RESOLVED THAT the Board of Directors of the Company be and is hereby authorised to accept fixed deposits from the members of the Company in accordance with the provisions of Section 73(2) and other applicable provisions, if any, of the Companies Act, 2013 and the Rules framed there under (including any statutory modification(s) or re-enactment thereof for the time being in force) duly observing the procedure for accepting fixed deposits from the members of the Company and within the limits prescribed therefor.

“RESOLVED FURTHER THAT the Board of directors of the Company be and is hereby authorised to do all such acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

For and on behalf of the Board of
Sambandam Spinning Mills Limited
S. Natarajan
Company Secretary

Place : **Salem**
 Date : **May 26, 2019**

NOTES :

- 1 A Member entitled to attend and vote is entitled to appoint proxy/proxies to attend and vote instead of himself / herself and the proxy need not be a Member. The right of e voting shall not be exercised by proxy. Proxy Form for the AGM is attached. The proxy form in order to be effective should be deposited at the registered office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. Proxies submitted on behalf of limited Companies, Societies, etc., must be supported by appropriate Resolutions / Authority, as applicable. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company. In case a proxy is proposed to be appointed by a member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder. During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member is entitled to inspect the proxies lodged at any time during the business hours of the Company, provided not less than 3 days advance notice in writing is given to the Company.
- 2 Explanatory Statement setting out material facts pursuant to Section 102 of the Companies Act, 2013 in respect of the business under Items No.5 to 9 of the Notice to be transacted at the AGM is annexed hereto.
- 3 The Register of Members and the Share Transfer Books of the Company will remain closed from 05.08.2019 to 11.08.2019, (both days inclusive) for determining the entitlement of the shareholders to the dividend for year ended 31st March 2019.
- 4 Payment of dividend is subject to the approval of the Company's Bankers. Even if the resolution under item No.2 is passed by members at the AGM (by electronic voting or by postal ballot or by ballot paper) Dividend Warrants will be sent to the members only if approved by the Company's Bankers. In the case of shareholders opting for NECS/ECS, the dividend would in the normal course be credited to their respective accounts. Shareholders must inform the RTA in writing, if they hold shares in physical form (Share Certificate) and to their Depository Participants if they hold shares in DEMAT Form (Electronic Form) furnishing the Bank A/c details attaching a cancelled cheque leaf of that Bank Account for ensuring direct credit of the Dividend to their Bank Account.
- 5 Members holding shares in physical form are requested to notify the RTA any change in their address or bank A/c. particulars immediately and not later than 04.08.2019 and members holding shares in electronic (DEMAT) form are requested to notify any change in their address or Bank details to their respective Depository Participant, latest by 04.08.2019, so that the dividend warrants could be sent to their Bank A/c / present address. Members are also advised to intimate the details of their bank account to enable electronic remittance of dividend warrants. This would help to avoid fraudulent encashment of dividend warrants. In case of shareholders holding shares in physical form, all intimations for recording change of address, bank mandate, or nominations and for redress of any grievance are to be sent to Cameo Corporate Services Limited, at 'Subramanian Building', No.1, Club House Road, Chennai – 600 002 who are the Registrars and Share Transfer Agents (RTA) of the Company. In case of persons holding shares in Demat form, all such intimations should be sent to their respective Depository Participants (Dps).

Members can also submit their grievances

by e-mail direct to the Company at the following e-mail ID : **cs@sambandam.com,**
corporate@sambandam.com

- 6** The Company offers two electronic platforms for credit of dividend i.e., (a) Electronic Clearing Service (ECS) and (b) National Electronic Clearing System (NECS). The advantages of NECS over ECS include faster credit of remittances to beneficiary's account and coverage of more bank branches. NECS operates on the unique bank account number (having not less than 10 digits) allotted by banks after implementation of the Core Banking Solutions (CBS).

