## **Pune Land parcel**

---

This parcel is of 524 acres and it is located on Alandi road, Dighi, Pune and falls under four Villages:

- a.Dighi
- b.Kalas
- c.Bopkhel
- d.Bhosari

The land parcel is sharing boundary with Tata communication Limited, STT Global data centres India Pvt Ltd,

The land parcel is in defined shape and also it includes two buildings Namely Opal A2 and Renaissance who were built before the Disinvestment of VSNL and vacant open.

The land is properly fenced and demarcated. As on date there are no encroachment on this land parcel. We have deployed TCL security on this land parcel to prevent encroachment. There are some litigation pertaining to this land which are still going on.

It has excellent visibility from twenty-four-meter-wide Pune-Alandi road and can be easily reachable from Pune International Airport and Pune Railway Station by BRT buses and local commutes.

The estimated value of this land is INR 22,63,99,74,800/- or Indian Rupees Two Thousand Two Hundred Sixty-Three Crore Ninety-Nine Lakh Seventy-Four Thousand and Eight Hundred Only.

As per the Draft Development Plan of Pimpri-Chinchwad Municipal Corporation (PCMC), Pune land Parcel is designated for transmission site under PSP use (Public and Semi Public) and primarily allotted for construction of Radio Transmitting Station. The Company's Management has explored the possibility of constructions of Data centres, Commercial office spaces, IT Parks and residential zone as the end product. Pune land parcel is located in a predominantly nearby Defence land and some residential area too and also it is nearby Bhosari MIDC industrial area, it was analysed that the Site could be developed as data centres hub and mixed use residential development plan keeping the existing development and market demand.

### **Greater Kailash Land Parcel:**

The land parcel measures 69.46 acres and is situated near the outer ring road, New Delhi. It is a vacant parcel with good connectivity, just 20 kilometres from the airport.

The site is one of the most expensive land parcels owned by the company and is designated as Public & Semi Public in the Masterplan of Delhi 2021.

Fencing has been done to demarcate the land, and a digital survey of the site has already been done. The mutation work, of the land parcel is under process.

The following Pictures are attached of the HPIL land parcel:

### **Padianallur, Chennai**

The land is admeasuring to 53.04 acres and it is located at Padianallur, Chennai, Tamil Nadu.

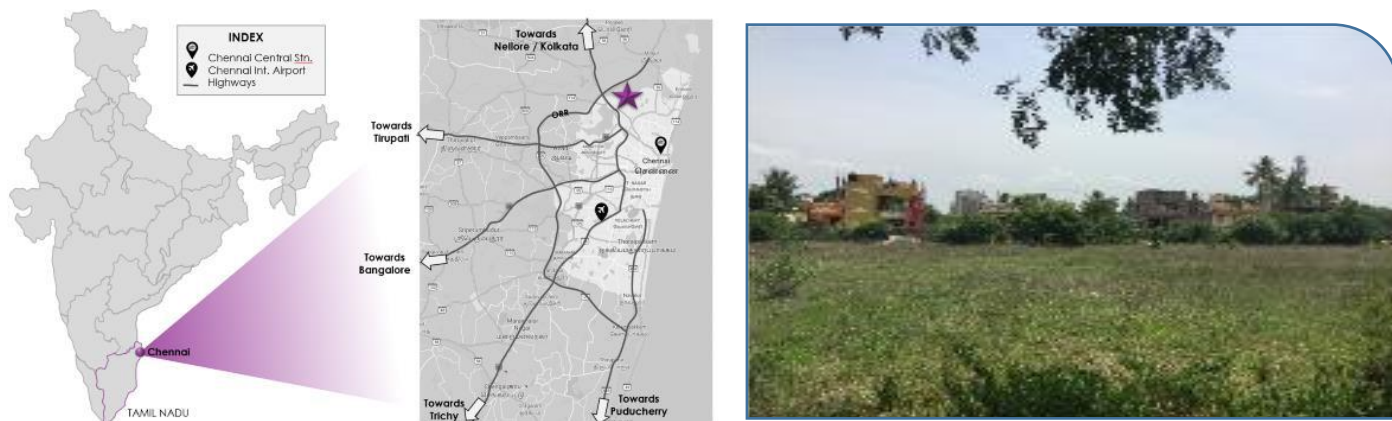

The Site is located in northern part of the city. It is primarily accessible via 26 m wide Kolkata-Chennai National Highway that further connects to Chennai Outer Ring Road and nearest railway station is Korattur which is approx.14.5 km away and nearest metro station is Thirumangalam metro station which is located at a distance of approx. 16.5 km. The prominent areas around the site are Red hills, Puzhal, Ambattur, Madhavaram, Perungavur, Gandhi Nagar, Sholavaram, Pothur and Kesarwadi etc. The Site region enjoys good connectivity with other parts of the city via well laid road and metro network.

The land parcel is an undeveloped land falling under Mixed Residential zoning as per the Master Plan of CMA -2026.

The land parcel is moderately populated with trees and plant. The site locality is easily reachable by road. The locality is predominately a residential zone with majorly with limited clustered commercial and mixed used activities.

The land is properly demarcated with approximately 7 feet high boundary wall. As on date there are no encroachment on this land parcel. We have deployed security on this land parcel to prevent encroachment.

The estimated valuation of the land is INR 4,17,16,34,406 /- (Indian Rupees Four Hundred and Seventeen Crore Sixteen Lakh Thirty-Four Thousand Four Hundred and Six Only).Based on market assessment, the site could be used for Residential Group Housing Project with Affordable development grade & Data centre with multiple incentives, is another typology recommended.

**Padianullar, Chennai site view**

### **Halisahar, Kolkata**

The land measuring 35.19 acre, located at Halisahar, North 24 Parganas, West Bengal.

The Site is located very near to Bagmore which is situated at northern part of Halisahar. The land parcel is positioned in such a way that it has access of 8 – meter from Bizpur Workshop Road and connected to Kabuguru Ravindra path via narrow local road from northern side. The Site locality is predominantly consisting of residential zone, small scale timber industries, dilapidated jute mills with limited clustered commercial and mixed used activities. The Site is easily reachable by roads and has excellent connectivity via bus, train and other tertiary transportation services.

There are several water bodies present within the site. The land is free from Encroachment and proper security is deployed. There is no ongoing litigation on this land.

The land parcel falls under Commercial, water body and bank of water body land use categories.

The estimated value of the land at the Halisahar is INR 90,25,17,059/- (Ninety Crore Twenty-Five Lakh Seventeen Thousand and Fifty-Nine Only)

Considering the upward trend for independent houses. The land Parcel is feasible to develop gated residential plots where target segment will be resident of Halisahar & Kalyani and mid segment buyers from Kolkata. The land is free from encroachment and proper security is deployed.

## Chattarpur

The HPIL land parcel measuring 58 acres situated near the C-DOT and TCL on mandi road, Chattarpur, New Delhi.

The site is around 1 km from Chattarpur metro station and 600m away from MG road which provide excellent connectivity to all the prominent location to NCR, primarily to central Delhi, south Delhi and Gurgaon. The IGI airport is about 15km from the site.

The neighbourhood of land parcel comprises of buildings of low-rise format and farmhouses.

The land is under Public & Semi Public use in the Masterplan of Delhi 2021.

The land is completely secure from encroachment by means of boundary wall from three side at its periphery. Land partition between TCL and HPIL is done by fixing poles at every 10m in fourth side.

The Mutation of site is in name HPIL & Property tax document and UPIC ID of land is also on the name of HPIL.

## **Management Discussion and Analysis Report**

### **1. Economy & Industry Outlook**

#### **i. Global Economy**

The world is becoming normal after 2 year of COVID outbreak, the global economy is gaining momentum but yet uncertain due to rising inflation, aggressive monetary policy by the Central bank. Global real GDP is forecasted to grow by 2.7 percent in 2023, down from 3.3 percent in 2022. We expect further slowing to 2.4 percent in 2024. Economic growth is moderating under the weight of still high inflation and monetary policy tightening. Rather than a global recession, we expect a relatively subdued economic outlook. Growth is generally strongest in emerging Asian economies, and weakest in Europe and the US. Rapid monetary policy tightening over the last year or so led to weakening in global housing, bank lending, and the industrial sector. However, this weakness has been more than offset by strength in other sectors, most notably service-sector activities, which is visible in labor markets. Strong consumer spending and the fading impact of shocks of recent years have been difficult to assess, leading to ongoing forecast revisions. Nonetheless, recent data point to moderation of these positive trends, leading to slower global growth in the second half of 2023 and early 2024.

The rise in central bank rates to fight inflation and Russia's war in Ukraine continue to weigh on economic activity. The estimates of International Monetary Fund (IMF), the global growth should bottom out at 2.8 percent this year and expected to rise to 3 percent in 2024. Further, slowdown is concentrated in advanced economies especially United Kingdom and the Euro area, whereas Emerging and Developing countries are already showing signs of recovery and are expected to grow faster.

