there will be an inevitable spillover on the world economy, the Chinese representative warned, Members should work together to safeguard the normal conduct of global trade and economic growth in the interest of all, he added.

Prime Minister Narendra Modi, in a letter to Chinese President Xi Jinping last week. expressed solidarity with the Chinese people in the ongoing epidemic that has claimed over 1,100 lives. He offered New Delhi's assistance to deal with the serious health emergency.

At a press conference on Monday, the Chinese Foreign Ministry spokesperson Geng Shuang said that India's acts of goodwill fully demonstrate its friendship with China.

Officials said that ports in India need to be careful to ensure that shipments from China are handled with care and all sanitary and phytosanitary norms and conditions are adhered to.

### Trade imbalance

China is one of India's leading trading partners.

However, the big trade surplus that China enjoys with India is a source of concern for the country. While India's exports stood at only \$16.75 billion in 2018-19, imports were at \$70.31 billion, leading to a trade imbalance of \$53.67 billion.
