Independent Auditor's Review Report on the Quarterly and Year to Date for the period ended 30th September, 2020 Unaudited Standalone Financial Results of the Unitech Limited Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Unitech Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Unitech Limited ("the Company") for the quarter ended 30th September, 2020 and year to date results for the period from 1st April, 2020 to 30th September, 2020 ("the statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("the Listing Regulations").
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has not been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, ("Ind AS 34") "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statements based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standard(s) on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. **Basis of disclaimer of conclusion**

Based on our review conducted as above, due to the matters stated at para 5 of this report, we believe that the accompanying Statement of Unaudited Standalone Financial Results is not prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard (Ind AS) specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and are not disclosing the information required to be disclosed in terms of the Listing Regulations, including the manner in which, it is to be disclosed, or that it contains material misstatement.

5. We draw attention to the followings matters:

The Hon'ble Supreme Court vide its order dated 20th January 2020 has, inter alia, given directions that the Board of Directors of Unitech Limited, as existing on that date, be superseded with immediate effect in order to facilitate the taking over of management by the new Board of Directors constituted in terms of the proposal submitted by the Union Government of India "UOI". In Compliance of the Direction, new Board of Directors, as appointed by Union Government of India, took charge of office on 21st January, 2020.

Board members appointed by UOI has since then been trying to get hold of numerous transactions entered by erstwhile management and trying to compile records and other information related to the same. Since the quantum of such transactions and amounts involved is very high, process related to compiling / identification of previous year records including agreements, detailed breakup of transactions etc. is still in process.

Considering the above-mentioned facts and based on our review of the books, we draw attention to the followings matters:

- (i) We draw attention to Note no. 6 of the Unaudited Standalone Financial Results, Unitech Limited ("the Company") failed to hold its Annual General Meeting (AGM) due on or before 30th September 2021 (extended till 30th November, 2021 vide notification number ROC-CHN/96-AGM/2021 dated 23rd September, 2021), as required under section 96 of the Companies Act, 2013, to transact the agenda including the approval of Accounts for the year ended 31st March 2021. The Company has not applied for any extension for the same to the Registrar of Companies, NCT of Delhi & Haryana. The Company is in process of estimation of penalty and other implications due to non-holding of annual general meeting.

Further, the Company has not made any request letter to Security and Exchange Board of India "SEBI" for extension of time for submission of quarterly reviewed results for the quarter ended 30th June, 2020 and for quarter ended and year to date reviewed results for the period ended 30th September, 2020. The Company is getting emails from National Stock Exchange "NSE" and Bombay Stock Exchange "BSE" for imposing penalties due to non-filing of the results to the tune of Rs. 5,000 per day during the period of default. The Company has not taken any provision of such penalty in the books of accounts and Company is planning to seek relief against such penalty from SEBI.

(ii) We draw attention to Note no. 7 of the Unaudited Standalone Financial Results, we have made references to the Resolution Framework (RF) for Unitech group which has been prepared under the directions of the Board of Directors of Unitech Limited appointed by the Central Government pursuant to the afore-said order of the Hon'ble Supreme Court and approved by the Board of Directors in their Meeting held on June 17, 2020, and which has been filed with the Hon'ble Supreme Court. Subsequent corrections/ modifications have been done in the RF and approved by the Company's Board in their meeting held on September 10, 2020. The RF contains various proposals like determining admitted liabilities & claims, proposing non-payment of penalty, interest, default interest or damages to creditors, stakeholders, homebuyers, landowners, leaseholders or any Authority, detailing the resolution framework for company's projects, detailing the resolution framework for non-project assets etc. The RF seeks various reliefs and concessions like (a) Homebuyers' Credit Lines, (b) Immunity for the Board, their appointed key management personnel, employees, advisors and consultants for any action taken by them in good faith, (c) Grant of benefits to the Company, its subsidiaries and joint ventures and Project Entities of protections similar to section 32A of the Insolvency and Bankruptcy Code, 2016, (d) Priority Finance and other borrowings for implementation of the Framework, and (e) Tax related reliefs and concessions. Besides the RF also seeks some specific directions like imposition of moratorium, consolidation of Unitech Group, temporary exemption from compliances under RERA, amongst others. As the RF has not yet been approved by the Hon'ble Supreme Court, the impact of the proposed reliefs, concessions etc. have not been considered in the books of accounts.