#### **ii. Indian Economy**

During 2022-23, India was one of the fastest growing economies amidst a slowing global economy. Inflationary trends, both globally and in India, caused central banks to raise policy rates which had some impact on businesses during the period. The Indian economy's growth slowed to 7.2% in the financial year 2022-23, as compared to a 9.1% rise in the previous fiscal year, official data. The gross domestic product (GDP) grew 6.1% in the fourth quarter of 2022-23 and that led to a rise in the annual GDP growth rate, data showed

Rising borrowing costs and slower income growth are weighing on private consumption growth, and government consumption is projected to grow at a slower pace due to the withdrawal of pandemic-related fiscal support measures. Despite this, India will remain one of the fastest growing economies in a challenging global environment.

After two years affected by COVID, Tier 2 and Tier 3 cities have arisen as fresh major real estate trends in 2022, and the real estate market has set unprecedented benchmarks which continued its growth momentum from 2021 amid the global slowdown. The real estate market in India had impressive progress in 2022, setting new sales records of 68% YoY (approx.), further demonstrating the industry's prominence as one of India's fastest-growing industries. Further, the rising star, the co-working industry, has successfully adapted to changing work requirements and will continue to service the needs of young growing India. The co-working sector in India is expected to cross 50 million sqft by the end of the year 2023 which would be a YOY 15% increase. Managed Office spaces shall continue growing at 10% in 2023. According to a recent JLL report, the net absorption of office space in 2022 across the top seven cities (Mumbai, Delhi-NCR, Bengaluru, Hyderabad, Chennai, Kolkata and Pune) has been 38.25 million sqft.)

In FY 2022-23, the real estate sector has welcomed the Reserve Bank of India's (RBI's) decision to keep the key policy rate unchanged. The home loan rates have been hovering around 9%, following the central bank's six consecutive rate hikes totalling 250 basis points since May last year. The RBI MPC (Monetary Policy Committee) decision to keep a pause on rate hike is positive for the housing market as it reduces the uncertainty and volatility associated with interest rate fluctuations. The home loan interest rates have gone up from 6.5% to around 8.75% with a series of rate hikes in the past and the move to pause will give a temporary reprieve and support the existing growth momentum in the real estate sector. Loans which form about 70% of asset book of banks in India are largely floating in nature. Also, the base interest rates in India are higher than global peers, making the sensitivity of investments to mark-to-market losses relatively lower. The union budget presented this year was very supportive of the long-term growth of the real estate sector in India through its focus on urban infrastructure and the digital economy.

The demand and supply dynamics would evolve and change. On the brighter side, the real estate sector has been quick to respond to changes and adapt to new technologies; this is apparent that due to digitalization there is and will be major shift in investment preferences that will continue to outlive the pandemic.

### **iii. Real Estate Trend in India**

The Real estate market is resilient which is evident in the past years, the residential segment witnessed strong performance, commercial office sector continues to remain sluggish with demand not yet reaching the pre-pandemic levels. Real estate is expected to act as an investment vehicle, and assets will thus be created for investment and money-making. Traditionally touted as an investment, both buying a home for personal use and securing one solely for investment are two different asset classes in the real estate industry. As the industry matures, certain assets like commercial real estate, which drives income for investors, have taken over residential real estate as the primary destination for investors. In contrast, the latter

is now being reserved for private use only. India Ratings and Research (Ind-Ra) predicts that India's housing market will continue to grow in the current financial year 2023-24, with sales expected to increase by 9 per cent compared to the previous year. The growth is supported by a steady and healthy demand, although factors such as a potential global recession and inflation may slightly dampen the demand soon. However, the market is expected to withstand any pressure due to supply consolidation and improved affordability compared to historical standards.

The demand growth in the housing market will be uneven, with top-tier players likely to see sales growth of about 15 per cent-18 per cent in 2023-24 and enjoy better liquidity than lower-tier players. Homebuyers are becoming more cautious of under-construction projects, leading to a formalisation of the sector, with top-tier and strong local players gaining market share and customer preference.

According to data from LiasesForas, residential sales in the top eight cities in India, including Mumbai, Bengaluru, Chennai, Hyderabad, NCR, Pune, Ahmedabad, and Kolkata, increased by 18 per cent in 2022-23, reaching 392 million square feet. This growth was driven by consistent and healthy demand, as well as renewed interest and improved perceptions from homebuyers following the pandemic.

### Residential Real Estate

- India's residential property market witnessed a record-breaking year in FY23, with the value of home sales reaching an all-time high of ₹3.47 lakh crore, marking a robust 48% year-on-year increase, Anarock Property Consultants. Year 2023 was a milestone year for the Indian Real estate sector with all-time high sales. The sector showed healthy growth on the back of a high base achieved in fiscal 2022.
- The demand pick-up seen in the second half of fiscal 2021 has continued into fiscal 2023 and is expected to continue in fiscal 2024. Preference for larger sized apartments, inclination towards reputed developers and a rising demand for townships projects are just some of the emerging trends.
- As per Knight & Frank Report, Development activity has risen in tandem with the improved demand despite the increasing costs of input material and labour across markets. As many as 160,806 units were launched during H1 2021, a 56% increase YoY. Even in sequential terms, launch volumes were a substantial 25% higher than the relatively unaffected H2 2021 period.
- Demand momentum was strong across markets in YoY terms in H1 2022 and Kolkata was the only market which saw sales volumes drop in sequential terms. With the second largest share of sales, NCR was the biggest mover among all the markets with sales volumes vaulting by 154% YoY during the period. Mumbai accounted for 28% of the total sales, highest among all markets. Among other large markets, Bengaluru had a similar strong showing with sales growing 80% YoY in H1 2022 to 26,667 units. Increased hiring and steady income growth in the Information Technology (IT) sector dominated markets such as Bengaluru, also buoyed homebuyer demand.
- Consistent with the upward trend seen in the past three periods, the share of sales in the INR 10 mn and above ticket-size grew significantly to 25% in H1 2022 compared to 20% a year ago. This can be attributed to the homebuyers' need to upgrade to larger living spaces with better amenities, and to the fact

that pandemic-induced income disruptions did not impact higher income categories as they did for the others.

- The growth in sales volumes during H1 2022 is more significant considering that it has occurred along with very encouraging price growth across all markets. Prices have grown in YoY terms across all markets for the first time since H2 2015. Prices increased in the range of 3- 9% YoY across markets with prices in the larger markets of Mumbai, NCR and Bengaluru moving at the top of this growth band at 6%, 7% and 9% YoY respectively. Albeit, increasing instances of developers offering greater value adds such as better finished/furnished apartments were also observed especially towards the end of H1 2022.
- Bengaluru, Mumbai & Delhi NCR contributed more than 60% of sales in 2022. Bengaluru and Mumbai jointly led the annual sales in 2022 as they clocked more than 46,000 units (22% share each) followed by Delhi NCR at 38,000 units (18% share). It is interesting to note that Kolkata, along with the two bigger markets of Mumbai, and Bengaluru witnessed the highest yearly growth in sales. In the second half of the year (H2 2022), sales accounted for 51% share of the overall sales in 2022. The high sales volumes in H2 2022 show that sales were still robust despite the recent challenges underlining the strength of the residential market in India and the increasing importance of home ownership post-pandemic.

Further, Despite the steep rise in the mortgage rates, demand trends exhibited sustained momentum as they were well supported by multiple factors including Improving affordability, Desire to own homes, Aspirational lifestyle and need to upgrade to larger homes with better amenities, Rising urbanisation, Limited supply of quality products, Increasing consolidation in favour of larger & credible developers etc.

