- Basic	(155.31)	0.53
- Diluted	(155.31)	0.53

II. FINANCIAL PERFORMANCE REVIEW :

During the year ended March 31, 2019, your Company achieved a turnover of Rs 1,239.14 crore on standalone basis as against Rs 1,868.76 crore in FY 2018. The Net Profit/(Loss) for the year amounted to Rs. (2,036.45) crore as against net profit of Rs 6.92 crore in FY 2018.

III. DIVIDEND :

Due to accumulated losses of the Company from the previous years, your Directors express their inability to recommend any dividend for the year on Preference as well as on Equity Shares

IV. RESERVES :

No amount is recommended for transfer to Reserves of the Company for FY 2019

V. THE STATE OF AFFAIRS OF THE COMPANY :

The detailed position on the order book and financial performance of the Company was provided under Management Discussions & Analysis Report

IL&FS Engineering & Construction Co. Ltd. (IECCL) is part of the Infrastructure Leasing and Financial Services Limited ("IL&FS") group. The board of directors of IL&FS has been reconstituted pursuant to the orders passed by the National Company Law Tribunal, Mumbai Bench ("NCLT") in Company Petition No. 3638 of 2018 filed by the Union of India, acting through the Ministry of Corporate Affairs under Sections 241 and 242 of the Companies Act, 2013, as amended ("Companies Act") on the grounds of mismanagement of public funds by the erstwhile board of IL&FS and the affairs of IL&FS being conducted in a manner prejudicial to the public interest.

Further, the National Company Law Appellate Tribunal (“NCLAT”) by way of its order on October 15, 2018 (“Interim Order”) in the Company Appeal (AT) 346 of 2018 by way of which the NCLAT, after taking into consideration the nature of the case, larger public interest and economy of the nation and interest of IL&FS and its group companies (including IECCL) has stayed certain coercive and precipitate actions against IL&FS and its group companies including IECCL. IL&FS and its group companies are currently undergoing resolution process under the aegis of the NCLAT and NCLT.

The developments at the IL&FS Group has had negative impact on IECCL and its brand equity. These developments severely impacted the ongoing projects and order book.

Your Company having overseas Subsidiary, Maytas Infra Saudi Arabia (MISA), there being no employees at Saudi Arabia and the other partner being in the process of Government takeover, the accounts could not be finalized for the last 2 years.

The Board of Directors is hopeful of securing sizeable orders in the future and is confident of effective execution of the existing works in the order book, subject to approval of the Resolution Plan by all the stakeholders

VI. SHARE CAPITAL :

During the year under review, there were no change in the share capital of the Company

Shares held by Directors :

None of the Directors of the Company holds any Shares or convertible instruments of the Company, except Mr. Karunakaran Ramchand who was a Director of the Company until October 29, 2018 and who is holding 40,000 equity shares of the Company.

VII. DEPOSITS :

During the year under review, your Company had not accepted any deposit from public under Chapter V of the Companies Act, 2013

VIII. DIRECTORS :

During the year, the following Directors have resigned/ceased from the Board of Directors of the Company and the details of the same are as follows:

Sl.No.	Name of the Director	Date of Cessation
1.	Mr Karunakaran Ramchand	October 29, 2018
2.	Mr Mukund Sapre	November 2, 2018
3.	Mr Saleh Mohammed A Binladen	May 29, 2018
4.	Mr Akberali Mohemedali Moawalla	May 29, 2018
5.	Mr Debabrata Sarkar	September 26, 2018
6.	Ms Sutapa Banerjee	October 12, 2018
7.	Mr Bhaskar Chatterjee	December 6, 2018
8.	Mr. Ganapathi Ramachandran	December 7, 2018

The new Board of promoter of the Company (IECCL), Infrastructure Leasing and Financial Services Limited (IL&FS) with the powers to supersede the nominated board of IECCL, nominated the following as Directors on the Board of IECCL

Sl.No.	Name of the Director	Date of Appointment
1.	Mr Chandra Shekhar Rajan	October 25, 2018
2.	Mr Bijay Kumar	April 4, 2019
3.	Mr Dilip Lalchand Bhatia	December 24, 2018

None of the Directors of the Company are inter-se related to each other

Status on compliance of having Independent Directors and Women Directors on the Board of Directors of the Company

The newly appointed directors of IL&FS, who exercise control, directly or indirectly, over the Company have been appointed by the National Company Law Tribunal (“NCLT”) on the recommendation of Central Government, and are performing function similar to that of the independent directors by discharging an important public duty of resolving the financial problems and other issues. Further, NCLT via order dated April 26, 2019 (“April Order”) has granted dispensation in relation to the requirement for appointment of independent directors and women directors in light of the difficulties faced by the new board of IL&FS. Further, in April Order, NCLT has observed that the new directors nominated by the Central Government/Tribunal are independent directors and there is no requirement to appoint independent director during the pendency of stay order granted on October 15, 2018 by National Company Law Appellate Tribunal (“NCLAT) on the institution or continuation of suits or any other proceedings by any party/person/bank/company etc. against ‘IL&FS’ and its group companies in any Court of Law/Tribunal/Arbitration Panel or Arbitration Authority (“October Order”).

Accordingly furnishing the details of declarations by the Independent Directors and Familiarization programme of Independent Directors does not arise

Non-Executive Directors :

The Non-Executive Directors are entitled for sitting fee and the details of the same are as follows;

- | | | |
|-------|-------------------------------|---------------------------|
| (i) | Board Meeting | : Rs 15,000/- per meeting |
| (ii) | Audit Committee Meeting | : Rs 10,000/- per meeting |
| (iii) | Other Committees of the Board | : Rs 5,000/- per meeting |

Additionally, the actual out of pocket expenses incurred by the Non-Executive Directors for attending the meetings are also borne by the Company. Except as mentioned above, no other payments were made by the Company to Non-Executive Directors and the Company does not have any pecuniary relationship or transactions with the Non-Executive Directors. The details of amount paid to the Directors of the Company towards Sitting Fee are mentioned in the Form MGT-9 annexed to the Directors' Report as well as the Corporate Governance Section of this Annual Report

Performance Evaluation :

In terms of the provisions of the Companies Act, 2013 and Listing Regulations, the Board of Directors of the Company had in its Meeting held on November 10, 2014 approved the policy on Performance Evaluation of the Board of Directors, which laid down the criteria for performance evaluation of Board of Directors, its Committees, Executive Directors, Independent Directors and Non-Executive Directors. Further, in terms of the provisions of Section 178 of the Companies Act, 2013 read with Companies Amendment Act, 2017, the Nomination and Remuneration Committee of the Board had decided that the evaluation of performance of the Board, its Committees, individual directors and the Chairman will be carried out by the Board of Directors as per the parameters evolved from the policy on Performance Evaluation of the Board of Directors. The Board of Directors thereafter, in its Meeting held on July 31, 2018, evaluated the performance of its own, all its Committees, and Individual Directors (excluding the Director being evaluated) as satisfactory. The policy on performance evaluation is available on the website of the Company at <http://www.ilfsengg.com/html/policies/PerformanceEvaluationPolicy.pdf>

Managerial Remuneration Policy :

In terms of the provisions of Section 178 of the Companies Act, 2013 read with Rules made thereunder and Regulation 19 of Listing Regulations, the Board of Directors of the Company had framed Managerial Remuneration Policy which includes the criteria for determining qualifications, positive attributes, independence of directors and other matters as specified under Section 178(3) of the Companies Act, 2013 and Regulation 19 read with Part D of Schedule II of Listing Regulations. The policy is available on the website of the Company at <http://www.ilfsengg.com/html/policies.php>

IX. KEY MANAGERIAL PERSONNEL :

In terms of the provisions of Section 203 of the Companies Act, 2013, the Board of Directors have designated Mr Kazim Raza Khan, Chief Executive Officer, Mr Naveen Kumar Agrawal, Chief Financial Officer and Mr Jampana Veerajuu, Company Secretary as the Key Managerial Personnel of the Company

During the year/period, the following Key Managerial Personnel have resigned from the Company and the details of the same are as follows;

Sl.No.	Name of the Key Managerial Personnel	Effective Date of Resignation
1.	Dr Sambhu Nath Mukherjee – CFO	December 31, 2018
2.	Mr Sushil Dudeja – CS	January 31, 2019
3.	Ms Saheli Banerjee – CS	August 16, 2019

During the year/period, the following Key Managerial Personnel were appointed and the details of the same are as follows;

Sl.No.	Name of the Key Managerial Personnel	Date of Appointment
1.	Mr Kazim Raza Khan – Manager	December 24, 2018
2.	Mr Kazim Raza Khan – CEO	May 16, 2019*
3.	Mr Naveen Kumar Agrawal – CFO	January 1, 2019
4.	Mr J Veerajuu – CS	September 5, 2019

* Mr. Kazim Raza Khan who was initially appointed as Manager on December 24, 2018 was re-designated as CEO of the Company w.e.f. May 16, 2019.

(X) DIRECTORS RESPONSIBILITY STATEMENT :

In terms of Section 134 (5) of the Companies Act, 2013, the Board of Directors wish to state that:

- in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- the directors had prepared the annual accounts on a going concern basis, however IL&FS and its group companies are currently undergoing resolution process under the aegis of the NCLAT and NCLT which will impact the going concern status of the Company;
- the directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively

(XI) DETAILS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO:

A)	Conservation of energy	
i)	The steps taken or impact on conservation of energy;	The conservation of energy in all the possible areas is undertaken by the Company as an important means of achieving cost reduction. Savings in electricity, fuel and power consumption receive due attention of the management on a continuous basis
ii)	The steps taken by the Company for utilizing alternate sources of energy;	NIL
iii)	The capital investment on energy conservation equipments;	NIL
B)	Technology absorption	
i)	the efforts made towards technology absorption;	Timely completion of the projects as well as meeting the budgetary requirements are the two critical areas where different techniques help to a great extent. Many innovative techniques have been developed and put to effective use in the past and the efforts to develop new techniques continue unabated.
ii)	the benefits derived like product improvement, cost reduction, product development or import substitution;	NIL
iii)	in case of imported technology (imported during the last three years reckoned from the beginning of the financial year) -	NIL
	a) the details of technology imported;	
	b) the year of import;	
	c) whether the technology been fully absorbed	
	d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof;	NA
(iv)	The expenditure incurred on Research and Development	Nil
(C)	FOREIGN EXCHANGE	
	Foreign Exchange earned in terms of actual inflows during the year	Nil
	Foreign Exchange Outgo during the year in terms of actual outflows	Rs 2.60 crore

(XII) BOARD AND ITS COMMITTEES :

(a) **Board of Directors :**

During the year under review the Board of Directors of the Company met 6 (six) times on May 30, 2018, July 31, 2018, August 12, 2018, October 25, 2018, December 24, 2018 and March 11, 2019. The attendance, along with such other details as required, of each of the Directors is mentioned in the Corporate Governance Report section of this Annual Report

(b) **Audit Committee :**

The Audit Committee of the Board of Directors of the Company currently consists of three Members. During the year under review, there were changes in the composition of the Committee. The dates of meetings of Audit Committee held during FY 2019, attendance of Members in the Meetings and other details are mentioned in the Corporate Governance Report section of this Annual Report

During the year under review, all the recommendations of the Audit Committee were accepted by the Board of Directors. Further, the Committee comprises of Non-Executive Directors only (the nominees of the new Board of Promoter), all of whom have the ability to read and understand the Financial Statements

(c) **Corporate Social Responsibility Committee :**

The Board of Directors of the Company constituted Corporate Social Responsibility (CSR) Committee on March 18, 2014 and formulated a policy on CSR which is available on the website of the Company at http://www.ilfsengg.com/html/policies/CSR_Policy.pdf.

For details relating to composition of CSR Committee, number of meetings held during the year under review and other details, the Members are requested to refer the Corporate Governance Report which forms part of this Annual Report

As per Section 135(5) of the Companies Act, 2013, the Company was required to spend two percent of the average net profits calculated on the basis of preceding three financial years. However, no CSR activities have been conducted during the year due to negative average net profits of the Company for the preceding three financial years. The details of CSR policy and other details as per Rule 9 of Companies (Corporate Social Responsibility) Rules, 2014 are enclosed as **Annexure 1** to this Report

(d) **Other Committees :**

The details of composition, number of Meetings and such other information as required regarding Nomination and Remuneration Committee, Stakeholders Relationship Committee and other Committees are mentioned in the Corporate Governance section of this Annual Report

(XIII) RISK MANAGEMENT :

The Board of Directors in its Meeting held on February 11, 2015 formulated a Risk Management Policy consisting of various elements of risk and mitigation measures

The Board of Directors/Audit Committee reviews the risk assessment and mitigation procedures across the entity from time to time. The critical enterprise level risks of the Company and the mitigation measures being taken are provided in the Management Discussion and Analysis Report.

(XIV) SUBSIDIARIES, JOINT VENTURES AND ASSOCIATES :

ITDC-Maytas JV
IL&FS GPT JV
ITNL IECCL JV

Further, none of the entities have been associated / disassociated as Joint Ventures of your Company during the year under review

(XV) AUDITORS AND AUDITORS' REPORT :

(a) Statutory Auditors :

In terms of the provisions of the Companies Act, 2013 read with Rules made thereunder, the Members of the Company at their Annual General Meeting (AGM) held on August 28, 2017, appointed BSR & Associates, LLP and M Bhaskara Rao & Co., Chartered Accountants as Joint Statutory Auditors of the Company to hold office for a period of 5 years

The Company had received resignation letter from the one of its Joint Statutory Auditors on July 15, 2019, letter dated July 14, 2019, viz. M/s. BSR & Associates LLP, Chartered Accountants (Firm Registration Number: 116231W/W-100024) stating their intent to not continue as the Statutory Auditors of the Company and tendering their resignation with immediate effect.

Accordingly, on recommendation of the Audit Committee and Board, the members accorded their approval for the appointment of M Bhaskara Rao & Co., Chartered Accountants, (Firm Registration Number 000459S) in the Extra-Ordinary General Meeting of the Company held on Monday, September 9, 2019, one of the Joint Statutory Auditors of the Company as Sole Statutory Auditor of the Company pursuant to the resignation of the other Joint Statutory Auditor, M/s. BSR & Associates LLP, Chartered Accountants (Firm Registration Number: 116231W/W-100024).

The Board noted that there were following qualifications in the Auditor's Report for the Standalone and Consolidated Financial Statements for the Year Ended March 31, 2019:

Standalone Financial Statements :

1. Note 13 (a) relating to deferred tax asset amounting to Rs. 242.99 Crores as at March 31, 2019, recognised by the Company in earlier years. Considering the material uncertainty related to going concern that exists in the Company, the threshold of reasonable certainty for recognising the deferred tax assets as per Ind AS 12- Income Taxes has not been met. Consequently, deferred tax asset is overstated and loss for the year and retained earnings (accumulated loss) are understated by Rs. 242.99 Crores.
2. Note 51 relating to non-recognition of interest expense of Rs. 144.99 Crores for the year on the borrowings availed by the Company considering the process initiated for submission of a resolution proposal to lenders for restructuring of existing debt. Consequently, interest expense and loss for the year are understated by Rs. 144.99 Crores and retained earnings (accumulated loss) is understated by Rs. 144.99 Crores.
3. Note 49 regarding Inter Corporate Deposits (ICDs) amounting to Rs. 323.78 Crores. These ICDs represents advances given by the Company to other entities, which as informed to us by the management, were ultimately given by these other entities to erstwhile Satyam Computer Services Ltd, which has since merged into Tech Mahindra Ltd. In the absence of adequate and sufficient audit evidence to establish the recoverability of said advances, we are unable to express an opinion on the recoverability of the said ICDs.
4. As stated in the Note 52, relating to the provision for advance aggregating to Rs.65 Crores for purchase of cement paid during the period to a party, the Management is of the opinion that these transactions are suspicious in nature and the Board decided to initiate investigation by informing the Ministry of Corporate Affairs (MCA). In the absence of sufficient and appropriate audit evidence, we are unable to opine on the appropriateness of the recognition of the transaction, pending result of the outcome of the investigation

Consolidated Financial Statements :

1. Note 13 relating to deferred tax asset amounting to Rs. 242.99 Crores as at March 31, 2019, recognised by the Company in earlier years. Considering the material uncertainty related to going concern that exists in the Company, the threshold of reasonable certainty for recognising the deferred tax assets as per Ind AS 12- Income Taxes has not been met. Consequently, deferred tax asset is overstated and loss for the year and retained earnings (accumulated loss) are understated by Rs. 242.99 Crores.
2. Note 50 relating to non-recognition of interest expense of Rs. 144.99 Crores for the year on the borrowings availed by the Company considering the process initiated for submission of a resolution proposal to lenders for restructuring of existing debt. Consequently, interest expense and loss for the year are understated by Rs. 144.99 Crores and retained earnings (accumulated loss) is understated by Rs. 144.99 Crores.
3. Note 48 regarding Inter Corporate Deposits (ICDs) amounting to Rs. 323.78 Crores. These ICDs represents advances given by the Company to other entities, which as informed to us by the management, were ultimately given by these other entities to erstwhile Satyam Computer Services Ltd, which has since merged into Tech Mahindra Ltd. In the absence of adequate and sufficient audit evidence to establish the recoverability of said advances, we are unable to express an opinion on the recoverability of the said ICDs.
4. As stated in the Note 51, relating to the provision for advance aggregating to Rs.65 Crores for purchase of cement paid during the period to a party, the Management is of the opinion that these transactions are suspicious in nature and the Board decided to initiate investigation by informing the Ministry of Corporate Affairs. In the absence of sufficient and appropriate audit evidence, we are unable to opine on the appropriateness of the recognition of the transaction, pending result of the outcome of the investigation

Internal Financial Controls :

The following material weaknesses has been identified in the operating effectiveness of the Company's internal financial reporting as at March 31, 2019:

A material weakness has been identified in the Company's internal financial controls over financial reporting as at 31 March 2019 relating to certain operating effectiveness in some of controls in respect of assessment of deferred tax asset, assessment of realisable value of inventory, assessment of recovery of contract assets, inter corporate deposits and advances and procurement of materials,

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

The Board of Directors explanations on the aforementioned qualification are given below:

Qualification on Standalone Financial Statements :

1. Note 13 (a) relating to deferred tax asset amounting to Rs. 242.99 Crores as at March 31, 2019, recognised by the Company in earlier years. The same is being retained as the Company is in the process of finalising resolution plan which if approved and implemented is likely to generate enough profits in subsequent years which can set-off deferred tax asset
2. The Company is in discussion with the lenders for the restructuring plan. Interest has been recognized only upto 15th October, 2018 in anticipation of the approval of lenders of concession/waivers being sought by company in the resolution plan
3. Based on the forensic report by Independent agency, which has been able to trace the said amount, the Company is in process of filing a petition for recovery of the said amount. It is therefore, our opinion, that ICD amount of Rs 323.78 Cr is likely to be realised.
4. An amount of advance paid to a vendor has been reported by Management to the Board. The Board is of the opinion that further investigation is required and hence we do not wish to comment further in the matter.

Material Uncertainty Related to Going Concern

The Company is currently in discussion with the lenders for carrying out a debt restructuring proposal. The ability of the Company to continue as a going concern is solely dependent on the acceptance of the debt restructuring proposal / finalisation and approval of the resolution plan, which is not wholly within the control of the Company.

The Company has accordingly prepared these Standalone Financial Statements on going concern basis based on assessment of the successful outcome of the restructuring proposal / finalisation and approval of the resolution plan.

Qualification on Consolidated Financial Statements :

1. Note 13 (a) relating to deferred tax asset amounting to Rs. 242.99 Crores as at March 31, 2019, recognised by the Company in earlier years. The same is being retained as the Company is in the process of finalising resolution plan which if approved and implemented is likely to generate enough profits in subsequent years which can set-off deferred tax asset
2. Interest has been recognised only upto 15th October, 2018 in line with the restructuring plan which is currently under discussion with the lenders. In the restructuring plan, the Company is proposing for waiver of Interest and accordingly the same has not been recognised in the books
3. Based on the forensic report by Independent agency, which has been able to trace the said amount, the Company is in process of filing a petition for recovery of the said amount. It is therefore, our opinion, that ICD amount of Rs 323.78 Cr is likely to be realised
4. Transaction of advance to vendor has been reported by Management to the Auditors and to the Board. The Board is of the opinion that further investigation is required and hence we do not wish to comment further in the matter.

(b) Cost Auditors :

In terms of the provisions of the Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014 as amended, Company maintains cost records and accounts in respect of the Roads and other infrastructure projects

The Board of Directors on the recommendation of Audit Committee appointed Narasimha Murthy & Co as the Cost Auditors of the Company for FY 2019 for conducting the Cost Audit of the Company at a remuneration of Rs.5,00,000/- was approved by the Members at the Twenty Ninth AGM of the Company held on September 17, 2018. The Cost Auditors submitted their report for FY 2019 to the Board of Directors.

Further, on the recommendation of Audit Committee, the Board of Directors in its Meeting held on May 16, 2019 re-appointed Narasimha Murthy & Co, Cost Accountants as the Cost Auditors of the Company for FY 2020 at a remuneration as may be determined by the Audit Committee in consultation with the Auditors. Necessary resolution for ratification of their remuneration in terms of the provisions of the Companies Act, 2013 read with Rules made there under is included in the Notice of AGM for the approval of the Members

(c) Secretarial Auditor :

In terms of the provisions of Section 204 of the Companies Act, 2013, the Board of Directors had appointed RPR & Associates, Company Secretaries to conduct the Secretarial Audit for FY 2019. The Secretarial Audit Report for the Financial Year Ended March 31, 2019 is enclosed as **Annexure 3** to this report. The Secretarial Audit Report contains the following qualifications and the replies thereon given below;

Qualification

Non Submission of Financial Results for Q2, Q3 and Year ended March 31, 2019

Reply

Being complied

(XVI) CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES :

It is the endeavor of the Company to enter its contracts/arrangements/ transactions with the related parties in the ordinary course of business and on arms' length basis. In terms of the provisions of Section 188 of the Companies Act, 2013 read with Rules made thereunder, all transactions with Related Parties were in ordinary course of business and on arm's length basis. Accordingly, details of related party transactions as per section 188 of Companies Act, 2013 in Form AOC-2 is not required. All contracts / arrangements / transactions entered by the Company were in compliance with the applicable provisions of the Companies Act, 2013 and Listing Regulations

The Company had framed Related Party Transaction Policy for the purpose of approval and identification of Related Party Transactions. All Related Party Transactions entered into by the Company in terms of the Policy were placed before the Audit Committee for its review and approval from time to time. The Related Party Transaction Policy approved by the Board of Directors is uploaded on the website of the Company at www.ilfsengg.com.

