two categories; (i) reserved category for Small Shareholders (defined below) and (ii) the general category for all other Eligible Shareholders.
- 13.4. As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price of shares on the Stock Exchanges, on which the highest trading volume in respect of the Equity Shares on the Record Date was recorded, of not more than ₹2,00,000/- (Indian Rupees two lakh only). For the purpose of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number ("PAN"), in case of securities held in the demat form are to be clubbed together.
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of
- 13.6. Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.

13.7. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure

- that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical. the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients
- 13.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other
- 13.9. The participation of the Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buyback. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- 13.10. The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held
- by the Eligible Shareholder as on the Record Date. 13.11. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure

laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. Since the Buyback constitutes more than 10% of the total paid-up equity share capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it is necessary to obtain the consent of the Members of the Company, for the Buyback, by way of a special resolution. Requisite details relating to the Buyback are given below:

a. Necessity for the Buyback

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash requirements of the Company in the medium term and for returning surplus funds to the shareholders in an effective and efficient manner. The Buyback is being undertaken, inter-alia, for the following reasons:

- (i) The Buyback will help the Company to return surplus cash to its shareholders holding Equity Shares, thereby, enhancing the overall return to shareholders;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- (iii) The Buyback may help in improving its return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value; and
- (iv) The Buyback gives an option to the shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

The Buyback Price represents:

- premium of 117.33 % and 118.19% over the volume weighted average market price of the Equity Shares on the NSE and the BSE, respectively, during the 3 (three) months preceding February 02, 2023, being the date of intimation to the Stock Exchanges regarding the Board Meeting Date ("Intimation Date")

d. Maximum amount required for Buyback, its percentage of the total paid-up capital and free reserves and sources of funds from which Buyback would be financed

(i) The maximum amount required for Buyback will not exceed INR 200,00,00,000/- (Indian Rupees Two Hundr ed crores only) excluding any expenses incurred or to be incurred for the buyback viz. brokerage costs, fees, turnover charges, taxes such as tax on buyback, securities transaction tax and goods and services tax (if any), stamp duty, printing and dispatch expenses, if any, filing fees to SEBI and any other regulatory and/or statutory authorities, stock exchange charges, advisor/legal fees, public announcement publication expenses and other incidental and related expenses and charges. The said amount works out to 24.76% and 24.69% of the aggregate fully paid up share capital and free reserves as per the audited standalone financial statements and consolidated financial statements of the Company as on March 31, 2022, respectively, which is within the prescribed limit of 25%.

(ii) Sources of funds:

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company (retained earnings) and/or such other source as may be permitted by the Buyback Regulations or the Act.

The Company shall transfer from its free reserves, a sum equal to the nominal value of the Equity shares so bought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited financial statements.

The funds borrowed, if any, from banks and financial institutions will not be used for the purpose of the Buyback.

e. Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis, through the tender offer route, as prescribed under the Buyback Regulations, to the extent permissible, and the "Mechanism for acquisition of shares through Stock Exchanges" notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 read with the SEBI Circular CFD/DCR2/CIR/ P/2016/131 dated December 9, 2016 and the SEBI Circular SEBI/HO/CFD/DCR-III/CIR/P/2021/615 dated August 13, 2021, including any amendments or statutory modifications for the time being in force ("SEBI Circulars"). The Buyback will be implemented in accordance with the Act read with the rules framed thereunder, to the extent applicable, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a Record Date for determining the names of the Members holding Equity Shares of the Company who will be eligible to participate in the Buyback ("Eligible Shareholder(s)"). Consequent to the approval of the special resolution under this Notice and subject to SEBI's comments on the draft letter of offer, Eligible Shareholders will receive a letter of offer along with a tender/offer form indicating their entitlement.

The Equity Shares to be bought back is divided in two categories:

- i. Reserved category for small shareholders; and
- ii. General category for all other shareholders.

As defined in Regulation 2(i)(n) of the Buyback Regulations, a "**small shareholder**" is a shareholder who holds Equity Shares having market value, based on closing price of shares on Stock Exchanges having highest trading volume as on the Record Date, of not more than INR 2,00,000/- (Indian Rupees two lakh only).

In accordance with Regulation 6 of the Buyback Regulations, 15% (Fifteen percent) of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs.

In accordance with Regulation 9(ix) of the Buyback Regulations, to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In the case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In the case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in the case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical.

Shareholders' participation in Buyback will be voluntary. Eligible Shareholder(s) holding Equity Shares can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholder(s) holding Equity Shares may also accept a part of their entitlement. Eligible Shareholder(s) holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.

The Equity Shares tendered as per the entitlement by Eligible Shareholder(s) holding Equity Shares as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circulars.

Income arising to the shareholders under the Buyback is exempt from income tax in India. However, the participation in the Buyback by non-resident shareholders may be taxable in their country of residence according to tax laws of their respective countries. The Buyback transaction would also be chargeable to securities transaction tax in India. The shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the letter of offer to be sent to the Eligible Shareholder(s).