### Commercial market Segment

- According to research reports, office leasing activity exhibited nearly equal demand levels as compared to the pre-pandemic period. As per Savills research, the gross absorption for CY 2022 was recorded at ~5.09 million square meters (msm) [~54.8 million square feet (msf)] reflecting a Y-o-Y growth of 48.5% while the new supply added during the same period was ~4.96 msm (~53.4 msf), a Y-o-Y change of 45%. One notable trend observed in this segment was the lower than anticipated growth in the second half owing to global economic uncertainties. Year 2022 was a volatile year for the Indian Commercial market which was dented by fears of global economic slowdown. These global headwinds not just weighed down growth projections for the Indian economy, it also weighed on some leasing transactions. Nevertheless, the Corporate space market concluded with a significant 36% YoY growth in transaction
- India holds potential for huge growth in data centres, driven by policy initiatives, widening customer base and expanding corporate requirements for data storage. The 'Digital India' campaign by the government, has also given a fillip to this segment. There is synergy between rising demand for data centres and demand for commercial real estate.
- According to a report by Cushman and Wakefield, the amount of data stored in India is expected to skyrocket from 40,000 petabytes in 2010 to 2.3 million

petabytes in 2020. This has led to a flurry of investment across the nation. The demand for hyper-scale data centres is on the rise, as a result of the government's push, in terms of the national E-commerce Policy and proposed policy on DC parks

### Retail Segment

- The retail segment outperformed with sustained growth momentum continuing across the country. As per CBRE research, the retail segment recorded a 21% Y-o-Y growth in leasing activity with ~0.44 msm (~4.7 msf) of absorption in the calendar year.
- Industry research expects a robust demand and supply for organized malls in the coming years with an expected supply of ~0.93 msm (~10 msf) in the next year.
- Market growth approaches have undisputedly indicated Grade-A office properties yielding some of the highest returns across the commercial real estate segment. The stereotypical processing of this fact was best exemplified by an impressive rise in the demand for office space, which witnessed an unprecedented 50% growth in 2022. . Commercial real estate funds are making their presence felt in the market as the idea of earning passive income from safe real estate investment has found a lot of excitement among small-time investors. The coming year may bring a lot more options for such investors who do not have portfolios in crores.

### Government Initiates

#### i. Budget 2023

The real estate sector had several expectations from the Union Budget 2023 given that the past year had witnessed a significant recovery from the pandemic period and expectation was that long standing demands from a tax perspective would be addressed in the Budget so as to sustain the recovery in the sector. The Budget 2023 has highlighted several measures that will impact real estate development in India. Experts have given mixed opinions on the budget's impact, but the favorable measures announced have drawn attention to India's real estate services industry. The followings are the key takeaways from the budget and their impact on real estate:

- Economic Boosters

The budget has announced Rs. 5.54 lakh crore allocation for the infrastructure sector, which is expected to support economic growth and create more business opportunities. These measures are expected to witness real estate growth in India, as it relies heavily on economic growth.

- Emphasis on Urban Planning

The budget has emphasized urban planning in Tier 2 and Tier 3 cities, boosting real estate development in these areas. The government's focus on developing these cities will lead to better infrastructure, attracting more investments in the real estate sector.

The government has allocated funds for the development of smart cities, affordable housing schemes, and infrastructural development in these

regions. Moreover, the government has increased the allocation for the PMAY-U scheme by almost 66% to Rs 79,000 crores in the Union Budget 2023.

- **Emphasis on Affordable Housing**

The Pradhan Mantri Awas Yojana (PMAY) has been extended, and additional funding has been allocated. This affordable housing scheme will provide reasonable housing to millions of Indians. PMAY houses are a crucial aspect of this scheme, and the government has made efforts to ensure the completion of the remaining 1.5 crores of PMAY houses

- **Infrastructural Development**

The Budget 2023 has allocated additional funds for infrastructure development in India, which is expected to boost the real estate industry. Better roads, airports, and railways will improve connectivity and attract investment in the Indian real estate sector

## **OUTLOOK AND STRATEGY**

In 2002, the Government of India conducted a disinvestment exercise in respect of 25% of its shareholding in the equity share capital of VSNL (currently known as Tata Communications Limited), wherein in terms of the bid for the disinvestment required a separate value to be ascribed to lands to be retained with VSNL and to exclude the value of certain Land parcels, held by VSNL. Panatone was the successful bidder in the disinvestment process and subsequently, entered into the VSNL SPA and the VSNL SHA. In terms of the disinvestment bid, the VSNL SHA and VSNL SPA, the Land parcels identified were required to be hived off or demerged into a separate entity.

As a result, Hemisphere Properties India Limited was incorporated in 2005 as a real estate company. During FY 2012-13, Government of India acquired 51.12% equity stake in HPIL after the decision of Cabinet. Earlier, the Company was in administration of Department of Telecommunications and further after the Cabinet decision dated April 06<sup>th</sup>, 2018 the administration of HPIL was transferred from Department of Telecommunication to Ministry of Housing & Urban Affairs. The Mumbai Bench of National Company Law Tribunal and Ministry of Corporate Affairs approved Scheme of Arrangement & Reconstruction between Tata Communications Limited & Hemisphere Properties India Limited on 12.07.2018 and 05.08.2018 respectively.

The Land located in 4 major cities i.e. Delhi, Pune, Chennai and Kolkata were transferred under the Scheme. The Promoter of the company i.e. President of India holds 51.12% shares.

In terms of the Scheme of Arrangement, following transferred:

1. All rights, title and interest in the Land parcels were transferred to our Company;

2. All assets and liabilities pertaining to the Land parcels were transferred to our Company at their book value;
3. All debts, liabilities, taxes, duties and obligations pertaining to the Land parcels were transferred to our Company, except for any property taxes arising prior to the effective date, which would continue to be the liability of TCL;

The main objects of our Company are as follows:

- i. To construct, acquire, hold, manage, develop, administer, protect, reserve and to deal in any other manner with properties, including sale and purchase thereof, whether such properties are in the nature of land or building (semi-constructed or fully constructed) or partially land and partially buildings, any where in India and if permitted by applicable legislations, outside India as well.
- ii. To collect and settle revenue, rental, lease charges and such other charges as may be payable by any entity against legitimate use of such properties by persons, companies, agencies and administrations for the services provided and to utilise the same for furtherance of activities of the Company.
- iii. To carry out business of developing, holding, owing, leading or licensing real estate, consultancy in real estate and property of all kinds and for this purpose acquiring by purchase or through lease, license, barter, exchange, hire purchase or otherwise, land or other immovable property of any description or tenure or interest in immovable property.
- iv. To carry out the business of building construction and development of commercial building, industrial shed, offices, houses, buildings, apartment, structures, hotels or other allied works of every description on any land acquired howsoever by the company, whether on ownership basis or as a lessee or licensee and to deal with such construction or developed or built premises by letting out, hiring or selling the same by way of outright sale, lease, license, usufructuary mortgage or other disposal of whole or part of such construction or development or built premises.

### **Business Development**

The Company has taken over the possession of land parcel and appointed CPWD for land maintenance & security for preventing any kind of encroachments. The Company has registered its name for Pune, Chattarpur & registration charges are paid for Chennai & Kolkata. The applications are pending before the Competent Authorities.

HPIL has conducted the due diligence for all the land parcel in FY 2021-22 and it was decided to move forward with Chattarpur land parcel. The demand discovery through expression of Interest was conducted for ascertaining demand of Farmhouses. The Company has obtained sufficient response to go ahead. Application for change in land use was filed with the Competent Authority and same is pending.

The Management with the concurrence of Ministry of Housing and Urban Affairs will evaluate each land parcel and examine all available options available for further development of the Land. We will consider the proposals for growth in order to generate maximum revenue.

The Company received in-principle approval from Ministry of Finance for ₹ 751.00 crores for the payment towards stamp duty to give effect transfer of Title in the name of our Company and meet the need of other working capital requirements in due course of business. The Company till date has received ₹180 crore in form of equity and loan, the remaining money shall be received in tranches or in lumpsum as per the decision of Ministry of Finance.

Further, the Company has initiated the process of engagement of Transaction advisor for Pune land parcel. The Company during financial year 2022-23 generated revenue from rental income of Rs 200.20 lakhs from Pune land parcel.

### **SEGMENT-WISE PERFORMANCE**

The Company does not have any other segment.

### **DEVELOPMENT OPPORTUNITIES**

#### **Opportunities**

Over the past few years, the government has supported in the development of India and promoted business opportunities within the country, including various policies made and initiatives, such as relaxation in Foreign Direct Investments (FDI) limits, improving ease of doing business, Housing for All, Make in India, Smart City and Start-up India. The major opportunities for our land parcel are:

1. Housing Demand
2. Sector Consolidation
3. Demand of vacant land in metro cities
4. Minimum Litigation
5. Direct Administration of MoHUA

The Company is under the administrative control of MoHUA and board of directors has been appointed by MoHUA, who are excelled in handling the work related to estate and property. The Company will thrive on formulation of plans which are in pipe line.

Following are the sectors which are high in Demand:

#### **Retail Space**

- ii. Organized retail sector is growing by 25-30% annually.
- iii. The retail segment is expected to remain steady in the medium to long term backed by strong supply pipeline and growth in absorption rate.

### Housing Space

- i. GOI aiming “Housing for All by 2022”- robust housing demand and has increased its focus on PradhanMantriAwaasYojana, especially in rural areas
- ii. Rise in transition of kuccha housing to pucca housing in rural areas.
- iii. Public-Private Partnership policy contributing to address the rise in housing shortage in cities at affordable rates.
- iv. Growth in population and rapid urbanization.
- v. Rise in disposable income.
- vi. Easy availability of finance.
- vii. Developers are focusing more on affordable and mid range categories to meet the huge demand.