XVII. EMPLOYEE STOCK OPTION SCHEME :

The Company's Employee Stock Option Scheme 2018 (ESOP Scheme 2018) had not been implemented as on date and hence no Certificate from the Statutory Auditors of the Company is required to be obtained for the FY 2019 as required by the SEBI Guidelines and the resolution passed by the Members.

XVIII. MANAGEMENT DISCUSSION AND ANALYSIS :

A separate section titled "Management Discussion and Analysis" consisting of details as required under Regulation 34 read with Schedule V of the Listing Regulations forms part of this Annual Report.

XIX. CORPORATE GOVERNANCE:

A separate section titled "Report on Corporate Governance" including a certificate from the Practicing Company Secretary confirming compliance with the conditions of Corporate Governance as stipulated under Listing Regulations is enclosed to the Report on Corporate Governance and forms part of this Annual Report

Further, the declaration signed by the Chief Executive Officer affirming the compliance with Code of Conduct for Board of Directors and Senior Management Personnel is also enclosed to the Report on Corporate Governance

XX) DISCLOSURES :

(a) Extract of Annual Return :

The extract of Annual Return as per Section 92(3) of the Companies Act, 2013 and Rule 12 (1) of the Companies (Management and Administration) Rules, 2014 is enclosed as **Annexure 4** to this Report

(b) Vigil Mechanism :

In terms of the provisions of the Section 177 of the Companies Act, 2013 and Listing Regulations, the Company had established a Vigil Mechanism through its Whistle Blower Policy for directors and employees to report concerns about unethical behavior, actual/suspected frauds and violation of Company's Code of Conduct. Please refer to the Corporate Governance section of the Annual Report for further details

(c) Policy on Prevention of Sexual Harassment :

In terms of the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company had formulated and implemented a policy for Prevention of Sexual Harassment of Women at workplace. The Company from time to time conducts workshops or awareness programmes against sexual harassment at workplace

The Company had also constituted an Internal Committee comprising of employees of the Company and an Independent NGO representative. The scope of the Internal Committee encompasses all incidents / occurrences of sexual harassment which take place at the workplace and where either of the party (aggrieved / accused) is an employee of the Company. During the year under review, the Company has not received any complaints under the policy

Further, the Company has many systems, processes and policies to ensure professional ethics and harmonious working environment. The Company follows Zero Tolerance towards Corruption and unethical conduct. These are ensured through Whistle Blower Policy, Sexual Harassment Policy and Redressal Guidelines

(d) Particulars of Loans, guarantees or investments under Section 186 :

Your Company is into the business of providing Infrastructure Facilities. Accordingly, the provisions of Section 186 pertaining to providing Loan or Guarantee to other corporates are exempted. All information regarding Loans, Guarantees and Investments are mentioned in the notes to financial statements for FY 2018 which are self-explanatory

(e) Particulars of employees and related disclosures :

The disclosures relating ratio of remuneration of each directors to the median employee's remuneration and other details as per Section 197 (12) of the Companies Act, 2013 read with Rule 5 (1) of the Companies (Appointment and remuneration of Managerial Personnel) Rules, 2014 is enclosed as **Annexure 5** to this Report

The disclosure pertaining to remuneration and other details as required under Section 197 (12) of the Act read with rule

5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is enclosed as **Annexure 6** to this Report

- (f) **Material changes and comments, if any, affecting the financial position of the Company :** Due to the latest developments in the IL&FS Group and the Company, the debt burden has increased in a manner that is not commensurate with the size of its operations and there has been severe stress in terms of cash flows.
- (g) **Reporting of Fraud :** The Auditors of the Company have not reported any instances of fraud committed against the Company by its officers or employees as specified under section 143(12) of the Companies Act, 2013.
- (h) **Details of significant and material orders passed by the regulators or courts or tribunals impacting the going concern status of the Company :** During the year the National Company Law Appellate Tribunal ("NCLAT") by way of its order on October 15, 2018 ("Interim Order") in the Company Appeal (AT) 346 of 2018, after taking into consideration the nature of the case, larger public interest and economy of the nation and interest of IL&FS and its group companies (including IECCL) has stayed certain coercive and precipitate actions against IL&FS and its group companies including IECCL.

IL&FS and its group companies are currently undergoing resolution process under the aegis of the NCLAT and NCLT which will impact the going concern status of the Company.
- (i) **Details in respect of adequacy of internal financial controls :** The details of internal financial controls and their adequacy is given in Management Discussion and Analysis Report

XIX. ACKNOWLEDGMENTS :

Your Directors place on record their gratitude to the Bankers, Media, Financial Institutions, various agencies of the State and the Central Government Authorities, Clients, Consultants, Suppliers, Sub-Contractors, Members and the Employees for their valuable support and co-operation and look forward to continued enriched relationships in the years to come.

By order of the Board
For IL&FS Engineering and Construction Company Ltd

Form No. MR-3
SECRETARIAL AUDIT REPORT
For the Financial Year ended March 31, 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
 The Members,
M/s. IL&FS Engineering and Construction Company Limited
 Door No: 8-2-120/113, Block B, 1st Floor, Sanali Info Park,
 Road No. 2, Banjara Hills, Hyderabad – 500 034.

We have conducted the secretarial audit on the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. IL&FS Engineering and Construction Company Limited (hereinafter referred as the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the "Financial Year" ended March 31, 2019 (i.e. from April 1, 2018 to March 31, 2019) complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended March 31, 2019 according to the provisions of:

- A. The Companies Act, 2013 (the "Act") and the rules made thereunder;
- B. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- C. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- D. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- E. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time [Not applicable to the Company during the financial year];
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 [Not applicable to the Company during the financial year];
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2018 [Not applicable to the Company during the financial year];
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018, The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 [Not applicable to the Company during the financial year];

We have also examined compliance with the applicable clauses/regulations of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI)
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (Listing Regulations) and the Listing Agreements entered into with BSE Limited and National Stock Exchange of India Limited (NSE);

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except in respect of matters as specified in of Annexure-I which forms part of this report.

We further report that, having regard to the compliance system prevailing in the Company and on examination of relevant documents and records in pursuance thereof, on test check basis, the Company has complied with the applicable laws, except in respect of matters as specified in of Annexure-I which forms part of this report.

We further report that:

As on 31.03.2019, the Board of Directors of the Company is not duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Woman Director as required under the provisions of the Companies Act, 2013 and Listing Regulations. The changes in the composition of the Board of Directors that took place during the period under review were not

carried out in compliance with the provisions of the Act/Listing Regulations.

Adequate notices were given to all directors to schedule the board meetings, agenda and detailed notes on agenda were sent in advance as required, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period under review, resolutions were carried through majority. As confirmed by the Management, there were no dissenting views expressed by any of the members on any business transacted at the meetings held during the period under review.

Based on the information, documents provided and the representations made by the Company and its officers during our audit process, in our opinion, there are adequate systems and processes exist in the Company commensurate with the size and operations of the Company, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The compliance by the Company of the applicable financial laws, labour laws, filing of periodical returns, maintenance of financial records and books of accounts have not been reviewed by us since the same have been subject to review by Statutory Auditors, Internal Auditors and other professionals.

The following are the major events taken place during the audit period:

1. Re-appointment of Mr. Karunakaran Ramchand who retire by rotation.
2. Re-appointment of Joint Statutory Auditors BSR & Associates LLP, Chartered Accountants (Firm Registration Number 116231W/W-100024) and M Bhaskara Rao & Co, Chartered Accountants (Firm Registration Number 000459S) for the F.Y. 2018-19.
3. Approval of the IL&FS Engineering and Construction Company Limited Employees Stock Option Scheme – 2018 and for Grant of 2 Crore Options to the Employees of the Company.
4. Resignation of Mr. Saleh Mohammed A Binladen from his directorship on May 29, 2018.
5. Resignation of Mr. Debabrata Sarkar, independent director from his directorship on September 26, 2018.
6. Resignation of Ms. Sutapa Banerjee, independent director from her directorship on October 12, 2018.
7. Appointment of Mr. Chandra Shekar Rajan as Non-executive Non-Independent Director on October 25, 2018.
8. Resignation of Mr. Karunakaran Ramchand from his directorship on October 29, 2018.
9. Resignation of Mr. Mukund Gajanan Sapre from his directorship and Managing Director on November 02, 2018.
10. Resignation of Mr. Bhaskar Chatterjee from his directorship on December 06, 2018.
11. Resignation of Mr. Ganapathi Ramachandran from his directorship on December 07, 2018.
12. Appointment of Mr. Dilip Lalchand Bhatia as Non-executive Non-Independent Director on December 24, 2018.
13. Appointment of Mr. Kazim Raza Khan as Manager of the Company on December 24, 2018.
14. Cessation of Mr. Sambhu Nath Mukherjee as Chief Financial Officer of the Company on December 31, 2018.
15. Appointment of Mr. Naveen Kumar Agrawal as Chief Financial Officer of the Company on January 01, 2019.
16. Resignation of Mr. Sushil Kumar Dudeja as Company Secretary of the Company on January 31, 2019.
17. Appointment of Ms. Saheli Banerjee as Company Secretary of the Company on March 11, 2019.

Further

We observed that certain companies/entities of the IL&FS Group began to default on their debt obligations during the second quarter of Financial Year 2018-19. Considering the impact, the Government of India petitioned the National Company Law Tribunal (NCLT) to replace the IL&FS Board of Directors. The NCLT, in its order on October 1, 2018 suspended the Board of IL&FS with a new Board, with members nominated by Government of India. The Government of India also initiated an investigation into the affairs of IL&FS through the Serious Fraud Investigation Office and the Enforcement Directorate.

M/s. BSR & Associates LLP, one of the statutory auditors of the Company, who were required to audit the financial statements of the Company for the year ended 31st March 2019 had resigned as statutory auditors of the Company on July 14, 2019 and the audited financial statements for the year ended 31st March 2019 have not been approved by the Board of Directors within the due date stipulated under the SEBI (LODR) Regulations and the Companies Act, 2013.

The credit rating of the Company has been downgraded by Care Ratings Limited on August 29, 2018.

The Company applied for the approval of Registrar of Companies (ROC), Hyderabad for conducting the Annual General Meeting (AGM) of the Company for the financial year ended 31st March 2019, which was supposed to be completed on or before September 30, 2019 for a further period of three months i.e. up to December 31, 2019. The ROC, Hyderabad had granted the approval for conducting the AGM on or before December 15, 2019.

MANAGEMENT DISCUSSION AND ANALYSIS

(A) INTRODUCTION:

IL&FS Engineering and Construction Company Ltd (IECCL) has more than three decades of experience in the engineering and construction business with capabilities in providing integrated Engineering, Procurement and Construction (EPC) services. With engineering experience, trained and qualified manpower, IECCL is primarily executing infrastructure projects across India. IECCL has been delivering projects in the sectors of Power, Oil and Gas, Roads, Railways and Metros, Water and Irrigation, and Buildings & Structures.

(B) ECONOMIC OVERVIEW

(1) Indian Economy

India continues to remain the fastest growing major economy in the world in 2018-19, despite a slight moderation in its GDP growth from 7.2 per cent in 2017-18 to 6.8 per cent in 2018-19. On the other hand, the world output growth declined from 3.8 per cent in 2017 to 3.6 per cent in 2018.

India's growth of real GDP has been high with average growth of 7.5 per cent in the last 5 years (2014-15 onwards). The Indian economy grew at 6.8 per cent in 2018-19, thereby experiencing some moderation in growth when compared to the previous year. This moderation in growth momentum is mainly on account of lower growth in 'Agriculture & allied', 'Trade, hotel, transport, storage, communication and services related to broadcasting' and 'Public administration & Defence' sectors. On the demand side, lower growth of GDP in 2018-19 was accounted for, by a decline in growth of government final consumption.

The Government of India projected GDP growth for FY 2020 at 7% on the back of anticipated pickup in the growth of investment and acceleration in the growth of consumption. UN Report also says that India to remain fastest-growing economy in 2019 and 2020. Notwithstanding growing global turmoil arising out of rising oil prices, trade wars between US and China, India shined based on better demand conditions, settled GST implementation, growing investments in infrastructure, continuing positive effect of reform policies and improved credit off take especially in Service sector.

India has secured 77th position out of 190 countries in World Bank's Ease of Doing Business Report 2019 which is 23 place up since the last report.

(2) Indian Infrastructure Sector

Being a key driver of the economy, Infrastructure and Construction sector is significantly responsible for propelling India's overall development and enjoy intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, railways, housing and urban infrastructure development

The Ministry of Road Transport & Highways (MoRTH) declared the financial year 2018-19 as the "Year of Construction". In FY 2020 also, Infrastructure sector continues to be key driver for Indian Economy and play pivotal role in achieving the Government's vision of making India a USD 5 Trillion Economy by 2024. The

Government of India started several initiatives such as industrial corridors for stimulating industrial development in different regions, Dedicated Freight Corridors (dedicated rail route for freight trains movement), Bharatmala Pariyojana (a centrally-sponsored and funded Road and Highways project), Sagarmala (A scheme for reducing logistics cost for EXIM and Domestic trade unlocking the potential of waterways and the coastline) and UDAN-RCS schemes ('Ude Desh ka Aam Naagarik - Regional Connectivity Scheme' - the scheme for development of regional airports with the objective of letting the common citizen of the country fly, aimed at making air travel affordable and widespread), House for All, Smart Cities, Bullet Train etc.

The Government of India has proposed several schemes and reforms for improvement of infrastructure in India. Major initiatives are announcement of investment of Rs.100,000 Crore in infrastructure segment in the next five years, an investment of Rs.50,00,000 Crore to improve railway infrastructure between 2018-30, upgrade of roads of 1,25,000 KM length in the next five years, 1 crore houses to be built under PMAY, 50 lakh more houses to attain the motto of 'House for All' by 2022, target to build 100 smart cities.

Apart from the budgetary support, the Government of India is also encouraging foreign portfolio investors to invest in infrastructure debt funds, introduce credit default swaps for the infrastructure sector, deepen the corporate bond market and encourage equity investment by non-resident Indians.

(C) Performance during the year :

Business Performance :

As in the past, your company is executing various EPC and Item Rate projects with both Government and Private clients in the sectors of Power, Oil & Gas, Railways & Metros, Water & Irrigation, Buildings & Structures and Roads situated pan India.

(Rs. In Crores)

Sector	On hand as on 31-3-2019	On hand as on 31-3-2018
Roads	593	2666
Railways & Metros	214	1,180
Buildings	48	939
Irrigation	223	2,762
Power	390	1,745
Oil & Gas	148	636
Ports	-	212
Total	*1615	10,140

*executable order book

Developments at IL&FS and its adverse impact on IECCL:

While IECCL was progressing satisfactorily in its projects' execution, certain entities of the IL&FS Group began to default on their debt obligations during the second quarter of FY 2019. Considering the impact IL&FS defaults were having on the financial system in India, the Government of India (GoI) petitioned the National Company Law Tribunal (NCLT) to replace the IL&FS Board of Directors. In its order on October 1, 2018, NCLT superseded the Board of IL&FS with a new Board, with members nominated by

Government of India. Further, the Government of India also initiated an investigation into the affairs of IL&FS through the Serious Fraud Investigation Office (SFIO) and Enforcement Directorate (ED).

The developments in the IL&FS Group has had an adverse impact on IECCL. The immediate and direct impact was stopping payments to financial creditors till NCLT order is released. Payments against liabilities to operational creditors prior to 1st October 2018 are also deferred till NCLT order is issued. IL&FS Group support to IECCL in the form of Corporate Guarantees/ Bank Guarantees has been stopped. Because of all these deferment of Payments / support, subcontractors and suppliers stopped supply of their services / materials which affected the projects progress and projects came to stand still for three months. Evidencing no progress in the Projects and news about IL&FS group defaults, several clients issued termination notices and a few clients terminated few projects.

The new Board of Directors appointed a new Chief Executive Officer (CEO) for streamlining the business of the Company by coordinating with clients, lenders, subcontractors, suppliers, government bodies and employees.

Discussion on Financial Performance:

The adverse developments in the IL&FS Group have significant direct impact on IECCL's business plans for revenue and profit growth. The company could not achieve its projected revenue targets due to termination of IECCL's projects at Kolkata Metro, Nagpur Metro, Jharkhand based six Rural Electrification works. This has significant impact on its present revenue and future order book

In order to contain the adverse impact, IECCL has effected stringent cost rationalization measures. These measures included manpower rationalization and salary cuts for the senior management, shifting of Head Office to lesser area office premises thereby reducing rent outgo. IECCL has also initiated special efforts for early realization of long pending claims and receivables.

Overall Financial Performance:

	2018-19	2017-18	Explanation for significant changes (i.e 25% or more as compared to immediately previous financial year)
Revenue	1239.14	1868.76	Change in Revenue numbers due to change in budget numbers of some projects.
EBITDA	((58.67))	443.78	Same as Above
PAT	(2036.45)	6.92	Includes exceptional items of Rs 1640.42
EPS	(155.31)	0.53	Same as Above
Share Capital	170.87	170.87	
Debt	2692.05	2512.77	
Net Worth	(1900.18)	135.13	Major Change due to exceptional items
Fixed Assets	531.11	567.69	
Inventory	89.79	1018.13	Reclassification of Unbilled Revenue from Inventory to contract Asset under Other Asset
Debt Equity Ratio	29.73	30.30	
Current Ratio	0.37	0.64	
Return on Equity	7.25	10.94	
Interest Coverage Ratio	(0.33)	1.01	

(D) Outlook on the performance of FY 2020: Risks and Concerns:

There are ample opportunities for infrastructure and construction business in the coming years. The Government of India(GOI) has initiated several schemes and gave higher budget allocation for creation of world class infrastructure pan India. The Government's pro-industry policies such as lowering corporate tax, setting up of Real Estate Investment Trust (REIT)s and Infrastructure Investment Trusts would drive new investments in Infrastructure sector. IECCL is seeing the good opportunities in the sectors of Power, Oil & Gas, Metros, Roads and Housing.

As regards IECCL, the adverse developments at IL&FS Group have significantly impinged on IECCL's business plans for revenue growth. The newly constituted Board has been working on a resolution plan for IL&FS Group. This plan calls for selling identified assets of IL&FS Group. The outcome of the sale process is uncertain as the same by IL&FS is, at the onset, contingent on approval of investors.

Given the above developments, it is imperative to realign and rebuild the Companies business model. In the near term, this would require the Company to focus on the sectors where it has core competency of timely execution with profits. Working capital requirements and execution cost will be optimized by associating with competitive subcontractors

In the event IECCL is able to successful embark on these initiatives, the same would enable the Company to ride over the current challenging external and internal environment which it faces and, over time, rebuild the Company

The period of business realignment is expected to take 12 – 18 months, during which period the Company would have to deal with a large degree of uncertainties. However, IECCL has the ability to undergo this metamorphosis.

It has been a challenging year, and more challenges lies ahead. The aforementioned strengths are expected to stand IECCL in good stead as it endeavors to overcome the setbacks and once again rebuild its business.

(E) Risk Management:

IECCL has an integrated Enterprise Risk Management (ERM) framework in place for identification, assessment, mitigation and reporting of risks. Risk Management Committee / the Audit Committee/ the Board of Directors oversees the function by periodically reviewing the Critical Risks of the Business and its mitigation plans.

The critical enterprise level risks of the Company and the mitigation measures being taken are submitted below:

Liquidity Position:

The current level of debt is not commensurate with the size of its operations and there has been severe stress in terms of cash flows. Your company is in discussion with its bank consortium and the promoter group for debt restructuring to support revival of business. Your Company is also in discussion with Vendors for extending credit period support in execution of current projects.

Order Book Risk:

IECCL has not won any new works for the last two years. The Company cannot bid for new projects at present due to inadequate fund and non-fund support from Banks

pending finalization and implementation of a viable Resolution Plan for your Company. Your Company is also in discussion with other financially sound contracting agencies to form Joint Ventures for bidding for new works in the meantime.

Reputation and Brand Risk:

The overburdened debt of IL&FS group, its default in debt servicing and discussion of its corporate governance practices in public have impacted its group companies including IECCL. This negative publicity will affect IECCL in winning new EPC Projects, in getting new borrowings at lower interest rate and in getting project services from vendors with credit facility in the near to medium term.

Operational Risks:

In order to mitigate operational risks in Project execution, due care is exercised in the preparation of design and drawings, selection of sub-contractors, selection of suppliers, recruitment of technical and non-technical staff, utilization of resources, insurance coverage etc. The Company has documented and implemented Standard Operating Procedures for all important operations of the Company, Delegation of Authority, periodical business monitoring mechanism and risk identification and mitigation mechanism

Political Risk:

Your Company is operating in multiple Indian States with different political mileus and consequently subject to Political risks. Appropriate and adequate mitigation strategies are in place to mitigate these risks. The Company is spreading its operations in all major sectors of Infrastructure and in various States avoiding business concentration in same region

Contractual Risks:

The Company is exposed to several contractual risks with clients, subcontractors, suppliers and lenders in its day to day operations. In order to mitigate these risks, the Company has an exclusive Contracts and Claims Department to oversee contract documentation, major claims and arbitrations.

Subcontractors Risk and Joint Venture Risks:

The Company associated with several subcontractors and joint ventures for executive of their projects. Their non-performance may affect the revenue and profitability of the Company. The Company has a robust system for selection of back-to-back subcontractors and Joint Venture Partners and monitor their performance regularly

(F) Internal Control System and their Adequacy:

The Company's internal financial control framework, established in accordance with the COSO framework, is commensurate with the size and operations of the business and is in line with requirements of the Act. The effectiveness of the internal controls is continuously monitored by Internal Audit. Internal Audit's main objective is to provide to the Audit Committee, an independent, objective and reasonable assurance of the Company's risk management, control and governance processes.

Internal Audit continuously assesses opportunities for improvement in all business processes, systems and controls and provides recommendations which add value to the Company. It also follows up on the implementation of corrective actions and improvements after the review by the Audit Committee. The internal audit scope covers inter alia, all projects and corporate functions, as per the annual plan reviewed and approved by the Audit Committee at the beginning of every year.

The Company has institutionalized internal control in the form of standard operating procedures with an objective of orderly and efficient conduct of its business, safeguarding the Company's assets, prevention and detection of frauds, accuracy and completeness of accounting records and compliance with applicable statutory requirements. The Company is having Oracle e-Business Suite as Enterprise Resource Planning (ERP) System for recording transactions in an integrated way with complete audit trail.