The NECS compliant account number is required to be intimated to your Depository Participant (in case your shares are in Demat mode) or to the Company's RTA, M/s Cameo Corporate Services Limited, (in case your shares are in physical mode) for effecting the dividend payment direct to your bank account through the NECS mode. All such intimations, with a cheque leaf of that Bank A/c have to be done before 04.08.2019. Members are encouraged to use the electronic platforms for receiving dividends.

- 7** As per the SEBI Regulations, a person holding the Company's shares / acquiring the Company's shares (voting rights) exceeding 5% of the paid up share capital (Two lakh thirteen thousand two hundred and thirty equity shares of the Company together with their existing holdings) shall inform the Company within 2 working days of acquisition of the Company's shares before sending the share transfer documents to Cameo Corporate Services Ltd., for registering the shares in their name. Similarly persons already holding 5% or more (Two lakh thirteen thousand two hundred and thirty equity shares) of the Company shall inform the Company if they sell or transfer any of their shares within 2 working days of sale of their shares.

- 8** As per the provisions of the Companies Act, facility for making nomination is available to individuals holding shares in the Company. The prescribed nomination form can be obtained from the RTA / Depository Participants.

- 9** As per the provisions of Section 125 of the Companies Act, 2013, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the date of transfer to the unpaid dividend account of the Company shall be transferred to the Investor Education and Protection Fund (IEPF) set up by the Government of India.

Pursuant to the provisions of the Investor Education and Protection Fund (uploading of information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012 the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on 11th August 2018 (date of last AGM) on the website of the Company (www.sambandam.com). Shareholders can ascertain the status of their unclaimed amounts from these websites, and write to the Company immediately to claim that amount.

- 10** The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market for registering transfers, transpositions, transmissions, etc. Members holding shares in electronic form (DEMAT) are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit copy of their PAN card to the RTA, Cameo Corporate Services Limited, at 'Subramanian Building', No.1, Club House Road, Chennai-600 002

- 11** Additional information in respect of the Director seeking reappointment at the AGM is furnished here under which forms part of the Notice.

- 12** Members are requested to inform the Company their e-mail ID to facilitate quick response from the Company. Ministry of Corporate Affairs has recognised e-mail communication to share holders as effective and efficient means of communication from the Company and also member's communication to the Company. Members may register their e-mail id with the Company and also keep the Company informed of any changes in their e-mail ID.

- 13.** Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Amended Rules 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 the Company is pleased to offer Electronic Voting (e-voting) facility to the members to cast their votes electronically on all Resolutions set forth in the Notice convening the 45th AGM. The Company has engaged the services of Central Depository Securities Limited (CDSL) for this purpose.

Instructions for members for e-voting :-

- (i) THE CUT OFF DATE FOR THE PURPOSE OF E-VOTING HAS BEEN FIXED AS SUNDAY, 4th AUGUST 2019. MEMBERS HOLDING SHARES AS ON THIS CUT OFF DATE SHOULD ENDEAVOUR TO CAST THEIR VOTES IN ANY ONE OF THE TWO MODES.
- (ii) IN CASE A SHAREHOLDER BY INADVERTANCE OR OTHERWISE HAS VOTED UNDER MORE THAN ONE OPTION, HIS VOTING ONLY BY ONE MODE THROUGH REMOTE E-VOTING, OR VOTING AT THE MEETING WILL BE CONSIDERED IN THAT SERIATIM.
- (iii) VOTING RIGHTS OF SHAREHOLDERS SHALL BE IN PROPORTION TO THEIR SHAREHOLDINGS IN THE COMPANY AS ON THE CUT OFF DATE i.e. 4th AUGUST 2019
- (iv) CS B.KALYANASUNDARAM (MEMBERSHIP NO.672) OF M/S. B.K.SUNDARAM & ASSOCIATES PRACTISING COMPANY SECRETARIES has been appointed as SCRUTINIZER to scrutinize the e-voting process in a fair and transparent manner. Result of the voting on all resolutions will be declared within two days after the AGM. The results declared along with the Scrutinizer's Report will be available on the Company's Website within three (3) days of passing of the Resolutions at the AGM of the Company and the results will also be communicated to the Bombay Stock Exchange.
- (v) The Scrutinizer will ascertain the result after the conclusion of voting at the AGM by the following Process:
 - a) First count/record the votes cast at the meeting by polling paper;
 - b) Then count/record the votes cast through postal ballot;
 - c) Thereafter unblock the votes cast through e-Voting;
 - d) All the above will be done in the presence of two witnesses not in the employment of the Company.
 - e) Prepare a consolidated Scrutinizer's Report (integrating the votes cast at the meeting, by postal ballot and e-Voting) of the total votes cast in favour or against, if any, and submit it to the Chairman.
 - f) The Scrutinizer's Report as above would be made soon after the conclusion of AGM and in any event not later than three days from the conclusion of the Meeting.
- (vi) Voting Results
 - a) The Chairman or a person authorized by him will declare the result of the voting based on the Scrutinizer's Report.
 - b) The results declared along with the Scrutinizer's Report will be placed on the Company's website www.sambandam.com immediately after the result is declared and also communicated to BSE.
 - c) Subject to receipt of requisite number of votes, the Resolution shall be deemed to be passed on the date of the AGM.

