Aurionpro announces order win from a large public sector bank in India

One of the largest public sector banks in India has selected Aurionpro for the supply, implementation, maintenance & support of the Integrated Transaction Banking solution. The project is valued at close to INR 18 Crores and will be implemented within this year followed by the maintenance & support for a five-year period.

Ms. Poonam Puthran, SVP-Delivery, Transaction Banking while announcing the win said that *"we are delighted to announce this win. Aurionpro, through consistent investments and innovation, has built robust products and is a key player in the Transaction Banking space, with clientele covering marquee public & private sector banks in India. This win reinforces the confidence placed by customers in our cutting edge Products and expertise to execute their digital transformation agenda in the Transaction banking space."*