The Company has also deployed an external firm of Chartered Accountants and the combined Internal Audit team consists of technical auditors (Engineers), Chartered Accountants and Cost Accountants.

(G) Human Resources & Industrial Relations:

IECCL considers its employees as a valuable asset. Human Resource (HR) is entrusted with the responsibility for nurturing its talent pool. In 2018 IL&FS did Employee Satisfaction Survey and IECCL fared well and remained in top 5 among all Group Companies on all parameters. We have well written down transparent policies like Performance Management System (PMS), Whistle Blower, Sexual Harassment, etc. All employees are appraised about policies repeatedly through email and trainings. HR has online HR Helpdesk which addresses all queries/grievances of employees within maximum 4 working days. Job rotation is the key to talent growth of IECCL.

IECCL continues to maintain harmonious relations with its employees across all its Project sites and offices in India and as on March 31, 2019, the Company had 473 permanent employees

(H) Cautionary Statement:

Statements in this Annual Report, describing the Company's outlook, projections, estimates, expectations or predictions may be "Forward Looking Statements" within the meaning of applicable laws or regulations. Actual results could differ materially from those expressed or implied. Several other factors could make significant difference to the Company's operations which includes economic conditions affecting demand and supply, Government Regulations, taxation, natural calamities and so on, over which the Company does not have any control.

REPORT ON CORPORATE GOVERNANCE

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE :

Corporate Governance is essentially a system, which brings about sustained corporate growth and long-term benefits for stakeholders. Empowerment, accountability & control, is the philosophy of the Company on corporate governance. Good governance is a moral stance of the Management, which is committed to create value for all stakeholders on ethical principles. The Company endeavors to implement the code of Corporate Governance in its true spirit

2. BOARD OF DIRECTORS :

Composition :

The Board had an optimum combination of Executive and Non-Executive Directors including Woman Director till the second quarter of FY 2018-19.

The Ministry of Corporate Affairs (MCA) through National Company Law Tribunal (NCLT) nominated the Directors on the Board of the promoter of the Company (IECCL), Infrastructure Leasing and Financial Services Limited (IL&FS) with powers to supersede all other Boards of its group Companies. Subsequently, due to the abovementioned developments at IL&FS, all the directors resigned/ceased to be the Directors of the Company and the Board of the promoter nominated the following as Directors on the Board IECCL

Sl.No.	Name of the Director	Date of Appointment
1.	Mr Chandra Shekhar Rajan	October 25, 2018
2.	Mr Bijay Kumar	April 4, 2019
3.	Mr Dilip Lalchand Bhatia	December 24, 2018

All the present Directors on the Board are professionals, having expertise in their respective functional areas. None of the Directors on the Board is a member of more than ten committees or Chairperson of more than five Committees across all the companies in which they are a director. As required under Regulation 26 of SEBI (Listing Obligations of Disclosure Requirements) Regulations, 2015 (Listing Regulations), necessary disclosures regarding Committee positions have been received from all the Directors

Board Meetings :

During FY 2019, the Board of Directors met 6 times on the following dates: May 30, 2018, July 31, 2018, August 12, 2018, October 25, 2018, December 24, 2018 and March 11, 2019

Attendance, Directorships, Memberships/Chairmanships of Committees :

The names and categories of the Directors on the Board, their attendance at the Board Meetings held during FY 2019 along with the number of directorships and committee memberships held by them in other Companies as on March 31, 2019 are given below:

(e) Share Transfer Procedure :

The share transfers which are received in physical form are processed and the share certificates are returned to the respective shareholders within the statutory time limit, subject to the documents being valid and complete in all respects. The Company obtains half yearly certificates from a Company Secretary in practice on compliance regarding share transfer formalities and submits a copy thereof to the Stock Exchanges in terms of Regulation 40 of the Listing Regulations.

(f) Prevention of Insider Trading :

In accordance with the requirements of SEBI (Prohibition of Insider Trading) Regulations, 2015, the Board of Directors of the Company has approved Code of Conduct for Prevention of Insider Trading and Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information. The Code of Conduct for Prevention of Insider Trading has replaced the Company's earlier Code on Insider Trading as framed under the SEBI (Prohibition of Insider Trading) Regulations, 1992. The Company has taken measures to create awareness about the code among its employees and has implemented a system of reporting details of trading in the securities of the Company by the Designated Persons to the Audit Committee at the periodic levels.

(g) Distribution of shareholding as on March 31, 2019 :

Category (Amount)	No. of Shareholders	% of total shareholders	Total Shares	Amount (in Rs.)	% of Amount
1 – 5000	31,934	87.01	2,867,877	28,678,770	2.19
5001 – 10000	2,236	6.09	1,903,064	19,030,640	1.45
10001 – 20000	1,185	3.23	1,863,424	18,634,240	1.42
20001 – 30000	413	1.13	1,074,182	10,741,820	0.82

(i) Reconciliation of Share Capital Audit:

As stipulated by SEBI, a Practicing Company Secretary carries out the reconciliation of Share Capital Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and paid up capital. This audit is carried out every quarter and the report thereon is submitted to the stock exchanges and is placed before the Board of Directors. The audit, inter alia confirms that the total listed and paid up equity capital of the company is in agreement with the aggregate of the total number of shares in dematerialized form held with NSDL and CDSL and total no. of shares in physical form

(j) Investor Safeguards :

Investors may note the following to avoid risks while dealing in securities:

- (i) Electronic Clearing Services (ECS) mandate
ECS helps in quick remittances of dividend without possible loss / delivery in postal transit. Members may register their ECS details with their respective DPs
- (ii) Encash Dividends in time
Encash your dividends promptly to avoid hassles of revalidation
- (iii) Register Nominations
To enable successors to get the shares transmitted in their favour without hassle, the members may register their nominations directly with their respective DPs
- (iv) Confidentiality of Security Details
Do not hand over signed blank transfer deed / delivery instruction slips to any unknown person
- (v) Dealing of Securities with Registered Intermediaries
Members must ensure that they deal with only SEBI registered intermediaries and must obtain a valid contract note/ confirmation memo from the broker/ sub-broker, within 24 hours of execution of trade and it should be ensured that the contract note / confirmation memo contains order no., trade time, quantity, price and brokerage

Certificate on Corporate Governance

To
The Members of
M/s. IL&FS Engineering and Construction Company Limited
Door No: 8-2-120/113, Block B, 1st Floor,
Sanali Info Park, Road No. 2, Banjara Hills,
Hyderabad – 500 034.

We have examined the compliance conditions of Corporate Governance by M/s. IL&FS Engineering and Construction Company Limited (the Company) for the financial year ended 31st March, 2019, as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [“SEBI (LODR) Regulations, 2015”] and the Uniform Listing Agreement entered between the Company & Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Company’s management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our knowledge and according to the explanations given to us, we certify that the Company has complied with the conditions of applicable Corporate Governance as stipulated in the above mentioned SEBI (LODR) Regulations, 2015 and the Uniform Listing Agreement except in respect of matters specified below:

Sl. No.	Compliance Requirement (Regulations/ circulars / Guidelines including specific clause)	Deviations	Remarks
1	Submission of Financial Results under Regulation 33 of SEBI LODR	Not submitted the unaudited financial results for the quarters ended Sept, 18 and Dec, 2018 and audited financial results for the year ended 31.03.2019.	Pending as on the date of this certificate.
2	One woman director on the Board of Directors under Regulation 17 of SEBI LODR.	Non appointment of woman director	Exemption Received from National Company Law Tribunal (NCLT) vide its order dated 26.04.2019
3	Constitution of Audit Committee under Regulation 18 of SEBI LODR	These Committees were not in existence from October 2018 to March 2019.	All the Committees have been reconstituted on April 4, 2019 without independent directors. However, the requirement of appointment of independent directors was exempted by NCLT vide its order dated 26.04.2019
4	Constitution of Nomination and Remuneration Committee under Regulation 19 of SEBI LODR		
5	Constitution of Stakeholders Relationship Committee under Regulation 20 of SEBI LODR		
6	Appointment of Independent Directors under Regulation 17 of SEBI LODR	Independent directors were not appointed from October 2018 onwards	Exemption Received from NCLT vide order dated 26.04.2019

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Annual Secretarial Compliance Report of

M/s. IL&FS Engineering and Construction Company Limited
for the year ended 31.03.2019

(Pursuant to circular dated 8th February, 2019 issued by SEBI)

We, M/s. RPR and Associates, Company Secretaries, Hyderabad, have examined:

- (a) all the documents and records made available to us and explanation provided by M/s. IL&FS Engineering and Construction Company Limited (IECCL) (CIN:L45201TG1988PLC008624) having its registered office at 8-2-120/113, Block B, 1st Floor, Sanali Info Park, Road No. 2, Banjara Hills, Hyderabad – 500 034, (“the listed entity”);
- (b) the filings/ submissions made by the listed entity to the stock exchanges;
- (c) website of the listed entity; and
- (d) any other document/ filing, as may be relevant, which has been relied upon to make this certification/report, for the year ended 31st March, 2019 (“Review Period”) in respect of compliance with the provisions of :
- (a) the Securities and Exchange Board of India Act, 1992 (“SEBI Act”) and the Regulations, circulars, guidelines issued thereunder; and
- (b) the Securities Contracts (Regulation) Act, 1956 (“SCRA”), rules made thereunder and the Regulations, circulars, guidelines issued thereunder by the Securities and Exchange Board of India (“SEBI”);

The specific Regulations, whose provisions and the circulars/guidelines issued thereunder, have been examined, include:-

- (a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR);
- (b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (d) Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (e) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- (f) Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (g) Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013;
- (h) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- and circulars/ guidelines issued thereunder;

and based on the above examination, we hereby report that, during the Review Period:

- (a) The listed entity has complied with the provisions of the above Regulations and circulars/ guidelines issued thereunder, except in respect of matters specified below:

Sl. No.	Compliance Requirement (Regulations/ circulars / Guidelines including specific clause)	Deviations	Observations/Remarks of the Practicing Company Secretary
1	Submission of Financial Results under Regulation 33 of SEBI LODR	Not submitted the unaudited financial results for the quarters ended Sept, 18 and Dec, 2018 and audited financial results for the year ended 31.03.2019	Pending as on the date of this report.
2	One woman director on the Board of Directors under Regulation 17 of SEBI LODR	Non appointment of woman director	Exemption Received from National Company Law Tribunal (NCLT) vide its order dated 26.04.2019
3	Constitution of Audit Committee under Regulation 18 of SEBI LODR	These Committees were not in existence from October, 2018 to March, 2019.	All the Committees have been reconstituted on April 4, 2019 without independent directors. However, the requirement of appointment of independent directors was exempted by NCLT vide its order dated 26.04.2019
4	Constitution of Nomination and Remuneration Committee under Regulation 19 of SEBI LODR		
5	Constitution of Stakeholders Relationship Committee under Regulation 20 of SEBI LODR		
6	Appointment of Independent Directors under Regulation 17 of SEBI LODR	Independent directors were not appointed from October, 2018 onwards	Exemption Received from NCLT vide order dated 26.04.2019

- (b) The listed entity has maintained proper records under the provisions of the above Regulations and circulars/ guidelines issued thereunder insofar as it appears from our examination of those records;
- (c) During the Review Period, certain companies/entities of the IL&FS Group began to default on their debt obligations during the second quarter of Financial Year 2018-19. Considering the impact, the Government of India petitioned the National Company Tribunal (NCLT) under Section 241 & 242 of the Companies Act, 2013 to replace the IL&FS Board of Directors. The NCLT, in its order on October 1, 2018 suspended the Board of IL&FS with a new Board, with members nominated by Government of India. The Government of India also initiated an investigation into the affairs of IL&FS through the Serious Fraud Investigation Office and the Enforcement Directorate.
- (d) During the year, all the KMPs, namely Managing Director, Chief Financial Officer and Company Secretary had left the Company. They have been suitably replaced by appointing new KMPs except the Managing Director. All directors had resigned and the new directors have been appointed on the Board. M/s. BSR & Associates LLP, one of the statutory auditors of the Company, who were required to audit the financial statements of the Company for the year ended 31st March 2019 had resigned as statutory auditors of the Company in July 2019 and the audited financial statements for the year ended 31st March 2019 have not been approved by the Board of Directors within the due date stipulated under the SEBI (LODR) Regulations and the Companies Act, 2013.

INDEPENDENT AUDITOR'S REPORT

To the Members of IL&FS Engineering and Construction Company Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion:

We have audited the standalone financial statements of IL&FS Engineering and Construction Company Limited ("the Company"), which comprise the standalone balance sheet as at March 31, 2019, the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the 'Basis for Qualified Opinion' paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion:

We draw attention to the following notes to the stand alone financial statements:

Note 13 (a) relating to deferred tax asset amounting to Rs. 242.99 Crores as at March 31, 2019, recognised by the Company in earlier years. Considering the material uncertainty related to going concern that exists in the Company, the threshold of reasonable certainty for recognising the deferred tax assets as per Ind AS 12- Income Taxes has not been met. Consequently, deferred tax asset is overstated and loss for the year and retained earnings (accumulated loss) are understated by Rs. 242.99 Crores.

Note 49 regarding Inter Corporate Deposits (ICDs) amounting to Rs. 323.78 Crores. These ICDs represents advances given by the Company to other entities, which as informed to us by the management, were ultimately given by these other entities to erstwhile Satyam Computer Services Ltd, which has since merged into Tech Mahindra Ltd. In the absence of adequate and sufficient audit evidence to establish the recoverability of said advances, we are unable to express an opinion on the recoverability of the said ICDs.

Note 51 relating to non-recognition of interest expense of Rs. 144.99 Crores for the year on the borrowings availed by the Company considering the process initiated for submission of a resolution proposal to lenders for restructuring of existing debt. Consequently, interest expense and loss for the year are understated by Rs. 144.99 Crores and retained earnings (accumulated loss) is understated by Rs. 144.99 Crores.

As stated in the Note 52, relating to the provision for advance aggregating to Rs. 65 Crores for purchase of cement paid during the period to a party, the Management is of the opinion that these transactions are suspicious in nature and the Board decided to initiate investigation by informing the Ministry of Corporate Affairs (MCA). In the absence of sufficient and appropriate audit evidence, we are unable to opine on the appropriateness of the recognition of the transaction, pending result of the outcome of the investigation

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material uncertainty related to going Concern:

Attention is invited to Note 30 in the standalone financial statements regarding a likely significant reduction in the Company's future income from operations, in the absence of new business orders, management's expectation of Company's inability to meet its obligations over the next 12 months out of its earnings and liquid assets. During the year ended March 31, 2019, the Company was unable to discharge its obligations for repayment of loans and settlement of other financial and non-financial liabilities including statutory liabilities. The Company's management represented to us that process has been initiated for submission of a resolution proposal to lenders for restructuring of existing debt. These events and conditions indicate a material uncertainty which cast a significant doubt on the Company's ability to continue as a going concern, and therefore it may be unable to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Company to continue as a going concern is solely dependent on the acceptance of the debt restructuring proposal / finalisation and approval of the resolution plan, which is not wholly within the control of the Company.

The Management of the Company has accordingly prepared these Standalone Financial Statements on going concern basis based on their assessment of the successful outcome of the restructuring proposal / finalisation and approval of the resolution plan.

Our opinion is not modified in respect of this matter.

Emphasis of Matter:

We draw attention to the following notes to the standalone financial statements:

Note 31 (vii) regarding ongoing investigations by Serious Fraud Investigation Office of Ministry of Company Affairs (SFIO), Enforcement Directorate (ED) and other regulators / agencies against Infrastructure Leasing & Financial Services Limited ('IL&FS' or 'the Holding Company'), and its subsidiaries (including the Company). The National Company Law Tribunal (NCLT) has issued an Order to re-open books of accounts of IL&FS and its two subsidiaries (other than this Company) for the past financial years. The financial statements of the Company for the year do not include adjustments, if any, that may arise on account of the ongoing investigations by the investigating and other agencies and Regulatory Authorities, as the management, at this juncture, cannot foresee any adjustments to be made in these financial statements of the Company as a result of any such investigations.

Note: 48 (a) and Note 48 (b) regarding recoverability of Trade

Receivables and Contract assets respectively from the terminated / foreclosed / revived projects aggregating to Rs. 475.26 Crores. Based on its internal assessment no adjustments have been made in the carrying value of the receivables / contract assets.

Note 8 and Note 9 which include carrying value of loans / advances / interest accrued on such loans or advances to the investee entities of aggregating to Rs. 146.19 Crores. Recoverability of these investments / receivables / loans and advances is dependent upon recovery of capacity charges and supplies, increase in traffic on road investments, final award of the claim and positive outcome of the litigations in the ultimate investee entities.

The ultimate outcome of the matters stated above cannot presently be determined, pending approvals, acceptances, legal interpretations, conclusion of legal proceedings, achievement of traffic projections, favourable settlement of claims and ultimate realisation etc., as referred to in the relevant notes to the accompanying standalone financial statements referred above, accordingly no adjustment has been made in the carrying value of the aforesaid assets.

Note 53 –regarding exceptional items aggregating to Rs. 1,640.42 Crores comprising write off / provisions made and other adjustments made during the year based on comprehensive review / assessment carried out by the management during the year.

Our opinion is not modified in respect of the aforementioned matters.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the 'Basis for Qualified Opinion' and Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

Description of Key Audit Matter:

Key audit matter	How the matter was addressed in our audit
Estimated Cost to complete the Project:	
Refer note 3 (a) to the standalone financial statements	
The Company recognises revenue under percentage of completion method as specified under Indian Accounting Standard (IND AS)-115 – Revenue from contract with customers. Recognition of revenue requires estimation of total contract cost which comprises of the actual cost incurred till date and estimated cost further to be incurred to complete the projects. Estimation of the cost to complete involves exercise of significant judgement by management including assessment of technical data and hence identified as Key Audit Matter.	Our audit approach was a combination of test of internal controls and substantive procedures which included the following: <ol style="list-style-type: none"> 1. Tested the design, implementation and operating effectiveness of the controls surrounding determination and approval of estimated cost. 2. Verified the contracts with customers on test check basis and the actual cost incurred and terms and condition related to the variation of the cost. 3. Obtained and relied on the internal assessments supporting the accuracy of the estimate of the total cost of the project for selected contracts on test check basis.

Trade receivables and Contract Assets	
Refer Note: 7 and 12 to the standalone Financial statements	
Trade receivables and contract assets amounting to Rs 256.09 Crores and Rs 1,314.65 Crores respectively, represents approximately 49.41% of the total assets of the Company as at March 31, 2019. In assessing the recoverability of the aforesaid balances, management's judgement involves consideration of aging status, evaluation of litigations and the likelihood of collection based on the terms of the contract. Management estimation is required in the measurement of work completed during the period for recognition of unbilled revenue. We considered this as key audit matter due to the materiality of the amounts and significant estimates and judgements as stated above.	Our audit procedures amongst others included the following: <ul style="list-style-type: none"> ❖ We understood and tested on a sample basis the design and operating effectiveness of management control over the recognition and the recoverability of the trade receivables and contract assets. ❖ We performed test of details and tested relevant contracts, documents and subsequent settlements for material trade receivable balances and amounts included in contract assets that are due on performance of future obligations. ❖ We tested the aging of trade receivables at year end. ❖ We performed test of details and tested relevant contracts and documents with specific focus on measurement of work completed during the period for material unbilled revenue balances included in contract asset. ❖ We performed additional procedures, in respect of material over-due trade receivables and long outstanding contract assets, i.e. tested historical payment records, correspondence with customers. ❖ We assessed the allowance for impairment made by management.

Advances to Subcontractors and Suppliers	
Refer note 8 and 12 to the standalone financial statements	
<p>The Company has recoverable advances (in cash or in kind) of Rs. 128.08 Crores.</p> <p>Management's assessment of recoverable amounts, in cash or in kind has been identified as key audit matter due to the significance of the balances as at March 31, 2019.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> ❖ We understood and tested on a sample basis the design and operating effectiveness of management control over disbursing the advance and the recoverability of the advances to vendors – for supply of goods and services. ❖ We performed test of details and tested relevant contracts, documents and subsequent settlements for material balances outstanding for recovery either in cash or kind as at March 31, 2019. ❖ We tested the aging of these advances as at the year end. ❖ We assessed the allowance for provisioning made by management.
Provisions and Contingent Liabilities:	
Refer note 3 (p) to the standalone financial statements	
<p>The Company is involved in various taxes and other disputes for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgements and such judgements relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements. Because of the judgement required, the materiality of such litigations and the complexity of the assessment process, the area is a key matter for our audit.</p>	<p>Our audit approach was combination of test of internal controls and substantive procedures which included the following:</p> <ol style="list-style-type: none"> 1. Assessing the appropriateness of the design and implementation of the Company's controls over the assessment of litigations and completeness of disclosures. 2. Testing the supporting documentation for the positions taken by the management, conducting meetings with in-house legal counsel and/or legal team and reviewing the minutes of Board and subcommittee, to confirm the operating effectiveness of these controls. 3. Review of assumptions used in the evaluation of potential risk and tax risks performed by the legal and tax department of the Company considering the legal precedence and other rulings in similar cases. 4. Consideration of recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.

Information Other than the standalone financial statements and Auditors' Report Thereon:

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the standalone financial statements:

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also

includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone financial statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ❖ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and regulatory requirements:

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. Except for the matters stated in the "Basis for qualified opinion" paragraph hereinabove, we have obtained all the information and explanations which we had sought and to the best of our knowledge and belief were necessary for the purposes of our audit.

- b. Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
- d. Except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.
- e. The matter relating to going concern described under Material Uncertainty Related to Going Concern paragraph above, and the matters stated at paragraphs 1 to 3 under Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f. On the basis of the written representations received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- g. The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- h. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- i. With respect to the matter to be included in the Auditors' Report under section 197 (16), according to the information and explanations given to us, the company has not paid any remuneration to its directors during the current year except sitting fee paid to the non- executive / independent directors. The same is in accordance with the applicable provisions of the Companies Act, 2013.
- j. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements (Refer Note – 31 to the Standalone Financial Statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;

Mumbai, November 19, 2019

“Annexure A” to the Independent Auditors’ report on the standalone financial statements

Annexure A referred to in paragraph (1) of Report on other Legal and regulatory requirements of our Report of even date to the members of IL&FS Engineering and Construction Company Limited on the standalone financial statements for the year ended March 31, 2019.