The e-voting period begins at 9.15 a.m. on 07.08.2019 and ends at 5.00 p.m. on 10.08.2019. This period is called 'remote e-voting period'. During this period, shareholders of the Company holding shares either in physical form or in dematerialized form as on the cut-off date ie, 04.08.2019 may cast their vote electronically. At the end of this period, the remote e-voting facility will be disabled by CDSL

- 14** Notice of the AGM along with the Annual Report is being sent to the shareholders whose names appear in the Register of Members as on 06.07.2019. Those who acquire the Company's shares subsequently and continue to hold the shares till the cut off date i.e. 04.08.2019 may contact the RTA, Cameo Corporate Services to obtain their pass word for casting their vote by e-voting. AGM Notice with the Ballot paper, Proxy Form, Attendance Slip and the Annual Report will be uploaded in the Company's Website www.sambandam.com. Print out of the ballot paper, Proxy Form and Attendance Slip can be taken and used by the shareholders entitled to vote at the AGM stating their Folio No., Client ID and shareholding details.
- 15** For e-voting, (a) Log on to the e-voting website www.evotingindia.com, Click on 'Shareholders' tab; Select the "COMPANY NAME" from the drop down menu and click on "SUBMIT"; (b) Enter your User ID (For CDSL: 16 digits beneficiary ID, For NSDL: 8 Character DP ID followed by 8 Digits Client ID); Members holding shares in Physical Form should enter Folio Number registered with the Company and then enter the Captcha Code as displayed and Click on Login. If you are holding shares in Demat form and have already done e-voting of any Company, then your existing password can be used.

If you are a first time user follow the steps given below.
Fill up the following details in the appropriate boxes:

Members holding shares in Demat Form or in Physical Form	
PAN*	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both Demat shareholders as well as physical shareholders)</p> <p>* Members who have not updated their PAN with the Company/RTA/ Depository Participant are requested to use the first two letters of their name and the sequence number in the PAN field. The eight digit S.L.No. printed on your address slip posted on the Annual Report envelope is the sequence number for this purpose.</p> <p>Example : If your name is Ramesh with S.L.No.00003615 then enter RA.00003615 in the 'PAN field'. If the name is V.K.Mohan, with S.L.No.00000015 enter VK00000015 in the PAN field.</p>
Date of Birth (DOB)	<p>Enter the Date of Birth as recorded in your Demat account or in the company records for the said Demat account or folio in dd/mm/yyyy format.</p>
Dividend Bank Details	<p>Enter the Dividend Bank Details as recorded in your Demat account or in the company records for the said Demat account or folio.</p> <p>* Enter the DOB or Dividend Bank details in order to login. If the details are not recorded with the Company enter the user ID (folio number) in the Dividend Bank details field as mentioned in instruction 15 above.</p>

After entering these details appropriately, click on "SUBMIT" tab.

Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in Demat form will now reach 'Password Creation' menu wherein they are required to enter their login password in the new password field. Kindly note that this password is also to be used by the Demat holders for voting for resolutions of any other Company on which they are eligible to vote, provided that Company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

Click on the EVSN for the relevant <Company Name> on which you choose to vote.

- a) On the voting page, you will see Resolution Description and against each Resolution, the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- b) Click on the "Resolutions File Link" if you wish to view the entire Resolutions
- c) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- d) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- e) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- f) If Demat account holder has forgotten the changed password then enter the User ID and Captcha code, click on Forgot Password & enter the details as prompted by the system.
- g) Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to <https://www.evotingindia.co.in> and register themselves as Corporates. After receiving the login details they have to link the account(s) which they wish to vote on and then cast their vote. They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the scrutinizer to verify the same.
- h) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

In case of members receiving the physical copy:

- (A) Please follow all steps from sl. no. 1 to sl. no. 15 above to cast vote.
- (B) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.co.in under help section or write an email to helpdesk.evoting@cdslindia.com.

In case of members acquiring shares after the dispatch of the notice:

Any person who acquires shares of the Company and becomes a member of the Company as on the cut-off date shall follow the above instructions to cast their vote through e-voting process.

16 VOTING AT THE VENUE OF THE AGM

In terms of Companies (Management and Administration) Amendment Rules, 2015 with respect to the voting through electronic means, the Company is pleased to offer the facility for voting by way of polling at the venue of the AGM. Members attending the meeting should note that those **who are entitled to vote but have not exercised their right to vote by 'Remote e- voting' may vote at the AGM through polling for all businesses specified in the Notice. Members who have exercised their right to vote by Remote e- voting may attend AGM but shall not vote at the AGM.**

- 17 The voting rights of the members shall be in proportion to their shares of the paid up Equity Share Capital of the Company as on the 'cut-off' date being **Sunday, 4th August, 2019**.
- 18 **SHRI B. KALYANASUNDARAM (MEMBERSHIP NO. 672) OF M/S B. K. SUNDARAM & ASSOCIATES, PRACTISING COMPANY SECRETARIES** has been appointed as the Scrutinizer to scrutinize the remote e-voting and AGM venue voting processes in a fair and transparent manner.
- 19 The Scrutinizer shall, immediately after the conclusion of the voting at the general meeting, will count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of atleast two witnesses not in the employment of the Company.
- 20 The Scrutinizer not later than 48 hours of the conclusion of the AGM shall submit a consolidated report of the total votes cast through remote e-voting process and votes cast at the AGM to the Chairman or any person authorised by him who shall countersign the same and declare the results of the voting forthwith.
- 21 The results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.sambandam.com and the website of the CDSL immediately after the declaration of result and shall also be immediately forwarded to the Stock Exchange where the Company's shares are listed.
- 22 All documents referred to in this notices will be available for inspection on all working days during business hours of the Company until the date of the Annual General Meeting of the Company.
- 23 Proxy and Attendance Slips are enclosed in Page No. 151

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 FOR ITEMS No.5 to 9

Item APPOINTMENT OF NON EXECUTIVE INDEPENDENT DIRECTOR MRS. ANNAPOORANI VENUGOPALAN

No.5 Mrs. Annapoorani Venugopalan was appointed as additional director in the Board meeting held on 11.11.2018 to hold office upto this 45th Annual General Meeting of the Company.

Nomination and Remuneration Committee at its meeting held on 26th May, 2019 had recommended her appointment as A Non-Executive Independent Director, not liable to retire by rotation to hold office for a period of five years w.e.f. 11.08.2019 to 10.08.2024 as the Director needs to be appointed by the shareholders pursuant to sec. 152 of the companies act, 2013 the agenda item is placed before the shareholders for passing an ordinary resolution as set out in the meeting notice.

Details of the director as required under regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is given in the annexure.

