The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at WWW.NETTLINX.COM. The Notice can also be accessed from the websites of the Stock

Exchanges i.e. BSE Limited and metropolitan stock exchange of India Limited at www.bseindia.com and www.msei.in respectively and the AGM Notice is also available on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com.

7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with Circular No. 14/2020 (dated April 8, 2020), Circular No.17/2020 (dated April 13, 2020) Circular No. 20/2020 (dated May 5, 2020), Circular No. 02/2021 (dated January 13, 2021), Circular No. 19/2021 (dated December 8, 2021), Circular No. 21/2021 (dated December 14, 2021) and Circular No.2/2022 (dated May 5, 2022) Circular No.10/2022 (dated December 28, 2022) and Circular SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by SEBI (hereinafter collectively referred to as “the Circulars”).

THE INTRUCTIONS FOR SHARE HOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on Saturday, September 16, 2023 (9.00 a.m. IST) and ends on Tuesday, September 19, 2023(5.00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on Wednesday, September 13, 2023 i.e., cut-off date (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**By order of the Board of Directors
For Nettlinx Limited**

**Sd/-
Dr. Manohar Loka Reddy
Managing Director
DIN: 00140229**

**Date : 28.07.2023
Place : Hyderabad**

**Explanatory Statement
(Pursuant to Section 102 of the Companies Act, 2013)**

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 4 and 5 of the accompanying Notice:

ITEM NO. 4

INCREASE THE REMUNERATION OF MANAGING DIRECTOR DR. MANOHAR LOKA REDDY, FROM THE EXISTING THE SALARY OF RS.50,000/- P.M. TO SALARY OF RS.5,00,000/- P.M.:

The Members of the Company at the 27th Annual General Meeting held on September 30, 2020 ("27th AGM") had appointed Dr. Manohar Loka Reddy as the Managing Director of the Company effective from 05.06.2020 for a period of five years up to 04.06.2025.

Pursuant to the provisions of Section 196, 197 and 198 of the Companies Act, 2013 read with Schedule V, a company having inadequate/no profits, may subject to certain conditions including the passing of a Special resolution, pay such remuneration to its managerial personnel as may be decided by the Board of Directors on the recommendation of Nomination and Remuneration Committee.

Taking into consideration the increased business activities of the Company coupled with higher responsibilities cast on Dr. Manohar Loka Reddy, the Board of Directors, on recommendation of the Nomination and Remuneration Committee of the Company, at its meeting held on 28th day of July, 2023, has approved the proposal to increase the salary of Dr. Manohar Loka Reddy, Managing Director, subject to the approval of shareholders, as set out in the resolution being item no. 4 of the accompanying notice w.e.f. 01st day of April, 2023 for the remaining period of his tenure i.e. upto 04th day of June, 2025.

Minimum Remuneration: Where in any financial year, during the currency of the tenure of Dr. Manohar Loka Reddy as Managing Director, the Company has no profits or its profits are inadequate, the Company will pay remuneration to him by way of salary, perquisites and allowances as specified in the resolution being item no. 5 of the accompanying notice as minimum remuneration, subject to the limits and conditions as prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time.

Out of abundant caution and in view of the relevant extant provisions of law relating to managerial remuneration, the Company is complying with the provisions of Section II of Part II of Schedule V of the Companies Act, 2013 which prescribes that in case of no profits or inadequate profits, the remuneration can be paid by the Company to its managerial personnel as minimum remuneration within the limits arrived at in accordance with the requirements of the said section II, subject to the following:

- (I) The payment of remuneration is approved by a resolution passed by the Board and also by the Nomination and Remuneration Committee of Directors.
- (ii) There is no default in repayment of any of its debts or interest payable thereon.

The Nomination and Remuneration Committee at its meeting held on 28th day of July, 2023 has already approved the above remuneration payable to Dr. Manohar Loka Reddy, Managing Director of the Company.

Further, the Company has not made any default in repayment of any of its debts or interest payable thereon. The proposed revision in remuneration above is well in conformity with the relevant provisions of the Companies Act, 2013, read with Schedule V to the said Act and hence approval of Central Government is not required for the above revision in remuneration.

Except for the aforesaid revision in salary, all other terms and conditions of his appointment as Managing Director of the Company as approved by the members of the Company shall remain unchanged.

During the financial year ended March 31, 2023, the profits of the Company may not be adequate and therefore the remuneration payable to the Managing Director would exceed the limits prescribed under the relevant provisions of the Companies Act, 2013.

The details of remuneration payable to Dr. Manohar Loka Reddy, Managing Director despite inadequacy or absence of profits is as under:

Remuneration:

- a) Salary :Rs. 250000/- (Rupees Two lakhs Fifty Thousand only) per month.
- b) HRA :Rs. 100000/- (Rupees One lakh only) per month.
- c) SPA :Rs. 150000/- (Rupees One lakhs Fifty Thousand only) per month.
- d) Medical Expenses/ Reimbursement: As approved by Board.
- e) Leave Travel Allowance: For self and family once in a year incurred in accordance with the Rules of the Company.
- f) Personal Accident Insurance : As per the rules of the Company.
- i) Gas & Electricity etc. : As per the rules of the Company.
- j) Car : As per the rules of the Company.
- k) Telephone : As per the rules of the Company.

Explanation : For the purpose of this part, 'family' means the spouse.