(iii) Material uncertainty related to going concern

We draw attention to Note no. 8 of the Unaudited Standalone Financial Results wherein the management has represented that the Unaudited Standalone Financial Results have been prepared on a going concern basis, notwithstanding the fact that the Company has incurred losses and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Company also has various litigation matters which are pending before different forums, and various projects of the Company have stalled/ slowed down.

As mentioned earlier, subsequent to the new Board of Directors taking over the management, a Resolution Framework (RF) has been submitted to the Hon'ble Supreme Court by the Company, as mentioned in the opening paragraphs of this report, wherein the Company has requested the Hon'ble Supreme Court to grant numerous reliefs so that the Company is able to meet its operational obligations and settle its liabilities. The Board has also submitted in the RF that on the basis of review of records and finances of Unitech group as currently available, it appears that Unitech Group has significant negative net worth but also considering the fact that there are more than 15,000 homebuyers who have invested in various projects of the Company, the resolution/ settlement provisions under the Insolvency and Bankruptcy Code (IBC) should not be applied on the Company. At present the resolution framework is under the consideration of the Hon'ble Supreme Court.

These conditions indicate the existence of material uncertainty that may cast significant doubt about Company's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework.

Considering the above, we are unable to express a conclusion on this matter.

Previous auditor had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2020 in respect of this matter.

- (iv) We draw attention to Note no. 9 of the Unaudited Standalone Financial Results. The Company had received a 'cancellation of lease deed' notice from Greater Noida Industrial Development Authority ("GNIDA") dated 18 November 2015. As per the Notice, GNIDA cancelled the lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 lakhs. As per the notice, and as per the relevant clause of the bye-laws/ contractual arrangement with the Company, 25% of the total dues amounting to Rs. 13,893.42 lakhs were to be forfeited out of the total amount paid till date. The Company has incurred (a) the amounts paid for land dues and stamp duty Rs. 34,221.90 lakhs, (b) the balance portions of the total amounts payable, including contractual interest accrued till 31st March 2016, of Rs. 99,091.90 lakhs; and (c) other construction costs amounting to Rs. 80,575.05 lakhs. The said land is also mortgaged and the Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6,682.10 lakhs (net of repayment). No contract revenue has been recognized on this project. The erstwhile management had written a letter to GNIDA dated 1st December 2015, wherein it had stated that the cancellation of the lease deed was wrong, unjust and arbitrary. Further, the said erstwhile management had also described steps taken for implementation of the project and valid business reasons due to delays till date. Further, the said erstwhile management had also proposed that in view of the fact that third party interests have been created by the Company in the allotted land, by allotting plots to different allottees, in the interest of such allottees, GNIDA should allow the Company to retain an area of approximately 25 acres out of the total allotted land of approximately 100 acres and that the amount paid by the Company till date be adjusted against the price of the land of 25 acres and remaining surplus amount may be adjusted towards dues of other projects of the Company under GNIDA.

GNIDA has, in the meanwhile, in terms of the Order of the Hon'ble Supreme Court dated 18.09.2018, deposited on behalf of the Company, an amount of Rs. 7,436.35 lakhs (Rs. 6,682.10 lakhs and interest @ 6% on the principal amount of Rs. 6,682.10 lakhs), out of the monies paid by the Company, with the registry of the Hon'ble Supreme Court.

During the year, GNIDA has adjusted Rs. 9,200.00 lakhs of Unitech group's liabilities towards the Company's other projects with GNIDA and forfeited Rs. 13,893.42 lakhs.

The Company had paid a sum of Rs. 34,221.90 lakhs, including Rs. 4,934.95 lakhs of stamp duty on the land for the said land.

The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Company has, subsequently, shown the amount of Rs. 18,339.80 lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 lakhs and lease rent paid of Rs. 61,13.11 lakhs. Further, the Company is also carrying other construction costs amounting to Rs. 80,650.70 lakhs in respect of the projects to come upon the said land which also includes interest capitalised of Rs. 696,84.68 lakhs.

The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, cannot be ascertained, since the matter is still subjudice, as mentioned hereinabove, vis-à-vis dues of the Company, and hence we are unable to conclude on this matter.

