The Board of Directors of your Company is of the opinion that the appointment of Dr. Ranade as an Independent Director of the Company would be beneficial to the Company and hence recommends the Resolution at Item no. 5 for the approval of the Members as a Special Resolution.

Item no. 6, 7, 8, 9:

The Company had implemented the 'Persistent Employee Stock Option Scheme 2014' ("PESOS 2014") and 'Persistent Systems Limited – Employee Stock Option Plan 2017' ("ESOP 2017") (collectively referred to as Schemes) with a view to attract, retain and incent key employees and leadership talent working with the Company and its subsidiary(ies) and to motivate them to contribute to the overall corporate growth, profitability and to augment shareholders' value. In addition, employee stock options ("Options") are a well-understood construct to create employee co-ownership and align the interest of employees with that of the Members of the Company.

The PESOS 2014 and ESOP 2017 Schemes were originally approved by the Members of the Company by way of Special Resolutions dated July 26, 2014, and July 20, 2017, respectively, and subsequently amended during AGM 2021 by way of Special Resolutions dated July 21, 2021, in due compliance with the then prevailing provisions of the Companies Act, 2013 and that of the erstwhile Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 read with relevant circular issued thereunder. Amendments proposed under both the PESOS 2014 and ESOP 2017 are in compliance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 read with all circulars and notifications issued thereunder ('SBEB Regulations') which replaced the erstwhile 2014 regulations.

These Schemes along with other share-based employee benefits schemes of the Company are administered through an irrevocable employee welfare trust namely 'PSPL ESOP Management Trust' ("Trust") of the Company. For both Schemes, the shareholders have approved the source of equity to the Trust to either be through a fresh issue and/or by secondary acquisition to comply with the vesting schedule for the grants.

The original reserve approved by the Shareholders under the PESOS 2014 and ESOP 2017 schemes was 1,000,000 and 3,400,000 options, respectively.

In AGM held in July 2021, the Shareholders approved an additional reserve of 400,000 and 2,100,000 options respectively, under the above 2 (two) schemes.

In the same meeting, to support the vesting schedule of the two schemes and for the earlier commitments on account of grants to employees on various occasions in the past, the shareholders were informed that the Company proposes to issue up to 3,000,000 fresh shares to the Trust from FY 2023-24 and up to 800,000 shares to be acquired through the secondary market.

Of the 3,000,000 approved for fresh issue by the shareholders, the Company has already issued 500,000 shares to the Trust in April 2023. Without prejudice to the flexibility sought in this regard, the Company proposes to issue the remaining shares to the Trust from FY 2023-24 to FY 2025-26.

As of June 6, 2023, the Company has granted (i) 1,284,030 Options out of the reserve of 1,400,000 Options under the PESOS 2014, and (ii) 4,547,386 Options out of the reserve of 5,500,000 Options under ESOP 2017. As of June 6, 2023, the Company has a balance of (i) 115,970 Options under the PESOS 2014 and (ii) 952,614 Options in ESOP 2017, aggregating to 1,068,584 Options.

The Company has registered consistent growth over the last few years and has ambitious plans ahead. It is industry practice to grant stock options as long-term incentives to employees to motivate them to go above and beyond the regular call of duty. To support the growth plans over the next three to five years, the Company needs more Options to attract, retain, and motivate critical employees and leadership talent. In view of this, the current number of available Stock Options for new grants are insufficient and must be increased.

It is therefore proposed to increase the number of Options by an additional 500,000 Options under PESOS 2014 and by an additional 2,500,000 Options under ESOP 2017 by amending clause 3.1 of the respective Schemes.

Please find below the summary of the proposal in a tabular form:

Particulars	PESOS 2014	ESOP 2017	Total
Additional Reserve approved by Members in the AGM held in July 2021	400,000	2,100,000	2,500,000
Total Options available for Grant after the approval in AGM held in July 2021	1,400,000	5,500,000	6,900,000
Granted to Employees till June 6, 2023	1,284,030	4,547,386	5,831,416
Balance Options available as on June 6, 2023	115,970	952,614	1,068,584
Approval for additional reserve of Options sought for	500,000	2,500,000	3,000,000
Total Options that would be available for grant	615,970	3,452,614	4,068,584

The above proposed increase in the shareholding of the Trust will be done in accordance with the potential vesting of Options granted under respective Schemes and any allotment of Shares to the Trust will be made at the respective Exercise Prices of the Underlying Options.

To support the vesting schedule of options to be granted in the future and without prejudice to the flexibility sought in this regard, the Company proposes to issue additional shares up to 575,000 and acquire up to 2,425,000 shares from the secondary market, starting from FY 2026-27.

Please note that the dilution as a result of the above fresh issuance of 575,000 Shares will be limited to no more than 0.70% over the current paid-up share capital of the Company.