Other Benefits :

- i) Gratuity : As per the rules of the Company.
- ii) Contribution to the Provident Fund, Superannuation Fund or Annuity Fund : As per the rules of the Company.
- iii) Encashment of leave : As per the rules of the Company.

Apart from the aforesaid remuneration, he will be entitled to reimbursement of all expenses incurred in connection with the business of the Company.

The appointee shall not be entitled to any sitting fees for Board / Committee meetings.

The said perquisites and allowances shall be evaluated, wherever applicable, as per the provisions of Income Tax Act, 1961 or any rules thereunder or any statutory modifications or re-enactment thereof; and in the absence of any such rules, perquisite and allowances shall be evaluated at actual cost. The Company's contribution to Provident Fund, Superannuation or Annuity Fund, to the extent these singly or together are not taxable under the Income Tax law, gratuity payable and encashment of leave shall not be included for the purpose of computation of the overall ceiling of remuneration.

In the event of inadequacy of profits calculated as per Section 198 of the Companies Act, 2013 in this financial year Dr. Manohar Loka Reddy shall be entitled to a minimum remuneration comprising salary, perquisites and benefits as detailed above subject to such revisions as may be approved by the Board.

The terms and conditions of the said appointment and / or agreement are subject to provisions of Sections 196, 197, 203 and other applicable provisions if any, of the Companies Act, 2013 ("The Act") read with Schedule V to the Act and the Companies (Appointment and Remunerations of Managerial Personnel) Rules, 2014 including any statutory modifications or enactments thereof from time to time and may be altered and varied from time to time by the Board/ Committee as it may in its discretion deem fit within the maximum amount of remuneration payable in accordance with the applicable rules and regulations. Further, the

remuneration as would be paid to Dr. ManoharLoka Reddy, managing director during his tenure would be the remuneration payable to him even if the said exceeds the stipulated managerial limits in terms of the provisions of Sections 196 and 197 of the Companies Act, 2013 read with Schedule V to the said Act and the excess payment of managerial remuneration, if any, during any financial year / period in between will stand waived subject to fulfillment and compliance of other conditions as mentioned under the various provisions of the Act or rules related thereto. Statement as required under Section II, Part II of the Schedule V of the Companies Act, 2013 with reference to Special Resolution at Item No.4 is annexed hereto.

Accordingly, the Board recommends the resolution set forth in Item No. 4 relating to increase in the managerial remuneration payable to Dr. ManoharLoka Reddy, Managing Director, by way of Special Resolution.

Except Dr. Manohar Loka Reddy, no other director(s) and Key Managerial Personnel(s) or their relatives, is in any way, concerned or interested, financially or otherwise, in this resolution.

3. CHANGE IN THE NATURE OF BUSINESS, IF ANY:

There was no change in nature of business of the Company. Consolidation of Clients, rationalization of market segments & expansion of Sales force will be the Focused approach in Financial Year 2023-2024 to achieve the targeted numbers. During the Financial Year 2023-2024 the plan is to profitably balance out and integrate Top line growth with reasonable bottom lines.

4. MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

There have been no material changes and commitments, if any, affecting the financial position of your Company which have occurred between the end of financial year of the Company to which the Financial Statements relate and date of this Report. There were no significant or material orders passed by regulators, courts or tribunals impacting the Company's operations in future.

5. FUTURE OUTLOOK:

Renewed thrust with a larger Sales force to tap the growing market during Q 2 , Q 3 & Q 4 will take up the Top line under stand alone to a level of Rs. 2,000 lakhs, up from the previous year's Rs .1017.84Lakhs, an estimated growth of around 96.49 % YoY .

Standalone:

In the ISP segment, there is immense competition in both the twin states of Telangana State & Andhra Pradesh State. On one hand, Home grown and dominant localized State level A & B category ISPs are fighting for larger market shares with bigger brand presence & reach. On the other side, National TELCOs are also directly marketing all their Voice, Data & Video service offerings in the same markets. Margins are shrinking with incremental fixed costs. Fall in

Internet Bandwidth buying prices is getting negated with higher demand from end consumers from the point of view of both quality & quantity of bandwidth, which poses a challenge in optimizing usage of Internet bandwidth manage the band, thus not. State Governments on both sides are exploring the possibility of providing Free Wi-Fi in select Cities & principal towns. This may add to the existing fierce competition.

Additionally, Reliance JIO Communications is expected to play havoc in the market with their aggressive combo offerings and marketing campaigns. Against the above backdrop, Nettlelinx has strategically positioned itself in a niche market segment comprising of larger reliance on SMEs, Educational Institutions & Business Broadband than relying on third party Cable Operators network as opposed to only the home broadband segment & whole sale bandwidth by most others. Under these circumstances, Nettlelinx will be able to overcome competition and scale over all the hurdles and achieve the desired and budgeted financial numbers.