The company has deferred liability on account of interest payable to GNIDA appearing in the books of accounts as on 30th September, 2020 amounting to Rs. 2548,49.70 Lakhs (including Rs. 190,65.28 Lakhs booked on account of interest during the period of six month ended 30th September, 2020).

Previous auditor had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2020 in respect of this matter.

- (v) We draw attention to Note no. 10 of the Unaudited Standalone Financial Results, Confirmations/ reconciliations are pending in respect of amounts deposited by the Company with the Hon'ble Supreme Court. As per books of account an amount of Rs. 480,66.95 lakhs deposited with the Hon'ble Supreme Court Registry ("Registry") is outstanding as at 30th September, 2020. Management has received certain details of payments made and monies received in the registry from the Court and is in process of reconciling the same with entries posted in books of accounts. The management has also requested the learned amicus curiae to provide the other relevant details like bank statement and balance confirmations. In view of the reconciliation exercise still in process and absence of other statement of transactions and confirmation of balance from the Registry, we are unable to comment on the completeness and correctness of amounts outstanding with the Registry and of the ultimate impact these transactions would have on the Unaudited Standalone Financial Results of the Company, and hence we are unable to conclude on this matter.

Previous auditor had given a disclaimer of opinion on the standalone financial statements for the year ended 31st March, 2020 in respect of this matter.

(vi) We draw attention to Note no. 11 of the Unaudited Standalone Financial Results, according to information given and explanation provided to us by the management, in respect of Property, Plant and Equipment (PPE) having net value of Rs. 1,926.66 Lakhs (net of accumulated depreciation of Rs. 7,028.70 Lakhs), there is no physical verification conducted by the Company since last year. Further, the company does not maintain proper records showing full particulars, including quantitative details and situation of Fixed Assets comprising 'property, plant and equipment, 'capital work-in-progress' & 'investment property'. In view of this and also of the fact that these PPE's are kept as security for obtaining bank loans and there are several cases ongoing against the Company under SARFAESI Act, we are not able to express a conclusion on this matter.

(vii) **Non-current investment and loans**

Company has made investments and given loans to its subsidiaries, joint ventures, associates and other. Details as on 30th September, 2020 are as follows: -

We draw attention to Note no. 12 of the Unaudited Standalone Financial Results, considering the fact that the accounts of these above mentioned foreign entities are not available with the management and for Indian entities, they are not audited since last 3-4 years plus also taking into accounts the factors such as accumulated losses in above said entities, substantial/ full erosion of net worth, significant uncertainty on the future of these entities and significant uncertainty on recovery of investments and loans, there are strong indicators of conducting impairment/ expected credit loss assessment for above mentioned investments and loans in accordance with the principles of Indian Accounting Standards 36, "impairment of assets" and Indian Accounting Standards 109 "financial instruments".

As per IA submitted by the Company, there was no basis available with erstwhile management for such share valuation. Also, there were certain plots allotted to Carnoustie at a price lower than the market rate as on allotment date. Considering the nature of this investment, same is to be valued at fair value through other comprehensive income “FVTOCI” as required under Indian Accounting Standards 109 “financial instruments” but the Company has decided to carry investment made in Carnoustie at cost as the matter is subjudice.
- Investment – CIG – The Company made investment of Rs. 254,53.19 lakhs in CIG realty fund for which no details are available with the Company. As explained by management, the Company is planning to file a separate Intervention Application “IA” before Hon’ble Supreme Court of India requesting Hon’ble Court to take up this matter. Management also explained that CIG funds are already under investigation by Enforcement Directorate (ED) and Serious Fraud Investigation Office (SFIO). Considering the nature of this investment, same is to be valued at fair value through other comprehensive income “FVTOCI” as required under Indian Accounting Standards 109 “financial instruments” but the Company has decided to carry investment made in CIG funds at cost as the matter is under investigation by various authorities.

In view of non-existence of any impairment study, non-existence of any expected credit loss policy in the Company and accounting of investment at cost which were otherwise to be carried at FVTOCI, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these non-current investments and non-current loan and its consequential impact on the Unaudited Standalone Financial Results.

