NBP of life insurers rose 22.47 per cent year-on-year (YoY) to ₹27,464.76 crore in February, with LIC's NBP recording a jump of 35.36 per cent to ₹17,849.34 crore, and private insurers reporting a marginal 5 per cent growth in the same period to ₹9,975.42 crore, showed the data released by the Life Insurance Council - an industry body for life insurance companies.

In the October-December quarter, NBP of life insurers jumped 10.45 per cent to ₹73,249.97 crore over the same period last year, mainly backed by robust growth of private insurers' NBP. In the second quarter (July-September), they netted NBP of ₹75.392 crore up 16 per cent from the same period last year.LIC's NBP was up 14 per cent to ₹51,488 crore; private insurers' NBP was up 20 per cent to ₹23,904.2 crore. The April-June quarter was marred by lockdowns and the NBP of life insurers plunged over 18 per cent.

Although LIC still holds a majority of the market in terms of NBP, since April, it has lost 800 basis points in market share to the private sector insurers. As of February, 2022, LIC commands a market share of 61.43 per cent

# **ICICI Bank to** raise up to ₹8,000 cr via infra bonds

ABHUIT LELE Mumbai, 7 March

Private sector lender ICICI Bank is planning to raise up to ₹8,000 crore through infrastructure bonds to finance projects in the transport and power and affordable housing sectors.

Debt market sources said while the private lender is raising up to ₹8,000 crore in the current round, rating agency CRISIL has assigned "AAA/Stable" for ₹10,000 crore of bonds. Lenders have always an option to raise money in tranches.

The issue size is ₹500 crore with a green shoe of ₹7.500 crore. The interest rate scenario is unclear due to volatility in markets. The highly rated long-term paper (10-year) from corporate would see a coupon of around 7.25-30 per cent range, bond dealers said.

ICICI Bank did not respond to email queries on the fundraising. The bank's exposure to road, ports, telecom, urban development, and other infrastructure stood at ₹48,981 crore at the end of March 2021 according to its annual report for FY21.

Funds raised through this route are exempt from liquidity norms cash reserve ratio and statutory liquidity ratio requirements and are deployed in long-term infra and affordable housing credit.

CRISIL, in its rating review, said the bank actively finances projects for capacity creation in environmentfriendly sectors like renewable energy and other sustainable sectors.

Can our bank act on such an instruction or ask for a bill of exchange at 90 days sight, and if our

of the sight bill? The collecting bank, i.e. your bank, must, through the remitting bank, call for a bill of exchange at 90 days sight from your supplier and when this is received through the remitting bank, make a presentation to you in accordance with the instructions of the remitting bank and Article 6 of the ICC's Uniform Rules for Collection (URC 522). The due date will be reckoned at 90 days from the date of presentation, i.e., when the drawee is sighted. The collecting bank will not take recourse to the other option