C. Whistle Blower Policy (Vigil mechanism):

Your Company is serious about its adherence to the codes of Conduct and to achieve at par with the highest standards of ethical, moral and legal conduct of business operations and henceforth encourage its employees to bring ethical and legal violations they are aware of to an internal authority without fear of punishment or unfair treatment so that action can be taken immediately to resolve the problem. A Vigil (Whistle Blower) mechanism provides a channel to the employees and Directors to report to the management concerns about unethical behavior, actual or suspected fraud or violation of the Codes of conduct or policy. The mechanism also provides for adequate safeguards against victimization of employees to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee. Thus minimization of organization's exposure to the damage that can occur when employees circumvent internal mechanisms is the main objective which neither releases employees from their duty of confidentiality in the course of their work, nor can it be used as a route for raising any malicious allegations against people in authority and / or colleagues in general. Your company has given affirmation that no personnel have been denied access to the Audit Committee. The Company's Whistle Blower Policy is available on the company's website www.nettlinx.com and on the web link http://nettlinx.com/company/Policies/Nettlinx_VIGIL_MECHANISM.pdf.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

2. INDUSTRY STRUCTURES & DEVELOPMENTS:

The Internet services market is rapidly growing , partly on account of higher penetration of users in rural areas getting on to Net and higher frequent usage of broadband in urban locations as most are using internet for multiple uses inclusive of Voice , Data & Video. Add to this is the aggressive campaigns of Large TELCOs who are constantly attracting Users for their Cellular Data plans , both in terms of upgrading existing users and also creating new ones. The market is rapidly adapting to the use of popular social networking sites. New players launching their services will further boost the market although margins in the next few years may shrink to a little extent owing to raising other costs.

3. OPPORTUNITIES & THREATS:

The Company enjoys goodwill from its Customers. Our Corporate objective is to create mutual long term sustainable value through a collaborative approach driven by the vision of becoming a preferred Internet choice for distinguished Clientele demanding Quality, Value for Money & Flexibility translating into a perfect Win-Win for either Entities. This formula is working fine in favor of our Organisation. Additionally, We are operating in Niche business segments & geographic locations within Telangana State & AP State without directly taking any of those large companies head on. We continue to optimistically protect and retain our current base and progressively increase the sales revenue and market share moving forward.

New technologies like WiFi& Free WiFi to Citizens envisaged by Govts , although may pose a little challenge to start with, In reality these may not be any threat to us as these service offerings may have challenges from the point of view of logistics and technological obstacles and will have lots of limitations and therefore may not be commercially viable. This would in reality enlarge the usage in the market place creating a level playing field in the long run.

4. OUTLOOK:

In order to meet the changing market realities, your Company has been following the philosophy of providing the highest quality products and services at the lowest possible prices. All endeavours are made to achieve possible cost reduction in every area of operations. Your Company's philosophy to provide high class quality products i.e. full value for money, to consumers would greatly benefit in the long run. In the otherwise increasing cost arena, every expense, whether capital or revenue is minutely reviewed to achieve all possible savings.

5. RISKS AND CONCERNS:

The Company's products are largely intended for sale in the domestic market. Apart from normal risks as are applicable to an Industrial Undertaking the Company does not foresee any serious area of concern. The Company is obtaining adequate insurance coverage for its assets at the plant and the field locations etc. The company has no foreign exchange risk coverage due to its limited exposure. Compliance of safety requirements and norms placed by different Government agencies is a top priority of your Management.

6. INTERNAL CONTROL SYSTEMS

The Company has proper and adequate systems of internal controls in order to ensure that all assets are safeguarded against loss from unauthorized use of disposition and that all transactions are authorised, recorded and reported correctly. An Audit Committee headed by a non-executive independent Director is in place to review various areas of the control systems.

7. DISCUSSION OF FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The details of the financial performance of the Company are appearing in the Balance Sheet, Profit & Loss Account and other financial statements etc. appearing separately. Highlights for the year 2022-23 are as under:

9. DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR ALONG WITH A DETAILED EXPLANATION THEREOF

At standalone level, Return on Net Worth decreased from 33.44% in FY 2021-22 to 30.69% in FY 2022-23. This is primarily on account of the following reasons:

- Rise in disbursements supported by launch of new products.
- Significant reduction in Cost of Borrowing and improved Credit Rating resulting in healthy NIM; and
- Better collection performance resulting in lower Credit Cost

10. HUMAN RESOURCES:

During the year under review, the Company has undertaken extensive steps in optimizing the man power at corporate office, Branches and Field locations. Employee/employer relations were cordial throughout the year. Measures for safety of the employees, training and development continued to receive top priorities.

11. CAUTIONARY STATEMENT:

INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors of M/s NETTLINX LIMITED
Report on the audit of the IND AS Standalone financial statements

Opinion

1. We have audited the accompanying standalone financial statements of NETTLINX LIMITED ("the Company"), which comprise the standalone balance sheet as at March 31, 2023, and the standalone statement of Profit and Loss (including Other Comprehensive Income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Company (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS) and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and the profit and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not noticed any findings which are required to be considered in key audit matters of independent auditor's report.

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the standalone financial statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the IND AS accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(f) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 - We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 - From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Report on other legal and regulatory requirements**
10. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
11. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 27 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 30 to the standalone financial statements);
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 30 to the standalone financial statements); and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- v. The Company has declared an interim dividend of Rs.0.40 per equity share during the year.
- vi. The Company is in the process of implementing the Audit Trail feature as per the statutory requirements.
12. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure – ‘A’ to the Independent Auditor’s Report

Referred to in paragraph 11(f) of the Independent Auditor’s Report of even date to the members of Nettlinx Limited on the Standalone financial statements for the year ended March 31, 2023

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Nettlinx Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

- I (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder.
- ii. (a) The Company is service oriented and does not have any inventory during the year under review. Accordingly, the reporting of the clause (ii)(a) is not applicable to the company for the current year
- (b) During the year, the Company does not taken working capital limits from any banks or financial institutions. Consequently, the question of our commenting on whether working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets and the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company does not arise.
- iii. (a) The Company has made investments in five companies The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such investments, loans or advances and guarantees or security to subsidiaries, joint ventures and associates and to parties other than subsidiaries, joint ventures and associates are as per the table given below:

	Investments	Security	Loans	Advances in nature of loans
Aggregate amount invested during the year				
-Subsidiaries	-	-	-	-
-Joint Ventures	-	-	-	-
-Associates	-	-	-	-
-Others	-	-	-	-
Balance outstanding as a balance sheet date in respect of the above case				
-Subsidiaries	3443.87	-	-	-
-Joint Ventures	-	-	-	-
-Associates	-	-	-	-
-Others	13.16	-	-	-

(Also refer Note 5 to the financial statements)

- (b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company’s interest.
- (c) The company does not granted any loans/advances in nature of loans during the year under review. Accordingly, the reporting of the clause (iii)(B)(c) to (iii)(B) (f) are not applicable to the company for the current year under review.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made. The Company has not provided any guarantees and security to the parties covered under Sections 185 and 186 of the Companies Act, 2013.
- v. In our opinion, and according to the information and explanations given to us, the Company has complied with the directives issued by the Reserve Bank of India and the provisions of Sections 73, 74, 75 and 76 or any other relevant provisions of the Act and the Rules framed thereunder to the extent notified, with regard to the deposits accepted by the Company or amounts which are deemed to be deposits. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits, and therefore, the question of our commenting on whether the same has been complied with or not does not arise.
- vi. Pursuant to the rules made by the Central Government of India, the Company is not required to maintain cost records as specified under Section 148(1) of the Act in respect of its supply of goods/services.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees’ state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, entry tax and other material statutory dues, as applicable, with the appropriate authorities.

There were no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs and other material statutory dues as at 31st March 2023 for a period of more than six months from the date they became payable except DoT Tax amount of Rs. 15.24 Lakhs is pending for more than one accounting year. Refer Note No 27 of the Standalone financial Statements

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues of goods and services tax, provident fund, employees' state insurance, income tax, cess, which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been previously recorded in the books of account.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, and according to the information and explanations given to us, the company does not take any term loans during the year under review.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) to 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures specified under Section 133 of the Act.
- xiv. (a) In our opinion and according to the information and explanation given to us by the management, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The Report of the internal auditor for the period under audit have been considered by us.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

Notes to the financial Statements

A. Corporate Information

Nettlinx Limited ('the Company') is a Public Limited Company incorporated in India, registered under Companies Act 1956 having registered office at 5-9-22 Flat No.303, 3rd Floor My Home Sarovar Plaza, Secretariat Road, Saifabad, Hyderabad, Telangana, India - 500063 and its securities listed on the BSE Limited.

Nettlinx Limited provides a portfolio of high-quality Internet solutions for data voice and security and software development to cater to the corporate customer needs.

B. Basis of preparation of financial statements

B.1. Statement of Compliance

These financial statements are prepared in accordance with the generally accepted accounting principles (GAAP) in India and in compliance with the Indian Accounting Standards (Ind AS) Specified under section 133 of the Companies Act 2013("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 , the Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and other provisions to the Act, to the extent notified and applicable as well as applicable guidance notes and pronouncements of the Institute of Chartered Accountants of India (the ICAI)

The financial statements were authorized for issue by the Company's Board of Directors on 30May 2023, .

Details of the accounting policies are included in Note 1.

B.2 Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

These financial statements have been prepared under the historical cost convention on an accrual and going concern basis except for the following assets and liabilities:

- Certain financial assets and liabilities are measured at fair value;
- Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation;

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant Amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

B.3 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the Company. All amounts are in Indian Rupees except share data, unless otherwise stated.

B.4 Operating Cycle

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out under Ind As and in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realized within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

B.5 Critical accounting judgements and key sources of estimation uncertainty.

In the application of the Company's accounting policies, which are described in Note 1, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Investment in equity instruments of subsidiary and associate companies

During the year, the Company assessed the investment in equity instrument of subsidiary companies carried at cost for impairment testing. These companies are expected to generate positive cash flows in the future years. Detailed analysis has been carried out on the future projections and the Company is confident that the investments do not require any impairment.

B.6. Fair value measurement and valuation process:

The company measured financial assets and liabilities, if any, at fair value for financial reporting purposes.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1. Significant accounting Policies
1.1 Revenue recognition

The Company offers a complete range of network solutions like Internet, Network Management Services, Data Centre and Co-Location Services and Enterprise Mailing Solutions etc and derives revenues primarily from business IT services comprising of software development and related services, consulting and package implementation.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from Online information and database access or retrieval recognized as the service is performed on the basis of actual usage of the company network in accordance with contractual obligation and is recorded net of Goods & service tax.

Company provided specialised features to the subscribers which entitle them to access the network of the company, in such case the revenue is recognised when such features are activated and used by the subscriber.

Products and platforms:

The Company offers a complete range of network solutions like Internet, Network Management Services, Data Centre and Co-location Services and Enterprise Mailing Solutions etc and derives revenues in the way of sale of products, sale of VOIP Telephones and Bandwidth Services, Web Solutions & ITES (Exports).

Revenue includes only the gross inflows of economic benefits received a receivable by the entity on its own account. Amounts collected on behalf of third parties such as sales taxes, goods and services taxes and value added taxes are not economic benefits which flow to the entity and do not result in increases in equity. The company presents revenues net of taxes in its statement of Profit and Loss.

