**Sub: Newspaper Publication of notice of 29th Annual General Meeting**

Dear Sir/Madam,

Pursuant to Regulation 30, 47 read with Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we enclose herewith the newspaper advertisements for the publication of notice of 29th Annual General Meeting of the Company in the following newspapers: Free Press (English Newspaper), Lok Mitra (Gujarati Newspaper) dated 03.09.2023.

You are requested to take the same on records.

You are requested to take the above intimation on record and acknowledge the receipt.

Thanking you,

Yours faithfully,

For, Mehta Securities Limited

Mr. Mahesh Moteevaras  
Company Secretary & Compliance Officer

# India missed the bus for semiconductors due to previous Governments' lack of political vision and strategic clarity: MoS Rajeev Chandrasekhar

Today we are 12 generations behind in chip manufacturing technology: MoS Rajeev Chandrasekhar

Union Minister of State for Skill Development & Entrepreneurship and Electronics & IT Shri Rajeev Chandrasekhar today interacted with the media ahead of the second edition of SemiconIndia Conference which is scheduled to begin tomorrow at Gandhinagar in Gujarat. The minister emphasised the tremendous strides made by the Government under PM Narendra Modi's leadership in rebuilding India's electronics ecosystem and pushing the country to become one of the world's fastest-growing electronics manufacturers. He also highlighted the significant semiconductor opportunity

that India currently possesses and how the Government is determined to utilise it. "It has been 19 months since we set the ball rolling in the semiconductor ecosystem. There was a lack of political vision, strategies and there were incompetencies and missed opportunities for decades. This has held India back from semiconductors. Today, we can achieve in the coming Techade what some neighbouring nations took 30 years & USD 200 billion and still failed to achieve," MoS Shri Rajeev Chandrasekhar said. With the increasing demand for electronics, digital products and services, the

Minister spoke about the core role of semiconductors in today's tech-driven world. Shri Rajeev Chandrasekhar said that India is transforming into a major player in the global electronics and semiconductors supply chain. "The demand for electronics, digital products and services is only intensifying. Electronics is at the core of our lives today and Semiconductors in turn at the core of Electronics. Prime Minister Shri Narendra Modi has rebuilt our Electronics ecosystem and we are one of the world's fastest growing electronics manufacturers. We were almost nothing in 2014 in the semiconductor

ecosystem and today we are increasingly becoming a big presence in the global value chain for electronics," the Minister added. Tracing the missed opportunities since the 1960s, Shri Rajeev Chandrasekhar pointed out that the previous Governments failed to envision the importance of a semiconductor ecosystem in India. "India has missed the bus repeatedly on electronics and semiconductors. There was a lack of strategic and political vision and a big dose of incompetence. Fairchild semiconductors, which is the precursor to Intel, came to India in 1957 for a packaging unit and we chased them away. That packaging unit went on to become Asia's largest packaging hub in Malaysia. We set up a fab for silicon and germanium transistors that had shut down. India's major VLSI facility, Semi-Conductor Laboratory (SCL), perished, as a mysterious fire in 1989 halted production until 1997. In 1987, India was just two years behind the latest chip manufacturing technology. Today, we are 12 generations behind - this is how far behind as a nation on semiconductors," the Minister stated. Shri Rajeev Chandrasekhar also shed light on the job opportunities lost to neighbouring nations that offered incentives to global semiconductor companies. He expressed optimism about India's current investments

and collaborations with major semiconductor companies. The Minister spoke about the lost opportunities saying, "International semiconductor majors wanted to start operations in South India. Despite hiring experts and setting up a cleanroom, it faced numerous roadblocks. The project eventually moved to China, resulting in the loss of a semiconductor facility and 4,000 jobs for India. Micron, a world major in the Semiconductor memory space, its \$2.75 Bn ATMP project in Gujarat is expected to create at least 5,000 new direct and 15,000 community jobs." The Government is also making significant strides in building a comprehensive curriculum to nurture talent and is actively supporting startups in the semiconductor ecosystem. "We are constantly partnering with industry to create 85,000 highly talented, skilled global talent. Under SemiconIndia futureDESIGN over 30 semiconductor design startups have been set up in India including some from Semiconductor leaders from Silicon Valley.

