Media Release

Rose Merc Ltd. presents Mumbai Cricket Excellence award, initiated by Mazgaon Cricket Club and approved by MCA

Rose Merc Ltd (RML) is pleased to announce that the company is presenting the Mumbai Cricket Excellence award on 27th of May, 2023. This award initiative was taken up by Mazgaon Cricket Club and approved by Mumbai Cricket Association (MCA). MCA is the governing body for cricket in Mumbai and surrounding regions such as Thane and Navi Mumbai. MCA is also a full member of BCCI along with its 350 member clubs.

Speaking on the development, Mr. Kirti Savla, Managing Director of Rose Merc Ltd said, "We are thrilled to partner with Mazgaon Cricket Club for presenting the Mumbai Cricket Excellence awards where, we will honour our upcoming players and unsung heroes. With Cricket being a religion in the country, the legends of the sport are virtually household names. There are a number of clubs across India which undertake lot of efforts to train young athletes. It is implied that some / most of these legends would have been trained in some such club, across the country. However, not every athlete (irrespective of how good he / she is makes it to the national Cricket team, nor are the efforts of the clubs acknowledged. This event aims to precisely celebrate such efforts of all those who have made cricket exceptional for these clubs and gave us gems of cricketers from the Mumbai region."

"This event ensures great visibility across prestigious governing bodies, of a sport as popular as cricket, With Rose Merc Ltd. being a new entrant in e-commerce business, such visibility platforms will provide a huge boost."

About Rose Merc Ltd: Rose Merc Ltd is a dynamic company which is present as an e-commerce website, the company is now primarily into the trade of naturally occurring precious elements such as gem stones, gold, silver, rudhraksha, and more. Recognising the rise in need for guidance to achieve mindfulness, self-awareness and an overall good mental health, the company developed an e-commerce platform where the primary trade of precious elements are incorporated into a range of products and services often used in Vedic, Astrological and Occult Sciences that can aid in one's journey to finding their selves. Rose Merc Limited continues to venture into projects that create a much-required positive impact in the environment, and thus in the way businesses and industries have traditionally been functioning. In line with the company's Mission and Vision, our team of experts and consultants constantly work to find ways to be a part of this growing change, and provide aid to the ideas of tomorrow that require assistance.