- i. With respect to fixed assets:
 - a. According to the information and explanation given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. According to the information and explanation given to us, all fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Discrepancies noted on such verification were not material and have been properly dealt with in the books of account.
 - c. Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management the title deeds of immovable properties included in fixed assets are held in the name of the Company. In this regard, we were informed that the title deeds have been lodged with bankers as Security. However, confirmation from the respective bankers was not furnished to us.
- ii. The management has conducted physical verification of inventories at reasonable intervals during the year. Discrepancies noted on physical verification of inventories were not material and have been properly dealt with in the books of account.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- iv. In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of Section 185 and Section 186 of the Companies Act, 2013 are applicable and hence not commented upon
- v. The Company has not accepted any deposits from the public.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the construction industry and construction of roads and other infrastructure projects, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- vii. With respect to statutory dues:
 - a. According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not regularly deposited undisputed statutory dues including Provident fund, Employees’ state insurance, Income-tax, Sales tax, Service tax, Duty of custom, Duty of excise, Value added tax, Goods and Service tax, Cess and other material statutory dues with the appropriate authorities.
 - b. There were arrears in respect of undisputed amounts payable in respect of Provident fund, Employees’ state insurance, Income-tax, Service tax, Sales-tax, Duty of custom, Duty of excise, Value added tax, Goods and Service tax, Cess and other material statutory dues as at March 31, 2019 for a period of more than six months from the date the same became payable are as follow:

Name of the Statute	Nature of dues	Amount (Rs in Crore)	Period to which the amount relates	Due Date	Date of subsequent payment
Employees Provident Fund Act, 1952	Provident fund contribution	0.73	2018-19	Various dates	Various dates
Employees State Insurance Act, 1948	ESI Contribution	0.42	2018-19	Various dates	Various dates
Income Tax Act, 1961	Tax Deducted at Source	11.66	2018-19	Various dates	Not Paid
GST Act	GST	16.33	2017-18	Various dates	Not Paid
GST Act	GST	79.84	2018-19	Various dates	Not Paid

- c. According to the records of the Company, the amounts disputed by the Company and not deposited in respect of Income tax, Sales tax, Service tax, Duty of custom, Duty of excise, Value added tax and Cess , are as follows:

Name of the Statute	Nature of dues	Amount demanded (Rs in Crore)	Paid under protest (Rs in Crore)	Period to which the amount relates (Assessment years)	Forum where dispute is pending

IL&FS Cluster Development Initiative Limited	0.63	
Sabarmati Capital One Limited	0.48	
IL&FS Airports Ltd	1.58	
Rohtas Bio Energy Limited	2.17	
RIDCOR Infra Projects Limited	1.74	

The above details of Interest Defaults to Banks and Financial Institutions is exclusive of Rs. 144.99 Crores.

- ix. In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instrument) during the year and term loans. Thus, paragraph 3 (ix) of the Order is not applicable to the Company.
- x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit except in respect of transactions relating to advances paid to a supplier aggregating to Rs. 65 Crores, for which the reconstituted Board decided to initiate investigation by informing the Ministry of Corporate Affairs (MCA) (Refer Note 4 of Basis for Qualified Opinion Section of our report).
- xi. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has neither paid nor provided for managerial remuneration. Thus paragraph 3 (xi) of the Order is not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company as per the Act. Thus, paragraph 3 (xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the Standalone financial statements, as required by the applicable accounting standards.
- xiv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made preferential allotment or private placement of shares or allotted fully or partly convertible debentures during the year. Thus, paragraph 3 (xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with Directors or person connected with him. Thus, paragraph 3 (xv) of the Order is not applicable to the Company.
- xvi. According to the information and explanation given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Thus, paragraph 3 (xvi) of the Order is not applicable to the Company.

Mumbai, November 19, 2019

Annexure B referred to in paragraph 2 (h) of Report on other Legal and regulatory requirements of our Report of even date to the members of IL&FS Engineering and Construction Company Limited

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of IL&FS Engineering and Construction Company Limited ('the Company') as of March 31, 2019 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, a material weakness has been identified in the

Company's internal financial controls over financial reporting as at 31 March 2019 relating to certain operating effectiveness in some of controls in respect of assessment of deferred tax asset, assessment of realisable value of inventory, assessment of recovery of contract assets, inter corporate deposits and advances and procurement of materials,

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the material weakness described in Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2019 and these material weaknesses have affected our opinion on the said standalone financial statements of the Company.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

1. Corporate information:

IL&FS Engineering and Construction Company Limited ("IECCL" or "the Company") is a public company domiciled in India. The Company is primarily engaged in the business of erection / construction of roads, irrigation projects, buildings, oil & gas infrastructure, railway infrastructure, power plants, power transmission & distribution lines including rural electrification and development of ports. The equity shares of the Company are listed on National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

2. Basis for preparation of financial statements:

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the 'Act'), the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors at its meeting held on November 19, 2019.

Details of the Company's accounting policies are included in Note 3.

B. Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crores, unless otherwise indicated.

C. Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

D. Use of estimates and judgements

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2019 is included in the following notes:

- Note 35 - measurement of defined benefit obligations: key actuarial assumptions;
- Notes 13, 20 and 31 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 4 - useful life and depreciation of property, plant and equipment
- Note 5 - useful life and amortisation of intangible assets.
- Note 6 to 9 - impairment of financial assets.
- Note 3(a), 22, 34, and 12 - Revenue recognition, cost to complete, profit margin

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

- Note 12 and 22 – The Company uses the percentage-of-completion method (POCM) in accounting for its long term construction contracts. Use of POCM requires the Company to estimate the contract revenue and total cost to complete a contract. Changes in the factors underlying the estimation of the contract revenue and total contract cost could affect the amount of revenue recognized.
- Note 13 – Deferred tax assets are recognized for unused unabsorbed depreciation to the extent it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax asset that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.
- Note 7, 8, 9 11 and 12 – Determining the amount of expected credit loss on financial assets (including trade receivables, loans and Contract assets).

E. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in most advantageous market for the asset or liability

The Principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financials statement are categories within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as properties and significant liabilities, such as contingent consideration.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Further information about the assumptions made in the measuring fair values is included in the note 48 on financial instruments.

3. Significant accounting policies

(a) Revenue Recognition

Revenue from construction contracts

The Company has applied Ind AS 115 'Revenue from Contracts with Customers' for the first time with effect from 1st April, 2018. Ind AS 115 supersedes Ind AS 11 "Construction Contracts" and Ind AS 18 "Revenue". The Company has applied Ind AS 115 using the modified retrospective method and the cumulative impact of transition to Ind AS 115 has been adjusted against the Retained earnings as at 1st April, 2018. Accordingly, the figures of the previous year are not restated under Ind AS 115. The nature and effect of the changes as a result of adoption of Ind AS 115 has been disclosed in Note 34.

Contract Revenue is recognised under 'percentage-of-completion method'. Use of the 'percentage-of-completion method' requires the Company to measure

the efforts or costs expended to date to the satisfaction of a performance obligation as a proportion of the total expected efforts or costs to be expended to the satisfaction of that performance obligation over the time. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Costs incurred in the year in connection with future activity on a contract are excluded from contract costs in determining the stage of completion.

Further, the Company uses significant judgements while determining the transaction price allocated to performance obligation using the expected cost plus margin approach.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable.

Variations in contract work, claims and incentive payments are included in contract revenue only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and are capable of being reliably measured.

Revenue from design and consultancy services

Revenue from the design and consultancy services is recognized as and when services are rendered in accordance with the terms of the agreement with the customers.

Revenue from hire charges

Revenue from hire charges is accounted for in accordance with the terms of agreement with the customers.

Interest

Interest income is accrued on a time basis, by reference to the principal amount using the effective interest rate applicable.

Dividend

Dividend income is recognized when the Company's right to receive dividend is established by the reporting date.

(b) Property, plant and equipment:

- (i) Property, plant and equipment and capital work in progress are carried at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.
- (ii) Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for use are included to the extent they relate to the period till such assets are ready for intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

- (iii) When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.
- (iv) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (v) The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.
- (vi) Assets retired from active use and held for disposal are stated at their estimated net realizable values or net book values, whichever is lower.
- (vii) Assets acquired under finance lease are depreciated on a straight-line basis over the useful life of the asset or the useful life envisaged in Schedule II to the Companies Act, 2013, whichever is lower.
- (viii) Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- (ix) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- (x) Capital work in progress includes the cost of property, plant and equipments that are not ready for their intended use at the balance sheet date.

Depreciation on property, plant and equipment

- (i) Depreciation on property, plant and equipment other than those mentioned in S.no.(ii) below, is calculated on straight-line basis using the rates arrived at, based on useful lives estimated by the management which coincides with rates prescribed under Schedule II of the Companies Act, 2013.
- (ii) Depreciation on the following property, plant and equipment is provided on a straight-line basis, at rates that are based on useful lives as estimated by the management, which are different from the general rates prescribed under Schedule II of the Companies, Act 2013,

Category of asset	Estimated useful life
Plant and Machinery	
- construction equipment consisting of shuttering /scaffolding material and equipment given on hire	6 years

- shuttering / scaffolding material at project sites	6 years
Temporary erections – site offices	over the expected life of the respective project
Leasehold improvements	over the period of lease or useful life whichever is lower
Site infrastructure	6 years
Tools and implements	Fully in the year of purchase

- (iii) Assets costing five thousand rupees or less are fully depreciated in the year of purchase.
- (iv) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(c) Intangible assets:

Software - Computer software license cost is expensed in the year of purchase as there is no expected future economic benefit, except for enterprise wide/project based software license cost which is amortized over the period of license or six years, whichever is lower.

Mining rights – Mining rights are amortized in the proportion of material extracted during a year that bears to total estimated extraction over the contractual period.

(d) Investments:

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non-current investments

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition cost is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Investments in subsidiaries, associates and joint ventures:

The Company has elected to recognise its investments in subsidiary and associate companies at cost in accordance with the option available in Ind AS 27, Separate Financial Statements.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(e) Inventories:

Project materials at site are valued at the lower of cost and net realisable value. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion and costs to effect the sale.

(f) Employee benefits

Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related service at the undiscounted amount of the benefits expected to be paid.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Compensated absences is a long-term employee benefit, and accrued based on an actuarial valuation done as per projected unit credit method as at the balance sheet date, carried out by a qualified independent actuary. Actuarial gains and losses arising during the year are immediately recognised in the statement of profit and loss. Remeasurement of defined benefit plans in respect of post employment are charged to other comprehensive income.

(g) Income taxes:

Income tax comprises current and deferred tax. It is recognised in statement of profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax:

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

(ii) Deferred tax:

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(h) Foreign currency transactions and translations:

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(i) Leases:

Where the Company is a Lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognised as finance costs in the Statement of profit and loss. Lease management fees, legal charges and other initial direct costs are capitalized.

If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term or the useful life envisaged in Schedule II to the Companies Act, 2013.

Leases where the lessor effectively retain substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of profit and loss on a straight-line basis over the lease term.

Where the Company is a Lessor

Assets under operating leases are included in property, plant and equipment. Lease income is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognised as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of profit and loss.

(j) Borrowing Costs:

Borrowing costs directly attributable to the acquisition or construction of an qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are charged in the year they occur.

(k) Accounting for Joint Ventures:

Accounting for joint ventures undertaken by the Company

has been done in accordance with the requirements of Ind AS – 28 “Investments in Associates and Joint Ventures” notified under section 133 of the Companies Act, 2013, and as follows:

Joint Operations:

In respect of joint venture contracts which are executed under work sharing arrangements, the Company's share of revenues, expenses, assets and liabilities are included in the separate financial statements as revenues, expenses, assets and liabilities respectively. In case of certain construction contracts in the irrigation sector, the share of work executed by the Company has been determined on the basis of certification by lead partner.

Joint Ventures:

Investments made in unincorporated integrated joint ventures registered in the form of partnership firms or Association of Persons (AoPs) are classified as Joint Ventures in terms of Ind AS – 111 “Joint Arrangements” notified under section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015 and Company's share in profit/losses of the respective entities is recognized in the separate financial statements. The initial investment including accumulated Company's share of profit/losses in the joint entities are recognised under investments. Any further funding made by the Company in the joint entities in the nature of current account transaction is recognised under 'loans and advances'.

(l) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and taxes applicable) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue that have changed the number of outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares except where the results are anti-dilutive.

(m) Impairment:

(i) Financial assets

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Company assesses whether financial assets carried at amortised cost is credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

- a breach of contract such as a default or being significantly past due;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise; or
- it is probable that the borrower will enter bankruptcy or other financial reorganization.

The Company measures loss allowances at an amount equal to lifetime expected credit losses (ECL), except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition, which are measured as 12 month expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

ii) Non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at

each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

Assets (other than goodwill) for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(n) Financial instruments:

Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Financial assets - classification and subsequent measurement

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair Value Through Other Comprehensive Income (FVTOCI)
- Fair Value Through Profit & Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in debt instruments is measured at FVTOCI if it meets both of the following conditions and is not designated at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

At present the Company does not have investment in any debt securities classified as FVTOCI.

On initial recognition of an investment in Equity Instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVTOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVTOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVTOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company

considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Subsequent measurement and gains and losses for financial assets held by the Company

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.
Financial assets at FVTOCI	These assets are subsequently measured at fair value. Net gains and losses, including any interest are recognised in the OCI
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

in profit or loss. Presently, all the financial liabilities are measured at amortised cost.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model.

The Company does not restate any previously recognised gains or losses (including impairment gains or losses) or interest.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(o) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing

performance of the operating segments of the Company. For the disclosure on reportable segments Refer note 33.

(p) Provisions and contingent liabilities:

i. General

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(q) Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short term investments with original maturity of three months or less.

(r) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(s) Current and non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when it satisfies any of the following criteria:

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

- It is expected to be realised or intended to sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting year; or
- It is Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting year; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle:

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Accordingly, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

(t) Standards issued but not effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 "Leases" and certain amendment to existing Ind AS which are applicable in respect of accounting periods commencing on or after 1st April, 2019. The Company intends to adopt these standards, if applicable, when they become effective.

(A) Ind AS 116 Leases

Ind AS 116 "Leases" supersedes AS 17 "Leases" in respect of accounting periods commencing on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases. The Company is currently evaluating the impact of implementation of Ind AS 116. However, application

of this standard is not expected to have any significant impact on the standalone financial statements of the Company.

(B) Amendment to Existing issued Ind AS - The MCA has also carried out amendments of the following accounting standards:

- Ind AS 103 - Business Combinations
- Ind AS 109 - Financial Instruments
- Ind AS 111 - Joint Arrangements
- Ind AS 12 - Income Taxes
- Ind AS 19 - Employee Benefits
- Ind AS 23 - Borrowing Costs
- Ind AS 28 - Investments in Associates and Joint Ventures

Application of standards as mentioned above are not expected to have any significant impact on the Company's Financial Statements.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Balance as at 31 March 2019	102.59	13.76	116.35

A. Provision for Estimated future loss on projects

The projects in progress as at March 31, 2019 have been evaluated for future loss, if any, based on estimates relating to cost-to complete the same. Based on such evaluation, the Company has provided for estimated future losses to an extent of Rs. 102.42 (March 31, 2018 : Rs. 48.24).

B. Provision for Liquidated damages

Liquidated damages are levied as per the terms of the contract for delayed execution of works or delayed achievement of agreed milestones. For all projects in progress, the Management has estimated the probability of levy of liquidated damages, if any, based on completion date as per the contract, extension of time granted by the customer, etc.

21. Other liabilities

(All amounts in Rs Crore except for share data or as otherwise stated)

30. Going Concern

The Company has accumulated loss of Rs. 2,316.00 as at March 31, 2019 (as at March 31, 2018 : Rs. 279.55). The Company has incurred loss of Rs. 2036.45 during the year ended March 31, 2019 primarily due to impairment/write offs/provision made by the management on the basis stated in Note 53 to the financial statements. Company's net worth has been fully eroded and the current liabilities exceed its current assets as at the balance sheet date by Rs. 2,562.79 (March 31, 2018 : Rs.1,086.88). There are uncertainties on recovery of gross value of investments/inter corporate deposits/ dues from group companies, dues from customers, etc. A major portion of the existing projects being executed by the Company are nearing completion / or approaching their end of term over next eighteen months, which is likely to result in significant reduction in the Company's operating revenue thereafter. During the period, the Company has defaulted on various loans to the lenders of the Company, including borrowings from promoter group entities.

As indicated in Note 31(vii), there has been a restructuring of the Company's Board of Directors, the reconstituted Board of IL&FS filed various status reports to National Company Law Tribunal (NCLT) and in one of such reports, all the group entities of IL&FS have been categorized into Green/Amber/Red entities and the Company was categorized under the Group "Red" implying that the Company is unable to meet its contractual, statutory and debt obligations. The Company is currently not making payments to its Financial Creditors and the Operational Creditors existing prior to the date of Management takeover of MCA. These adverse developments in promoter group entities impacted the operations of the company and also resulted in cancellation/ termination/suspension of certain contracts with customers.

The accompanying financial statements have been prepared on going concern basis based on cumulative impact of certain steps taken by the reconstituted board, future such steps being taken and the support received from NCLAT for bringing in a period of claim during the resolution process. Based on this the business can be predicted to be operative for the following 12 month and there is no threat of liquidation or closure.

Further, the Company is taking significant steps for revival and restoration of operations of the Company, have been enumerated below:

1. The reconstituted board is in the process of finalising a comprehensive approach to manage the current situation.
2. The Company is in discussions with its lenders to restructure its borrowings and is committed to taking necessary steps to meet its financial commitments to the extent possible.

31. Contingent liability

(a) Contingent liabilities on account of pending litigations

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(i)	Claims against the Company not acknowledged as debts (interest, if any, not ascertainable after date of order)	24.66	21.93
(ii)	Direct taxes under dispute*	39.82	39.82
(iii)	Indirect taxes under dispute**#	120.66	76.35

*Income tax demand mainly comprises of demand from the Income Tax authorities upon completion of their assessment upto the financial year 2010-11. The tax demands are mainly on account of classification of waiver of interest and principal amount of loan as revenue receipt which has been considered as capital receipt by the Company, disallowance of expenditure incurred towards extra works/labour cost on projects, disallowance of expenditure on which TDS is not deducted or short deducted, etc.

**The demands raised by the Sales Tax authorities and Central Excise and Service Tax authorities are mainly towards enhancement of taxable turnover due to certain disallowances, change in classification of services provided by the Company, interpretation of the provisions of the Acts etc.

#Excludes Rs. 6.52 (March 31, 2018: Rs. 6.52) where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. All these cases are under litigation and are pending with various authorities, and the expected timing of resulting outflow of economic benefits cannot be specified.

- (iv) Consequent to announcement by erstwhile Chairman of Satyam Computers Services Limited on January 7, 2009, Serious Fraud Investigation Office (SFIO) has initiated investigations on various matters pertaining to the Company which are ongoing. The SFIO has submitted its reports relating to various findings and has issued notices for prosecution for alleged violations against the Company and others for seven matters for which the Company submitted its reply with SFIO. While the Company has not accepted these violations and in order to settle these issues, the Company had filed six compounding applications for these alleged violations, for which final orders have been passed by Company Law Board (CLB) during the year ended March 31, 2016 and the Company had paid Rs. 0.08 as fee for compounding towards the same. SFIO has filed appeal against the compounding order in the High Court of Hyderabad and the Company has also filed their reply against the said order. During the current year, the High Court of Hyderabad has passed an order in favour of Company and dismissed the appeal filed by SFIO.
- (v) The Company had received a Show Cause Notice (SCN) on June 19, 2009 from Securities and Exchange Board of India (SEBI) alleging insider trading by the Company in the scrip of Satyam Computer Services Limited in the years 2001-2002 and 2004-2005. After the aforementioned SCN no further communication was made in this regard until February 2013 when SEBI directed the Company for a personal hearing before whole time member of SEBI. The Company had filed its

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

detailed reply against the SCN in the earlier years and had attended a personal hearing before a whole time member of SEBI in the earlier year and accordingly filed written submissions. During the year ended March 31, 2016, SEBI had passed an order ordering the Company to disgorge an amount of Rs. 59.17 along with simple interest of 12% p.a. from January 07, 2009 till the date of payment. However, SEBI order had dropped the proposal to debar the Company from accessing the capital market. Aggrieved by the disgorgement order, the Company had preferred an Appeal in Securities Appellate Tribunal (SAT) and obtained stay order against the operation of the order of SEBI. SEBI had filed its counter and the Company had filed its rejoinder. During the current year, SAT has passed an order in favour of Company and quashed and set aside the disgorgement order passed by SEBI.

(vi) The Company formed Himachal Joint Venture (HJV) to execute an EPC project with National Hydro Power Corporation (Client). HJV subcontracted this work to SSJV Projects Private Limited (SSJV) and the work had been executed to the extent of Rs. 262.45 by SSJV. Due to the geographical conditions at site, work could not be done at the rates prescribed in the contract. HJV invoked arbitration clause for delays and extra-ordinary geological occurrence in executing the project. The Client en-cashed bank guarantees for an amount of Rs. 216.40 provided by SSJV and issued winding up notice to the Company as well as other joint venture partners. The Company vide its letter dated July 29, 2013 replied to the said notice stating that the matter is disputed and subjudice and would not be legally tenable. Client had filed a winding-up petition against Company and Joint venture partner vide CP 73/2014, which was dismissed. No appeal has been filed by client so far.

(vii) Investigations etc by the Regulatory / Investigative Agencies:

During the year under report, pursuant to the proceedings filed by the Union of India under Sections 241 and 242 of the Companies Act, 2013, on account of various grounds, inter alia, (i) mismanagement of public funds by the erstwhile board of directors of Infrastructure Leasing and Financial Services Limited ("IL&FS"); and (ii) affairs of IL&FS being conducted in a manner prejudicial to the public interest, the National Company Law Tribunal, Mumbai bench ("NCLT"), by way of an order dated October 1, 2018, suspended the erstwhile board of directors of IL&FS and re-constituted the same with persons proposed by the Union of India (such reconstituted board, referred to as the "Reconstituted Board") with the powers to supersede the Boards of all entities belonging to the IL&FS Group including this Company. Simultaneously, various inquiries have been initiated by the Registrar of Companies, Mumbai; Serious Fraud Investigations Office (SFIO); Enforcement Directorate (ED); Securities and Exchange Board of India (SEBI); Reserve Bank of India (RBI) etc. against IL&FS, IL&FS Financial Services Limited (IFIN), IL&FS Transportation Networks India Limited (ITNL) and its ex-directors who were dismissed by NCLT.

As a part of their investigation into the affairs of the Promoter Group, SFIO and ED have been seeking information from the Company on an ongoing basis. Further, as per the directions of the reconstituted board, forensic audit also has been initiated for select entities including this Company. The investigations and forensic audit with respect to the Company are in progress and the Company is fully cooperating with the agencies.

