The following slides may contain “forward looking statements” including statements relating to the implementation of strategic initiatives by Mangalore Chemicals & Fertilizers Limited (“MCF”) and future business developments and economic performance.

While these forward looking statements indicate the Company’s assessment with regard to the development of its business, there are a number of risks, uncertainties and other unknown factors that could cause actual developments and results to differ materially from the Company’s expectations.

These factors include, but are not limited to, general market, macro-economic, governmental and regulatory trends, movements in currency exchange and interest rates, competitive pressures, technological developments, changes in the financial conditions of third parties dealing with the Company, legislative developments, and other key factors that could affect the Company’s business and financial performance.

The Company undertakes no obligation to periodically revise any forward looking statements to reflect future/likely events or circumstances.
