Subject :- Update regarding Recent Expansion.

Reference :- Regulation 30 of SEBI (Depositories and Participants) Regulations, 2018.

This is to inform that the company as part of the recent expansion of a new rolling mill has successfully completed its trial runs for all the sizes in the product portfolio. The expansion has led to an increase in the overall installed capacity for manufacturing TMT Bars from 1.2 lacs ton/annum to 2.4 lacs ton/annum.

Enhanced production will contribute significantly in increasing the top line as well as overall profitability of the company.

Thank you
