**To the Board of Directors of
CSB Bank Limited**

1. We have reviewed the accompanying Statement of Unaudited Financial Results of CSB Bank Limited (the 'Bank') for the quarter ended 30 September 2021 and year to date results for the period from 1 April 2021 to 30 September 2021 (the 'Statement'), except for the disclosures relating to "Pillar 3 under Basel III Capital Regulations", and those relating to "Leverage Ratio", "Liquidity Coverage Ratio" under Capital Adequacy and Liquidity Standards issued by the Reserve Bank of India ('RBI') as have been disclosed on the Bank's website and in respect of which a link has been provided in the Statement and have not been reviewed by us. This Statement is the responsibility of the Bank's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Bank personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

3 The above unaudited financial results for the quarter and half year ended September 30, 2021 have been reviewed by the Audit Committee and thereafter approved by the Board of Directors of the Bank in their respective meeting held on October 25, 2021. These results have been subjected to Limited Review by the Statutory Auditors of the Bank, viz. B S R & Co. LLP, Chartered Accountants and Mukund M. Chitale & Co., Chartered Accountants and an unqualified review report has been issued. The previous period's results were reviewed/audited by B S R & Co. LLP, Chartered Accountants.

4 The above Unaudited Financial Results of the Bank have been prepared in accordance with the Banking Regulation Act, 1949, generally accepted accounting principles in India, including Accounting Standards as prescribed under section 133 of the Companies Act, 2013, Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 and the guidelines issued by the Reserve Bank of India (RBI).

5 The Bank has followed the same accounting policies in the preparation of these financial results as followed in the annual financial statements for the year ended March 31, 2021 except policy on NPA recovery and policy related to accounting of the share-linked instruments, issued under the employee stock option scheme of the Bank. Previously, recovery in NPA was first appropriated towards interest and balance, if any, towards principal, except in the case of Suit Filed Accounts, sale to Asset Reconstruction Companies and accounts under One Time Settlement where recovery was appropriated based on the court decree/terms of agreement. From May 01, 2021, bank amended the policy on NPA recovery to appropriate recovery on all NPA first towards principal and balance if any towards interest. Impact of the above change in the financial results for the quarter and half year ended September 30, 2021 is not material.

Reserve Bank of India, vide its clarification dated August 30, 2021 on Guidelines on Compensation of Whole Time Directors / Chief Executive Officers / Material Risk Takers and Control Function Staff, advised all the banks that the fair value of share-linked instruments on the date of grant should be recognised as an expense for all instruments granted after the accounting period ending March 31, 2021. Accordingly, the Bank has changed its accounting policy from the Intrinsic Value Method to the Fair Value Method for all share-linked instruments granted after March 31, 2021. The fair value of the stock-based compensation is estimated on the date of grant using Black-Scholes model and is recognised as compensation expense over the vesting period. The Bank granted 2,90,000 stock options since April 1, 2021 under its Employee Stock Option Scheme, 2019 and as a result, provision for 'Employees cost' (included in item no.5 (i) in the Financial Results) for the period ended September 30, 2021 is higher by ₹0.83 Lakhs with a consequent reduction in profit before tax by the said amount.

6 The working results have been arrived at after considering the provision for standard assets including requirements for exposures to entities with Unhedged Foreign Currency Exposures, Non Performing Assets, depreciation on investments, income tax and other usual and necessary provisions.

7 Other income includes fees earned from providing services to customers, commission from non-fund-based banking activities, earnings from foreign exchange transactions, selling of third-party products, profit on sale of investments (net), etc.

8 The Capital Adequacy Ratio is computed on the basis of RBI guidelines applicable on the relevant reporting dates and the ratio for the corresponding previous period is not adjusted to consider the impact of subsequent changes if any, in the guidelines.

9 During the quarter and half year ended September 30, 2021, the Bank has not issued equity shares under the Employee Stock Option Scheme.

10 COVID-19 pandemic continues to spread across the globe and India, which has contributed to a significant volatility in global and Indian Financial markets. The Government of India had announced a series of lock-down measures in March 2020 which was subsequently lifted but regional lockdowns continue to be implemented in areas with significant number of COVID-19 cases. The contingency of COVID -19 pandemic continued to prevail in the quarter ended September 30, 2021. The extent to which the COVID-19 pandemic will impact the Bank's results will depend on future developments which are highly uncertain/ including among other things, any new information concerning the severity of the COVID-19 pandemic and action to contain its spread or mitigate its impact whether government mandated or elected by the Bank. The Bank's capital and liquidity position is strong and would continue to be the focus area for the Bank during this period.

As on June 30, 2021, Bank was maintaining provision against the likely impact of COVID-19 amounting to ₹10,592.00 Lakhs which was in excess of RBI mandated provision. During the current quarter, the Bank has not made any additional provision (Quarter ended June 30, 2021, ₹380.00 Lakhs), against the further likely impact of COVID-19 pandemic in respect of exposure of the Bank based on the assessment of presently available information. The aggregate provision against the likely impact of COVID-19, including the RBI mandated provision, as on September 30, 2021 stands at ₹10,592.00 Lakhs and is grouped under Other Liabilities and Provisions in the Balance Sheet of the Bank.