Additionally, the National Company Law Appellate Tribunal, New Delhi (the "NCLAT") has passed an order of moratorium on October 15, 2018 in respect of actions (as set out therein) that cannot be taken against IL&FS and its group companies (including the Company), which includes, amongst others, institution or continuation of suits or any other proceedings by any party or person or bank or company, etc. against 'IL&FS' and its group companies in any Court of Law or Tribunal and any action by any party or person or bank or company, etc. to foreclose, recover or enforce any security interest created the assets of 'IL&FS' and its group companies. This has been done taking into consideration the nature of the case, larger public interest and economy of the nation, and interest of IL&FS and its group companies. This moratorium has subsequently been modified by the NCLAT order dated January 11, 2019.

Subsequently, the NCLT passed an order dated January 1, 2019 pursuant to an application filed by MCA under Section 130 of the Companies Act, 2013 permitting reopening and recasting of accounts of (a) IL&FS; (b) IFIN and (c) ITNL, for the past 5 financial years (i.e. Financial year 2013 to Financial year 2018), on the ground that there were mismanagement in the affairs of these companies.

While the Company, based on its current understanding, believes that the above would not have a material impact on the financial statement, the implications, if any, arising from the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable at this stage.

Based on the internal assessment and / or legal opinion, the Management is confident that for the above mentioned contingent liabilities, no provision is required to be made as at March 31, 2019.

(b) Other contingent liabilities

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(i)	Guarantees issued by bankers and financial institution (excluding performance obligations)	253.29	293.38
(ii)	Guarantees issued by bankers and financial institutions on behalf of the Company towards performance obligations	729.12	820.60
(iii)	Corporate guarantees (including guarantees towards performance obligations of the Company)	568.01	568.01
(iv)	Liquidated damages	22.25	22.25

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

32. Commitments:

(a) Capital Commitments:

Estimated amount of contracts (net of advances) remaining to be executed on capital account and not provided for Rs. Nil (March 31, 2018: Rs. 16.60).

(b) Other Commitments:

i. The Company has made a commitment to make additional investment of Rs. 49.64 (March 31, 2018: Rs. 49.64) in Maytas Infra Saudi Arabia Company Limited Liability Company. Based on the latest available management certified financial statements of the aforesaid subsidiary as on March 31, 2018, the net worth of the subsidiary is fully eroded and the Company may have potential obligation to share further liabilities of the said subsidiary, which is presently under negotiation and hence undeterminable.

As the Company has not received any communication to meet any potential obligation to share further liability of the said subsidiary no provisions have been made in the books. On receipt of any communication in this regard, the Company will engage with the other shareholder of the subsidiary for a final settlement.

ii. Under a sponsors' support agreement, the Company (a co-sponsor) has obligation to the lenders' of a Special Purpose Vehicle (SPV), whose 26.10% Equity is held by Maytas Investment Trust (MIT), until financial year ending 2027-28, to meet shortfall in Debt service coverage ratio of the SPV on a term loan of Rs. 279.83 (March 31, 2018: Rs. 279.83)

33. Segment reporting :

The Company's operations fall into a single business segment "Construction and Infrastructure Development" and in accordance with Ind AS 108 - Operating Segments, segment information with respect to geographical segment has been given in the consolidated financial statements of the Company, therefore no separate disclosure on segment information is given in these financial statements.

34. Disclosure pursuant to Ind AS 115 "Revenue from Contracts with Customers"

(a) Disaggregation of revenue:

The Company recognises revenue from contracts with customers which includes Government and Non-Government customers, for construction / project activities over a period of time. During the year substantial part of the Company's business has been carried out in India. Geographical disaggregation has been given in the consolidated financial statements of the Company.

(b) Contract balances

(i) Opening and closing balances of contract balances

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(i)	Trade receivables	256.09	365.42
(ii)	Contract assets - Retention money	500.32	392.97
(iii)	Contract assets - Project work-in-progress	814.33	1,892.88
(iv)	Contract liabilities	710.66	679.57

The credit period towards trade receivables generally ranges between 30 to 180 days. Further the customer retains certain amounts as per the contractual terms which usually fall due on the completion of defect liability period (DLP) of contract. These retentions are made to protect the customer from the Company failing to adequately complete all or some of its obligations under the contract.

Contract assets are initially recognised for revenue earned from transfer of goods and services but not billed to customer because the work completed has to meet technical requirements as well as various milestones as set out in the contract with customers. Upon fulfilling the said requirements and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received advance payments from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the consideration received. Contract liabilities include advances received from customers towards mobilisation of resources, purchase of materials, etc. and advance billing. Impairment losses recognised on contract assets and trade receivables have been disclosed in note 7.

The significant decrease in contract assets in March 2019 is the result of the impairment of contract asset made during the year (refer note 53 for details)

(ii) Revenue recognised during the year from opening balance of contract liabilities amounts to Rs. 114.78

(c) Reconciling the amount of revenue recognised in the statement of profit and loss with the contracted price

There is no difference in the contract price negotiated and the revenue recognised in the statement of profit and loss for

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

the current year. There is no significant revenue recognised in the current year from performance obligations satisfied in previous periods.

(d) Performance obligation

The transaction price allocated to the remaining performance obligations is Rs. 1,615, which will be recognised as revenue over the respective project durations. Generally the project duration of contracts with customers is be 2 to 5 years.

(e) Transition impact of Ind AS 115

Effective April 01, 2018, the Company has adopted Ind AS 115, Revenue from Contract with customer with modified retrospective approach. The application of Ind AS 115 does not have any significant impact on the retained earnings as at April 1, 2018 and financial results of the Company.

35. Retirement benefits

(a) Disclosures related to defined contribution plan:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident fund and Employees' State Insurance contribution (ESI), which are defined contribution plans. The contribution are charged to the Statement of profit and loss as they accrue. During the year, the Company has recognised Rs. 9.35 (March 31, 2018: Rs. 10.81) towards Provident fund and Employees' State Insurance contribution (ESI) contributions.

(b) Disclosures related to defined benefit plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days last drawn salary for each completed year of service. The scheme is funded with Life Insurance Corporation of India.

The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at the balance sheet date.

I. Reconciliation of net defined benefit asset/ (liability)

Particulars	For the year ended	
	March 31, 2019	March 31, 2018
(i) Reconciliation of present value of defined benefit obligation		
Opening defined benefit obligation	4.28	4.23
Current service cost	0.56	1.48
Interest cost on benefit obligation	0.31	0.32
Benefits paid	(1.30)	(0.73)
Actuarial (gain)/loss on obligation	(0.24)	(1.02)
Closing defined benefit obligation	3.61	4.28
(ii) Reconciliation of present value of plan asset:		
Opening fair value of plan assets	1.23	0.51
Expected return on plan assets	0.06	0.05
Expenses	(0.07)	(0.07)
Contributions by employer	0.49	1.47
Benefits paid	(1.30)	(0.73)
Closing fair value of plan assets	0.41	1.23
(iii) Reconciliation of net defined benefit asset/(liability):		
Present value of defined benefit obligation	(3.61)	(4.28)
Fair value of plan assets	0.41	1.23
Plan liability	(3.20)	(3.05)
II. Expenses recognised in the statement of profit and loss under employee benefit expense		
Current service cost	0.56	1.48
Interest cost on benefit obligation	0.31	0.32
Expenses	(0.07)	(0.07)
Expected return on plan assets	-	-
Net benefit expense	0.80	1.72
III. Remeasurements recognised in statement of other comprehensive income		
Net actuarial (gain)/ loss recognized in the year	(0.24)	(1.02)
Return on plan assets excluding interest income	0.03	(0.02)
Loss recognised in statement of other comprehensive income	(0.21)	(1.04)
IV. Amount recognised in the balance sheet:		
Defined benefit obligation	3.61	4.28
Fair value of plan assets	(0.41)	(1.23)
Closing asset	3.20	3.05

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

V. Experience adjustment

	For the year ended				
	March 31, 2019	March 31, 2018	March 31, 2017	March 31, 2016	March 31, 2015
On plan liabilities loss	3.61	4.28	4.23	4.36	3.81
On plan assets (gain) / loss	0.41	1.23	0.51	0.14	(0.37)
Surplus / (deficit)	(3.20)	(3.05)	(3.72)	(4.22)	(4.18)
Experience gain on obligation	-	-	-	-	-

VI. The major categories of plan assets of the fair value of the total plan assets of Gratuity are as follows:

Particulars	As at March 31, 2019	As at March 31, 2018
Insurance fund		
(%) of total plan assets	100%	100%

VII. The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

Particulars	As at March 31, 2019	As at March 31, 2018
Discount rate	7.65%	7.73%
Increase in compensation cost	5.00%	5.00%
Attrition rate	5.00%	5.00%
Estimated rate of return on plan assets	8.00%	8.00%
Retirement age (in years)	60	60
Mortality rate during employment	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)

Notes :

- The discount rate is based on the prevailing market yield on Government Securities as at the balance sheet date for the estimated term of obligations.
- The expected return on plan assets is determined considering several applicable factors mainly the composition of the plan assets and Company's policy for plan asset management.
- The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

VIII. A quantitative sensitivity analysis for significant assumption is as shown below:

Particulars	(increase)/ decrease in defined benefit obligation		
	Sensitivity level	As at March 31, 2019	As at March 31, 2018
Discount rate	1% increase	3.11	3.73
	1% decrease	3.57	4.29
Salary escalation rate	1% increase	3.86	4.66
	1% decrease	2.88	3.44
Attrition rate	1% increase	3.48	4.19
	1% decrease	3.15	3.78

36. Details of dues to Micro and Small Enterprises as per Micro, Small and Medium Enterprises Development (MSMED) Act, 2006:

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(a)	The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of the accounting year		
	Principal amount due to micro and small enterprises	11.00	17.31
	Interest due on above	1.43	0.86
(b)	The amount of interest paid by the buyer in terms of section 16 of the MSMED Act 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(c)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act 2006.	-	-
(d)	The amount of interest accrued and remaining unpaid at the end of each accounting year	1.43	0.86
(e)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act, 2006	-	-

Due to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the Auditors.

Particulars	For the year ended	
	March 31, 2019	March 31, 2018
Total minimum lease payments during the year	1.63	1.52
Less: amount representing finance charges	(0.24)	(0.37)
Present value of minimum lease payments rate of interest 9% to 14%	1.39	1.15

In case of assets given on lease:

Certain assets of the company are leased out but have no fixed lease terms. Accordingly, no disclosure regarding future minimum lease payments has been made.

45. Capital management

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business. In order to maintain the capital structure the Company monitors the return on capital, as well as the level of dividends to equity shareholders. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves and debt includes maturities of finance lease obligations. The Company monitors capital on the basis of the following gearing ratio

Particulars	For the year ended	
	March 31, 2019	March 31, 2018
Interest bearing loans and borrowings	2692.05	2473.02
Less: cash and cash equivalents	(15.49)	(13.93)
Adjusted net debt	2,676.56	2,459.09
Total equity	(1,900.18)	135.13
Adjusted net debt to total equity ratio*	-	18.20

* Adjusted Net debt to equity ratio is not calculated as the total equity value are (-)ve.

46. In the earlier years, pursuant to the Debt Restructuring Programme, the Company had settled an irrevocable trust, namely, Maytas Investment Trust (Trust). The objective of the Trust was to dispose certain underlying investments held and settle the

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

liability towards the Pass Through Certificate (PTC), wherein the Company was also a contributory. Value of Investment in the PTC issued by the Company was Rs. 259.67. Further, the Company has receivables from the investee entities in the form of loans and advances and investments aggregating to Rs. 146.19.

Based on the valuation reports furnished by external valuers, during the current year, the Company has recognised a impairment of Rs. 259.67 towards diminution in the value of PTC. However, the Company is confident of recovery of the carrying value of the pass through certificates advances given to the investee entities.

47. Financial instruments- fair values and risk management

A. Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities as at March 31, 2019, including their levels in the fair value hierarchy.

Particulars	Note	Carrying Amount				Fair Value			
		FVTPL	FVTOCI	Amortised cost	Total carrying Amount	Level 1- Quoted price in active markets	Level 2-Significant observable inputs	Level 3-Significant observable inputs	Total
Investments # (Refer note 46)	6	-	-	59.58	59.58	-	-	-	-
Loans	8	-	-	527.03	527.03	-	-	-	-
Trade receivables	7	-	-	256.09	256.09	-	-	-	-
Cash and cash equivalents	10	-	-	15.49	15.49	-	-	-	-
Other bank balances	10	-	-	24.29	24.29	-	-	-	-
Other financial assets	9	-	-	362.26	362.26	-	-	-	-
Total financial assets		-	-	1,244.74	1,244.74	-	-	-	-
Borrowings	16, 17 & 19	-	-	2,692.05	2,692.05	-	-	-	-
Trade payable	18	-	-	924.09	924.09	-	-	-	-
Other financial liabilities	19	-	-	1,125.47	1,125.47	-	-	-	-
Total financial liabilities		-	-	4,741.62	4,741.62	-	-	-	-

The following table shows the carrying amounts and fair values of financial assets and financial liabilities as at March 31, 2018, including their levels in the fair value hierarchy.

Particulars	Note	Carrying Amount				Fair Value			
		FVTPL	FVTOCI	Amortised cost	Total carrying Amount	Level 1- Quoted price in active markets	Level 2-Significant observable inputs	Level 3-Significant observable inputs	Total
Investments #	6	259.67	-	92.61	352.28	-	259.67	-	259.67
Loans	8	-	-	830.18	830.18	-	-	-	-

Total financial assets		259.67	-	2,272.73	2,532.40	-	259.67	-	259.67
Borrowings	16, 17 & 19	-	-	2,512.77	2,512.77	-	-	-	-
Trade payable	18	-	-	1,317.32	1,317.32	-	-	-	-
Other financial liabilities	19	-	-	1,082.03	1,082.03	-	-	-	-
Total financial liabilities		-	-	4,912.12	4,912.12	-	-	-	-

Investments in associate, joint venture and subsidiaries have been accounted at historical cost. Since these are scope out of Ind AS 109 for the purposes of measurement, the same have not been disclosed in the tables above. Investments in unquoted equity shares of entities other than subsidiaries, associates and joint ventures have been designated as FVTPL.

B. Measurement of fair values

(i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities other than those valued at Level 1 and Level 2 are considered to be the same as their fair values due to the current and short term nature of such balances and no material differences in the values.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(ii) Levels 1, 2 and 3

Level 1 : It includes Investment in equity shares that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value of an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Managing Board. The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, unbilled revenue and loans given. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Credit risk on trade receivables, contract assets (unbilled revenue) and loans is limited as the customers of the company mainly consists of the Government promoted entities having a strong credit worthiness. For doubtful receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables. The provision matrix takes into account ageing of accounts receivables and the Company's historical experience with the customers and financial conditions of the customers. The Company has made a provision of Rs. 153.96, and Rs. 176.38 towards amounts doubtful to receive as at March 31, 2019 and March 31, 2018.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at March 31, 2019:

Particulars	Carrying amount	Upto 1 year	1-3 years	More than 3 years	Total contracted cash flows
Accounts payable and acceptances	924.09	758.85	165.24	-	924.09
Borrowings and interest thereon	3,146.93	2,438.33	708.60	-	3,146.93
Other financial liabilities	670.59	529.26	141.33	-	670.59
Total	4,741.62	3,726.45	1,015.17	-	4,741.62

The table below provides details of financial assets as at March 31, 2019:

Particulars	Carrying amount
Trade receivables	256.09
Loans	527.03
Other financial assets	372.71
Total	-

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at March 31, 2018:

Particulars	Carrying amount	Upto 1 year	1-3 years	More than 3 years	Total contracted cash flows
Accounts payable and acceptances	1,317.32	851.93	465.39	-	1,317.32
Borrowings and interest thereon	2,953.68	1,708.95	1,797.04	-	3,505.99
Other financial liabilities	641.12	476.55	164.57	-	641.12
Total	4,912.12	3,037.43	2,427.00	-	5,464.43

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

The table below provides details of financial assets as at March 31, 2018:

Particulars	Carrying amount
Trade receivables	758.39
Loans	830.18
Other financial assets	563.66
Total	2,152.23

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

• Interest rate risk

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. The Company is exposed to interest rate risk on its cash and bank balances. Cash and bank balances expose the Company to cash flow interest rate risk. However, the Company does not carry any fixed interest bearing financial liabilities that are designated at fair value through profit or loss. The average interest rate on short-term bank deposits during the year was 6.40% (March 31, 2018: 6.40%).

The Company's exposure to interest rates on financial instruments is detailed below:

Particulars	As at March 31, 2019	As at March 31, 2018
Financial assets		
Cash and bank balances	15.49	13.93
Total interest rate dependent financial assets	15.49	13.93
Financial liabilities		
Borrowings	2,692.05	2,512.77
Other financial liabilities	558.14	566.00
Total interest rate dependent financial liabilities	3,250.19	3,078.77

The amounts included above for interest rate dependent financial assets are fixed interest bearing financial assets.

If the interest rate on INR denominated borrowings had been increased or decreased by 100 basis points, with all other variables held constant, post tax income for the year ended March 31, 2019 would have been increased/ decreased by Rs. 5.41 (March 31, 2018: Rs. 5.12).

• Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The Company's presentation currency is the Indian Rupees. The Company's exposure to foreign currency arises in part when the Company holds financial assets and liabilities denominated in a currency different from the functional currency of the entity.

48. Trade receivables and Contract assets:

a) Trade Receivables as at March 31, 2019 include:

- (i) Dues from terminated / foreclosed projects, Rs 226.85 (including retention money receivable). Management initiated discussion for recovery of the billed revenue upto the date of termination / foreclosure of the contracts. The respective customers have indicated based on a mutual evaluation of the contract, project dues (billed and unbilled) till the date of termination shall be paid to the Company. Accordingly, the Company has written off / provided which are considered as not realisable and retained the above amount as realisable.
- (ii) Receivables from promoter group entities, Rs 35.06 for which the Company obtained certifications for the works done / bills raised. No provisioning has been made for the said receivables as at March 31, 2019. Adjustments, if any, that may arise on ultimate realization will be made in the year in which the settlement is concluded.
- (iii) Retention money of Rs 500.32, which can be received by the Company, primarily after completion of Defective Liability Period (DLP). As at March 31, 2019, the Company has not received any claims under defect liability clause and is confident of recovery of the carrying value of the same.

b) Contract assets (project work in Progress) include:

- (i) Rs 169.39, represents amount yet to be certified as at the Balance Sheet date. These amounts are certified subsequent to the balance sheet date and billed to the respective client.
- (ii) Rs. 79.02, represents recoverable from the respective customers from terminated / foreclosed / completed

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

projects. The respective customers have indicated based on a mutual evaluation of the contract, project dues (billed and unbilled) till the date of termination shall be paid to the Company. Accordingly, the Company has written off / provided which are considered as not realizable and retained the above amount as realizable.

- (iii) Amounts receivable from Group company, Rs. 125, recognized based on the acknowledgment by said company. Adjustments, if any, that may arise on ultimate realization will be made in the year in which the settlement is concluded.

49. Inter-Corporate Deposits:

Prior to April 1, 2009, the erstwhile promoters had given certain Inter Corporate Deposits (ICDs) to various companies aggregating to Rs. 343.78. Of the foregoing, documentary evidences had been established that, for an amount of Rs 323.78, the then Satyam Computer Services Limited (SCSL) was the ultimate beneficiary and for which a claim together with compensation receivable had been lodged by the Company. During the earlier years, SCSL had merged into Tech Mahindra Limited (TML) pursuant to a Scheme of Arrangement u/s.391-394 of the Companies Act, 1956. As provided in the Scheme and as per the Judgment of Hon'ble High Court of Andhra Pradesh on the said Scheme, the aforesaid amount in books of SCSL was transferred to TML. The Company, through its subsidiaries, preferred an Appeal before the Division Bench of Hon'ble High Court of Andhra Pradesh against the single judge's Order approving the merger scheme of SCSL which is pending as on date. TML, in its Audited Financial Results for the year ended March 31, 2019 continued to disclose as "Suspense Account (Net) Rs. 1,230.40" as disclosed by SCSL earlier. Management is of the opinion that the claim made by the Company on SCSL is included in the aforesaid amount disclosed by TML in its Audited Financial Statements. The Company is confident of recovering the said ICDs together with compensation due thereon from SCSL/TML. Further, based on internal evaluation and legal opinion, documentary evidences available with the Company and in view of the observations of the Special Court in its verdict dated April 9, 2015 on the criminal case filed by the Central Bureau of Investigation, confirming that an amount of Rs. 1,425 was transferred to SCSL through the intermediary companies, out of which an amount of Rs. 1,230.40 continues to subsist with SCSL, Management is of the opinion that the Company's case on the recoverability of the aforesaid amounts is ultimately certain.

50. Confirmation of Balances:

The Company has not received confirmation of balances from parties to whom advances have been made by the Company for supply of services (note 8 – Mobilisation Advances to Sub Contractors) / Goods (note 12 – Advances other than capital goods) and trade payables. Further, the balances under these items are subject to reconciliation. The management is confident that the settlement of these balances will be made at the carrying amounts and no provision is required at present. Adjustments for variances, if any will be made in the year of settlement.

51. Interest Expense:

Further to the matters stated in Note 30, 31(vii) the Company is in the process of preparation of a Resolution Plan which will entail restructuring proposals like interest rate resetting, conversion /waiver of certain borrowings /interest expenses. In view of the moratorium granted by NCLAT in its order dated October 15, 2018 and the Company being categorised under Red Category by IL&FS, Company has not been servicing principal amounts to lenders and interest on the said borrowings. Interest neither paid nor recognised as payable amounting to Rs. 144.99 approximately (Excluding penal interest etc.) in anticipation of the approval of lenders of concession/waivers being sought by company in the resolution plan.

- 52. During the year under report, the erstwhile management of the Company has paid an amount of Rs. 65 to a vendor as material supply advance against the a purchase order for supply of cement within a period of two months from the date of issue of the said purchase order. For the said advance, the vendor had issued post dated cheques and personal guarantee of its promoter as security. Subsequently, the vendor has neither supplied the cement nor refunded the advances paid. Post dated cheques issued by the vendor were bounced when presented to the Bank. The Company has initiated legal proceedings against the vendor and its promoters. The management has, after considering the financial inability of the vendor, made a provision against said advances.

