You cannot block roads: SC; farmers remove blockade

PRESS TRUST OF INDIA
New Delhi, 21 October

The Supreme Court on Thursday said farmers protesting at Delhi borders against the three farms laws have the right to agitate, but they cannot block roads indefinitely even as the farmer unions and government embroiled themselves in a blame game.

While the farmers' unions alleged that the police were responsible for the blockade as it suits them to allow a feeling in the minds of the citizens that farmers are blocking the road, the Centre said there was an oblique purpose behind the protests.

During the hearing, a bench headed by Justice S K Kaul said it was not against the right to protest even when the legal challenge is pending but ultimately some solution has to be found.

"Farmers have the right to protest but they cannot keep roads blocked indefinitely. You may have a right to agitate in any manner but roads should not be blocked like this. People have the right to go on roads but it cannot be blocked," the bench also comprising Justice M M Sundresh said.

The top court asked the farmer unions to respond within three weeks on the issue and posted the matter for hearing on December 7.

The bench noted that only four respondents have appeared before it in pursuance of its earlier direction.

The apex court said the issue is limited here, "So far as the road is concerned, can the road be blocked? We are only concerned with the issue that the roads are not blocked. Law is laid down (Shaheen Bagh protests case). You have a right to agitate but you cannot block roads. People also have right on the roads," the bench said.

The Bharatiya Kisan Union (BKU),

whose supporters and office-bearers led by Rakesh Tikait are camping at Ghazipur on the Delhi-Uttar Pradesh border since November 2020, on Thursday said the barriers at the protest site have been put by the Delhi Police and not farmers. "The protesters have removed their tents but barricades have been put by the government and the Delhi Police which are still there. The road is otherwise open. If you see, there are only barricades which have been put by the police," Tikait told reporters.

SC tells Unitech, Suraksha ARC to resolve dispute

The Supreme Court on Thursday asked the new board of management of Unitech Group to take a pragmatic approach and hold negotiations with Suraksha Asset Reconstruction Company (ARC) to resolve their dispute over outstanding claims.

A bench of Justices DY Chandrachud and M R Shah said that the management of Suraksha ARC has to revise its approach and will have to take a substantial haircut otherwise if it goes under Insolvency and Bankruptcy Code, they may get nothing. "We are not satisfied with the way the dispute over Suraksha ARC claims is not being resolved. Management of the ARC should be cautious that they have to take a substantial haircut...we also impress upon the Unitech Board to take a pragmatic approach to resolve the dispute," the bench said.

Raids at Mannat; Aryan's judicial custody extended

Sleuths of the Narcotics Control Bureau visited Mannat, the residence of Bollywood superstar Shah Rukh Khan, on Thursday for seeking certain material related to their investigation into a cruise drugs party case in which the actor's son is an accused, a senior NCB official said. A special NDPS court here on Thursday extended the judicial custody of Aryan Khan, son of Bollywood superstar Shah Rukh Khan, and seven others till October 30 in connection with the case of seizure of banned drugs from a cruise ship off the Mumbai coast earlier this month. The NCB also recorded the statement of Bollywood actor Ananya Panday after it allegedly came across some WhatsApp chats during its investigation against Aryan Khan, son of superstar Shah Rukh Khan, in a drugs case, sources said.

IAF plane crashes at Bhind in MP; pilot ejects safely

An Indian Air Force (IAF) plane crashed in Madhya Pradesh's Bhind district on Thursday morning, officials said. "An IAF Mirage 2000 aircraft experienced a technical malfunction during a training sortie in the central sector this morning. The pilot ejected safely. An inquiry has been ordered to ascertain the cause of the accident," the IAF said in a tweet.

The pilot ejected safely before the aircraft crashed in Mankabagh village of the district, Bhind Superintendent of Police Manoj Kumar Singh told PTI.

The plane caught fire after the crash, he said, adding that the pilot was rescued.

The aircraft had taken off from the Maharajpura airbase at Gwalior in the morning, the official said.

Bhind district administration and IAF officials reached the spot soon after getting information about the crash.

SC restores KCOCA charges on Gauri Lankesh accused

The Supreme Court Thursday restored the charges under the Karnataka Control of Organised Crimes Act (KCOCA) against one of the accused in the journalist Gauri Lankesh murder case by setting aside the high court order which had quashed the charge sheet for alleged offences under the stringent law.

A three-judge bench headed by Justice A M Khanwilkar allowed the two separate appeals filed by the state and Kavitha Lankesh, the sister of Gauri Lankesh, who have challenged the April 22 order of the Karnataka High Court.

The apex court said the conclusion reached by the high court in partly allowing the plea filed before it by accused Mohan Nayak N was "manifestly wrong" and "cannot be countenanced".