Item RE-APPOINTMENT OF SRI S. GNANASEKHARAN AS A NON-EXECUTIVE INDEPENDENT DIRECTOR

No.6 Sri S. Gnanasekharan was appointed as a Non- Executive Independent Director of the Company by the members at the 40th AGM of the Company held on 28th September, 2014 for a period of five consecutive years commencing from the date of 40th AGM of the Company till the conclusion of the 45th AGM of the Company.

Further, in accordance with the amendments to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, dated 9th May, 2018 and effective from 01.04.2019, approval of members by way of special resolution was obtained for continuation of Non- Executive Independent Director, Sri S. Gnanasekharan for his remaining tenure (i.e., upto conclusion of the 45th AGM of the Company), vide postal ballot on 27.03.2019, since he had crossed the age limit of 75 years.

As per the provisions of Section 149(10) and 149(11) of the Companies Act, 2013, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years though he had crossed 75 years in accordance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Taking into consideration, his Professional qualification and expert knowledge in Company Law and other connected matters and his contribution to the Company and based on the performance evaluation of the Independent Director and as per the recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Sri S. Gnanasekharan, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, the Board of Directors at their Meeting held on 26th May, 2019 has recommended for re-appointment of Sri S. Gnanasekharan as a Non-Executive Independent Director for a second term of five consecutive years as set out in the meeting notice.

The Company has received declaration from Sri S. Gnanasekharan stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

Accordingly, the Board recommends passing of this Special Resolution by the shareholders as set out under Item No: 6 of the Notice.

Details of the director as required under regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is given in the annexure.

Except the director to whom the respective resolution relates, no other director or Key Managerial Personnel or their relatives are concerned or interested in the resolutions

Item RE-APPOINTMENT OF SRI KAMESHWAR M. BHAT AS A NON-EXECUTIVE INDEPENDENT DIRECTOR

No.7 Sri Kameshwar M. Bhat was appointed as a Non- Executive Independent Director of the Company by the members at the 40th AGM of the Company held on 28th September, 2014 for a period of five consecutive years commencing from the date of 40th AGM of the Company till the conclusion of the 45th AGM of the Company.

As per Section 149(10) and 149(11) of the Companies Act, 2013, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company.

Taking into consideration, his Professional qualification and expert knowledge in Banking, Finance related matters and his contribution to the Company and based on the performance evaluation of the Independent Director and as per the recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Sri Kameshwar M. Bhat, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, the Board of Directors at their Meeting held on 26th May, 2019 has recommended for re-appointment of Sri Kameshwar M. Bhat as a Non-Executive Independent Director for a second term of five consecutive years effective as set out in the meeting notice.

The Company has received declaration from Sri Kameshwar M. Bhat stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

Accordingly, the Board recommends passing of this Special Resolution by the shareholders as set out under Item No: 7 of the Notice.

Details of the director as required under regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is given in the annexure.

Except the director to whom the respective resolution relates, no other director or Key Managerial Personnel or their relatives are concerned or interested in the resolutions.

Item RATIFICATION OF THE REMUNERATION PAYABLE TO COST AUDITORS

No.8 The Board of directors at their meeting held on 26.05.2019 had reappointed M/s.K.M.Krishnamurthy & Co., (Firm Reg No 102198 Cost Accountants for audit of cost accounts relating to the Spinning Division on payment of remuneration of Rs.75,000 and for audit of cost accounts relating to the Wind Mill Division of the Company on payment of Rs.25,000/- aggregating to Rs 1,00,000/- (Rupees one lakh only) excluding out of pocket expenses and service tax for the financial year 2019-20 . Board of directors has accepted the recommendation of the Audit committee and approved their appointment. As per the provisions of Section 148 of the Companies Act 2013 and Rule 14 of the Companies (Audit and Auditors) Rules 2014, remuneration payable to the cost auditor as approved by the Board of directors of the Company is to be ratified by the shareholders. Hence the subject is placed before the shareholders for passing an ordinary resolution. None of the directors or the key managerial personnel or their relatives is interested in the resolution