# ISRO all set to launch first Sun mission

Union Minister of State (Independent Charge) Science & Technology; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh said today that after close on the heels of successful Chandrayaan mission, India is ready with the first Sun Mission "Aditya-L1", which ISRO is all set to launch, most likely on 2nd of September. Addressing a public program in Mainpuri, Dr Jitendra Singh said, with the entire world celebrating India's Chandrayaan mission, the popular interest in the Sun Mission has also increased manifold. Giving full credit to Prime Minister Shri Narendra Modi, the Minister said, all this would not have been possible, if the Prime Minister had not taken the courageous path-breaking decision of liberating India's space sector from the shackles of the past which no other government had taken the initiative to do. As a result, today, he said, within a short span of four years, ISRO's financial resources have increased, the number of StartUps have gone up from 4 to 150 and the credibility of India's satellite launching facility has suddenly soared so high that so far from the launching of European Satellites, India has earned more than 260 Million Euros and

from the launching of American Satellite, India has earned more than 150 Million US Dollars. It is because of PM Modi having raised the esteem of the scientific fraternity, said Dr Jitendra Singh, that today we have the confidence and conviction to launch the first-ever space mission to the Sun.

# In-Principle approval to set up 21 new Greenfield Airports

Government of India has formulated a Greenfield Airports (GFA) Policy, 2008 for development of new Greenfield airports in the country. As per the policy, if any developer including the State Government desires to develop an airport, they are required to identify a suitable site and get the Pre-feasibility Study conducted for construction of airport and submit a proposal to the Central Government for 'Site Clearance' followed by 'In-Principle' approval. Government of India has accorded 'In-Principle' approval for setting up of 21 new Greenfield Airports namely, Mopa in Goa, Navi Mumbai, Shirdi and Sindhurgur in Maharashtra, Kalaburagi, Vijayapura, Hassan and Shivamogga in Karnataka, Dabra (Gwalior) in Madhya Pradesh, Kushinagar and Noida (Jewar) in Uttar Pradesh, Dholera and Hirasar in Gujarat, Karaikal in Puducherry, Dagadathi, Bhogapuram and Orvakal (Kurnool) in Andhra Pradesh, Durgapur in West Bengal, Pakyong in Sikkim, Kannur in Kerala and Hollongi (Itanagar) in Arunachal Pradesh across the country. Out of these, 11 Greenfield airports viz. Durgapur, Shirdi, Kannur,

Pakyong, Kalaburagi, Orvakal (Kurnool), Sindhurgur, Kushinagar, Itanagar, Mopa and Shivamogga have been operationalised. Besides, Ministry of Civil Aviation has also launched Regional Connectivity Scheme (RCS) - UDAN (UdeDeshaKaAmNagrik) on 21-10-2016 to stimulate regional air connectivity and making air travel affordable to the masses. An airport which is included in the awarded routes of UDAN and requires upgradation/development for commencement of RCS operations, is developed under "Revival/upgradation of unserved and underserved airports/heliports/water aerodromes" Scheme. Under the scheme, the unserved & underserved airports/airports, are identified/awarded all over the country including in the States of Bihar, Jharkhand, Uttar Pradesh, West Bengal and North Eastern States for revival/development and to operate UDAN flights. Till date, 74 airports (including heliports, water aerodromes & greenfield airports) have been operationalised across the country under UDAN (UdeDeshaKaAmNagrik) since inception of the UDAN Scheme in 2016. State wise list of airports operationalised/revived under RCS is at Annexure. Out

of the above mentioned 21 Greenfield Airports, Government of India has accorded 'in-principle' approval for setting up 7 greenfield airports as international airports namely Mopa in Goa, Navi Mumbai in Maharashtra, Karaikal in Puducherry, Jewar (Noida) in Uttar Pradesh, Dholera and Hirasar in Gujarat and Bhogapuram in Andhra Pradesh. Out of these 7 airports, Airports Authority of India (AAI) has undertaken development of two airports namely Hirasar and Dholera at a total project cost of Rs.1405 crore and Rs.1305 crore respectively from its own resources. Financing of the remaining greenfield airport projects is the responsibility of concerned airport developers. Further, timeline for completion of the airport projects depends upon many factors such as land acquisition, availability of mandatory clearances, financial closure, etc. Ministry of Civil Aviation (MoCA) has taken various steps to attract investments from private investors for development of airport infrastructure in the country including Greenfield Airports.