### Hospitality Space

- i. Indian and International hotel chains are expanding. Expansion is expected to boost the sector.
- ii. Service apartments along with hotel rooms, business parks and even retail arcade are rising under make in India programme.
- iii. Tax incentives for hotels and higher Floor Space Index (FSI) are helping in the growth of the hospitality space.
- iv. Government’s efforts to promote tourism especially in Tier2 and Tier3 cities are generating a strong demand for hotels, especially budget hotels.

### Commercial Space

- i. India’s commercial space is one of the most well-organized markets in the Asia- Pacific region, with the introduction of Real Estate Investment Trust (REITs) structure it will become more efficient.
- ii. Few large players with pan India presence dominate the market.
- iii. Change in operating model – shift from sales to lease and maintenance
- iv. Rapid growth in service sector driving demand.
- v. Increase in demand for commercial space due to robust business growth and optimism in Indian economy, especially in tier-II cities.
- vi. It is the most preferred asset classes in real estate by the investors over the last few years and has attracted about 80% of the total investment made in the sector.

### Digital Real Estate Space

Digital marketing has emerged as an important tool for real estate developers for their sales and customer outreach. Post-pandemic, the marketing activities are not just limited to tap new customers or brand recognition, but establishing a personal touch through digital means.

With the tech-enabled tools to close real estate purchases online, developers have been able to record healthy sales even during the lockdown. Digital collaboration tools can be leveraged by the developers to interact with potential customers,

showcase project brochures, facilitate virtual site tours, and focus on NRIs to propel the sales. Going ahead, it will be imperative for the developers to adapt to a tech-savvy future and the proportion of real estate business generated online is expected to only rise further.

## **RISKS AND CONCERNS**

The Company is exposed to a number of risks such as economic, regulatory, taxation and environmental risks as well as sectorial investment outlook.

Some risks that may arise in the normal course of business and could impact their ability to address future developments, comprise credit risk, liquidity risk, counterparty risk, regulatory risk, commodity inflation risk and market risk. The Company's strategy of focusing on key products and geographical segments is exposed to economic and market conditions.

The Company continues to implement robust risk management policies that set-out the tolerance for risk management and the requisite mitigation, plans. The major risk and concerns are as under:

### **i. Statutory Approval**

#### **Registration of Titles in Name Of Company**

The land is demerged into HPIL through order of Demerger and in land records maintained by various Revenue Authorities, the Land parcels continue to be registered in the name of the erstwhile VSNL or its successor entity, TCL, including in the registers of various registrars, sub-registrars and other land records at the respective locations.

The Scheme of Arrangement has directed the transfer of all Land parcels recorded in the Scheme of Arrangement to our Company, including all title to such Land parcels, we may be required to undertake additional compliances in order to transfer the Land parcels to the name of our Company and to perfect our title to the Land parcels.

#### **Approval from Changing the Land Use**

The real estate sector in India is heavily regulated by the central, state and local governments. Real estate developers are required to comply with a number of laws and regulations, including policies and procedures established and implemented by local authorities in relation to land acquisition, transfer of property, registration and use of land. These laws often vary from state to state. Several of your Company's projects are in preliminary stages of planning and any delay in obtaining approvals could warrant revised scheduling of project timelines

#### **Exposure due to on-going Litigations**

The land parcel of HPIL are subjected to certain disputes with regard to title and other claims. If any of these claims are determined adversely against our Company or our interests, we may be required to relinquish claims to all or part of the Land parcels or may be required to pay compensation to such claimants. Any such

adverse determination would impact our ability to develop or transfer the Land and any amounts to be paid out may require additional infusion of funds from our Promoter or from other sources, which may not be available to us on commercially viable terms or at all.

We may not be able to assess or identify all the risks and liabilities associated with such land, such as faulty or disputed title, unregistered encumbrances or adverse possession rights. In addition, title insurance is not available in India to guarantee title or development rights in respect of land. The absence of title insurance, together with the challenges involved in verifying title to land, may increase our exposure to third party claims to such land. As a result, the uncertainty of title to land makes acquisition and real estate development projects more complex and may impede the transfer of title, expose us to legal disputes and adversely affect the valuation of the land involved. In addition, we may also face the risk of illegal encroachments on the land parcels owned by us. We may be required to incur additional costs and face delays in our project development schedule in order to clear such encroachments. Disputes relating to land title can take several years and considerable expense to resolve if they become the subject of legal proceedings and their outcome can be uncertain. If we, are unable to resolve such disputes, the title to and/ or interest in, such land may be affected. An inability to obtain good title to any plot of land may adversely affect the development of a project for which such plot of land is critical and this may result in the write-off of expenses incurred in relation to such development. As a result, our business, financial condition and results of operations could be materially and adversely affected.

Further, in the event of any loss of contiguity of the land parcels constituting the Land on account of any adverse determination, we may not be able to maximise the value of the Land, or seek any premium that may be available for a single large parcel of land as compared to multiple smaller parcels. Failure to retain or acquire and provide such parcels of land may cause a delay or force us to abandon or modify our development of Land parcels. Additionally, we may be asked to pay premium amounts for acquiring certain large parcels of land. If we experience delay in or are unable to acquire the remaining undivided rights from other co-owners, we may not be able to develop such land. Accordingly, our inability to acquire or maintain and offer continuous parcels of land may adversely affect our business prospects, financial condition and results of operations.

### **Financial Risk**

There has been a contrasting trend in real estate lending over the past few years wherein reputed, low leveraged developers continued to enjoy easy access to liquidity as lenders remained selective and weaker developers struggled with limited sources of capital. Real estate sector performance is closely linked to economic recovery and its monetary policies. The Reserve Bank of India has so far maintained accommodative stance as it tries to support economic recovery. However, going ahead we expect to see monetary tightening as the central bank tries to control inflation in the country. A nascent economic recovery along with rising interest rates could impact the real estate sector in the near term as cost of housing loans shoots up with rise in the cost of funding for the developers, who are already facing margin pressure due to commodity cost inflation.

### **Market Demand for largest Pune land parcel**

Our largest parcel of Land parcels, aggregating to 524 acres is currently located in the PMR. As a result, our business, financial condition and results of operations will be heavily dependent on the performance of, and the prevailing conditions affecting, the real estate markets in the PMR. The real estate markets in these regions may be affected by various factors outside our control, including prevailing local and economic conditions, changes in the supply and demand for properties comparable to those we develop, changes in the applicable governmental regulations, demographic trends, employment and income levels and interest rates, among other factors. These factors may contribute to fluctuations in real estate prices and the availability of land in the PMR and may adversely affect our business, financial condition and results of operations. These factors can also negatively affect the demand for and valuation of our Land.

### **Collaborator/Partner**

Our ability to identify suitable partners or customers for development of the Land is a vital element of our business and involves certain risks, including appropriate financial resources and creditworthiness. We will be required to carry out independent assessment processes for identification of potential partners or customers for the Land which may include a due diligence exercise to assess the creditworthiness of any potential partner or customer, prior experience in developing such projects, suitability for development, development potential and ability to market. Our assessment processes will be required to be based on information that is available or accessible to us either through publicly available means or our diligence and assessment exercises. There can be no assurance that such information is accurate, complete or updated. Any decision based on inaccurate, incomplete or outdated information may result in certain risks and liabilities, which could adversely affect our business, financial condition and results of operations.

### **Fall in the Prices of Land and Development rights**

The availability of developable land, has been increasing across real estate markets in India and therefore, alternative or cheaper land as compared to the Land in each of the markets where we own Land poses substantial challenges.

In addition, the use and development of land is subject to regulations by various local authorities. For example, if a specific parcel of land has been deemed as agricultural land, no commercial or residential development is permitted without the prior approval of the local authorities. Such restrictions could lead to further limitation of development of the Land parcels.

### **Joint development agreements and similar agreements with third parties.**

We may enter into joint development agreements, joint venture arrangements, development management agreements, and similar arrangements with third parties for the development of some of the Land parcels and we by virtue of such agreements, may cede development rights to a portion or all of the Land parcels.

We may have limited ability to impose conditions on the developing agencies or joint venture partners, including for timely payment of consideration. In the event that we are unable to agree to commercially suitable terms or find joint venture or joint development partners who are unwilling to meet our commercial and other terms, we may be unable to develop or transfer the Land parcels or portions thereof. Moreover, development agreements that we enter into or the leases in respect of leasehold lands may impose certain liabilities and obligations on us or may be subject to fulfilment of certain conditions. For instance, in some cases, we may be required to

obtain the necessary legal and regulatory approvals for the execution of a project. We may enter into joint ventures and other similar arrangements with third parties for the joint development of the Land parcels in the future. The terms of some of these agreements may require us and our partner to take the responsibility for different aspects of the project. For instance, we may be required to incur certain costs related to development of the project while our joint venture partner may be responsible for obtaining the regulatory approvals for the project. In the event that any of the conditions to which we are subject pursuant to the joint development agreements are not satisfied, the land may not be developed in a timely manner or at all.