Other Income

Other income is comprised primarily of interest income, Rental income and exchange gain / loss on translation of other assets and liabilities. Interest income is recognized using the effective interest method.

1.2 Leases

Effective 1 April 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method. Comparatives as at and for the year ended 31 March 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies applicable for previous year. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. Lessee Policy effective 1 April 2019 the Company's lease asset classes primarily consist of leases for Land, buildings and colocations spaces. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Company recognized Right use Asset and Lease Liability value of Rs. 88,61,585 in the year 2020-2021

1.3 Foreign currency Transactions. Functional currency

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off wherever required)

Transactions and translations

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Exchange difference on monetary items is recognised in the Statement of Profit and Loss in the period in which it arises except for;

- (a) Exchange difference on foreign currency borrowings relating to depreciable capital asset is included in cost of assets.
- (b) Exchange difference on foreign currency transactions, on which receipt and/ or payments is not planned, initially recognised in Other Comprehensive Income and reclassified from Equity to profit and loss on repayment of the monetary items.

The results and financial position of foreign operations with functional currency different from the presentation currency, are translated into the presentation currency as follows:

- (a) Assets and liabilities for each consolidated statement of financial position presented are translated at the closing rate at the date of that consolidated statement of financial position;
- (b) income and expenses for each consolidated statement of comprehensive income are translated at average exchange rates (unless average rate is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and
- (c) All resulting exchange differences are recognised in other comprehensive income.

Goodwill and fair value adjustments arising on the acquisition of a foreign entity are treated as assets and liabilities of the foreign entity and translated into rupee, the functional currency of the company, at the exchange rates at the reporting date. Exchange difference arising are recognised in other comprehensive income and accumulated in equity, except to the extent that the exchange differences is allocated to the non-controlling interests.

1.4 Borrowing costs

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets up to the commencement of commercial operations. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the year in which they are incurred.

Borrowing cost includes interest incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

1.5 Taxes on Income Tax and Deferred Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Provision for income tax is made on the basis of taxable income for the year at the current rates

Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable income. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilised.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets/ liabilities are not recognised for initial recognition of Goodwill or on an asset or liability in a transaction that is not a business combination and at the time of transaction

affects neither the accounting profit nor taxable profit or loss. MAT credit is recognised as an asset, only if it is probable that the Company will pay normal income tax during the Specified period.

1.6 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company and includes post tax effect of any exceptional item by the weighted average number of equity shares outstanding during the period excluding the shares owned by the Trust, outstanding during the period

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.7 Property, plant and equipment (PPE)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. The Company identifies and determines separate useful lives for each major component of the property, plant and equipment, if they have a useful life that is materially different from that of the asset as a whole.

Cost of an item of PPE comprises of its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and present value of estimated costs of dismantling and removing the item and restoring the site on which it is located.

Expenses on existing property, plant and equipment, including day-to-day repairs, maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred. Gains or losses arising from de recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

1.8 Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life as per Ind AS 16 and is provided on a Reduced Balance Method basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciation is charged on a pro-rata basis for assets purchased / sold during the year.

The management's estimates of the useful lives of various assets for computing depreciation are as follows:

Particulars	Useful life (in yrs)
Buildings	60
Plant and Machinery	13
Furniture & Fixtures	10
Office Equipment – Others	05
Vehicles	8

The useful lives as given above best represent the period over which the management expects to use these assets, based on technical assessment. The estimated useful lives for these assets are therefore different from the useful lives prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

1.9 Intangible assets and amortisation

1. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Cost includes all direct costs relating to acquisition of Intangible assets and borrowing cost relating to qualifying assets.

2. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Particulars	Useful life
3. There are no intangible assets assessed with indefinite useful life. The life of amortisation of the intangible assets is as follows. Particulars	
Software	8 years

4. Intangible assets are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting year. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

5. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

6. Gains or losses arising from de recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Any gain or loss on disposal of an item of Intangible Assets is recognized in statement of profit and loss.

1.10 Inventories

Stock-in-trade, stores and spares are accounted for at cost and all other costs incurred in bringing the inventory to their present location and condition, determined on weighted average basis or net realizable value, whichever is less Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

The company dealing in business of Bandwidth & Software services and does not have any Inventory.

1.11 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

1.12 Statement of Cash Flows (Cash Flow Statement)

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

1.13 Employee benefits

1. Provident Fund: Employees of the Company receive benefits under the provident fund, a defined benefit plan. The employee and employer each make monthly contributions to the plan. A portion of the contribution is made to the provident fund trust managed by the Company or Government administered provident fund. The liability is actuarially determined (using the projected unit credit method) at the end of the year. The contributions are charged to the statement of profit and loss in the year when employee renders the related service. There are no other obligations other than the contribution payable to the respective authorities.

2. Gratuity:

The Company provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

3. Compensated Absences:

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by Estimation Basis.

4. The actuarial valuation is done at the end of the year. Actuarial gains/losses are immediately taken to statement of profit and loss and are not deferred.

1.14 Investments in Subsidiaries and Associates

The company's investment in its Subsidiaries and Associates are carried at cost.

1.15 Provisions

1. A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

2. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

1.16 Financial instruments

a. Recognition and Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs

that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

b. Classification and Subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Company's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment* whether contractual cash flows are solely payments of principal and interest

*For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost: These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.

