High on Our Expectations!

"The new budget gives immense hope of revitalising our ailing economy stricken by the gloom and doom situation created by the pandemic. The Budget 2021-22 has opened up new investment avenues for different sectors and is focussed on creating more jobs in the market whilst creating several infrastructure projects", says **Ashok Singh Jaunapuria**, Managing Director & Chief Executive Officer, SS Group.

How will the Real Estate sector shape up in 2021 post this budget?

From yesterday's budget speech, it is heartening to see that the government considers Real Estate sector as an integral part of the Indian economy. In the pre-COVID-19 days, the Real Estate sector was already going through a rough patch, with dwindling consumption, lacklustre investment appetite and the slowdown in the market. Back then, the commercial office segment flourished and remained the top-ranking real estate asset class, whilst residential sector continued to struggle under the funding crunch and slow annual sales growth.
