Dear Sirs,

**Sub: Update on EPIC matter**

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform you that in the EPIC Systems Corporation matter, the US District Court for Western District of Wisconsin passed an order reducing the jury award of punitive damages to \$ 140 million and directed the Clerk of the Court to file an amended judgement accordingly.

TCS is legally advised that it has strong arguments in its favor before the Appeal Court and the Order on the punitive damages are not supported by the facts presented by TCS before the Trial Court. We have been advised that the Order and the Judgement (when issued) is appealable to the US Court of Appeals, 7<sup>th</sup> Circuit Chicago.

The Company did not misuse or derive any benefit from EPIC's documents and plans to defend its position vigorously before the Appeal Court. As an organization, the Company remains committed to respecting and protecting proprietary information as well as its reputation.

Thanking you,

Yours faithfully,