The success of the development of the Land parcels will be significantly dependent on the satisfactory performance by our joint development and joint venture partners. If these entities fail to perform their obligations satisfactorily, we may be required to make additional investments, become liable or responsible for the obligations of these entities in the project or be subject to litigation by such partners, which could result in reduced profits or, in some cases, significant losses and a diversion of our management's attention and time.

The inability of a joint development or joint venture partner to continue with a project due to financial or legal difficulties could mean that we would bear increased, or possibly sole, responsibility for the development of the relevant project. This may have a material adverse effect on our business, financial condition and results of operations.

We are subject to extensive government regulation and if we fail to obtain, maintain or renew our statutory and regulatory licenses, permits and approvals required to operate our business, our business and results of operations may be adversely affected

### **HUMAN RESOURCE DEVELOPMENT**

Our Company as on date only has Five employees and on boarded few consultants for handling work. However, with we are planning to engage more human resource for smooth functioning of operations.

### **DISCLOSURE OF ACCOUNTING TREATMENT**

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. Our Company has not taken any treatment which is different from the applicable Ind AS. The fact has been disclosed in Standalone Financial statements

### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

HPIL has in place adequate internal financial controls with reference to financial reporting in compliance with the provisions of Section 134(5) (e) of the Companies Act, 2013 and such internal financial controls over financial controls were operating effectively. Internal Financial Controls over

For the financial year 2022-23, the particulars of Related Party Transactions required to be disclosed in Form AOC-2, is attached.

## 9. Disclosures

### i. Disclosures on materially significant related party transactions that may have potential conflict with the interests of Company

The Company has appointed CPWD as Nodal Agency for care and maintenance of Land parcels of Company.

As per Indian Accounting Standards, CPWD is related party to Company as it is under administration of Ministry of Housing & Urban Affairs. Accordingly, the expenditures incurred in land maintenances are exceeding the limit of materiality as mentioned in Regulation 23 of SEBI Listing Regulation. The rationale for this as the Company turnover is lessor than the expenditure incurred in maintenance and security of land parcels. All the transactions are entered in ordinary course of Business and at arm length basis.

None the less, transactions with related parties have been disclosed in Notes to the financial statements 2022-23 in the Annual Report.

**FORM NO. MR-3****SECRETARIAL AUDIT REPORT  
FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2023**

[Pursuant to section 204(1) of the Companies Act, 2013 and  
Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel)  
Rules, 2014]

**To,**

**The Members,  
Hemisphere Properties India Limited (HPIL)  
CIN: L70101DL2005GOI132162  
Room No. 144, C-Wing, Nirman Bhawan,  
Maulana Azad Road, New Delhi,  
Delhi - 110001**

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Hemisphere Properties India Limited (HPIL)** (hereinafter called "the Company"), having its Registered Office at **Room No. 144, C-Wing, Nirman Bhawan, Maulana Azad Road, New Delhi, Delhi - 110001**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the **Hemisphere Properties India Limited (HPIL)** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on, **March 31, 2023**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2023**, according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **(Not applicable to the Company during the audit period)**
- e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not Applicable as the listed entity has not issued any non-convertible securities during the Review Period);**
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not applicable to the Company during the audit period);** and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the audit period);**

(vi) The other laws, as informed and certified by the management of the Company which, are specifically applicable to the Company based on their sector/ industry.

The compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by the statutory auditor(s) and other designated professionals.

**We have also examined compliance with the applicable clauses of the following:**

- i. Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI).
- ii. The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- iii. Guidelines on Corporate Governance for Central Public Sector Enterprises (CPSEs) issued by the Department of Public Enterprises vide their OM No. 18(8)/2005-GM dated 14<sup>th</sup> May, 2010.
- iv. Guidelines on Capital Restructuring of Central Public Sector Enterprises (CPSEs) as stipulated in the O.M.F No. 5/2/2016-Policy dated 27<sup>th</sup> May, 2016 issued by Department of Investment and Public Asset Management (DIPAM), Ministry of Finance, Government of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above subject to the following observations:

- 1. Half of the board of directors of the company was not independent including one women independent director as required under Regulation 17(1) of SEBI (LODR) Regulations, 2015 and para 3.1.4 of DPE Guidelines on Corporate Governance with regard to Composition of the Board of Directors.**
- 2. The company has not taken D&O insurance for the Independent Directors appointed on the Board of the Company as required under Regulation 25(10) of SEBI (LODR) Regulations, 2015.**

**We further report that:**

1. During the period under review, half of the board of directors of the company was not independent including one-woman independent director as required under Regulation 17(1) of SEBI (LODR) Regulations, 2015 and para 3.1.4 of DPE Guidelines on Corporate Governance with regard to Composition of the Board of Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
2. The Company has received notices from BSE and NSE imposing penalties for non-compliance with the requirements pertaining to the Regulation 17(1) of SEBI

(LODR) Regulations, 2015 for the quarters ended June, September, December 2022, and March 2023.

3. The Company has replied to the stock exchanges that, Hemisphere Properties India Limited (HPIL) is a government company in terms of the provisions of Section 2(45) of the Companies Act, 2013. The power to appoint Directors (including Independent Director) on the Board of the company vests with the President of India. Accordingly, all Directors in HPIL are appointed by the Government of India through its Administrative Ministry, i.e., Ministry of Housing & Urban Affairs (MoHUA) and HPIL has no role to play regarding appointment of Directors including Independent Directors/ Woman Director. The Company has, number of times, requested the MoHUA for appointment of requisite number of Independent Directors on the Board of HPIL to ensure compliance. The Company is regularly following up on the matter for an early appointment of the vacant position of the Directors. The matter regarding levying of fine by the Stock Exchanges for non-compliance of composition of Board has been discussed regularly in the Board Meetings and the Board is also of the view that the Company has no role to play for appointment of Independent Directors, it is done by the Administrative Ministry.

4. Further, the company is exploring the possibilities to undertake Directors and Officers insurance ('D and O insurance') for all their independent directors.

Adequate notice(s) was given to all directors to schedule the Board Meetings. Agenda and detailed notes on agenda were generally sent at least seven days, other than those held at shorter notice, in advance to all directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions are taken with requisite majority and the dissenting members' views, if any, are captured and recorded as part of the minutes.

**We further report that** based on the review of the compliance mechanism established by the company and on the basis of Compliance certificate(s) issued by various departments and taken on record by the Board of Directors at their meetings, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

#### **Auditor’s responsibility**

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 (“CSAS”) prescribed by the Institute of Company Secretaries of India (“ICSI”). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on the random test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company and for which we relied on the report of statutory auditor.
4. Wherever required, we have obtained the Management representation about the

- compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on random test basis.
  6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

## Significant Accounting Policies and Notes forming part of Balance Sheet

### 1. Corporate Information

Hemisphere Properties India Limited (the Company) is a public Limited Company incorporated on January 17, 2005 and has become Government Company from March 18, 2014. The incorporation of the company was pursuant to clause 7.10 of SPA executed on February 06, 2002 and 4.7 of SHA executed on February 13, 2002 between Government of India and PanatoneFinvest Limited & other Tata Group of Companies wherein the surplus land identified at the time of disinvestment of Videsh Sanchar Nigam Limited (VSNL) was to be demerged in to the company pursuant to a scheme of amalgamation in terms of the provisions of Sec 391 to 394 of the companies act. On 5 March 2018, the Tata Communications Limited (TCL) filed with the National Company Law Tribunal, Mumbai Bench ('NCLT'), a scheme of arrangement and reconstruction among the TCL and the company and their respective shareholders and creditors for demerger of surplus land ("Scheme"). By order of the NCLT, a meeting of the shareholders of the TCL was held on 10 May 2018, at which the shareholders approved the Scheme. On 12 July 2018, the NCLT approved the Scheme. HPIL, being a 'government company', as defined under Section 2(45) of the Companies Act, 2013, had filed its petition seeking sanction to the Scheme, before the Central Government through the Ministry of Corporate Affairs, New Delhi ("MCA"). The MCA has approved the Scheme through its order dated 5 August 2019 and HPIL has filed the order with the Registrar of Companies, New Delhi. Consequent to the receipt of the approvals of the NCLT and the MCA, to the Scheme, the Board of Directors of the TCL fixed 18 September 2019 as the "Record Date" for the Scheme, for determining the shareholders of the TCL who shall be eligible to receive the equity shares of HPIL. The Board of Directors of HPIL, at its meeting held on 18 February 2020, approved the allotment of HPIL's shares to the shareholders of TCL on the Record Date in the ratio of 1 share of HPIL for every share of the TCL.