(viii) Impairment Assessment of Bank and Corporate Guarantees

We draw attention to Note no. 12 of the Unaudited Standalone Financial Results, wherein it is stated that the company is having outstanding bank and corporate guarantee of Rs. 2736,22.31 Lakhs as per audited financials for year ending 31st March, 2020. The company has not conducted any impairment assessment on the same in accordance with the principles of Indian Accounting Standards 109 “financial instruments”. In view of the same, we are unable to comment on the same.

(ix) **Trade receivables and other financial assets**

The company has trade receivable and other financial assets as on 30th September, 2020 are as follows: -

Particulars	Amounts in Lakhs of Rs.		
	Amount	Provision accounted for till 30.09.2020	Carrying amount

Company is currently carrying these inventory and PIP items at cost which is computed based on percentage of completion method under Indian Accounting Standard 115 "Revenue from Contracts with Customers". In view of the fact that in majority of the projects of the Company, construction and other operational activities are on hold since last 18-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realisable value "NRV" in accordance with the requirement of Indian Accounting Standard 2 "inventories".

Further, management is in the process of verification of title documents for land and other immovable assets.

As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the projects and are now in process of submitting their reports. Management is of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports.

In view of the absence of any NRV assessment by the management, absence of any physical verification report and absence of clear title regarding ownership of land and immovable assets, we are unable to conclude upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact on the Unaudited Standalone Financial Results.

Interest expense on the said loans is accrued at a provisional rate of interest. Such provisional rate of interest is based on the details available with the Company regarding interest rates charged by banks/ financial institutions and the same are 4-5 years old. In view of these, we are unable to comment upon completeness of the balances appearing in books of accounts of the Company and adjustments, if any, that may be required to the books of accounts and its consequential impact on the Unaudited Standalone Financial Results.

The Company is in the process of evaluating possibility of applicability of section 131 of the Companies Act, 2013 with respect to the earlier period financial statements and subsequent requirement of seeking approval from concerned authorities as required in the said section.

- (ii) We draw attention to Note no. 8 of the Unaudited Consolidated Financial Results, Unitech Limited ("the Holding Company") failed to hold its Annual General Meeting (AGM) due on or before 30th September 2021 (extended till 30th November, 2021 vide notification number ROC-CHN/96-AGM/2021 dated 23rd September, 2021), as required under section 96 of the Companies Act, 2013, to transact the agenda including the approval of Accounts for the year ended 31st March 2021. The Holding Company has not applied for any extension for the same to the Registrar of Companies, NCT of Delhi & Haryana. The Holding Company is in process of estimation of penalty and other implications due to non-holding of annual general meeting.

Further, the Holding Company has not made any request letter to Security and Exchange Board of India "SEBI" for extension of time for submission of quarterly reviewed results for the quarter ended 30th June, 2020 and for the quarter ended and year to date reviewed results for period ended 30th September, 2020. The Holding Company is getting emails from National Stock Exchange "NSE" and Bombay Stock Exchange "BSE" for imposing penalties due to non-filing of the results to the tune of Rs. 5,000 per day during the period of default. The Holding Company has not taken any provision of such penalty in the books of accounts and Holding Company is planning to seek relief against such penalty from SFBI

- (iii) We draw attention to Note no. 9 of the Unaudited Consolidated Financial Results, we have made references to the Resolution Framework (RF) for Unitech group which has been prepared under the directions of the Board of Directors of Unitech Limited appointed by the Central Government pursuant to the afore-said order of the Hon'ble Supreme Court and approved by the Board of Directors in their Meeting held on 17th June, 2020, and which has been filed with the Hon'ble Supreme Court. Subsequent corrections/modifications have been done in the RF and approved by the Holding Company's Board in their meeting held on 10th September, 2020. The RF contains various proposals like determining admitted liabilities & claims, proposing non-payment of penalty, interest, default interest or damages to creditors, stakeholders, homebuyers, landowners, leaseholders or any Authority, detailing the resolution framework for group's

projects, detailing the resolution framework for non-project assets etc. The RF seeks various reliefs and concessions like (a) Homebuyers' Credit Lines, (b) Immunity for the Board, their appointed key management personnel, employees, advisors and consultants for any action taken by them in good faith, (c) Grant of benefits to the Company, its subsidiaries and joint ventures and Project Entities of protections similar to section 32A of the Insolvency and Bankruptcy Code, 2016, (d) Priority Finance and other borrowings for implementation of the Framework, and (e) Tax related reliefs and concessions. Besides the RF also seeks some specific directions like imposition of moratorium, consolidation of Unitech Group, no-requirement of registration under RERA, amongst others. As the RF has not yet been approved by the Hon'ble Supreme Court, the impact of the proposed reliefs, concessions etc. have not been considered in the books of accounts.