The Management is of the opinion that the transaction is suspicious in nature with money flow from one promoter group entity paid as material advance for procurement of cement, the re-constituted board decided to initiate investigation in this matter by referring the same to Ministry of Corporate Affairs (MCA).

53. Exceptional item

Due to certain developments as detailed in note no.31 (vii) the company has undertaken comprehensive review of the account balances of the assets and the liabilities during the year based on guidelines received from time to time from the Promoter Group Management. Further, during the year the company also has received settlement awards from arbitrations initiated in earlier years. Certain projects also were terminated / foreclosed.

Based on the review the company has provided for/written off/adjusted for the balances under the contract assets(un billed revenue), trade receivables, investments, loans/advances, ICD, interest on claims recognized in earlier years and mining rights, considering the ability of parties to pay the dues, the probability of certification, the financial strength of the entities as assessed by the management and arbitration awards.

Considering the impact for the year of said adjustments in aggregate, the amounts so adjusted has been reported as exceptional items. The details of amount so adjusted are as below.

Notes to Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Particulars	As at March 31, 2019	As at March 31, 2018
Write off on account of Arbitration awards - Contract assets and interest	474.31	-
Write off of contract assets on account of Termination/foreclosure of projects	59.87	-
Impairment provision for contract assets on account of Termination/foreclosure and modification in contractual terms of projects	432.41	-
Impairment loss of investment in overseas subsidiary, Pass Through Certificates and Company's share of profit in JV@	298.91	-
Write off of Intercorporate deposits, loans, trade receivables and other advances (Refer note 49, 52)	55.27	-
Impairment provision in value of Intercorporate deposits, loans, trade receivables and other advances (Refer note 49, 52)	265.62	-
Provision for the diminuation in value of inventories	21.04	-
Write off of intangible asset (termination of mining rights)#	32.99	-
	1,640.42	-

The Company, in earlier years, had entered into a lease agreement with the Government of Bihar and obtained mining rights aggregating to Rs. 41.89, these mining rights have been obtained to avail the requisite aggregates to be used in one of the road projects being executed by the Company. Upon termination of the said project by the customer, the Company made its efforts to monetize the balance carrying value of the rights, Rs. 39.68 (including deposits forfeited by the authorities for non payment of agreed lease rentals Rs.3.89). However, in view of the delays, etc., resulting from the secured external financial lenders, the efforts of the Company could not be materialized, resulting into termination of mining rights and accordingly the Company has written off the said mining rights post adjustment of accrued lease payable amounting to Rs. 6.69.

@ In the earlier years, the Company has made investment of Rs. 35.77 (including advance of Rs. 2.58 in an overseas subsidiary). Based on the latest available management certified financial statements of the aforesaid subsidiary as at March 31, 2018, the net worth of the subsidiary is fully eroded. As at the balance sheet date, the management is of the opinion that the Company will not be in position to revive the operations of the subsidiary and accordingly made provision of above balances in books of accounts. (refer note 32(b)(i))

54. In terms of events occurring subsequent to March 31, 2019 in relation to revenue recognition, contract assets/advances/ investments write off adjustments on account of settlement of existing litigations/termination of contracts by the Customers have been considered as adjusting events. Hence the impact of the same has been given in the financial statements.

55. All amounts less than Rs. 0.01 have been disclosed as Rs. 0.00.

INDEPENDENT REPORT

AUDITOR'S

To the Members of IL&FS Engineering and Construction Company Limited

Report on the Audit of Consolidated Ind AS Financial Statements

Qualified opinion

We have audited the accompanying consolidated Ind AS financial statements of IL&FS Engineering and Construction Company Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports on separate financial statements and the other financial information of the subsidiaries, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, and their consolidated loss (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw attention to the following notes to the Consolidated financial statements:

- Note 13 relating to deferred tax asset amounting to Rs. 242.99 Crores as at March 31, 2019, recognised by the Company in earlier years. Considering the material uncertainty related to going concern that exists in the Company, the threshold of reasonable certainty for recognising the deferred tax assets as per Ind AS 12- Income Taxes has not been met. Consequently, deferred tax asset is overstated and loss for the year and retained earnings (accumulated loss) are understated by Rs. 242.99 Crores.
- Note 48 regarding Inter Corporate Deposits (ICDs) amounting to Rs. 342.36 Crores. These ICDs represents advances given by the Company to other entities, which as informed to us by the management, were ultimately given by these other entities to erstwhile Satyam Computer Services Ltd, which has since merged into Tech Mahindra Ltd. In the absence of adequate and sufficient audit evidence to establish the recoverability of said advances, we are unable to express an opinion on the recoverability of the said ICDs.
- Note 50 relating to non-recognition of interest expense of Rs. 144.99 Crores for the year on the borrowings availed by the Company considering the process initiated for submission of a resolution proposal to lenders for restructuring of existing debt. Consequently, interest expense and loss for the year are understated by Rs.

144.99 Crores and retained earnings (accumulated loss) is understated by Rs. 144.99 Crores.

- As stated in the Note 51, relating to the provision for advance aggregating to Rs.65 Crores for purchase of cement paid during the period to a party, the Management is of the opinion that these transactions are suspicious in nature and the Board decided to initiate investigation by informing the Ministry of Corporate Affairs. In the absence of sufficient and appropriate audit evidence, we are unable to opine on the appropriateness of the recognition of the transaction, pending result of the outcome of the investigation

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material uncertainty related to going Concern:

Attention is invited to Note 30 in the Consolidated financial statements regarding a likely significant reduction in the Company's future income from operations, in the absence of new business orders, management's expectation of Company's inability to meet its obligations over the next 12 months out of its earnings and liquid assets. During the year ended March 31, 2019, the Company was unable to discharge its obligations for repayment of loans and settlement of other financial and non-financial liabilities including statutory liabilities. The Company's management represented to us that process has been initiated for submission of a resolution proposal to lenders for restructuring of existing debt. These events and conditions indicate a material uncertainty which cast a significant doubt on the Company's ability to continue as a going concern, and therefore it may be unable to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. The ability of the Company to continue as a going concern is solely dependent on the acceptance of the debt restructuring proposal / finalisation and approval of the resolution plan, which is not wholly within the control of the Company.

The Management of the Company has accordingly prepared these Consolidated Financial Statements on going concern basis based on their assessment of the successful outcome of the restructuring proposal / finalisation and approval of the resolution plan.

Our opinion is not modified in respect of this matter.

Emphasis of Matter:

We draw attention to the following notes to the Consolidated financial statements:

- Note 31 (vii) regarding ongoing investigations by Serious Fraud Investigation Office of Ministry of Company Affairs (SFIO), Enforcement Directorate (ED) and other regulators / agencies against Infrastructure Leasing & Financial Services Limited ('IL&FS' or 'the Holding Company'), and its subsidiaries (including the Company). The National

Company Law Tribunal (NCLT) has issued an Order to re-open books of accounts of IL&FS and its two subsidiaries (other than this Company) for the past financial years. The financial statements of the Company for the year do not include adjustments, if any, that may arise on account of the ongoing investigations by the investigating and other agencies and Regulatory Authorities, as the management, at this juncture, cannot foresee any adjustments to be made in these financial statements of the Company as a result of any such investigations.

2. Note: 47 (a) and Note 47 (b) regarding recoverability of Trade Receivables and Contract assets respectively from the terminated / foreclosed / revived projects aggregating to Rs. 519.84 Crores. Based on its internal assessment no adjustments have been made in the carrying value of the receivables / contract assets
3. Note 8 and Note 9 which include carrying value of loans / advances / interest accrued on such loans or advances to the investee entities of aggregating to Rs. 146.19 Crores. Recoverability of these investments / receivables / loans and advances is dependent upon recovery of capacity charges and supplies, increase in traffic on road investments, final award of the claim and positive outcome of the litigations in the ultimate investee entities.

The ultimate outcome of the matters stated above cannot presently be determined, pending approvals, acceptances, legal interpretations, conclusion of legal proceedings, achievement of traffic projections, favourable settlement of claims and ultimate realisation etc., as referred to in the relevant notes to the accompanying Consolidated financial statements referred above, accordingly no adjustment has been made in the carrying value of the aforesaid assets.

4. Note 52 –regarding exceptional items aggregating to Rs. 1,640.42 Crores comprising write off / provisions made and other adjustments made during the year based on comprehensive review / assessment carried out by the management during the year.

Our opinion is not modified in respect of the aforementioned matters.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the 'Basis for Qualified Opinion' and Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

Description of Key Audit Matter:

Key audit matter	How the matter was addressed in our audit
Estimated Cost to complete the Project:	
Refer note 3 (c) to the consolidated financial statements	
The Company recognises revenue under percentage of completion method as specified under Indian Accounting Standard (IND AS)-115 – Revenue from contract with customers. Recognition of revenue requires estimation of total contract cost which comprises of the actual cost incurred till date and estimated cost further to be incurred to complete the projects. Estimation of the cost to complete involves exercise of significant judgement by management including assessment of technical data and hence identified as Key Audit Matter.	Our audit approach was a combination of test of internal controls and substantive procedures which included the following: <ol style="list-style-type: none"> 1. Tested the design, implementation and operating effectiveness of the controls surrounding determination and approval of estimated cost. 2. Verified the contracts with customers on test check basis and the actual cost incurred and terms and condition related to the variation of the cost. 3. Obtained and relied on the internal assessments supporting the accuracy of the estimate of the total cost of the project for selected contracts on test check basis.
Trade receivables and Contract Assets	
Refer Note: 7 and 12 to the consolidated financial statements	
Trade receivables and contract assets amounting to Rs 256.09 Crores and Rs 1,314.65 Crores respectively, represents approximately 49.41% of the total assets of the Company as at March 31, 2019. In assessing the recoverability of the aforesaid balances, management's judgement involves consideration of aging status, evaluation of litigations and the likelihood of collection based on the terms of the contract. Management estimation is required in the measurement of work completed during the period for recognition of unbilled revenue. We considered this as key audit matter due to the materiality of the amounts and significant estimates and judgements as stated above.	Our audit procedures amongst others included the following: <ul style="list-style-type: none"> ❖ We understood and tested on a sample basis the design and operating effectiveness of management control over the recognition and the recoverability of the trade receivables and contract assets. ❖ We performed test of details and tested relevant contracts, documents and subsequent settlements for material trade receivable balances and amounts included in contract assets that are due on performance of future obligations. ❖ We tested the aging of trade receivables at year end. ❖ We performed test of details and tested relevant contracts and documents with specific focus on measurement of work completed during the period for material unbilled revenue balances included in contract asset. ❖ We performed additional procedures, in respect of material over-due trade receivables and long outstanding contract assets, i.e. tested historical payment records, correspondence with customers. ❖ We assessed the allowance for impairment made by management.

Advances to Subcontractors and Suppliers	
Refer note 8 and 12 to the consolidated financial statements	
The Company has recoverable advances (in cash or in kind) of Rs. 128.08 Crores. Management's assessment of recoverable amounts, in cash or in kind has been identified as key audit matter due to the significance of the balances as at March 31, 2019.	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none"> ❖ We understood and tested on a sample basis the design and operating effectiveness of management control over disbursing the advance and the recoverability of the advances to vendors – for supply of goods and services. ❖ We performed test of details and tested relevant contracts, documents and subsequent settlements for material balances outstanding for recovery either in cash or kind as at March 31, 2019. ❖ We tested the aging of these advances as at the year end. ❖ We assessed the allowance for provisioning made by management.
Provisions and Contingent Liabilities:	
Refer note 3 (q) to the consolidated financial statements	
The Company is involved in various taxes and other disputes for which final outcomes cannot be easily predicted and which could potentially result in significant liabilities. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgements and such judgements relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements. Because of the judgement required, the materiality of such litigations and the complexity of the assessment process, the area is a key matter for our audit.	<p>Our audit approach was combination of test of internal controls and substantive procedures which included the following:</p> <ol style="list-style-type: none"> 1. Assessing the appropriateness of the design and implementation of the Company's controls over the assessment of litigations and completeness of disclosures. 2. Testing the supporting documentation for the positions taken by the management, conducting meetings with in-house legal counsel and/or legal team and reviewing the minutes of Board and subcommittee, to confirm the operating effectiveness of these controls. 3. Review of assumptions used in the evaluation of potential risk and tax risks performed by the legal and tax department of the Company considering the legal precedence and other rulings in similar cases. 4. Consideration of recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.

Information Other than the consolidated financial statements and Auditors' Report Thereon:

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the consolidated financial statements:

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the consolidated financial statements:

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance

is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ❖ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most

significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

The consolidated financial statements also include group's share of net profit / (loss) (including other Comprehensive Income) of Rs. 1.01 Crores for the year ended March 31, 2019, as considered in the Consolidated Financial Statements, in respect of Maytas-NCC, NCC- Maytas- ZVS joint ventures, whose financial statements / financial information have not been audited by us. These financial statements / financial information have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint ventures and our report in terms of sub section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint ventures is based solely on the reports furnished by the management.

In respect of one overseas subsidiary, the Company has not consolidated the financial statements / financial information. In this regard we were informed that there were no operations in this overseas subsidiary for more than three years.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a. Except for the matters stated in the "Basis for qualified opinion" paragraph hereinabove, we have obtained all the information and explanations which we had sought and to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Consolidated balance sheet, the Consolidated statement of profit and loss (including other comprehensive income), the Consolidated statement of changes in equity and the Consolidated statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. Except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
 - e. The matter relating to going concern described under Material Uncertainty Related to Going Concern paragraph above, and the matters stated at paragraphs 1 to 3 under Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f. On the basis of the written representations

received from the directors as on 31 March 2019 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act.

- g. The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- h. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- i. With respect to the matter to be included in the Auditors' Report under section 197 (16), according to the information and explanations given to us, the company has not paid any remuneration to its directors during the current year except sitting fee paid to the non- executive / independent directors. The same is in accordance with the applicable provisions of the Companies Act, 2013.
- j. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its consolidated Financial Statements (Refer Note – 31 to the consolidated Financial Statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;

Annexure A to the Independent Auditors' Report on the consolidated Ind AS financial statements

Annexure A referred to in paragraph 1(h) of our Report of even date to the members of IL&FS Engineering and Construction Company Limited on the consolidated Ind AS financial statements

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated Ind AS financial statement of IL&FS Engineering and Construction Company Limited ('the Company') as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of IL&FS Engineering and Construction Company Limited ('hereinafter referred to as the "Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiaries companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary companies, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiary company, which are incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls,. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of

material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the Holding Company's and its subsidiary internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, a material weakness has been identified in the Company's internal financial controls over financial reporting as at 31 March 2019 relating to certain operating effectiveness in some of controls in respect of assessment of deferred tax asset, assessment of realisable value of inventory, assessment of recovery of contract assets, inter corporate deposits and advances and procurement of materials,

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects

of the material weakness described in Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Company for the year ended March 31, 2019 and these material weaknesses have affected our opinion on the said consolidated financial statements of the Company.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

1. Corporate information:

IL&FS Engineering and Construction Company Limited ("IECCCL" or "the Company") is a public company domiciled in India. The Company along with its subsidiaries (collectively termed as "the Group") and its associate and jointly controlled entities (collectively termed as "the Consolidated entities") is primarily engaged in the business of erection / construction of roads, irrigation projects, buildings, oil & gas infrastructure, railway infrastructure, power plants, power transmission & distribution lines including rural electrification and development of ports. The equity shares of the Company are listed on National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE").

2. Basis for preparation of financial statements:

A. Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of Companies Act, 2013 (the 'Act'), the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The consolidated financial statements were authorised for issue by the Company's Board of Directors at its meeting held on Nov 19, 2019.

Details of the Group's Accounting policies are included in Note 3.

B. Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crores, unless otherwise indicated..

C. Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

D. Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Assumptions and estimation uncertainties

Information about assumptions and estimation

uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2018 is included in the following notes:

- Note 35 - measurement of defined benefit obligations: key actuarial assumptions;
- Notes 13, 20 and 31 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 4 - useful life and depreciation of property, plant and equipment
- Note 5 - useful life and amortisation of intangible assets.
- Note 6 to 9 - impairment of financial assets.
- Note 3(a), 22, 34, and 12 - Revenue recognition, cost to complete, profit margin

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the consolidated financial statements is included in the following notes:

- Note 11, 12 and 22 – The Group uses the percentage-of-completion method (POCM) in accounting for its long term construction contracts. Use of POCM requires the Group to estimate the contract revenue and total cost to complete a contract. Changes in the factors underlying the estimation of the contract revenue and total contract cost could affect the amount of revenue recognized.
- Note 13 – Deferred tax assets are recognized for unused unabsorbed depreciation to the extent it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax asset that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.
- Note 7, 8, 9, 11 and 12 – Determining the amount of expected credit loss on financial assets (including trade receivables, loans and unbilled revenue).
- Note 3(a) – Identification of whether the Group has significant control over Trust where the Trust is managed independently by a third party.
- Note 33 – Identification of reportable operating segments.

E. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in most advantageous market for the asset or liability

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

The Principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financials statement are categories within in the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level inputs that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External values are involved for valuation of significant assets, such as properties and significant liabilities, such as contingent consideration.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Further information about the assumptions made in the measuring fair values is included in the following notes: Note 46 - financial instruments.

3. Significant accounting policies

(a) Basis of consolidation:

i. Subsidiaries

Subsidiaries are all entities over which the Company has control. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated

from the date on which control is transferred to the Company. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

ii. Non - controlling interests (NCI)

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

iii Associates

Associates are all entities over which the Group has significant influence but not control or joint control over the financial and operating policies.

Interests in associates are accounted for using the equity method. They are initially recognised at cost which includes transaction cost. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and other comprehensive income of equity accounted investees until the date on which significant influence ceases.

iv. Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

v. Transactions eliminated on consolidation

Intra group balances and transactions, and any unrealised income and expenses arising from intra group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the Investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

- vi. The financial statements of the entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended March 31, 2019.
- vii. The consolidated financial statements for the year ended March 31, 2019 have been prepared on the basis of the financial statements of the following subsidiaries, associate and joint venture:

Name of the consolidated entities	Country of Incorporation	% of Interest as at	
		March 31, 2019	March 31, 2018
Subsidiaries			
Maytas Infra Assets Limited	India	100%	100%
Maytas Metro Limited	India	100%	100%
Maytas Vashista Varadhi Limited	India	100%	100%
Angeerasa Greenfields Private limited	India	100%	100%
Saptaswara Agro-Farms Private Limited	India	100%	100%
Ekadanta Greenfields Private Limited	India	100%	100%
Maytas Infra Saudi Arabia Company (Limited liability Company) (MISA) (Note 2)	Saudi Arabia	55%	55%
Joint Ventures (AOPs)			
NCC-Maytas (JV)	India	50%	50%
NEC-NCC-Maytas(JV)	India	25%	25%
Maytas-NCC (JV)	India	50%	50%
NCC-Maytas (JV) (Singapore Class Township)	India	50%	50%
Maytas-CTR (JV)	India	70%	70%
NCC-Maytas-ZVS (JV)	India	40%	40%
Associate			
Hill County Properties Limited (Refer note I)	India	31%	31%

Note I:

During the year 2010-11, the Company had invested Rs. 0.10 in equity shares of Hill County Properties Limited (HCPL) constituting 40% of the post issue paid up share capital of HCPL pursuant to the order passed by the Honorable Company Law Board on January 13, 2011 allowing IL&FS Group (consisting of Infrastructure Leasing and Financial Services Limited, IL&FS Financial Services Limited and the Company) to be the new promoters of HCPL. During the earlier year, the Company had sold Rs. 0.02 in equity shares (2,250 Equity Shares of Rs. 100 each) of HCPL constituting 9% of the paid up share capital of HCPL to Infrastructure Leasing and Financial Services Limited. HCPL was under the direct supervision of the Company Law Board (CLB), represented by a nominee director and hence was operating under severe long-term restrictions that significantly impair its ability to transfer funds to the investor. Hence, the investment in HCPL was accounted in accordance with Ind AS 27 "Separate Financial Statements" instead of applying equity method in accounting for investments. During the earlier year, the term of the CLB nominee director had expired and HCPL ceased to operate under severe long-term restrictions. However, such acquisition of shares does not form part of a strategy to acquire and retain long term assets / investments. Hence the investment in HCPL is continued to be accounted in accordance with Ind AS 27 "Separate Financial Statements". Further, if the Group had accounted the investment in HCPL under equity

method of accounting, the impact would not be have been material on the consolidated financial statements.

(b) Current and non-current classification:

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is current when it satisfies any of the following criteria:

- It is expected to be realised or intended to sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting year; or
- It is Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is current when it satisfies any of the following criteria:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting year; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle:

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Accordingly, the Group has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

(c) Revenue recognition:

Revenue from construction contracts

The Group has applied Ind AS 115 'Revenue from Contracts with Customers' for the first time with effect from 1st April, 2018. Ind AS 115 supersedes Ind AS 11 "Construction Contracts" and Ind AS 18 "Revenue". The Group has applied Ind AS 115 using the modified retrospective method and the cumulative impact of transition to Ind AS 115 has been adjusted against the Retained earnings as at 1st April, 2018. Accordingly, the figures of the previous year are not restated under Ind AS 115. The nature and effect of the changes as a result of adoption of Ind AS 115 has been disclosed in Note 34. Contract Revenue is recognised under 'percentage-of-completion method'. Use of the 'percentage-of-completion method' requires the Group to measure the efforts or costs expended to date to the satisfaction of a performance obligation as a proportion of the

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

total expected efforts or costs to be expended to the satisfaction of that performance obligation over the time. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Costs incurred in the year in connection with future activity on a contract are excluded from contract costs in determining the stage of completion.

Further, the Group uses significant judgements while determining the transaction price allocated to performance obligation using the expected cost plus margin approach.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately. When the outcome of a construction contract cannot be estimated reliably, contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable.

Variations in contract work, claims and incentive payments are included in contract revenue only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and are capable of being reliably measured.

Revenue from design and consultancy services

Revenue from the design and consultancy services is recognized as and when services are rendered in accordance with the terms of the agreement with the customers.

Revenue from hire charges

Revenue from hire charges is accounted for in accordance with the terms of agreement with the customers.

Interest

Interest income is accrued on a time basis, by reference to the principal amount using the effective interest rate applicable.

Dividend

Dividend income is recognized when the Group's right to receive dividend is established by the reporting date.