### 2. **Basis of Preparation**

#### 2.1 **Statement of Compliance**

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements up to and for the year ended 31 March 2019 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act. From FY 2019-20 onwards, the financial statements are prepared in accordance with Indian Accounting Standards (Ind AS).

## 2.2 Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR) , which is also the Company's functional as well as presentation currency. Unless otherwise specified, all monetary values are in Lakhs of INR

## 2.3 Basis of Measurement

The financial statements have been prepared on the historical cost basis.

## 2.4 Use of Estimates and Judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised prospectively.

## 3. Significant accounting policies

### 3.1 Property, plant and equipment

#### 3.1.1 Recognition and measurement

Items of property, plant and equipment, are measured at cost (which includes capitalised borrowing costs, if any) less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment includes its purchase price, duties, taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials, direct labour and any other costs directly attributable to bringing the item to its intended working condition and estimated costs of dismantling, removing and restoring the site on which it is located, wherever applicable.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

The title deed of the surplus land has not been transferred in the name of Hemisphere Properties India Limited as on March 31, 2023 and the value of land has been shown at the value shown in the books of Tata Communications Limited as per order of demerger passed by Ministry of Corporate Affairs

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

### 3.1.2 Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company

### 3.1.3 Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight line method over the useful lives of assets estimated by the Company based on an internal technical evaluation performed by the management and is recognised in the statement of profit and loss. Assets acquired under finance lease are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Depreciation for assets purchased / sold during the period is proportionately charged.

### 3.1.4 Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of classification.

### 3.1.5 Capital work in progress

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

## 3.2 Income Tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

### 3.2.1 Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured

using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

### 3.2.2 Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

### 3.3 Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

### 3.4 Cash flow statement

Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

### 3.5 Earnings per share

Basic Earnings per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

### 3.6 Provisions and contingent liabilities

#### 3.6.1 General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be

reimbursed, the expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

### 3.6.2 Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

### 3.6.3 Onerous Contracts

Provision for onerous contracts i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

## 3.7 Borrowing Costs

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.

## 3.8 Revenue Recognition

Revenue from sale of goods and sale of scrap is recognised, when the significant risks and rewards of ownership have transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably. Revenue from the sale of goods and sale of scrap is measured at the fair value of the consideration received or receivable, exclusive of GST and net of sales return, trade discounts and volume rebates.

## 3.9 Financial instruments – initial recognition, subsequent measurement and impairment

### 3.9.1 Financial Assets

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on

its business model for managing those financial assets and liabilities and the assets and liabilities contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

#### 3.9.1.1 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

Impairment is made on the expected credit losses, which are the present value of the cash shortfalls over the expected life of financial assets. The estimated impairment losses are recognised in a separate provision for impairment and the impairment losses are recognised in the Statement of Profit and Loss within other expenses.

Subsequent changes in assessment of impairment are recognised in provision for impairment and the change in impairment losses are recognised in the Statement of Profit and Loss within other expenses.

For foreign currency trade receivable, impairment is assessed after reinstatement at closing rates.

Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivable and the amount of the loss is recognised in the Statement of Profit and Loss within other expenses.

Subsequent recoveries of amounts previously written off are credited to other Income

#### 3.9.1.2 Investment in equity shares

Investment in equity securities are initially measured at fair value and are recognised through Profit and Loss account.

### 3.9.2 Financial Liabilities

At initial recognition, all financial liabilities other than fair valued through profit and loss are recognised initially at fair value less transaction costs that are attributable to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss. However, borrowings, which is likely to be assigned or negotiated are

initially measured at fair value through profit and loss account. Other borrowings are measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the Effective rate of interest (EIR). The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

#### 3.9.2.1 Trade and other payables

Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

#### 3.9.2.2 Redeemable preference shares

The redeemable preference shares issued by the Company is a compound financial instrument and is classified separately as financial liability and equity in accordance with the substance of the contractual arrangement and the definitions of a financial liability and an equity instrument. At the date of issue, fair value of the liability component is estimated using the prevailing market interest rate of a similar non-compound instrument. This amount is recognised as liability on an amortised cost basis using the effective interest rate method until extinguished at the instrument's maturity date. The difference between the fair value of the liability component at the date of issue and the issue price is recognised as the other equity.

### 3.10 Impairment

#### 3.10.1 Financial Assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through Statement of Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in the Statement of Profit and Loss.

#### 3.10.2 Non-Financial Assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its

recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

- 3.11 In accordance with Ind AS 36, an entity is required to test intangible assets with indefinite useful life for impairment. Goodwill arises from business combinations and is generally determined as the excess of the fair value of the consideration transferred, plus the fair value of any non-controlling interests in the acquire, over the fair value of the net assets acquired and liabilities assumed as of the acquisition date. Goodwill and intangible assets acquired in purchase business combination and determined to have an indefinite useful life are not amortized, but tested for impairment at least annually or more frequently if events and circumstances exist that indicate that a goodwill impairment test should be performed. Intangible assets with definite useful lives are amortized over their estimated useful lives to their estimated residual values. Goodwill is the only intangible assets with an indefinite life on our balance sheet.

31. **Contingent Liabilities not provided for:**

a) Claim or suit filed by any person/ department against Company not acknowledged as debts: Nil

**b) Differential Liability towards Stamp Duty to be paid for the Conveyance of Title Deeds**

The Stamp duty of ₹ 65100.00 lakhs on transfer of title deed was calculated on the circle rates prevailing during financial year 2016-17. However, the Circles rates/stamp duty rates may vary at the time of actual payment of stamp duty from circle rates prevailing in financial year 2016-17 and amount of stamp duty/registration charges payable might differ from Rs 65100.00 lakhs. During FY 2020-21, the stamp duty amounting of ₹ 65100.00 lakhs was treated as liability on the basis of budget approved by the Ministry of Housing and Affairs. Out of the above provision of Rs. 65,100 lacs, Stamp Duty of Rs. 774.30 lacs has been paid during the current financial year 2022-23, for the Conveyance Deed registration of the Chennai land Parcel.

c) There are 32 cases of litigation, claims and disputes pertaining to the land parcels known as on 31.03.2023 which are pending under various forums. These litigations, claims and disputes, where earlier Tata Communications Limited was a party, subsequent to approval of the Scheme and transfer of land, have now been transferred and belong to Hemisphere Properties India Limited. The Company is in the process of contesting all such litigations, claims and disputes. The financial implications associated with all such litigations, if any, is undeterminable as of March 31, 2023. (Details as per Annexure I attached)

**d) Non Determination of Property tax/Urban Land Tax Liability for the Chennai Land Parcel**

The demand for Property tax has not been raised by the Revenue Authorities of Chennai, for the Land parcels of 53.04 acres in Chennai.

**e) Difference Property Tax Liability for the Greater Kailash, New Delhi Land Parcel due to payment of Property tax on Self-Assessment Basis**

The Company is paying property tax on self-assessment basis, for the land parcels at Greater Kailash, New Delhi. In FY 2021-22 and 2019-20, the Company has calculated property tax by using multiplication factor @0.5 and rate of tax @ 15% where as in FY 2020-21, multiplication factor @0.3 and rate of tax @15% was used to calculate the property tax. But, the additional property tax demand may be raised by Revenue Authority by using multiplication factor @0.3 for FY 2019-20 and 0.5 for FY 2020-21 and rate of tax may be used @ 20% for FY 2019-20, 2020-21 and 2021-22. In addition, there may be certain additional liabilities, which may arise for previous financial years as well, for the said Land Parcel.

**f) Penalty Imposed by NSE and BSE**

During the year NSE and BSE has imposed penalty for Rs. 90.71 Lakhs on non-compliance of number of Independent Directors. The Company has made application to NSE and BSE for waiver of such penalties. Thus, the provision for penalties not made during the year

32. As per Ind AS 40, land parcels were reclassified as Investment Property and valuation has been done on cost model. As per clause 3.2 of Scheme of Arrangement and Reconstruction, upon the scheme becoming effective, all the assets and liabilities pertaining to the surplus land stand transferred to and vested in the Transferee Company at their respective book values as appearing in the books of Transferor Company. Therefore, the value of the land has been taken as the book value of the land in the audited balance sheet of Tata Communications Limited for the FY 2019-20 and onwards. The Company holds land parcels comprises of 739.69 acres at different locations i.e Pune-524 acres, Halisahar (Kolkata)-35.19 acres, Chennai-53.04 acres, Chattarpur (Delhi)-58 acres, Greater Kailash (Delhi)-69.46 acres.

As per Ind-AS 113, the fair value of Investment property has been conducted by the IBBI registered valuer, during the current financial year 2022-23.

The fair value of all the land parcels has been assessed at ₹1060197.53lakhs.

