Mumbai, November 8, 2021: Post 18 months of restrictions, being confined at home and living in a virtual world, Thomas Cook (India) Limited - India's leading integrated travel services company and its Group Company, SOTC Travel, have identified a strong pent-up demand for outdoor and adventure experiences. India's unparalleled biodiversity, exceptional wildlife and jungle experiences hold strong allure, and the companies have hence launched an exciting portfolio of Safaris & Jungle Experiences intended to target India's millennials/young professionals, honeymooners, families; equally corporates - with exciting team-building jungle getaways. The products are attractively priced, starting from Rs 4,990.00 per person for stays of 2-7 nights.

With the pandemic bringing focus to health and safety, while Indians are longing to escape from the monotony/ restrictions of work-from-home, they are actively seeking holidays away from crowds. Thomas Cook and SOTC's Safari & Jungle Experiences are hence designed to offer safe/secluded yet magical landscapes: from rugged scrubland to lush forests, across rolling hills, watering holes and the floodplains of the mighty Brahmaputra to the awe-inspiring Sundarbans - the world's largest delta.

Thomas Cook and SOTC have included India's top game reserves with the thrill of crossing paths with majestic tigers at Corbett, India's oldest National Park - regarded as the ultimate tiger safari destination, or sighting a leopard at the Ranthambore National Park; a glimpse of snow leopards at Hemis, one of the world's highest altitude parks; Bandhavgarh National Park, once a royal hunting ground and now a protected reserve for the Royal Bengal Tiger; the famed Asiatic Lion at the Gir National Park; spotting panthers, bears, pythons and elephants at Kanha National Park featured in Kipling's 'Mowgli', a variety of migratory birds at the Kumarakom/Vembanad Bird Sanctuary or the magnificent one-horned rhinoceros at Kaziranga National Park - a UNESCO World Heritage Site.

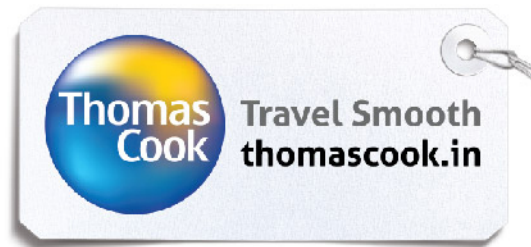

In addition to exciting safari drives via a 4x4, atop an elephant, camel or in a canoe, Thomas Cook and SOTC have thoughtfully incorporated personalized/ immersive experiences like a picnic lunch post a safari drive, sundowners at an observation tower for spectacular views; campfires with bush dining or an exclusive 4-course meal. Exhilarating wildlife encounters include a night safari, wildlife trails with trained naturalists; also cycling, bird-watching or village walks with local herdsman. Rejuvenation options include spa-wellness therapy.

To ensure a once-in-a-lifetime experience, the accommodation is eclectic, with a choice of rugged tented camps, traditional mud dwellings, stone cottages, colonial bungalows to luxurious royal safari lodges or sleeping under the stars in your private machan.

Mr. Rajeev Kale, President & Country Head – Holidays, MICE, Visa, Thomas Cook (India) Limited said, *"Our jungle safaris are designed to delight the senses amidst serene yet spectacular outdoor vistas and an equal measure of adrenaline infused wildlife experiences! The past 18 months have restricted Indians to the confines of their homes, and so our thoughtfully designed itineraries include India's favourite national parks and game reserves and are packed with exciting activities for millennials, families, honeymooners and corporates alike. We have ready-to-book and itineraries co-curated with our experts based on our customers' specific interests, be it bird watching, photography or nocturnal jungle trails. India has an incredible diversity*