(d) Property, plant and equipment:

- (i) Property, plant, and equipment and capital work in progress are carried at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, freight, duties, taxes and any attributable cost of bringing the asset to its working condition for its intended use.
- (ii) Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for use are included to the extent they relate to the period till such assets are ready for intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment.
- (iii) When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major

inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

- (iv) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (v) The Group identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.
- (vi) Assets retired from active use and held for disposal are stated at their estimated net realizable values or net book values, whichever is lower.
- (vii) Assets acquired under finance lease are depreciated on a straight-line basis over the useful life of the asset or the useful life envisaged in Schedule II to the Companies Act, 2013, whichever is lower.
- (viii) Gains or losses arising from derecognition of plant, property and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- (ix) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.
- (x) Capital work in progress includes the cost of property, plant and equipments that are not ready for their intended use at the balance sheet date.

Depreciation on property, plant and equipment

- (i) Depreciation on property, plant and equipment other than those mentioned in S.no.(ii) below, is calculated on straight-line basis using the rates arrived at, based on useful lives estimated by the management which coincides with rates prescribed under Schedule II of the Companies Act, 2013.
- (ii) Depreciation on the following property, plant and equipment is provided on a straight-line basis, at rates that are based on useful lives as estimated by the management, which are different from the general rates prescribed under Schedule II of the Companies, Act 2013:

Category of asset	Estimated useful life
Plant and Machinery	
- construction equipment consisting of shuttering /scaffolding material and equipment given on hire	6 years
- shuttering/scaffolding material at project sites	6 years
Temporary erections – site offices	over the expected life of the respective project

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Leasehold improvements	over the period of lease or useful life whichever is lower
Site infrastructure	6 years
Tools and implements	Fully in the year of purchase

- (iii) Assets costing five thousand rupees or less are fully depreciated in the year of purchase.
- (iv) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(e) Intangible assets:

Software - Computer software license cost is expensed in the year of purchase as there is no expected future economic benefit, except for enterprise wide/project based software license cost which is amortized over the period of license or six years, whichever is lower.

(f) Investments:

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as non current investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(g) Inventories:

Project materials at site are valued at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, reduced by the estimated costs of completion and costs to effect the sale.

(h) Retirement and other employee benefits:

Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related

service at the undiscounted amount of benefits expected to be paid.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Compensated absences is a long-term employee benefit, and accrued based on an actuarial valuation done as per projected unit credit method as at the balance sheet date, carried out by a qualified independent actuary. Actuarial gains and losses arising during the year are immediately recognised in the statement of profit and loss. Remeasurements of defined benefit plans in respect of post employment are charged to other comprehensive income.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(i) Segment reporting:

Identification of segments

The Group operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment accounting policies

The Group prepare its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements.

(j) Income taxes:

Income tax comprises current and deferred tax. It is recognised in statement of profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax:

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Group writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(k) Foreign currency transactions and translations:

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(l) Leases:

If there is no reasonable certainty that the Group will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term or the useful life envisaged in Schedule II to the Companies Act, 2013.

Leases where the lessor effectively retain substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of profit and loss on a straight-line basis over the lease term.

Where the Group is a Lessor

Assets under operating leases are included in property, plant and equipment. Lease income is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognised as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of profit and loss.

(m) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are charged in the year they occur.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(n) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and taxes applicable) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue that have changed the number of outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares except where the results are anti dilutive.

(o) Impairment:

i) Financial assets

The Group recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Group assesses whether financial assets carried at amortised cost is credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being significantly past due;
- the restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise; or
- it is probable that the borrower will enter bankruptcy or other financial reorganization.

The Group measures loss allowances at an amount equal to lifetime expected credit losses, except for bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition, which are measured as 12 month expected credit losses.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables. Under the simplified approach, the Group is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Group uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates

are analyzed.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group procedures for recovery of amounts due.

ii) Non-financial assets

The Group non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

Assets (other than goodwill) for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(p) Financial instruments:

Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Financial assets - classification and subsequent measurement

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair Value Through Other Comprehensive Income (FVTOCI)
- Fair Value Through Profit & Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

At present the Group does not have investment in any debt securities classified as FVTOCI.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial

assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Subsequent measurement and gains and losses for financial assets held by the Group

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.
Financial assets at FVTOCI	These assets are subsequently measured at fair value. Net gains and losses, including any interest are recognised in the OCI
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Any gain or loss on derecognition is recognised in the statement profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss. Presently, all the financial liabilities are measured at amortised cost.

Derecognition

Financial assets

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Reclassification of financial assets and liabilities

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's

senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains or losses (including impairment gains or losses) or interest.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(q) Provisions and contingent liabilities:

i. General

A provision is recognised when the Group has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(r) Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(s) Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short term investments with original maturity of three months or less.

(t) Standards issued but not effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Group consolidated financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 "Leases" and certain amendment to existing Ind AS which are applicable in respect of accounting periods commencing on or after 1st April, 2019. The Company intends to adopt these standards, if applicable, when they become effective.

(A) Ind AS 116 Leases

Ind AS 116 "Leases" supersedes AS 17 "Leases" in respect of accounting periods commencing on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases. The Company is currently evaluating the impact of implementation of Ind AS 116. However, application of this standard is not expected to have any significant impact on the standalone financial statements of the Company.

(B) Amendment to Existing issued Ind AS - The MCA has also carried out amendments of the following accounting standards:

- i) Ind AS 103 - Business Combinations
- ii) Ind AS 109 - Financial Instruments
- iii) Ind AS 111 - Joint Arrangements
- iv) Ind AS 12 - Income Taxes
- v) Ind AS 19 - Employee Benefits
- vi) Ind AS 23 - Borrowing Costs
- vii) Ind AS 28 - Investments in Associates and Joint Ventures

Application of standards as mentioned above are not expected to have any significant impact on the Company's Financial Statements.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

3,750,000 (March 31, 2018 : 3,750,000) 6% optionally convertible cumulative redeemable preference shares (OCCRPS) of Rs. 100 each fully paid-up total face value of Rs. 37.50 (March 31, 2018 : Rs. 37.50) are classified as financial liability (Refer note 16)

(b) Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distributions will be in proportion to the number of equity shares held by the shareholders."

(c) Restrictions attached to equity shares

(i) As at March 31, 2019, 9,962,407 (March 31, 2018: 28,658,253) equity shares held by the Promoters of the Company are under lock-in in terms of the provisions of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended. The details of equity shares of the Company which are locked-in is given below:

- Lock-in created on April 8, 2015 for 9,795,846 equity shares upto April 29, 2018;
- Lock-in created on October 05, 2015 for 8,900,000 equity shares upto October 10, 2018; and
- Lock-in created on April 13, 2017 for 9,962,407 equity shares upto April 12, 2020

(ii) As per the Master Restructuring Agreement (MRA) entered into by the Company with its bankers, the promoter's shareholding would be retained at a minimum of 26% of issued equity share capital of the Company at any point of time

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

for a maximum period of four years from the effective date i.e. September 27, 2010. Further vide letter dated September 30, 2015, Infrastructure Leasing and Financial Services Limited confirmed that the promoters will not, without the prior written consent of the Bank, dilute its equity holding in the Company below 26% of the paid up equity share capital of the Company.

(d) Terms of preference shares

For rights, preferences and restrictions attached to 6% Cumulative Redeemable Preference Shares (CRPS) and 6% Optionally Convertible Cumulative Redeemable Preference Shares (OCCRPS) of Rs. 100 each, classified as financial liability (refer note 16).

Preference shares of both classes carry a preferential right as to dividend over equity shareholders. The Company declares and pays dividends in Indian Rupees. The holder of preference shares are entitled to one vote per share only on resolutions placed before the Company which directly affect their rights attached to the preference shares. In the event of liquidation of the Company during the existence of preference shares, the holders of preference shares will have priority over equity shares in the payment of dividend and repayment of capital.

(e) There were no bonus shares, shares issued for consideration other than cash and shares bought back during the period of five years immediately preceding the reporting date.

Loan is to be repaid at the end of 24 months from the date of first disbursement. During the year, the Company has defaulted in payment of interest.
- (j) Finance lease obligation is secured by hypothecation of plant and machinery taken on lease. The interest rate implicit in the lease is 14% p.a. The gross investment in lease, i.e., lease obligation plus interest, is payable in 4 years.
- (k) Terms of 6% cumulative redeemable preference shares**

On December 06, 2010, the Company had allotted 5,749,500 6% CRPS of Rs. 100 each fully paid as per the terms of MRA entered with Bankers. CRPS carry cumulative dividend of 6% p.a. The Company had further allotted 236,280 CRPS of Rs. 100 each as fully paid bonus shares to the holders of initial CRPS in the ratio of 1:24.33 (i.e. one fully paid CRPS of Rs. 100 each for every 24.33 CRPS held) on September 29, 2011. The aforesaid CRPS were redeemed on the due date i.e., March 31, 2015.

The Company had also allotted 1,500,000 CRPS to the holders of OCCRPS on September 29, 2011 as fully paid bonus shares in the ratio of 1:16.67 i.e. (one fully paid CRPS of Rs. 100 each for every 16.67 OCCRPS held). The redemption schedule of these bonus CRPS is - 30% on September 30, 2012; 15% each on September 30, 2013 and September 30, 2015; 20% each on September 30, 2014 and September 30, 2016. The 30% bonus CRPS (450,000 CRPS of Rs. 100 each) which were due for redemption on September 30, 2012 were purchased by IL&FS Trust Company Limited (ITCL) now Vistra ITCL (India) Limited, being the Trustee of Maytas Investment Trust (MIT), on September 29, 2012. The Company had extended the redemption period of these preference shares by a period of 3 years with an early redemption right with the Company before the extended period of 3 years by giving 30 days notice period to the shareholders. These shares have been redeemed on September 30, 2015. The 15% Bonus CRPS (225,000 CRPS of Rs. 100 each) which were due for redemption on September 30, 2013 were purchased by ITCL being the Trustee of MIT, on September 30, 2013. The Company has extended the redemption period of these preference shares by a period of 6 years with an early redemption right with the Company before the extended period of 6 years by giving 30 days notice period to the shareholders. The 20% Bonus CRPS (300,000 CRPS of Rs. 100 each) which were due for redemption on September 30, 2014 were redeemed by the Company on March 23, 2015, as per the terms of the issue, as amended. The 15% bonus CRPS (225,000 CRPS of Rs.100 each) which were due for redemption on September 30, 2015, have been redeemed on due date. The 20% bonus CRPS (300,000 CRPS of RS. 100 each) which were due for redemption on September 30, 2016 were redeemed by the Company on March 28, 2017, within the extended period for redemption granted by CRPS holders. Subsequent to year end, the Company has defaulted in the redemption of these CRPS to the extent of 225,000 CRPS of Rs. 100 each which were due for redemption on September 30, 2019."

(l) Terms of 6% optionally convertible cumulative redeemable preference shares

On March 31, 2011, the Company had allotted 25,000,000 OCCRPS of Rs. 100 each fully paid as per the terms of MRA entered with bankers. OCCRPS carry cumulative dividend of 6%. Out of total 25,000,000 OCCRPS of Rs. 100 each, 30% i.e. 7,500,000 OCCRPS of Rs. 100 each have been converted into 12,417,218 equity shares on September 30, 2012, as per the terms of MRA. There is no further conversion option attached to these OCCRPS. The balance 17,500,000 OCCRPS of Rs. 100 each shall be redeemed at par in four tranches from September 30, 2013 to September 30, 2016. The schedule of redemption is as below:

Date of redemption	Number of shares to be redeemed	Amount to be redeemed
30-Sep-13 *	37,50,000	37.50
30-Sep-14 #	50,00,000	50.00
30-Sep-15 ^	37,50,000	37.50
30-Sep-16 @	50,00,000	50.00
Total	1,75,00,000	175.00

* The OCCRPS which were due for redemption on September 30, 2013 were purchased by IL&FS Trust Company Limited (ITCL) now Vistra ITCL (India) Limited, being the Trustee of Maytas Investment Trust, on September 30, 2013. The Company has extended the redemption period of these preference shares by a period of 6 years with an early redemption right with the Company before the extended period of 6 years by giving 30 days notice period to the shareholders. Subsequent to year end, the Company has defaulted in the redemption of these OCCRPS to the extent of 3,750,000 OCCRPS of Rs. 100 each which were due for redemption on September 30, 2019.

The OCCRPS were redeemed on March 23, 2015, as per the terms of the issue, as amended.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

^ The OCCRPS were redeemed on due date, as per the terms of the issue.

@ The OCCRPS were redeemed on March 28, 2017, within the extended period for redemption granted by OCCRPS holders. The Groups' exposure to liquidity risks related to borrowings is disclosed in Note 45.

30. Going Concern

The Group has accumulated loss of Rs. 2504.08 as at March 31, 2019 (as at March 31, 2018: Rs. 461.30). The Group has incurred loss of Rs. 2041.64 during the year ended March 31, 2019 primarily due to impairment/write offs/provision made by the management on the basis stated in Note 52 to the financial statements. Group's net worth has been fully eroded and the it's current liabilities exceed its current assets as at the balance sheet date by Rs. 2569.13 (March 31, 2018: Rs.1,347.61). There are uncertainties on recovery of gross value of investments/inter corporate deposits/ dues from group companies, dues

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

from customers, etc. A major portion of the existing projects being executed by the Company are nearing completion / or approaching their end of term over next eighteen months, which is likely to result in significant reduction in the Company's operating revenue thereafter. During the period, the Company has defaulted on various loans to the lenders of the Company, including borrowings from promoter group entities.

As indicated in Note 31(vii), there has been a restructuring of the Company's Board of Directors, the reconstituted Board of IL&FS filed various status reports to National Company Law Tribunal (NCLT) and in one of such reports, all the group entities of IL&FS have been categorized into Green/Amber/Red entities and the Company was categorized under the Group "Red" implying that the Company is unable to meet its contractual, statutory and debt obligations. The Company is currently not making payments to its Financial Creditors and the Operational Creditors existing prior to the date of Management takeover of MCA. These adverse developments in promoter group entities impacted the operations of the company and also resulted in cancellation/ termination/suspension of certain contracts with customers.

The accompanying consolidated financial statements have been prepared on going concern basis based on cumulative impact of certain steps taken by the reconstituted board, future such steps being taken and the support received from NCLAT for bringing in a period of calm during the resolution process. Based on this the business can be predicted to be operative for the following 12 month and there is no threat of liquidation or closure.

Further, the Management is taking significant steps for revival and restoration of operations of the Group, have been enumerated below:

1. The reconstituted board is in the process of finalising a comprehensive approach to managing the current situation.
2. The Company is in discussions with its lenders to restructure its borrowings and is committed to taking necessary steps to meet its financial commitments to the extent possible.

31. Contingent liability

(a) Contingent liabilities on account of pending litigations

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(i)	Claims against the Group not acknowledged as debts (interest, if any, not ascertainable after date of order)	24.66	21.93
(ii)	Direct taxes under dispute*	39.82	39.56
(iii)	Indirect taxes under dispute**#	136.93	92.62

*Income tax demand mainly comprises of demand from the Income Tax authorities upon completion of their assessment upto the financial year 2010-11. The tax demands are mainly on account of classification of waiver of interest and principal amount of loan as revenue receipt which has been considered as capital receipt by the Company, disallowance of expenditure incurred towards extra works/Labour cost on projects, disallowance of expenditure on which TDS is not deducted or short deducted, etc.

**The demands raised by the Sales Tax authorities and Central Excise and Service Tax authorities are mainly towards enhancement of taxable turnover due to certain disallowances, change in classification of services provided by the Company, interpretation of the provisions of the Acts etc.

#Excludes Rs. 6.52 (March 31, 2018: Rs. 6.52) where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. All these cases are under litigation and are pending with various authorities, and the expected timing of resulting outflow of economic benefits cannot be specified.

- (iv) Consequent to announcement by erstwhile Chairman of Satyam Computers Services Limited on January 7, 2009, Serious Fraud Investigation Office (SFIO) has initiated investigations on various matters pertaining to the Company which are ongoing. The SFIO has submitted its reports relating to various findings and has issued notices for prosecution for alleged violations against the Company and others for seven matters for which the Company submitted its reply with SFIO. While the Company has not accepted these violations and in order to settle these issues, the Company had filed six compounding applications for these alleged violations, for which final orders have been passed by Company Law Board (CLB) during the year ended March 31, 2016 and the Company had paid Rs. 0.08 as fee for compounding towards the same. SFIO has filed appeal against the compounding order in the High Court of Hyderabad and the Company has also filed their reply against the said order. During the current year, the High Court of Hyderabad has passed an order in favour of Company and dismissed the appeal filed by SFIO.
- (v) The Company had received a Show Cause Notice (SCN) on June 19, 2009 from Securities and Exchange Board of India (SEBI) alleging insider trading by the Company in the scrip of Satyam Computer Services Limited in the years 2001-2002 and 2004-2005. After the aforementioned SCN no further communication was made in this regard until February 2013 when SEBI directed the Company for a personal hearing before whole time member of SEBI. The Company had filed its detailed reply against the SCN in the earlier years and had attended a personal hearing before a whole time member of SEBI in the earlier year and accordingly filed written submissions. During the year ended March 31, 2016, SEBI had passed an order ordering the Company to disgorge an amount of Rs. 59.17 along with simple interest of 12% p.a. from January 07, 2009 till the date of payment. However, SEBI order had dropped the proposal to debar the Company from

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

accessing the capital market. Aggrieved by the disgorgement order, the Company had preferred an Appeal in Securities Appellate Tribunal (SAT) and obtained stay order against the operation of the order of SEBI. SEBI had filed its counter and the Company had filed its rejoinder. During the current year, SAT has passed an order in favour of Company and quashed and set aside the disgorgement order passed by SEBI.

- (vi) The Company formed Himachal Joint Venture (HJV) to execute an EPC project with National Hydro Power Corporation (Client). HJV subcontracted this work to SSJV Projects Private Limited (SSJV) and the work had been executed to the extent of Rs. 262.45 by SSJV. Due to the geographical conditions at site, work could not be done at the rates prescribed in the contract. HJV invoked arbitration clause for delays and extra-ordinary geological occurrence in executing the project. The Client en-cashed bank guarantees for an amount of Rs. 216.40 provided by SSJV and issued winding up notice to the Company as well as other joint venture partners. The Company vide its letter dated July 29, 2013 replied to the said notice stating that the matter is disputed and subjudice and would not be legally tenable. Client had filed a winding-up petition against Company and Joint venture partner vide CP 73/2014, which was dismissed. No appeal has been filed by client so far.

(vii) Investigations etc by the Regulatory / Investigative Agencies:

During the year under report, pursuant to the proceedings filed by the Union of India under Sections 241 and 242 of the Companies Act, 2013, on account of various grounds, inter alia, (i) mismanagement of public funds by the erstwhile board of directors of Infrastructure Leasing and Financial Services Limited ("IL&FS"); and (ii) affairs of IL&FS being conducted in a manner prejudicial to the public interest, the National Company Law Tribunal, Mumbai bench ("NCLT"), by way of an order dated October 1, 2018, suspended the erstwhile board of directors of IL&FS and re-constituted the same with persons proposed by the Union of India (such reconstituted board, referred to as the "Reconstituted Board") with the powers to supersede the Boards of all entities belonging to the IL&FS Group including this Company. Simultaneously, various inquiries have been initiated by the Registrar of Companies, Mumbai; Serious Fraud Investigations Office (SFIO); Enforcement Directorate (ED); Securities and Exchange Board of India (SEBI); Reserve Bank of India (RBI) etc. against IL&FS, IL&FS Financial Services Limited (IFIN), IL&FS Transportation Networks India Limited (ITNL) and its ex-directors who were dismissed by NCLT.

As a part of their investigation into the affairs of the Promoter Group, SFIO and ED have been seeking information from the Company on an ongoing basis. Further, as per the directions of the reconstituted board, forensic audit also has been initiated for select entities including this Company. The investigations and forensic audit with respect to the Company are in progress and the Company is fully cooperating with the agencies.

Additionally, the National Company Law Appellate Tribunal, New Delhi (the "NCLAT") has passed an order of moratorium on October 15, 2018 in respect of actions (as set out therein) that cannot be taken against IL&FS and its group companies (including the Company), which includes, amongst others, institution or continuation of suits or any other proceedings by any party or person or bank or company, etc. against 'IL&FS' and its group companies in any Court of Law or Tribunal and any action by any party or person or bank or company, etc. to foreclose, recover or enforce any security interest created the assets of 'IL&FS' and its group companies. This has been done taking into consideration the nature of the case, larger public interest and economy of the nation, and interest of IL&FS and its group companies. This moratorium has subsequently been modified by the NCLAT order dated January 11, 2019.

Subsequently, the NCLT passed an order dated January 1, 2019 pursuant to an application filed by MCA under Section 130 of the Companies Act, 2013 permitting reopening and recasting of accounts of (a) IL&FS; (b) IFIN and (c) ITNL, for the past 5 financial years (i.e. Financial year 2013 to Financial year 2018), on the ground that there were mismanagement in the affairs of these companies.

While the Company, based on its current understanding, believes that the above would not have a material impact on the financial statement, the implications, if any, arising from the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable at this stage.

Based on the internal assessment and / or legal opinion, the Management is confident that for the above mentioned contingent liabilities, no provision is required to be made as at March 31, 2019..

(b) Other contingent liabilities

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(i)	Guarantees issued by bankers and financial institution (excluding performance obligations)	253.29	299.20
(ii)	Guarantees issued by bankers and financial institutions on behalf of the Consolidating entities towards performance obligations	729.12	825.67
(iii)	Corporate guarantees (including guarantees towards performance obligations of the Company)	568.01	396.85
(iv)	Liquidated damages	22.25	22.25

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

32. Commitments:

(a) Capital Commitments:

Estimated amount of contracts (net of advances) remaining to be executed on capital account and not provided for Rs. Nil (March 31, 2018: Rs. 16.60).

(b) Other Commitments:

- i. The Company has made a commitment to make additional investment of Rs. 49.64 (March 31, 2018: Rs. 49.64) in Maytas Infra Saudi Arabia Company Limited Liability Company. Based on the latest available management certified financial statements of the aforesaid subsidiary as on March 31, 2018, the net worth of the subsidiary is fully eroded and the Company may have potential obligation to share further liabilities of the said subsidiary, which is presently under negotiation and hence undeterminable.

As the Company has not received any communication to meet any potential obligation to share further liability of the said subsidiary no provisions have been made in the books. On receipt of any communication in this regard, the Company will engage with the other shareholder of the subsidiary for a final settlement.