The Company and the Trust shall ensure that the aforesaid additional quantum of Shares along with all Shares acquired and held, from time to time, in one or more tranches under all the Schemes of the Company taken together, by way of secondary acquisition, shall not exceed (i) the financial year-wise acquisition ceiling of 2% (two percent), and (ii) the overall ceiling for holding by the Trust at any time of 5% (five percent) of the paid-up equity capital of the Company as prescribed under Regulations 3(10) and 3(11) of SBEB Regulations, respectively.

It may be noted that options from the above additional reserve would vest only if the individual employees to whom options have been granted meet the following criteria:

- \ Individuals are in service at the time of vesting
- \ Company meets stipulated targets for top-line and bottom-line growth
- \ Individual performance criteria is fully met

Given the details of amendments, rationale thereof, and the beneficiaries of such variation, consent of the Members is being sought by way of Special Resolutions pursuant to Regulation 7 of the SBEB Regulations read with Section 62(1)(b) and all other applicable provisions, if any, of the Companies Act, 2013.

The afore-stated proposals were approved by the Nomination and Remuneration Committee of the Directors (“Committee”) and your Board of Directors (“Board”) at their meetings held on June 6, 2023.

Features of the PESOS 2014 and ESOP 2017 shall remain the same as originally approved except as stated above and are reproduced again in terms of SEBI SBEB Regulations as under:

a. Brief description of the schemes

PESOS 2014 and ESOP 2017: Keeping the aforesaid objectives in view, both the schemes contemplate grant of Options to the eligible employees (which includes eligible Directors) of the Company and those of the subsidiary(ies) of the Company. Upon vesting of Options, the eligible employees earn a right (but not obligation) to exercise the vested Options within the exercise period and obtain Shares of the Company from the Trust subject to payment of exercise price and satisfaction of tax obligation, if any, arising thereon. The Trust administers both the Schemes subject to the superintendence of the Committee.

b. Total number of Options to be granted

PESOS 2014: Upon amendment, the total number of Options to be granted (together with Options that may be granted to employees of any subsidiary companies) shall not exceed 1,900,000 Options (from earlier 1,400,000 Options).

ESOP 2017: Upon amendment, the total number of Options to be granted (together with Options that may be granted to employees of any subsidiary companies) shall not exceed 8,000,000 Options (from earlier 5,500,000 Options).

The SEBI SBEB Regulations require that in case of any corporate action such as rights issue, bonus issue, merger and sale of division and others, a fair and reasonable adjustment needs to be made to the Options granted. In this regard, the Committee shall adjust the number of Options and exercise price in such a manner that the total value of the Options

granted under PESOS 2014 and/or ESOP 2017 remains the same after any such corporate action keeping the life of the Options intact. Accordingly, if any additional Options are issued by the Company or the Trust is required to transfer additional Shares to the Option grantees for making such fair and reasonable adjustment, the aforesaid ceiling of Options/ Shares shall be deemed to be adjusted.

c. Identification of classes of employees entitled to participate in the schemes

Permanent employees of the Company, working in India or outside India, a director (whether whole-time or not) of the Company and those of the Company's subsidiary(ies) in or outside India are eligible to participate in the PESOS 2014 and ESOP 2017.

Provided however that the following persons shall not be eligible to participate in PESOS 2014 and ESOP 2017:

- \ an employee who is a "Promoter" or belongs to the "Promoter Group" as defined in the SBEB Regulations; or
- \ a Director who either by himself or through his relatives or through anybody corporate, directly or indirectly holds more than 10% of the outstanding Shares of the Company; or
- \ Independent Directors

The Company intends to continue with the current definition of 'Employee' under both the Schemes.

d. Requirements of vesting and period of vesting

PESOS 2014: All the Options granted on any date shall vest not earlier than a minimum of 1 (one) year and not later than a maximum of 5 (five) years from the date of grant of Options as may be determined by the Committee. The Committee may extend, shorten, or otherwise vary the vesting period from time to time subject to these minimum and maximum ceilings. Vesting of Options would be subject to continued employment with the Company or its Holding or Subsidiary Company, as the case may be, and the attainment of specific performance parameters.

ESOP 2017: All the Options granted on any date shall vest not earlier than a minimum of 1 (One) year and not later than a maximum of 5 (five) years from the date of grant. The Committee may extend, shorten, or otherwise vary the vesting period from time to time subject to these minimum and maximum ceilings. Vesting of Options would be subject to continued employment with the Company or Subsidiary Company, as the case may be, on the date of Vesting. Thus, the Options would vest on completion of the Vesting Period.

In addition to this, the Committee may also specify certain performance parameters, detailed terms and conditions relating to such performance-based vesting, and the proportion in which Options granted would vest.

