SEBI rejects Danny Gaekwad's counter offer for Religare

THE OBJECTION. Calls application 'frivolous', aimed at hindering Burman's open offer

Akshata Gorde
Mumbai

The Securities and Exchange Board of India (SEBI) has rejected an application by the US-based businessman Danny Gaekwad, who sought its approval to place a competing open offer for Religare Enterprises.

Gaekwad sought an exemption to propose an offer at ₹275 per share to acquire 55 per cent of Religare's outstanding share capital, which surpassed the Burman family's existing open offer

priced at ₹235 per share. Following this, the Supreme Court permitted Gaekwad to deposit ₹600 crore in an RBI-designated account by 2 pm on February 13 to demonstrate his financial capability. However, he failed to deposit, and also did not apply

for the necessary regulatory approvals for the open offer.

'HINDERS OPEN OFFER'
"In the absence of adequate proof of financial resources, the application does not appear to be bona fide. It seems frivolous and aimed solely at hindering the open offer process," SEBI Whole-Time Member Ashwani Bhatia said in the order.

SEBI said that in this situation, granting the exemption would not be in the interest of shareholders. Further, a competing offer, which is not backed by finan-

cial capability, would disrupt market dynamics and erode investor confidence, the order said.

'INADEQUATE STANCE'
Additionally, SEBI called Gaekwad's merchant banker PL Capital Markets' role in question for conducting inadequate due diligence. During Friday's hearing, the merchant banker appeared clueless about Gaekwad's financial credentials and was found to have not done proper due diligence and KYC before accepting the mandate, the order said.

RBI imposes ₹68 lakh penalty on two banks

Press Trust of India
Mumbai

The Reserve Bank of India (RBI) on Friday said it has imposed penalties of ₹68.1 lakh on Nainital Bank and Ujjivan Small Finance Bank for contravention of regulatory norms.

A penalty of ₹61.40 lakh was imposed on Nainital Bank for non-compliance with certain directions on 'interest rate on advances' and 'customer service in banks', the RBI said in a statement.

Further, the RBI imposed a penalty of 6.70 lakh on Ujjivan Small Finance Bank

for non-compliance with certain directions issued by it on 'loans and advances - statutory and other restrictions'.

It also levied a penalty of ₹5.80 lakh on Shriram Finance for non-compliance with certain provisions, including KYC guidelines and directions on 'data format for furnishing of credit in-

formation to credit information companies'.

The penalties are based on the deficiencies in regulatory compliance and are not intended to pronounce upon the validity of any transaction or agreement entered into by the lenders with their customers, the Central bank said.

Navi Mumbai airport in talks with DHL, FedEx for cargo hub

Aneesh Phadnis
Mumbai

Navi Mumbai airport is in discussions with DHL Aviation and FedEx for development of a cargo hub.

The airport, which is set to open for passenger operations from May, is banking on its locational advantage (proximity to the Jawaharlal Nehru Port) to attract top cargo airlines. Availability of slots will be another asset at the airport.

AN ASSET

A cargo hub will facilitate point-to-point transport and also transshipment of goods from both within India and overseas, and space has also been earmarked for a dedicated cargo terminal in the airport master plan.

The airport will have the ability to handle 2.6 million metric tonnes of cargo per year. As per its master plan, 29 hectares are being allocated for the cargo area, including 10 freighter stands and a fully automated terminal, among others.

While domestic cargo operations will begin along with passenger flights, international cargo movements will commence at a later date.

FedEx said it is actively working to establish an international cargo hub in India that will enhance connectivity, facilitate faster goods movement and support the growing trade ecosystem.

"The planned India hub will enable efficient movement of goods across South Asia, Europe and the US. By fostering stronger links between India and key global markets, the hub underscores our commitment to driving economic growth and empowering businesses with smarter and more efficient logistics," the company said.