(iv) Material uncertainty related to going concern

We draw attention to Note no. 10 of the Unaudited Consolidated Financial Results wherein the Group has represented that the Unaudited Consolidated Financial Results have been prepared on a going concern basis, notwithstanding the fact that, the Group has incurred losses, and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Group also has various litigation matters which are pending before different forums, and various projects of the Group have stalled/slowed down.

As mentioned earlier, subsequent to the new Board of Directors taking over the management of the Group, a Resolution Framework (RF) has been submitted to the Hon'ble Supreme Court by the group, as mentioned in the opening paragraphs of this report, wherein the Group has requested the Hon'ble Supreme Court to grant numerous reliefs so that the Group is able to meet its operational obligations and settle its liabilities. The Board of the Group has also submitted in the RF that on the basis of review of records and finances of Unitech group as currently available, it appears that Unitech Group has significant negative net worth but also considering the fact that there are more than 15,000 homebuyers who have invested in various projects of the Group and its associates and joint ventures, the resolution/ settlement provisions under the Insolvency and Bankruptcy Code (IBC) should not be applied on the Group. At present the resolution framework is under the consideration of the Hon'ble Supreme Court.

These conditions indicate the existence of material uncertainty that may cast significant doubt about Group's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Group's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework.

Considering the above, we are unable to express a conclusion on this matter.

Previous auditor had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31st March, 2020 in respect of this matter.

- (v) We draw attention to Note no. 11 of the Unaudited Consolidated Financial Results. The Holding Company had received a 'cancellation of lease deed' notice from Greater Noida Industrial Development Authority ("GNIDA") dated 18th November 2015. As per the Notice, GNIDA cancelled the lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 lakhs. As per the notice, and as per the relevant clause of the bye-laws/ contractual arrangement with the Holding Company, 25% of the total dues amounting to Rs. 13,893.42 lakhs were to be forfeited out of the total amount paid till date. The Holding Company has incurred (a) the amounts paid for land dues and stamp duty Rs. 34,221.90 lakhs, (b) the balance portions of the total amounts payable, including contractual interest accrued till 31st March 2016, of Rs. 99,091.90 lakhs; and (c) other construction costs amounting to Rs. 80,575.05 lakhs. The said land is also mortgaged and the Holding Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Holding Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Holding Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Holding Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6,682.10 lakhs (net of repayment). No contract revenue has been recognized on this project. The erstwhile management had written a letter to GNIDA dated 1st December 2015, wherein it had stated that the cancellation of the lease deed was wrong, unjust and arbitrary. Further, the said erstwhile management had also described steps taken for implementation of the project and valid business reasons due to delays till date. Further, the said erstwhile management had also proposed that in view of the fact that third party interests have been created by the Holding Company in the allotted land, by allotting plots to different allottees, in the interest of such allottees, GNIDA should allow the Holding Company to retain an area of approximately 25 acres out of the total allotted land of approximately 100 acres and that the amount paid by the Holding Company till date be adjusted against the price of the land of 25 acres and remaining surplus amount may be adjusted towards dues of other projects of the Holding Company under GNIDA.

GNIDA has, in the meanwhile, in terms of the Order of the Hon'ble Supreme Court dated 18.09.2018, deposited on behalf of the Holding Company, an amount of Rs. 7,436.35 lakhs (Rs. 6,682.10 lakhs and interest @ 6% on the principal amount of Rs. 6,682.10 lakhs), out of the monies paid by the Holding Company, with the registry of the Hon'ble Supreme Court

During the year, GNIDA has adjusted Rs. 9,200.00 lakhs of Unitech group's liabilities towards the Holding Company's other projects with GNIDA and forfeited Rs. 13,893.42 lakhs.

