**Notes:** (1) The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 10th, November, 2020. (2) This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable. Beginning April 1, 2017 Company has for the first time adopted Ind AS. (3) The above is an extract of the detailed format of Unaudited Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Unaudited Financial Results are available on the Stock Exchange website (www.bseindia.com) and on the Company's website (www.pkrgroup.in). (4) On account of Covid-19 pandemic, the Govt. of India had imposed a complete nation-wide lockdown on March 24, 2020 leading to temporarily shut down of company manufacturing facilities and operation. Since then the Govt. of India progressively relaxed lockdown conditions and has allowed the industry to resume its operations in a phased manner. The Group's operations and financial results for the half year ended September 30, 2020 have been adversely impacted. The results therefore, are not comparable with those for the previous quarters. Further, the company has made assessment of its liquidity position from the previous recoverability and carrying value of its assets and liabilities as on September 30, 2020. The Group has considered internal and external sources of information for making said assessment. On the basis of said assessment, the company expects to recover the carrying amount of those assets and no material adjustment is included in the financial results. The impact of any events and development occurring after the date of financial results for the half year ended September 30, 2020 may differ from the estimates as at the date of approval of these financial results and will be recognized prospectively. Given the uncertainties associated with nature, present condition and longevity of Covid-19, the group will closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the group. (5) Deferred Tax Asset has not been recognised during the quarter due to carried forward business loss/unabsorbed depreciation.
