Dear Sir/Madam,

Sub: Intimation of Commencement of Commercial Production of Aluminium at our existing plant located in Sriperumbudur, Tamil Nadu

In furtherance to the Communication dated 13th October 2022 on setting up of Aluminium Recycling / Melting facility at our existing premises located in Sriperumbudur, Tamil Nadu as part of the Expansion Strategy and pursuant to the provisions of Regulation 30 of SEBI (Listing Obligations Disclosure Requirements) Regulations, 2015, we are glad to inform that our company has completed the installation of plant and machineries and obtained the necessary regulatory approvals and thereby commenced its commercial production on 14th December 2022.

The production at our recycling facility will be gradually scaled up over the months to reach optimum levels. This will help our Company to meet the ever-growing demand of Aluminium.

Circular economy and the importance of environmental responsibility are constantly emphasized by the Company and will continue to introduce more friendly projects and further contribute to circular economy

The Exchange is requested to take note of the same.