Item ACCEPTANCE OF FIXED DEPOSITS FROM MEMBERS OF THE COMPANY

No.9 Section 73(2) of the Companies Act 2013 prescribes that approval of the members by passing a resolution at the General Meeting is required for the Board of Directors to accept fixed deposits from the shareholders of the Company. However, the relevant rules require certain procedure to be followed by the Company before accepting fixed deposits from the members. After securing the approval of members at the AGM, board will decide about the timing for accepting fixed deposits from the members after complying with the prescribed procedure in this regard. Board of directors commends the resolution for members' approval by passing an ordinary resolution. None of the directors, Key Managerial Personnel or their relatives is interested or concerned in the resolution

DECLARATION :

It is declared pursuant to Section 102 of the Companies Act, 2013 that none of the directors / relatives of directors / Key Managerial Personnel / Manager is interested, except to the extent stated in the explanatory statement for each of the special business in any respect, except in their capacity as Directors and/or shareholders of the Company. It is further declared with reference to the proviso to sub-section 2 of Section 102 of the Companies Act, 2013 that the proposed resolutions do not have any bearing with the business of any other Company. The documents relating to the subject matters under special business are open for inspection by the shareholders during office hours on all working days during business hours at the Registered Office of the Company till the date of the ensuing Annual General Meeting.

For and on behalf of the Board of
Sambandam Spinning Mills Limited
S. Natarajan
 Company Secretary

Place : **Salem**
 Date : **May 26, 2019**

SAMBANDAM SPINNING MILLS LIMITED

BOARD'S REPORT

Your directors have pleasure in presenting the 45 th Annual Report together with the Audited Accounts for the year ended March 31, 2019 (the year).

1 Performance highlights	2018 - 19	2017 - 18
	(Rupees in Lakhs)	
Revenue from Operations		
Direct exports	362	708
Merchandise exports	136	0
Domestic Sales	20332	18442
Wind Turbine Generator Power sold to third party	120	158
Sub Total	20950	19308
Other income	144	166
Total Revenue from Operations	21094	19474
Profit		
Gross profit [Profit before interest, depreciation & Tax]	2388	2279
Cash profit [Profit before depreciation & Tax]	1562	1360
Profit before tax [PBT]	547	344
Less : Provision for Current Tax	362	724
Provision for Deferred Tax	(263)	(725)
Profit after tax [PAT]	448	345

2 DIVIDEND

Your directors decided to recommend payment of Dividend at 20% (twenty percent) for the year, subject to the approval of the bankers of the Company.

3 MANAGEMENT DISCUSSION AND ANALYSIS

Core business of the company is manufacture and sale of cotton yarn. The management discussion and analysis given below discusses the key issues of the Industry with specific reference to the cotton yarn spinning sector.

1. Details of significant changes on following ratios (i.e changes if 25 % or more as compared to immediately previous financial year)

	18-19	17-18	change	change%
a. Debtors turnover ratio*	6.10	4.26	1.83	43.00%
b. Inventory turnover ratio	4.59	5.17	(0.58)	(11.28%)
c. Interest coverage ratio	2.89	2.79	0.10	3.75%
d. Current ratio	1.01	0.94	0.07	6.98%
e. Debt equity ratio	0.15	0.18	(0.03)	(16.42%)
f. Operating profit margin %	11.40%	11.80%	(0.40%)	
g. Net profit margin %	2.14%	1.79%	0.35%	

* Debtors turnover ratio change is more than 25%, due to better collection management.

