INVITATION: Motilal Oswal 9th Annual India Ideation Conference, 2024

Dear Mr. Jain,

India ended the eventful CY23 on a high note, with the Nifty delivering a 20% return, marking the eighth consecutive year of a positive close. The highlight for Indian markets in CY23 was the sharp outperformance of mid- and small-cap stocks. Even as FII flows turned around in CY23, the domestic flows remained resilient. The combined DII and FII flows stood at USD44b in CY23, the highest ever in a calendar year. The growing equity culture in the allocation of retail savings has further moderated market volatility. We remain firm believers in the medium-term India story and expect these trends to strengthen with multiple themes at play and domestic cyclical to drive earnings amid benign macros!

In this context, we invite you to our **9th edition of 'Motilal Oswal Annual India Ideation Conference'** to be held on **18th – 19th March, 2024 at Grand Hyatt, Mumbai**. This conference will showcase corporates that are scaling up, building moats, leveraging their expertise in the spaces they operate, and are on the verge of becoming the next big success. We expect significant participation from major domestic funds, global private equity firms, and ultra-HNIs.

We cordially invite the senior managements to communicate their vision to a diverse group of investors through individual and group interactions. Motilal Oswal has consistently been rated as the best brokerage house for corporate events and conferences over the years. Our pride is enhanced by entrepreneurs and leaders such as yourself. It will be our pleasure to showcase exciting growth companies like yours to the investor community.

We once again warmly invite you and sincerely look forward to your prompt confirmation.

Thanking you,

Mamta Singh