Accordingly, the fair value disclosures of each investment property as per Ind-AS 113 are as follows: -

S.No.	Investment Properties	Valuation Technique	Fair Value (₹ in Rs Lakhs)
1	Padianullar, Chennai	Residual Approach	41,716.34
2	Halisahar, Kolkata	Residual Approach	9,025.17

33. The Company has received funds of Rs. 130,00,00,000/- (Rupees One Hundred and Thirty Crores) from Government of India against which the Company allotted shares of 10 crore Non-Cumulative Redeemable Preference shares of 0.01% @ Rs. 10 each to the promoter i.e President of India, acting through Ministry of Housing & Urban Affairs on 12.11.2021 after taking due approvals from Competent Authorities.

The said financial instruments have been accounted for by the Company in accordance with IND AS 109. However, the terms of issue of the said Preference Shares makes no mention regarding the redemption value at the end of 20 years, whether at par of at any value other than par. In the absence of any mention regarding the redemption value of the said instruments, the said financial instruments have been accounted for by the Company, in the accompanying financial statements on the assumption of the Redemption at Par Value, which is uncertain and indefinite in nature.

The above Emphasis of Matter was put across the Board of Directors in their meeting dated 29<sup>th</sup> March 2023

The Board took note of the observations of the Statutory Auditors and by way of Board Note 10 dated 29<sup>th</sup> March 2023 have stated that the Preference share Capital of Company shall be Redeemable at Par.

34. As per IndAS 32 and 109, The 0.1% Non – Convertible preference shares, shall be divided between Equity and Debt components based on appropriate discounting factors and future cash flows, accordingly, Equity and Debt components is presented in financial statement for the Financial Year Ended 31<sup>st</sup> March 2023, based on estimates.

During the FY 2021-22 and FY 2022-23, since the Company is under Loss, it has not declared/ paid any dividend to the preference shareholders. Thus, the estimated future cashflows to preference shareholder have changed consequentially. Accordingly, there are changes in Equity and Debt Component to financial instrument in Financial Statements which are incorporated while preparing Financial Statements for the financial year ended March 31, 2023.

35. **Disclosures for Goodwill accounted for in accordance with Ind AS 38**

Particulars	As at 31st March, 2023 (Rs. In lacs)	As at 31st March, 2022 (Rs. In lacs)
Goodwill on demerger **	28,194.15	28,194.15
(Share Capital - Value of land - FDR covered in the definition of surplus land)		

<b>Total</b>	<b>28,194.15</b>	<b>28,194.15</b>
--------------	------------------	------------------

***As per clause 5.7 of the Scheme,***

“Upon the Scheme becoming effective, the Transferee Company shall account for the Scheme and its effects in its books of account with effect from the Appointed date as under:

- i. The Transferee Company shall record the assets and liabilities of the splitting up and reconstruction by way of transfer of Surplus land vested in it in accordance with this Scheme, as per the book values attributable to such assets and liabilities
- ii. The shortfall, if any, on the difference of the aggregate value of the liabilities of the splitting up and reconstruction by way of transfer of Surplus land taken over pursuant to this Scheme as detailed in clause 3 shall be recorded as ‘goodwill’ in the books of Transferee Company.”

Thus, in accordance with above extracts of Scheme of Demerger, Goodwill of Rs. 28194.15 lacs were recorded in financial statements from FY 2019-20 and onwards till March 31, 2023.

Accordingly, the said accounting in *not* in violation of Ind AS 103, since the transfer of Surplus Land doesn’t constitute a Business (as defined in Ind AS 103), and the applicability of Ind AS 103 is overridden by virtue of accounting of Goodwill in accordance with the Order of Demerger.

GNCTD &amp; ORS.</p>	SUPREME COURT	<p>By way of various letters, Public Works Department, Delhi (PWD) has been claiming that it has carried out the demarcation exercise with the help of the revenue authorities for widening the road and alleged that Tata Communications Limited (TCL) and some other agencies/private agencies have encroached upon some land on Ring Road at Greater Kailash-I.</p> <p>On 10 June 2017, the representatives of TCL became aware that PWD, along with the officers of Sub-divisional Magistrate, Kalka Ji (SDM, Kalka Ji) and some police officials, forcibly entered into and trespassed upon a part of the Land and started demolishing the boundary wall and other structures situated on the said Land.</p>	<p>The matter was last listed on 17.09.2019.</p> <p>The next date has not been notified by the registry of the Hon'ble Supreme Court.</p> <p>HPIL has filed its application seeking impleadment in the matter on 13.11.2021.</p>

			<p>The TCL immediately filed an application before the vacation bench of the High Court in W.P. (C) 2434/11 (this is an old writ petition filed in the year 2011 for similar cause of action which was disposed of on 1 September 2014) (“Previous Writ”) and got the interim order against the demolition by PWD.</p> <p>TCL separately filed a fresh Writ Petition claiming that the demarcation exercise done by PWD and SDM, KalkaJi to widen the road is incorrect and that the TCL is the owner of the land which the PWD is claiming ownership.</p> <p>The WP was filed by TCL which was disposed off vide order dated 21.05.2019 directing the respondents to appoint another agency for conducting the demarcation exercise and conduct the survey by the Total Station Method (TSM). However, while directing as above, it was clarified by the Ld. Single Judge that the pendency of the said demarcation would not preclude the respondent PWD from taking over the land for carrying out the road widening works as are required.</p> <p>Aggrieved by the Ld. Single Judge’s Order, TCL preferred an Appeal</p>

			<p>bearing LPA No. 371 of 2019 against the Order dated 21.05.2019.</p> <p>Vide its Order dated 27.05.2019, the Division Bench of the Delhi High Court upheld the Order of the Ld. Single Judge while holding that “merely because there is a deviation from the due process of law, in our considered view, interference into the matter is not called for when public convenience and public importance is to be given due consideration and weightage”.</p> <p>Therefore, aggrieved by the Order dated 27.05.2019 passed by the Division Bench of the Delhi High Court in LPA No. 371 of 2019, TCL then approached the Supreme Court India by filing this Special Leave Petition bearing SLP (C) NO. 13478 of 2019. The Hon’ble Supreme Court vide its order dated 11.06.2019 observed as under: -</p> <p>“Prima facie, it appears that recourse has not been taken to the acquisition proceedings in accordance with law in respect of the land of the petitioner in question.</p> <p>Status quo with regard to the land in question be maintained by the parties for a period of eight</p>

# INDEPENDENT AUDITOR'S REPORT

To the Members of  
Hemisphere Properties India Limited

Report on the Audit of the Financial Statements

## Opinion

We have audited the accompanying financial statements of **Hemisphere Properties India Limited** ("herein after called as The Company"), which comprise the Balance Sheet as at **March 31 2023**, the Statement of Profit and Loss, the statement of cash flows and the statement of changes in equity for the year then ended and notes to the financial statement including the summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2023, and its profit/(Loss), total comprehensive income, its cash flows and changes in equity for the year ended on that date.

## Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. (Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## Emphasis of Matter

- Note No. 13, regarding Other Receivables of Rs. 49.65 lakhs from Tata Communication Limited (TCL) for their proportionate share of Property tax arrears paid for the period 2016 till the date of Demerger. The Company has paid Property Tax Arrears (under MCD Samriddhi Scheme) for Chattarpur Land Parcel, New Delhi, on the mutation of property under MCD records for Rs. 141.61 Lakhs for the period 2016 to 2023, out of which, the Company has recognized receivable of Rs. 49.65 Lakhs from TCL, being their proportionate share, as per the demerger order from 2016 till date of Demerger, being 05<sup>th</sup> August 2019. However, till the date of conclusion of the Statutory Audit, TCL has not acknowledged the dues towards the arrears.

Accordingly, the recoveries of such receivable is not ascertainable, and no expense or provision has been created in respect of such uncertainty.

- Note No. 20 read with Note No. 31(b) regarding Provision for Stamp Duty Payable towards registration/mutation of the complete land parcels in all states, amounting to Rs. 65,100lacs, which has been computed based on the circle rates prevailing in Financial Year 2016-17. The actual liability

in this regard may vary, being dependent upon the Circles rates/stamp duty rates prevailing at the time of transfer of titles of land in future. The Company has paid an amount of Rs. 774.30 lacs (out of the above provision of Rs. 65,100 lacs) during the financial year 2022-23 for the Chennai Land and the Conveyance Deed has been executed for the same.

3. Note No. 29, regarding Land Security and Maintenance Services received from CPWD during the financial year 2022-23. The Company has booked an expense of Rs. 115.91 lacs, on such payments, on provisional basis, on the basis of Utilization certificates issued by the CPWD's.