Currently, the Vesting Criterion approved by the Committee and Board for the fresh pool of Options under both Schemes is as below:

- a. 50% of the Options granted shall have time-based vesting; and
- b. 50% of the Options granted shall have performance-based vesting

The attainment of performance parameters would be a mandatory condition for the vesting of Options under both Schemes as determined by the Committee from time to time. The Performance parameters will include revenue growth, earnings growth, individual performance, etc. The Committee may vary the weightages depending on business requirements.

e. Maximum period within which the Options shall be vested

PESOS 2014 and ESOP 2017: All the Options granted after the date of this resolution shall vest not later than a maximum of 5 (five) years from the date of grant of Options as stated above.

f. Exercise price or pricing formula

PESOS 2014: The exercise price shall be equal to the face value of shares i.e. INR 10 per Option.

ESOP 2017: The exercise price per Option shall be equal to the value being at a discount of 15% (fifteen percent) from the Market Price within the meaning of the plan. The term "Market Price" carries the same meaning as defined in the SEBI SBEB Regulations.

g. Exercise period and the process of Exercise

PESOS 2014: The exercise period would be 1 (one) year from the date of vesting of respective Options. The Shares transferred out of exercise of vested Options will not be subject to any lock-in period after such exercise.

ESOP 2017: The employee stock options granted may be exercised by the Option Grantee at any time within the Exercise Period determined by the Committee from time to time subject to a maximum period of 12 (Twelve) months from the date of Vesting of the respective Options.

The vested Option shall be exercisable by the Option grantees by a written application to the Company/Trust expressing his/her desire to exercise such Options in such manner and in such format as may be prescribed by the Committee from time to time. Exercise of Options shall be entertained only after payment of the requisite exercise price and satisfaction of applicable taxes by the Option grantee. The Options shall lapse if not exercised within the specified exercise period.

Subject to the maximum exercise period approved by the shareholders of the Company from the date of Vesting of Options except the cases of termination of employment due to death and Permanent Incapacity in which case the exercise period shall be six months from the date of incurring such eventuality.

h. Appraisal and eligibility of employees under the schemes

PESOS 2014: The appraisal process for determining the eligibility would be determined by the Committee from time to time based on broad criteria for appraisal and selection such as parameters like tenure of association with the Company, performance during the previous years, contribution towards strategic growth, contribution to team building and succession, cross-functional relationship, corporate governance, Company's values, etc. As regard the new joiners especially appointed in the senior cadre, the Committee shall have the discretion to decide the criteria for ascertaining the eligibility for grant of Options. All Employees of the Company and its Subsidiary Companies are eligible for being granted employee stock options under PESOS 2014. The specific Employees to whom the Options would be granted and their eligibility criteria would be determined by the Compensation and Remuneration Committee.

The Scheme shall be applicable to the Employees of the Company, its Subsidiary companies in India and abroad and may be granted to the Employees and Directors of the Company, its subsidiaries, as determined by the Nomination and Remuneration Committee at its own discretion.

ESOP 2017: The appraisal process for determining the eligibility shall be decided from time to time by the Committee. The broad criteria for appraisal and selection may include parameters like tenure of association with the Company or its subsidiary, as the case may be. Only Employees are eligible for being granted employee stock options under ESOP 2017. The specific Employees to whom the Options would be granted and their eligibility criteria would be determined by the Compensation and Remuneration Committee at its sole discretion. This ESOP 2017 shall be applicable to the Company and its Subsidiary Companies in India and abroad, and Options may be granted to the Employees of respective companies, as determined by the Compensation and Remuneration Committee at its sole discretion.

i. Maximum number of Options to be issued per employee and in aggregate

PESOS 2014: The number of Options that may be offered to any specific Employee shall not exceed 1% of the issued capital (excluding outstanding warrants and conversions) of the Company at the time of the grant of Options under PESOS 2014.

ESOP 2017: The maximum number of Options that may be granted to an eligible Employee shall vary depending upon the designation and the appraisal/assessment process, however, shall not exceed the ceiling of 2,00,000 (Two Lakh) in number per such Employee and in aggregate under ESOP 2017. However, the Company has not given any loan to the Trust for PESOS 2014 till date. Further, the Company does not intend to grant any loan to the Trust for acquiring Shares through allotment / secondary purchase required for this scheme.

ESOP 2017: The amount of loan or provision of guarantee or security in connection with a loan to the Trust by the Company shall not exceed the amount being 5% (Five Percent) of the aggregate of the paid-up Share capital and free reserves of the Company as per the latest audited accounts. The Trust will acquire Shares by way of secondary acquisition / primary issue as per the Options grant schedule which is spread over a period of five years.
