A detailed presentation on the performance is included as part of this press release.

Commenting on the Company's performance, Mr. Manish Gupta, Managing Director stated – “We accomplished the desired outcomes out of the structural initiatives since October 2023 even as Q4 performance was subdued, in line with our expectations. We now believe that the inventory correction around Divatrone is complete while the counterfeit Indocap SR is flushed out from the marketplace. We ended the year with sales at ₹ 209 crores (₹ 237 crores in FY23) and PAT at ₹ 22.5 crores (₹ 26.7 crores in FY23).

We are pleased to begin FY 25 on a positive footing with business back on growth trajectory. A robust pipeline of new products across all divisions gives us the confidence of carrying the momentum forward.

On the balance sheet front, we continue to be debt free with free cash reserves climbing to ₹ 153 crores, an addition of ₹ 35 crores in FY24. Our recently announced acquisition of Yash Pharma's business in the Dermatology and Childcare segments in India would be funded from the same. Our focus for next three months would be on concluding this transaction and driving growth across the expanded business.

Our mission to promote women’s health and hygiene remains core to our CSR philosophy and we made significant impact during the year by building sanitation facilities at multiple girl schools in Punjab and Uttarakhand. We recently launched **mysakhi.in** website which aims to raise awareness and well-being of women at all stages of life, from adolescence through menopause.”