The CPWD has informed the Company that, there is no mechanism under CPWD (a GOI undertaking) to raise invoice and they only issue Utilization certificates for application of released funds. The liability of Goods and Service Tax (GST) are being considered by CPWD while initiating and making payments to their agencies/vendors.

However, in our understanding, the manner of recording the expenses on the basis of Utilization Certificates, in the absence of Tax Invoices is not specified under Goods and Service Tax Act, 2017, and Income Tax Act, 1961. Furthermore, the compliances with regard to the incidence of GST on such payments, may also be impacted.

4. Note No. 31(d) of the financial statements, regarding Non-Recognition/Accounting of Property Tax/Urban Land Tax Liability by the Company in relation to the Land Parcel of 53.04 acres in Chennai. The management is of the view that the Liability for the said cost is not presently determinable, and shall be accounted for only when the demand is ascertained from the said local revenue authority.
5. Note No. 32 regarding treatment of complete land parcels in all states as Investment Property. The purported land use for the land parcels, has not yet been decided by the Management during the year ended on March 31, 2023. As per IND AS 40, any land held for a currently undetermined future use as on the date of reporting, the said land is regarded as held for capital appreciation. In addition, the titles of the land parcels are yet to be transferred/mutated in the name of the Company as on March 31, 2023, except the land in Chennai for which the Conveyance Deed has been executed during the financial year 2022-23.
6. Note No. 33 of the financial statements, regarding the accounting of Equity Components of Compound Financial Statements in accordance with IND AS 109. The Company has received an amount of Rs. 130 crores during the current financial year 2021-22, by way of issue of 0.01% Non-Cumulative Non-Convertible Preference Shares of Rs. 10 each, redeemable after 20 years. *However, the terms of issue of the said Preference Shares makes no mention regarding the redemption value at the end of 20 years, whether at par or at any value other than par.* The said financial instruments have been accounted for in the accompanying financial statements on the assumption of the Redemption at Par Value, which is uncertain and indefinite in nature.

The above Emphasis of Matter was put across the Board of Directors in their meeting dated 29<sup>th</sup> March 2023

The Board took note of the observations of the Statutory Auditors and by way of Board Note 10 dated 29<sup>th</sup> March 2023 have stated that the Preference share Capital of Company shall be Redeemable at Par.

However, the approval of Ministry of Housing and Urban Affairs on terms of redemption of Preference Shares at par still is pending.

7. During the financial year 2022-23, the Company has raised invoices and received certain rentals from the land parcels occupied and commercially used by Tata Communications Limited (TCL), from the

date of Demerger till March 31, 2023, on mutually agreed terms. However, no Lease/Rental agreement has been executed between TCL and HPIL for such invoices/future Rent recoveries.

8. During the Financial Year, the Company has not complied, with the provisions contained in Section 149 of the Companies Act read with Rule – 4 of the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17(1)(b) & 2(A) , Regulation 18(1)(b)(d) & 2(b), Regulation 19(1)(c),(2) & 2(A), Regulation 20(2A), Regulation 25(3)of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 in respect of the Appointment of the Independent Directors

Our opinion is not modified in respect of the above matter(s).

### Key Audit Matters

- a. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters prescribed below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response				
1	<p>Assessment of fair value of the land parcel (as described in Note No. 32 of the financial statements)</p> <p>The management has initiated the process of calculation of fair value of land parcels located in Chennai, Pune, Kolkata, Chattarpur and Greater Kailash. The Market Valuation of all the land parcels as on date of consideration and declaration of the financial results by the Board of Directors, has been assessed and valued at ₹ 10,60,197/- lakhs. However, the report being received from a single Valuation Agency is not a complete reliable measure of the fair value of the Investment Property.</p> <p>As per IND AS 40, Investment Property, when the fair value of the property (not under construction) is not reliably measurable, the entity shall disclose:</p> <table border="1" data-bbox="331 1675 818 1944"> <tr> <td data-bbox="331 1675 635 1742"><b>Description of the Investment property</b></td> <td data-bbox="635 1675 818 1944" rowspan="3">Refer Note No.32 of the financial Statements.</td> </tr> <tr> <td data-bbox="331 1742 635 1843">Explanation of why fair value cannot be measured reliably</td> </tr> <tr> <td data-bbox="331 1843 635 1944">If possible, the range of estimates within which fair value is likely to fall.</td> </tr> </table>	<b>Description of the Investment property</b>	Refer Note No.32 of the financial Statements.	Explanation of why fair value cannot be measured reliably	If possible, the range of estimates within which fair value is likely to fall.	<p>Our audit procedures related to the key audit matters included the following:</p> <p>We evaluated the details of the land parcels as available in the Schedule I of the order of MCA dated 05.08.2019 pursuant to which the Scheme of Arrangement and Reconstruction was approved.</p> <p>In addition, we have considered the Valuation Reports dated 25.05.2022.</p> <p>However, the report being received from a single Valuation Agency is not a complete reliable measure of the fair value of the Investment Property, which needs to be further corroborated with a twin report(s).</p> <p>Secondly, the Valuation for the land parcels has been arrived by the Valuation Agency on the basis of certain assumptions of the purported use of the land, which has not yet been finalized by the management of the Company.</p> <p>We assessed the disclosures made in the financial statements.</p>
<b>Description of the Investment property</b>	Refer Note No.32 of the financial Statements.

If possible, the range of estimates within which fair value is likely to fall.						

2	<p>Litigation, claims and disputes pertaining to the surplus land (as described in Note No. 31(c) of the financial statements)</p> <p>There are total 32 cases of litigation, claims and disputes pertaining to the surplus land and Company, known as on 31.03.2023 which are pending under various forums. These litigations claim and disputes, where earlier TCL was a party, subsequent to approval of Scheme and transfer of land, have now been transferred and belong to the Company. The Company is in the process of contesting all such litigations, claims and disputes.</p> <p>The financial implications associated with all such litigations, if any, is undeterminable as of March 31, 2023.</p>	<p>Our audit procedures related to the key audit matters included the following:</p> <p>We obtained the list of total cases of litigation, claims and disputes, and analysed the progress in all the said cases, including evaluation of any financial impact, due to any order of the court during the financial year 2022-23.</p> <p>We assessed and have made the relevant disclosures in the financial statements.</p>

### Information Other than the Financial Statements and Auditor's Report Thereon

9. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

10. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

11. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, Cash flows of the Company, changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records,

relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

12. In preparing the financial statements, Management of the Company is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
13. The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Audit of Financial Statements**

14. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on other Legal and Regulatory Requirements.

17. As required by section 143(3) of the Companies Act, 2013 based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
  - c) The financial statements dealt with by this report are in agreement with the books of accounts;
  - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Companies Act read with Companies (Indian Accounting Standards) Rules 2015 as amended.
  - e) The company being a Government Company, the provisions of Section 164(2) of the Act in respect of disqualification of directors are not applicable to the company in terms of notification no. G.S.R.463(E) dated 5th June 2015 issued by Ministry of Corporate Affairs, Government of India;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **“Annexure A”**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, we are informed that the company being a Government Company, the provisions of section 197 read with schedule V of the Act, relating to managerial remuneration are not applicable to the company in terms of Notification No. G.S.R. 463(E) dated 5th June 2015.
  - h) With respect to the other matters included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - (i) The company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note No. 31(c) to the financial statements.
    - (ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
    - (iii) The Company has not declared any dividend in the previous financial year, so the applicable sections do not apply on the Company.

18. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
19. On the basis of such checks of the books and records of the company, as we considered appropriate and according to the information and explanations given to us, we are enclosing our report in terms of section 143(5) of the Act, on the directions issued by the Comptroller and Auditor General of India, in "**Annexure C**" attached.

## **ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT**

**Referred to in paragraph 17 (f) of the Independent Auditors' Report of even date to the members of Hemisphere Properties India Limited on the standalone financial statements for the year ended March 31, 2023**

1. We were engaged to audit the internal financial controls over financial reporting (IFCoFR) of **Hemisphere Properties India Limited** ("the Company") as of and for the year ended March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Because of the matter described in Emphasis of matter paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial Controls over Financial Reporting**

4. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that:-
  - (i) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
  - (ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
  - (iii) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Emphasis of Matter**

5. According to the information and explanation given to us, ***the Company is in the process of implementing*** its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2023.

However, we also understand that the company has limited business operation for the financial year 2022-23. We have considered this aspect in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company, and the Emphasis of matter does not affect our opinion on the standalone financial statements of the Company.

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(B) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HEMISPHERE PROPERTIES INDIA LIMITED FOR THE YEAR ENDED 31 MARCH 2023.**

The preparation of financial statements of HEMISPHERE PROPERTIES INDIA LIMITED for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 May 2023,

I on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of HEMISPHERE PROPERTIES INDIA LIMITED for the year ended 31 March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditor and is limited primarily to inquiries of the statutory auditor and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.