Financial liabilities:

Classification, Subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

c. Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

d. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

e. Impairment

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost;

At each reporting date, the Company assesses whether financial assets carried at amortized cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer;
- The restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- It is probable that the borrower will enter bankruptcy or other financial reorganization; or
- The disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- Debt securities that are determined to have low credit risk at the reporting date; and

- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Note 33

As stipulated in IndAS–36, the Company has assessed its potential of economic benefits of its business units and is of the view of that the assets employed in continuing business are capable of generating adequate returns over their useful life in the usual course of its business.

Note 34**Financial risk management objectives and policies**

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk, interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits. The sensitivity analysis in the following sections relate to the position as at March 31, 2023 and March 31, 2022.

The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt.

The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2023 and March 31, 2022

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Company does not enter into any interest rate swaps.

ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables is monitored on a continuous basis by the receivables team.

As per the Management estimation, the company is confident of recovering the present Trade Receivables. Hence no ECL (Expected Credit Loss) has created .

Customers accounted for more than 5% of the revenue as of March 31, 2023 is The Principal Secretary, ITE&C Department Hyderabad, Telangana for Rs.70.00 Lakhs

Credit risk on cash and cash equivalent is limited as the Company generally transacts with banks and financial institutions.

iii) Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans. The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(Rs. in Lakhs)

INDEPENDENT AUDITOR'S REPORT

To

The Members of M/s NETTLINX LIMITED

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of M/s. Nettlinx Limited, ("the Company"), its subsidiaries (the company and its subsidiaries together referred as "Group"), which comprise the consolidated Balance Sheet as at March 31, 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to explanations given to us, the aforesaid consolidated financial statements give the information by the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date except for the matters described in the Basis for Disclaimer of Opinion section of our report, we are not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not noticed any findings which are required to be considered in key audit matters of independent auditor's report.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud and error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud and error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from, as fraud may involve
collusion, forgery, international omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(f) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used in the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.
- Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

- We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so

would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) We did not audit the financial statements / financial information of three subsidiaries included in the consolidated financial results, whose financial statements / financial information reflect total assets of Rs. 2699.94 Lakhs as at 31st March, 2023, total revenues of Rs.252.48 Lakhs, total net loss after tax of Rs. 40.12 Lakhs, total comprehensive loss of Rs.40.12 Lakhs and cash flows (net) of Rs. -453.90 Lakhs for the year ended on that date, as considered in the consolidated financial results. The consolidated financial results also include the Group's share of net loss after tax of Rs.20.97 Lakhs and total comprehensive loss after tax of Rs.20.97 Lakhs for the year ended 31st March, 2023, as considered in the consolidated financial results, whose financial statements / financial information have not been audited by us. This financial statements / financial information has been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

This financial statement/ financial information is unaudited and have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on such unaudited financial statements/financial information. In our opinion and according to the information and explanations given to us by the Management.

- b) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements except for the matter specified under para "Basis for Disclaimer of Opinion" above.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of accounts for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of Written Representations received from the directors of the Company as on March 31, 2023 taken on record by the Board of Directors of the Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note No.32 of the Consolidated Financial Statements
 - ii. The Company and its Subsidiaries did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii. There are no amounts which are required to be transferred to Investor Education and protection fund.

Annexure – “A” To the Independent Auditor’s Report

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Nettlinx Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of NETTLINX LIMITED, (hereinafter referred to as “Company”), and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence which we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Notes of Account on consolidated financial Statements

Group overview & significant policy

A. Group overview

Nettlinx is an Internet Infrastructure initiative of the Nettlinx Group. Nettlinx Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2023, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

B. Basis of preparation of financial statements

B.1. Statement of Compliance

These consolidated financial statements are prepared in accordance with the generally accepted accounting principles (GAAP) in India and in compliance with the Indian Accounting Standards (Ind AS) Specified under section 133 of the Companies Act 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, the Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and other provisions to the Act, to the extent notified and applicable as well as applicable guidance notes and pronouncements of the Institute of Chartered Accountants of India (the ICAI)

The Consolidated financial statements were authorized for issue by the Holding Company's Board of Directors on 30 May, 2023.

Details of the accounting policies are included in Note 1.

B.2 Basis of preparation and presentation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis, except for the following material items in the statement of financial position:

- Certain financial assets and liabilities are measured at fair value;
- Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value value of the defined benefit obligation;

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant Amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the year-end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year-end figures reported in this statement.

B.3 Basis of Consolidation

Nettlinx Limited Consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the company, its controlled entities as disclosed in Note 30. Control exists when the parent has power over the entity, is exposed or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing

rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

B.4 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the Group. All amounts are in Indian Rupees except share data, unless otherwise stated.

B.5 Operating Cycle

All the assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out under Ind As and in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realized in, or is intended for sale or consumption in, the Group's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realized within twelve months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Group's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting date; or
- d) the Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

B.6 Critical accounting judgements and key sources of estimation uncertainty.

In the application of the Group's accounting policies, which are described in Note 1, the management of the Group are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

Provision and contingent liability

On an ongoing basis, Group's reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Investment in equity instruments of subsidiary and associate companies

During the year, the Group assessed the investment in equity instrument of subsidiary and associate companies carried at cost for impairment testing. These companies are expected to generate positive cash flows in the future years. Detailed analysis has been carried out on the future projections and the Group is confident that the investments do not require any impairment.

B.7 Fair value measurement and valuation process:

The Group measured financial assets and liabilities, if any, at fair value for financial reporting purposes.