The Holding Company had paid a sum of Rs. 34,221.90 lakhs, including Rs. 4,934.95 lakhs of stamp duty on the land for the said land.

The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Holding Company has, subsequently, shown the amount of Rs. 18,339.80 lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 lakhs and lease rent paid of Rs. 61,13.11 lakhs. Further, the Holding Company is also carrying other construction costs amounting to Rs. 80,650.70 Lakhs in respect of the projects to come upon the said land which also includes interest capitalised of Rs. 696,84.68 lakhs.

The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, cannot be ascertained, since the matter is still subjudice, as mentioned hereinabove, vis-à-vis dues of the Holding Company, and hence we are unable to conclude on this matter.

The Holding Company has deferred liability on account of interest payable to GNIDA appearing in the books of accounts as on 30th September, 2020 amounting to Rs. 2548,49.70 Lakhs (including Rs. 190,65.28 Lakhs booked on account of interest during the period of six month ended 30th September, 2020).

Previous auditor had given a disclaimer of opinion on the Consolidated financial statements for the year ended 31st March, 2020 in respect of this matter.

- (vi) We draw attention to Note no. 12 of the Unaudited Consolidated Financial Results, Confirmations/reconciliations are pending in respect of amounts deposited by the Holding Company with the Hon'ble Supreme Court. As per books of account an amount of Rs. 480,66.95 lakhs deposited with the Hon'ble Supreme Court Registry ("Registry") is outstanding as at 30th September, 2020. Due to non-availability of any statement of account from the Registry, these transactions have not been recorded by the Holding Company in its books of account. The management has requested the learned amicus curiae to provide the relevant bank statement and balance confirmations. In the absence of detailed statement of transactions and confirmation of balance from the Registry, we are unable to comment on the completeness and correctness of amounts outstanding with the Registry and of the ultimate impact these transactions would have on the Unaudited Consolidated Financial Results of the Holding Company, and hence we are unable to conclude on this matter.

We draw attention to Note no. 13 of the Unaudited Consolidated Financial Results, considering the fact that the accounts of these above mentioned foreign entities are not available with the management and for Indian entities, they are not audited since last 3-4 years plus also taking into accounts the factors such as accumulated losses in above said entities, substantial/ full erosion of net worth, significant uncertainty on the future of these entities and significant uncertainty on recovery of investments and loans, there are strong indicators of conducting impairment/ expected credit loss assessment for above mentioned investments and loans in accordance with the principles of Indian Accounting Standards 36, “impairment of assets” and Indian Accounting Standards 109 “financial instruments”.

As per IA submitted by the Holding Company, there was no basis available with erstwhile management for such share valuation. Also, there were certain plots allotted to Carnousite at a price lower than the market rate as on allotment date. Considering the nature of this investment, same is to be valued at fair value through other comprehensive income “FVOCI” as required under Indian Accounting Standards 109 “financial instruments” but the Holding Company has decided to carry investment made in Carnousite at cost as the matter is subjudice.

Considering the nature of this investment, same is to be valued at fair value through other comprehensive income “FVTOCI” as required under Indian Accounting Standards 109 “financial instruments” but the Holding Company has decided to carry investment made in CIG funds at cost as the matter is under investigation by various authorities.

In view of non-existence of any impairment study, non-existence of any expected credit loss policy in the Holding Company and accounting of investment at cost which were otherwise to be carried at FVTOCI, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these non-current investments and non-current loan and its consequential impact on the Unaudited Consolidated Financial Results.

In view of the fact that in majority of the projects of the Holding Company, construction and other operational activities are on hold since last 18-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realised value "NRV" in accordance with the requirement of Indian Accounting Standard 2 "inventories".

Further, management is in the process of verification of title documents for land and other immovable assets.

As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the projects and are now in process of submitting their reports. In view of the absence of any NRV assessment by the management and absence of any physical verification report, we are unable to conclude upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact on the Unaudited Consolidated Financial Results.

- (xiv) **Revenue from real estate projects**

We draw attention to Note no. 18 of the Unaudited Consolidated Financial Results, The Holding Company is accounting for revenue under real estate projects using percentage of completion method (POCM) with an understanding that performance obligations are satisfied over time.
