NOTES:

- 1 These financial results have been reviewed by the Audit Committee and have been approved by the Board of Directors at their respective meetings held on 6th February, 2021.
- 2 The above results for the Quarter and Nine months ended on 31st December, 2020 have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognised accounting practices and policies to the extent applicable.
- 3 The format of the above results as prescribed in SEBI's Circular CIR/CFD/CMD/15/2015 dated 30th November, 2015 has been modified to comply with the requirements of SEBI's Circular dated 5th July, 2016, Ind AS and Schedule III [Division II] to the Companies Act, 2013.
- 4 The Statutory Auditors of the Company have carried out a "Limited Review" of the above results as per Regulation 33 of the SEBI [Listing Obligation and Disclosure Requirements] Regulations, 2015.
- 5 The company has one segment of activity namely "Textiles".
- 6 Figures of previous periods have been regrouped / rearranged wherever necessary.
- 7 As regards deferred tax as per Ind AS-12 on "Income Taxes", there is a net deferred tax asset for the past years and for the period up to 31st December, 2020. As a matter of prudence, the company has not recognised the said deferred tax asset.
- 8 In March 2020, the WHO declared COVID-19 a global pandemic. Consequently, Government of India declared a nation-wide lockdown from 24th March 2020. This has an adverse impact on operational performance of the company and its financial position as a result of subdued activity in the textile market. The Company has been facing liquidity crunch due to suspension of operations and has been striving to manage its cashflows within the limitations.

After lifting of the lockdown, the Company had resumed its business operations on a gradual basis in line with the guidelines issued by the Government authorities. The improvement in business situation has further continued during the quarter ended 31st December, 2020, with recovery in volumes, though it is still below pre-Covid levels. Therefore, results for the quarter and nine months ended 31st December, 2020 are not comparable to previous corresponding period results.

Considering the situation, the Company has reviewed the possible impacts of COVID-19 on the carrying amounts of its assets and liabilities. Accordingly, apart from the provisions made for Rs.197 lacs as diminution in value of finished goods stock and Rs.124 lacs as allowance for expected credit loss on receivables balances in the financials of the previous year, no further provisioning has been made during the quarter and nine months ended 31st December, 2020. There has not been any significant reduction in sales realisation during the quarter. As regards trade receivables, there have been instances of cheques not being honoured by parties in some cases, for which the company has taken proper legal actions, but this does not confirm any credit loss in such cases as of now. The impact may vary in future periods, depending on future developments on Covid-19 front and its impact on the business of the company.

The Company does not anticipate any challenges in its ability to continue as going concern. In this unusual and difficult business situation, the Company has taken measures for effective cost management. The Company is monitoring the situation as it evolves in the future.

- 9 The Code on Social Security 2020 has been notified in the Official Gazette on 29th September 2020. The effective date has not been notified and the rules are yet to be framed. The Company will assess the impact of the Code and will account for the same once the Code becomes effective and the rules framed thereunder are published.
- 10 The financial results of the Company are available at the websites of BSE Ltd. at www.bseindia.com, National Stock Exchange of India Ltd. at www.nseindia.com and at www.ashima.in.
- 11 Figures are rounded off to the nearest Rupees in lacs.