- ii. Under a sponsors' support agreement, the Company (a co-sponsor) has obligation to the lenders' of a Special Purpose Vehicle (SPV), whose 26.10% Equity is held by Maytas Investment Trust (MIT), until financial year ending 2027-28, to meet shortfall in Debt service coverage ratio of the SPV on a term loan of Rs. 279.83 (March 31, 2018: Rs. 279.83)

33. Segment reporting :

Business segment:

The Consolidating entities operations fall into a single business segment "Construction and Infrastructure Development". Therefore, segment reporting in terms of Ind AS 108 - Operating Segments is not required to be disclosed.

Geographical segments:

Although the Consolidated entities major operating divisions are managed on a worldwide basis, they operate in two principal geographical areas of the world, in India, its home country, and rest of the world

	Segment revenue		Segment non-current assets*	
	For the year ended		As At	
	March 31, 2019	March 31, 2018	March 31, 2019	March 31, 2018
India	1,239.14	1,868.76	583.61	1,256.89
Rest of world	-	-	-	7.69
Total	1,239.14	1,868.76	583.61	1,264.58

*Non current assets are excluding financial instruments and deferred tax assets.

34. Disclosure pursuant to Ind AS 115 "Revenue from Contracts with Customers"

(a) Disaggregation of revenue:

The Group recognises revenue from contracts with customers which includes Government and Non-Government customers, for construction / project activities over a period of time. During the year substantial part of the Company's business has been carried out in India. Geographical disaggregation has been given in the consolidated financial statements of the Company.

(b) Contract balances

(i) Opening and closing balances of contract balances

S. No.	Particulars	As at March 31, 2019	As at March 31, 2018
(i)	Trade receivables	256.09	761.44
(ii)	Contract assets - Project work in Progress	814.33	1,895.53
(iii)	Contract Assets - Retention Money	500.32	392.97
(iv)	Contract liabilities	710.66	679.57

"The credit period towards trade receivables generally ranges between 30 to 180 days. Further the customer retains certain amounts as per the contractual terms which usually fall due on the completion of defect liability period (DLP) of contract. These retentions are made to protect the customer from the Company failing to adequately complete all or some of its obligations under the contract.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Contract assets are initially recognised for revenue earned from transfer of goods and services but not billed to customer because the work completed has to meet technical requirements as well as various milestones as set out in the contract with customers. Upon fulfilling the said requirements and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received advance payments from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the consideration received. Contract liabilities include advances received from customers towards mobilisation of resources, purchase of materials, etc. and advance billing.

Impairment losses recognised on contract assets and trade receivables have been disclosed in note 7

The significant decrease in contract assets in March 2019 is the result of the impairment of contract asset made during the year (refer note 52 for details)

(ii) Revenue recognised during the year from opening balance of contract liabilities amounts to Rs. 114.78 Cr.

(c) Reconciling the amount of revenue recognised in the statement of profit and loss with the contracted price

There is no difference in the contract price negotiated and the revenue recognised in the statement of profit and loss for the current year. There is no significant revenue recognised in the current year from performance obligations satisfied in previous periods.

(d) Performance obligation

The transaction price allocated to the remaining performance obligations is Rs. 1,615, which will be recognised as revenue over the respective project durations. Generally the project duration of contracts with customers is be 2 to 5 years.

(e) Transition impact of Ind AS 115

Effective April 01, 2018, the Company has adopted Ind AS 115, Revenue from Contract with customer with modified retrospective approach. The application of Ind AS 115 does not have any significant impact on the retained earnings as at April 1, 2018 and financial results of the Company.

35. Retirement benefits

(a) Disclosures related to defined contribution plan:

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident fund and Employees' State Insurance contribution (ESI), which are defined contribution plans. The contribution are charged to the Statement of profit and loss as they accrue. During the year, the Company has recognised Rs. 9.35 (March 31, 2018: Rs. 10.81) towards Provident fund and Employees' State Insurance contribution (ESI) contributions."

(b) Disclosures related to defined benefit plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days last drawn salary for each completed year of service. The scheme is funded with Life Insurance Corporation of India.

The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at the balance sheet date."

I. Reconciliation of net defined benefit asset/ (liability)

Particulars	For the year ended	
	March 31, 2019	March 31, 2018
(i) Reconciliation of present value of defined benefit obligation		
Opening defined benefit obligation	4.28	4.23
Current service cost	0.56	1.48
Interest cost on benefit obligation	0.31	0.32
Benefits paid	(1.30)	(0.73)
Actuarial (gain)/loss on obligation	(0.24)	(1.02)
Closing defined benefit obligation	3.61	4.28
(ii) Reconciliation of present value of plan asset:		
Opening fair value of plan assets	1.23	0.51
Expected return on plan assets	0.06	0.05
Expenses	(0.07)	(0.07)
Contributions by employer	0.49	1.47
Benefits paid	(1.30)	(0.73)
Closing fair value of plan assets	0.41	1.23

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

(iii) Reconciliation of net defined benefit asset/(liability):		
Present value of defined benefit obligation	(3.61)	(4.28)
Fair value of plan assets	0.41	1.23
Plan liability	(3.20)	(3.05)
II. Expenses recognised in the statement of profit and loss under employee benefit expense		
Current service cost	0.56	1.48
Interest cost on benefit obligation	0.31	0.32
Expenses	(0.07)	(0.07)
Expected return on plan assets	-	-
Net benefit expense	0.80	1.72
III. Remeasurements recognised in statement of other comprehensive income		
Net actuarial (gain)/ loss recognized in the year	(0.24)	(1.02)
Return on plan assets excluding interest income	0.03	(0.02)
Loss recognised in statement of other comprehensive income	(0.21)	(1.04)
IV. Amount recognised in the balance sheet:		
Defined benefit obligation	3.61	4.28
Fair value of plan assets	(0.41)	(1.23)
Closing asset	3.20	3.05

V. Experience adjustment

	For the year ended				
	March 31, 2019	March 31, 2018	March 31, 2017	March 31, 2016	March 31, 2015
On plan liabilities loss	3.61	4.28	4.23	4.36	3.81
On plan assets (gain) / loss	0.41	1.23	0.51	0.14	(0.37)
Surplus / (deficit)	(3.20)	(3.05)	(3.72)	(4.22)	(4.18)
Experience gain on obligation	-	-	-	-	-

VI. The major categories of plan assets of the fair value of the total plan assets of Gratuity are as follows:

Particulars	As at March 31, 2019	As at March 31, 2018
Insurance fund		
(%) of total plan assets	100%	100%

VII. The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

Particulars	As at March 31, 2019	As at March 31, 2018
Discount rate	7.65%	7.73%
Increase in compensation cost	5.00%	5.00%
Attrition rate	5.00%	5.00%
Estimated rate of return on plan assets	8.00%	8.00%
Retirement age (in years)	60	60
Mortality rate during employment	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)

Notes :

- The discount rate is based on the prevailing market yield on Government Securities as at the balance sheet date for the estimated term of obligations.
- The expected return on plan assets is determined considering several applicable factors mainly the composition of the plan assets and Company's policy for plan asset management.
- The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

VIII A quantitative sensitivity analysis for significant assumption is as shown below:

Particulars	(increase)/ decrease in defined benefit obligation		
	Sensitivity level	As at March 31, 2019	As at March 31, 2018
Discount rate	1% increase	3.11	3.73
	1% decrease	3.57	4.29
Salary escalation rate	1% increase	3.86	4.66
	1% decrease	2.88	3.44
Attrition rate	1% increase	3.48	4.19
	1% decrease	3.15	3.78

36. The consolidated financial statements include aggregate assets amounting of Rs. Nil (March 31, 2018: Rs.7.69) aggregate revenue (including other income) of Rs. Nil (March 31, 2018 Rs. 26.25) and net cash inflows of Rs. Nil (March 31, 2018: Rs. 0.42) of an overseas subsidiary consolidated based on its unaudited financial statements. Management is of the view that adjustment, if any, that may have been required had the audited financial statements of the subsidiaries been made available would not be material.

Less: amounts representing finance charges	(0.05)	-	(0.24)	-
Present value of minimum lease payments	0.89	0.86	2.06	2.06

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Particulars	For the year ended	
	March 31, 2019	March 31, 2018
Total minimum lease payments during the year	1.63	1.52
Less: amount representing finance charges	(0.24)	(0.37)
Present value of minimum lease payments rate of interest 9% to 14%	1.39	1.15

In case of assets given on lease:

Certain assets of the company are leased out but have no fixed lease terms. Accordingly, no disclosure regarding future minimum lease payments has been made.

43. Capital management

The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business. In order to maintain the capital structure the Company monitors the return on capital, as well as the level of dividends to equity shareholders. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to all its shareholders. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves and debt includes maturities of finance lease obligations. The Company monitors capital on the basis of the following gearing ratio

Particulars	For the year ended	
	March 31, 2019	March 31, 2018
Interest bearing loans and borrowings	2,692.05	2,725.77
Less: cash and cash equivalents	(15.49)	(14.52)
Adjusted net debt	2,676.56	2,711.25
Total equity	(1,808.66)	(139.13)
Adjusted net debt to total equity ratio ^{\$}	-	-

^{\$} As the net worth of the Group is negative, the net debt to total equity ratio has not been disclosed.

44. In the earlier years, pursuant to the Debt Restructuring Programme, the Company had settled an irrevocable trust, namely, Maytas Investment Trust (Trust). The objective of the Trust was to dispose certain underlying investments held and settle the liability towards the Pass Through Certificate (PTC), wherein the Company was also a contributory. Value of Investment in the PTC issued by the Company was Rs. 259.67. Further, the Company has receivables from the investee entities in the form of loans and advances and investments aggregating to Rs. 146.19.

Based on the valuation reports furnished by external valuers, during the current year, the Company has recognised a impairment of Rs. 259.67 towards diminution in the value of PTC. However, the Company is confident of recovery of the carrying value of the pass through certificates advances given to the investee entities.

45. Financial instruments- fair values and risk management

A. Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities as at March 31, 2019, including their levels in the fair value hierarchy.

Particulars	Note	Carrying Amount				Fair Value

Other financial assets	9	-	-	553.81	553.81	-	-	-	-
Total financial assets		259.67	-	2,260.55	2,520.22	-	259.67	-	259.67
Borrowings	16, 17 & 19	-	-	2,643.39	2,643.39	-	-	-	-
Trade payable	18	-	-	1,426.48	1,426.48	-	-	-	-
Other financial liabilities	19	-	-	1,109.25	1,109.25	-	-	-	-
Total financial liabilities		-	-	5,179.12	5,179.12	-	-	-	-

Note I: Investments in associate and joint venture have been accounted at historical cost. Since these are scope out of Ind AS 109 for the purposes of measurement, the same have not been disclosed in the tables above. Investments in unquoted equity shares of entities other than associates and joint ventures have been designated as FVTPL.

B. Measurement of fair values

(i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities other than those valued at Level 1 and Level 2 are considered to be the same as their fair values due to the current and short term nature of such balances and no material differences in the values.

(ii) Levels 1, 2 and 3

Level 1 : It includes Investment in equity shares that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Financial risk management

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's management risk policy is set by the Managing Board. The Group's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers, unbilled revenue and loans given. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The Group assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Credit risk on trade receivables, unbilled revenue is limited as the customers of the Group mainly consists of the Government promoted entities having a strong credit worthiness. For doubtful receivables the Group uses a provision matrix to compute the expected credit loss allowances for trade receivables. The provision matrix takes into account ageing of accounts receivables and the company's historical experience of the customers and financial conditions of the customers. The Group has made a provision of 153.96 and Rs. 178.92 towards amounts doubtful to receive as at March 31, 2019 and March 31, 2018 respectively.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company's objective is to, at all times maintain optimum levels

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

of liquidity to meet its cash and collateral requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of non-derivative financial liabilities including estimated interest payments as at March 31, 2019:

Particulars	Carrying amount	Upto 1 year	1-3 years	More than 3 years	Total contracted cash flows
Accounts payable and acceptances	930.44	765.22	165.24	-	930.46
Borrowings and interest thereon	3,146.95	2,496.76	708.60	-	3,205.36
Other financial liabilities	670.58	529.25	141.33	-	670.58
Total	4,747.96	3,791.23	1,015.17	-	4,806.40

The table below provides details of financial assets as at March 31, 2018:

Particulars	Carrying amount
Trade receivables	256.09
Loans	595.62
Other financial assets	372.71
Total	-

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at March 31, 2018:

Particulars	Carrying amount	Upto 1 year	1-3 years	More than 3 years	Total contracted cash flows
Accounts payable and acceptances	1,426.48	961.09	465.39	-	1,426.48
Borrowings and interest thereon	3,111.52	1,880.23	1,797.04	-	3,677.27
Other financial liabilities	641.12	476.55	164.57	-	641.12
Total	5,179.12	3,317.87	2,427.00	-	5,744.87

The table below provides details of financial assets as at March 31, 2018:

Particulars	Carrying amount
Trade receivables	761.44
Loans	847.73
Other financial assets	563.66
Total	2,172.83

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

- Interest rate risk**

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. The Company is exposed to interest rate risk on its cash and bank balances. Cash and bank balances expose the Company to cash flow interest rate risk. However, the Company does not carry any fixed interest bearing financial liabilities that are designated at fair value through profit or loss. The average interest rate on short-term bank deposits during the year was 6.40% (March 31, 2018: 6.40%).

The groups exposure to interest rates on financial instruments is detailed below:

Particulars	As at March 31, 2019	As at March 31, 2018
Financial assets		
Cash and bank balances	15.52	14.52
Total interest rate dependent financial assets	15.52	14.52
Financial liabilities		
Borrowings	2,696.66	2,643.39
Other financial liabilities	558.14	566.00
Total interest rate dependent financial liabilities	3,250.20	3,209.39

The amounts included above for interest rate dependent financial assets are fixed interest bearing financial assets.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

If the interest rate on INR denominated borrowings had been increased or decreased by 100 basis points, with all other variables held constant, post tax income for the year ended March 31, 2019 would have been increased/ decreased by Rs. 5.41 (March 31, 2018: Rs. 6.24).

- Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The Group's presentation currency is the Indian Rupees. The Group's exposure to foreign currency arises in part when the Group holds financial assets and liabilities denominated in a currency different from the functional currency of the entity.

47. Trade receivables and Contract assets:

a) Trade Receivables as at March 31, 2019 include:

- Dues from terminated / foreclosed projects, Rs 226.85 (including retention money receivable). Management initiated discussion for recovery of the billed revenue upto the date of termination / foreclosure of the contracts. The respective customers have indicated based on a mutual evaluation of the contract, project dues (billed and unbilled) till the date of termination shall be paid to the Company. Accordingly, the Company has written off / provided which are considered as not realisable and retained the above amount as realisable.
- Receivables from promoter group entities, Rs 35.06 for which the Company obtained certifications for the works done / bills raised. No provisioning has been made for the said receivables as at March 31, 2019. Adjustments, if any, that may arise on ultimate realization will be made in the year in which the settlement is concluded.
- Retention money of Rs 500.32, which can be received by the Company, primarily after completion of Defect Liability Period (DLP). As at March 31, 2019, the Company has not received any claims under defective liability clause and is confident of recovery of the carrying value of the same.

b) Contract assets (project work in Progress) include:

- Rs 169.39, represents amount yet to be certified as at the Balance Sheet date. These amounts are certified subsequent to the balance sheet date and billed to the respective client.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

- (ii) Rs. 79.02, represents recoverable from the respective customers from terminated / foreclosed / completed projects. The respective customers have indicated based on a mutual evaluation of the contract, project dues (billed and unbilled) till the date of termination shall be paid to the Company. Accordingly, the Company has written off / provided which are considered as not realizable and retained the above amount as realizable.
- (iii) Amounts receivable from Group company, Rs. 125, recognized based on the acknowledgment by said company. Adjustments, if any, that may arise on ultimate realization will be made in the year in which the settlement is concluded.

48. Inter-Corporate Deposits:

Prior to April 1, 2009, the erstwhile promoters had given certain Inter Corporate Deposits (ICDs) to various companies aggregating to Rs. 343.78. Of the foregoing, documentary evidences had been established that, for an amount of Rs 323.78, the then Satyam Computer Services Limited (SCSL) was the ultimate beneficiary and for which a claim together with compensation receivable had been lodged by the Company. During the earlier years, SCSL had merged into Tech Mahindra Limited (TML) pursuant to a Scheme of Arrangement u/s.391-394 of the Companies Act, 1956. As provided in the Scheme and as per the Judgment of Hon'ble High Court of Andhra Pradesh on the said Scheme, the aforesaid amount in books of SCSL was transferred to TML. The Company, through its subsidiaries, preferred an Appeal before the Division Bench of Hon'ble High Court of Andhra Pradesh against the single judge's Order approving the merger scheme of SCSL which is pending as on date. TML, in its Audited Financial Results for the year ended March 31, 2019 continued to disclose as "Suspense Account (Net) Rs. 1,230.40" as disclosed by SCSL earlier. Management is of the opinion that the claim made by the Company on SCSL is included in the aforesaid amount disclosed by TML in its Audited Financial Statements. The Company is confident of recovering the said ICDs together with compensation due thereon from SCSL/TML. Further, based on internal evaluation and legal opinion, documentary evidences available with the Company and in view of the observations of the Special Court in its verdict dated April 9, 2015 on the criminal case filed by the Central Bureau of Investigation, confirming that an amount of Rs. 1,425 was transferred to SCSL through the intermediary companies, out of which an amount of Rs. 1,230.40 continues to subsist with SCSL, Management is of the opinion that the Company's case on the recoverability of the aforesaid amounts is ultimately certain.

49. Confirmation of Balances:

Further to the matters stated in Note 30, 31(vii) the Company is in the process of preparation of a Resolution Plan which will entail restructuring proposals like interest rate resetting, conversion /waiver of certain borrowings /interest expenses. In view of the moratorium granted by NCLAT in its order dated October 15, 2018 and the Company being categorised under Red Category by IL&FS, Company has not been servicing principal amounts to lenders and interest on the said borrowings. Interest neither paid nor recognised as payable amounting to Rs. 144.99 approximately (Excluding penal interest etc.) in anticipation of the approval of lenders of concession/waivers being sought by company in the resolution plan.

50. Interest Expense:

Further to the matters stated in Note 30, 31(vii) the Company is in the process of preparation of a Resolution Plan which will entail restructuring proposals like interest rate resetting, conversion /waiver of certain borrowings /interest expenses. In view of the moratorium granted by NCLAT in its order dated October 15, 2018 and the Company being categorised under Red Category by IL&FS, Company has not been servicing principal amounts to lenders and interest on the said borrowings. Interest neither paid nor recognised as payable amounting to Rs. 144.99 approximately (Excluding penal interest etc.) in anticipation of the approval of lenders of concession/waivers being sought by company in the resolution plan.

51. During the year under report, the erstwhile management of the Company has paid an amount of Rs. 65 to a vendor as material supply advance against the a purchase order for supply of cement within a period of two months from the date of issue of the said purchase order. For the said advance, the vendor had issued post dated cheques and personal guarantee of its promoter as security. Subsequently, the vendor has neither supplied the cement nor refunded the advances paid. Post dated cheques issued by the vendor were bounced when presented to the Bank. The Company has initiated legal proceedings against the vendor and its promoters. The management has, after considering the financial inability of the vendor, made a provision against said advances.

The Management is of the opinion that the transaction is suspicious in nature with money flow from one promoter group entity paid as material advance for procurement of cement, the re-constituted board decided to initiate investigation in this matter by referring the same to Ministry of Corporate Affairs (MCA).

52. Exceptional item

Due to certain developments as detailed in note no.31 (vii) the company has undertaken comprehensive review of the account balances of the assets and the liabilities during the year based on guidelines received from time to time from the promoter group management. Further, during the year the company also has received settlement awards from arbitrations initiated in earlier years. Certain projects also were terminated / foreclosed.

Based on the review the company has provided for/written off/adjusted for the balances under the contract assets(un billed revenue), trade receivables, investments, loans/advances,ICD, interest on claims recognized in earlier years and mining rights, considering the ability of parties to pay the dues, the probability of certification, the financial strength of the entities as assessed by the management and arbitration awards.

Notes to Consolidated Financial Statements for the year ended March 31, 2019

(All amounts in Rs Crore except for share data or as otherwise stated)

Considering the impact for the year of said adjustments in aggregate, the amounts so adjusted has been reported as exceptional items. The details of amount so adjusted are as below.

Considering the impact for the year of said adjustments in aggregate, the amounts so adjusted has been reported as exceptional items. The details of amount so adjusted are as below.

Particulars	As at March 31, 2019	As at March 31, 2018
Write off on account of Arbitration awards - Contract assets and interest	474.31	-
Write off of contract assets on account of Termination/foreclosure of projects	59.87	-
Impairment provision for contract assets on account of Termination/foreclosure and modification in contractual terms of projects	432.41	-
Impairment loss of investment in overseas subsidiary, Pass Through Certificates and Company's share of profit in JV @	298.91	-
Write off of Intercompany deposits, loans, trade receivables and other advances (Refer note 49,52)	55.27	-
Impairment provision in value of Intercompany deposits, loans, trade receivables and other advances (Refer note 49,52)	265.62	-
Provision for the diminution in value of inventories	21.04	-
Write off of intangible asset (termination of mining rights)#	32.99	-
	1,640.42	-

The Company, in earlier years, had entered into a lease agreement with the Government of Bihar and obtained mining rights aggregating to Rs. 41.89, these mining rights have been obtained to avail the requisite aggregates to be used in one of the road projects being executed by the Company. Upon termination of the said project by the customer, the Company made its efforts to monetize the balance carrying value of the rights, Rs. 39.68 (including deposits forfeited by the authorities for non payment of agreed lease rentals Rs.3.89). However, in view of the delays, etc., resulting from the secured external financial lenders, the efforts of the Company could not be materialized, resulting into termination of mining rights and accordingly the Company has written off the said mining rights post adjustment of accrued lease payable amounting to Rs. 6.69.

@ In the earlier years, the Company has made investment of Rs. 35.77 (including advance of Rs. 2.58 in an overseas subsidiary). Based on the latest available management certified financial statements of the aforesaid subsidiary as at March 31, 2018, the net worth of the subsidiary is fully eroded. As at the balance sheet date, the management is of the opinion that the Company will not be in position to revive the operations of the subsidiary and accordingly made provision of above balances in books of accounts. (refer note 32(b)(i))

53. In terms of events occurring subsequent to March 31, 2019 in relation to revenue recognition, contract assets/advances/investments write off adjustments on account of settlement of existing litigations/termination of contracts by the Customers have been considered as adjusting events. Hence the impact of the same has been given in the consolidated financial statements..

54. All amounts less than Rs. 0.01 have been disclosed as Rs. 0.00.

The accompanying notes are an integral part of the financial statements