The Group recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

1. Significant accounting Policies

1.1 Revenue recognition

The Group offers a complete range of network solutions like Internet, Network Management Services, Data Centre and Co-Location Services and Enterprise Mailing Solutions etc and derives revenues primarily from business IT services comprising of software development and related services, consulting and package implementation.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from Online information and database access or retrieval recognized as the service is performed on the basis of actual usage of the company network in accordance with contractual obligation and is recorded net of Goods & service tax

Company provided specialised features to the subscribers which entitles them to access the network of the company, in such case the revenue is recognised when such features are activated and used by the subscriber.

Products and platforms:

The Group offers a complete range of network solutions like Internet, Network Management Services, Data Centre and Co-location Services and Enterprise Mailing Solutions etc and derives revenues in the way of sale of products, sale of VOIP Telephones and by way of provision of Bandwidth Services, Web Solutions & ITES(Exports).

Revenue includes only the gross inflows of economic benefits received a receivable by the entity on its own account. Amounts collected on behalf of third parties such as sales taxes, goods and services taxes and value added taxes are not economic benefits which flow to the entity and do not result in increases in equity. The group presents revenues net of taxes in its statement of Profit and Loss.

Other Income

Other income is comprised primarily of interest income, Rental income and exchange gain / loss on translation of other assets and liabilities. Interest income is recognized using the effective interest method.

1.2 Leases

Effective 1 April 2019, the group adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method. Comparatives as at and for the year ended 31 March 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies applicable for previous year, The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. Lessee Policy effective 1 April 2019 the Group's lease asset classes primarily consist of leases for Land, buildings and colocations spaces. The group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Group recognized Right use Asset and Lease Liability value of Rs. 88,61,585 in the year 2020-2021

1.3 Foreign currency Transactions.

Functional currency

In preparing the financial statements of the Group, transactions in currencies other than the Group's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

Transactions and translations

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.

Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Exchange difference on monetary items is recognised in the Statement of Profit and Loss in the period in which it arises except for;

- (a) Exchange difference on foreign currency borrowings relating to depreciable capital asset is included in cost of assets.
- (b) Exchange difference on foreign currency transactions, on which receipt and/ or payments is not planned, initially recognised in Other Comprehensive Income and reclassified from Equity to profit and loss on repayment of the monetary items.

The results and financial position of foreign operations with functional currency different from the presentation currency, are translated into the presentation currency as follows:

- (a) Assets and liabilities for each consolidated statement of financial position presented are translated at the closing rate at the date of that consolidated statement of financial position;
- (b) income and expenses for each consolidated statement of comprehensive income are translated at average exchange rates (unless average rate is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and
- (c) All resulting exchange differences are recognised in other comprehensive income.

Goodwill and fair value adjustments arising on the acquisition of a foreign entity are treated as assets and liabilities of the foreign entity and translated into rupee, the functional currency of the Group, at the exchange rates at the reporting date. Exchange difference arising are recognised in other comprehensive income and accumulated in equity, except to the extent that the exchange differences is allocated to the non-controlling interests.

1.4 Borrowing costs

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets up to the commencement of commercial operations. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognized as an expense in the year in which they are incurred. Borrowing cost includes interest incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

1.5 Taxes on Income Tax and Deferred Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Provision for income tax is made on the basis of taxable income for the year at the current rates

Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable income. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilised.

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets/ liabilities are not recognised for initial recognition of Goodwill or on an asset or liability in a transaction that is not a business combination and at the time of transaction affects neither the accounting profit nor taxable profit or loss. MAT credit is recognised as an asset, only if it is probable that the Group will pay normal income tax during the Specified period.

1.6 Business Combinations and intangible assets:

Business combinations are accounted for using Ind AS 103, Business Combinations. Ind AS 103 requires the identifiable intangible assets and contingent consideration to be fair valued in order to ascertain the net fair value of identifiable assets, liabilities and contingent liabilities of the acquiree. Significant estimates are required to be made in determining the value of contingent consideration and intangible assets.

1.7 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the group and includes post tax effect of any exceptional item by the weighted average number of equity shares outstanding during the period excluding the shares owned by the Trust, outstanding during the period

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.8 Property, plant and equipment (PPE)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. The Group identifies and determines separate useful lives for each major component of the property, plant and equipment, if they have a useful life that is materially different from that of the asset as a whole.

Cost of an item of PPE comprises of its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and present value of estimated costs of dismantling and removing the item and restoring the site on which it is located.

Expenses on existing property, plant and equipment, including day-to-day repairs, maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred. Gains or losses arising from de recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the group and the cost of the item can be measured reliably.

1.9 Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life as per Ind AS 16 and is provided on a Reduced Balance Method basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Group, or the number of production or similar units expected to be obtained from the asset by the Group. Such classes of assets and their estimated useful lives are as under

Particulars	Useful life (in yrs)
Buildings	60
Plant and Machinery	13
Furniture & Fixtures	10
Office Equipment – Others	5
Vehicles	8

1.10 Intangible assets and amortization

1. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Cost includes all direct costs relating to acquisition of intangible assets and borrowing cost relating to qualifying assets.

2. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

3. There are no intangible assets assessed with indefinite useful life. The life of amortisation of the intangible assets is as follows.

Particulars	Useful life
Software	8 years

4. Intangible assets are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting year. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

5. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

6. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Any gain or loss on disposal of an item of Intangible Assets is recognised in statement of profit and loss.