### NOTICE OF AGM, E-VOTING & BOOK CLOSURE

NOTICE is hereby given that 11th Annual General Meeting (AGM) of the Members of the Company will be held on Saturday, 30th September, 2023 at 2.00 p.m. through Video Conferencing (VC) / Other Audio Visual Means (OAVM) as per the Framework issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 20/2020 dated 5th May, 2020 read with Circular No. 14/2020 dated 8th April, 2020, Circular No. 17/2020 dated 13th April, 2020, Circular No. 02/2021-22 dated 13th January, 2021, Circular No. 02/2022 dated 5th May, 2022 and Circular No. 10/2022 dated 28th December, 2022 (collectively referred to as "MCA Circulars") and SEBI Circular dated May 12, 2020, SEBI Circular dated January 15, 2021, SEBI Circular dated 13th May, 2022 and SEBI Circular dated 5th January, 2023 issued by the Securities and Exchange Board of India (collectively referred as "SEBI Circulars"). In line with the authorisation given by the MCA/SEBI, Annual Report for the financial year 2022-23 has been sent through E-mail to all the members on their E-mail ids and no physical copies of the Annual Report will be dispatched. Annual Report shall be available on the website of the BSE Limited (www.bseindia.com) and also be available on website of the Company (https://shubhampolyspin.com). Please note that Company is convening 11th AGM through VC/OAVM and no physical presence of Members, Directors, Auditors and other eligible person shall be required for the AGM. As per MCA Circulars, the facility to appoint proxy to attend and vote instead of members is not available for this AGM. However, Bodies Corporate are entitled to appoint authorised representative to attend the meeting through VC/OAVM and cast their vote through E-voting during AGM. Members, Directors, Auditors and other eligible persons to whom this Notice is being circulated can attend this AGM through VC/OAVM at least 15 minutes before the schedule time and shall be closed only after expiry of 15 minutes. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Attendance of the members will be recorded on the CDSL platform at the time when the member log in to attend the AGM through VC/OAVM.

Your Company is pleased to provide Remote E-voting facility through CDSL. The voting rights shall be as per the number of equity shares held by the members as on 23rd September, 2023 (cut-off date). Remote E-voting will commence on 27th September, 2023, Wednesday at 9.00 a.m. IST and ends on 29th September, 2023, Friday at 5.00 p.m. The E-voting module shall be disabled by CDSL for voting thereafter. The Members who have not cast their votes by Remote E-voting can exercise their voting at the AGM. The Company has made arrangements of E-voting during the AGM.

A member may participate in the Annual General Meeting through VC/OAVM even after exercising his rights to vote through Remote E-voting, but shall not be allowed to vote again at the meeting. It may please be noted that the votes given by any member through Remote E-voting facility shall be treated as final and binding and the shareholder will not be allowed to change it subsequently. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of Remote E-voting as well as E-voting during AGM. For detailed instructions pertaining to Remote E-voting, members may please refer Notes to the Notice of AGM. A person, who acquires shares and becomes shareholder of the Company after dispatch of Notice and holding shares as on the cut-off date, can do Remote E-voting or E-voting during AGM by following the instruction mentioned in the Notes to the Notice of the AGM.

In case of any queries or grievances pertaining to Remote E-voting procedure, members may refer the Frequently Asked Questions (FAQs) and E-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com or call 1800225533 or you may also contact concerned employees of CDSL on 022-23058543/ 23058542 (between 10.00 a.m. to 6.30 p.m. on Monday - Friday).

Notice is also hereby given that pursuant to Regulation 42 of the SEBI (LODR) Regulations, 2015 and Section 91 of the Companies Act, 2013 read with applicable Rules, the Register of Members and Share Transfer Books of the Company will remain closed from Saturday, 23rd September, 2023 to Saturday, 30th September, 2023 (both days inclusive) for the purpose of AGM.
