At the Venue of the EGM, one empty ballot box kept for voting through Ballot papers was locked in my presence with due identification marks placed by me

After the fixed time for closing of the poll, the locked ballot box was opened in my presence. I have scrutinized and reviewed the voting by means of physical Ballot paper in the meeting. The poll papers were reconciled with the records maintained by the Company/Registrar and Transfer agent and the authorizations/proxies lodged with the company.

We did not find any poll paper invalid.

The Management of the Company is responsible to ensure compliance with the requirements of the Act and rules relating to voting during the EGM on the resolution contained in the notice of the EGM.

My responsibility as scrutiner for the voting is restricted for making a Scrutinizer's Report of the votes cast in favour or against the resolutions.