1.11 Inventories

Inventories are accounted for at cost and all other costs incurred in bringing the inventory to their present location and condition, determined on weighted average basis or net realizable value, whichever is less. Net realizable value is the estimated selling price in the ordinary course of business less estimated costs necessary to make the sale.

1.12 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

1.13 Statement of Cash Flows (Cash Flow Statement)

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

1.14 Employee benefits

1. Provident Fund: Employees of the Group receive benefits under the provident fund, a defined benefit plan. The employee and employer each make monthly contributions to the plan. A portion of the contribution is made to the provident fund trust managed by the Group or Government administered provident fund. The liability is actuarially determined (using the projected unit credit method) at the end of the year. The contributions are charged to the statement of profit and loss in the year when employee renders the related service. There are no other obligations other than the contribution payable to the respective authorities.

2. Gratuity:

The Group provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Group. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

3. Compensated Absences:

The Group has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by Estimation Basis.

4. The actuarial valuation is done at the end of the year. Actuarial gains/losses are immediately taken to statement of profit and loss and are not deferred.

1.15 Investments in Subsidiaries and Associates

The Group's investment in its Subsidiaries and Associates are carried at cost.

1.16 Provisions

1. A provision is recognized if, as a result of a past event, the Group has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

2. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

1.17 Financial instruments
a. Recognition and Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

b. Classification and Subsequent measurement
Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets;

- how the performance of the portfolio is evaluated and reported to the Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment* whether contractual cash flows are solely payments of principal and interest

*For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost: These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.

Financial liabilities:
Classification, Subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

c. Derecognition
Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

d. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

e. Impairment

The Group recognizes loss allowances for expected credit losses on financial assets measured at amortized cost; At each reporting date, the Group assesses whether financial assets carried at amortized cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- the restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties.

The Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

NOTE 32
CONTINGENT LIABILITIES (IndAS-37)

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

NOTE 33

Principles of consolidation:

These Consolidated Financial Statements (CFS) are prepared on the following basis in accordance with Ind AS on "Consolidated Financial Statements" (Ind AS – 110), "Investments in Associates and Joint Ventures" (Ind AS – 28) and "Disclosure of interest in other entities" (Ind AS – 112), specified under Section 133 of the Companies Act, 2013.

(Subsidiaries:

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

(ii). Non-controlling interest (NCI):

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition. Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iii). Loss of control:

When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognized in profit or loss.

(iv). Equity accounted investees:

The Group's interests in equity accounted investees comprise interest in associates. An associate is an entity in which the Group has significant influence, but not control or joint control, over the financial and operating policies.

Interest in associates is accounted for using equity method. They are initially recognized at cost which includes transaction costs. Subsequent to initial recognition, consolidated financial statements include the Group's share of profit or loss and OCI of equity accounted investees until the date on which significant influence or joint control ceases.

(v). Transactions eliminated on consolidation:

The financial statements of the Holding Company, its Subsidiaries and Associates used in the consolidation procedure are drawn upto the same reporting date i.e. March 31, 2023.

The financial statements of the Holding Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses. Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

The Consolidated Financial Statements are comprised of the financial statements of the members of the Group as under:

Name of the Company	% of Share holding and voting power	
	As at 31st March, 2023	As at 31st March, 2022

5.Nettlinx Technologies private limited (Subsidiary of Nettlinx Realty Pvt. Limited)	100%	100%

NOTE 34

Goodwill on consolidation:

Goodwill represents the difference between the Holding Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries. For this purpose, the Holding Company's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition.

NOTE 41

Financial risk management objectives and policies

The Group's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Group's operations. The Group's principal financial assets include trade and other receivables, cash and cash equivalents and refundable deposits that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk, interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits. The sensitivity analysis in the following sections relate to the position as at March 31, 2023 and March 31, 2022. The sensitivity analyses have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt.

The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2023 and March 31, 2022.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Group does not enter into any interest rate swaps.

ii). Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables is monitored on a continuous basis by the receivables team.

As per the Management estimation, the company is confident of recovering the present Trade Receivables. Hence no ECL (Expected Credit Loss) has created.

Customers accounted for more than 5% of the revenue as of March 31, 2023 is The Principal Secretary, ITE&C Department Hyderabad, Telangana for Rs.70.00 Lakhs

Credit risk on cash and cash equivalent is limited as the Group generally transacts with banks and financial institutions.

iii). Liquidity risk

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans.

The table below summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payments:

(Rs. in Lakhs)

NOTE 42**Capital management**

The Group's policy is to maintain a stable capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors capital on the basis of return on capital employed as well as the debt to total equity ratio.

For the purpose of debt to total equity ratio, debt considered is long-term and short-term borrowings. Total equity comprises of issued share capital and all other equity reserves excluding Debenture Redemption Reserve.

The capital structure as of March 31, 2023 and March 31, 2022 as follows

(Rs. in Lakhs)

NOTE 45Covid-19

The spread of COVID 19 pandemic across the globe and the consequent remedial measures against the virus taken by the various countries and the Indian Government are having impact on the operations of the various economies, all of which has led to substantial contraction of demand. In view of the above pandemic, its impact on the Group's operations has been considered and a sensitivity analysis based on current estimates in assessing the recoverability of receivables also has been performed. However, the actual impact of COVID 19 on the financial statements may differ from that estimated and the Group will continue to closely monitor any material changes to future economic conditions.