2. Details of any change in Return on net worth as compared to the immediately previous financial year along with a detailed explanation thereof

	18-19	17-18	change%
a. Return on net worth	4.82%	3.83%	0.99%

a) **INDUSTRY PERFORMANCE**

Cotton Prices – Trends & Outlook

International Prices : Over the past few years, Indian cotton prices played a predominant role in influencing international cotton prices, given India's status as the largest cotton producer and the second largest consumer of cotton. However, because of a significant correction in China's cotton reserves, the sensitivity of International cotton prices to China's cotton policies in terms of import quotas, quality of balance cotton in state reserves and pace of incremental liquidation of stocks, has increased considerably. Accordingly, a sharp surge in international prices to four-year high levels has been witnessed during the six-month period ended May 2018 (prices stand 12-14% higher YoY), amid an evolving cotton scenario in China as well as speculative buying in the backdrop of anticipated tightening of global cotton demand-supply situation. While the prices surged further by ~5-6% in the first few weeks of June 2018, these have stabilised in the last week of June 2018.

Indian Prices : Indian cotton prices increased at a relatively slower pace vis-a-vis the international prices during the six-month period ended May 2018, reporting a 9% increase in US dollar terms (13% in INR terms) vis-a-vis a 17% increase in the international cotton prices during the same period. As the Indian mills undertook adequate pre-emptive stocking during the peak harvest season, speculative buying was limited, which prevented an immediate increase when the international prices were surging. As a result, the spread between domestic and international prices, which typically remained range-bound at ~2-5% in the past, increased to ~12% in the quarter-ended March 2018 before peaking at 18% in May 2018. This, together with rupee depreciation in recent months, made the Indian cotton considerably competitive in global markets during the months of March, April and May 2018, shoring up demand for the Indian cotton. As a result, a sharp spike in Indian cotton prices has been witnessed starting mid-May 2018, following the upward trajectory in international prices, resulting in narrowing of the spread between the domestic and international cotton prices to ~6-8% in last week of June 2018 vis-a-vis 18% in May 2018. With price differential correcting, ICRA expects the recent spurt in exports of Indian cotton and yarn to be arrested from Q2 FY2019 onwards.

Indian Yarn Production and Exports

Exports : Indian cotton yarn exports fell for the second consecutive year in FY2018, amid continuing unfavourable demand trends in China - one of India's key markets for cotton yarn. The export volumes declined by ~5% in FY2018, after having declined by ~13% in FY2017, primarily owing to a ~23% decline in exports to China in FY2018 following a 30% decline earlier in FY2017. While the pressure is partly explained by the falling import demand from China, as is evident in a ~10% and ~5% decline in China's overall cotton yarn import volumes during FY2017 and FY2018 respectively, increased competitive pressures from nations such as Vietnam have had a pronounced impact on exports from India. Nevertheless, Indian cotton yarn exports have reported a strong YoY growth of more than 50% during the past three months (Mar-May 2018), supported by higher exports to China. This has been primarily driven by competitive Indian cotton and yarn prices, further supported by a sharp rupee depreciation in the recent months, which has improved the relative competitiveness of domestic spinners in the global markets and is thus providing an arbitrage opportunity to the Chinese buyers. This spurt is, however, likely to be short-lived as the arbitrage opportunity neutralises.

Production : Domestic yarn production was adversely impacted in FY2019 by multiple headwinds, including weakness in exports of cotton yarn and GST-led temporary demand disruptions. As a result, cotton yarn production ended up flat during the full year, making FY2019 the fourth consecutive year of weak production. Following the tepid production in FY2019, domestic yarn production remained under pressure in April 2019 as well with a YoY decline of 1.8%. This is despite the spurt in cotton yarn exports in recent months, thereby indicating continued weakness in demand from the domestic downstream segments. This in turn could be explained by declining apparel exports and subdued exports of made-ups as well as unencouraging trends in domestic demand. In this context, ICRA believes that a sustained revival in domestic demand will remain crucial for the trend in India's cotton yarn production, especially considering concerns pertaining to the sustainability of export demand, given the stiff competitive pressures from Vietnam and steps being taken by China to improve cotton availability situation

Domestic Yarn Prices and Contribution

Yarn Prices : The cotton yarn realisations in India have firmed up in the recent months, after remaining fairly range-bound over the past few quarters. Cotton yarn realisations (for 30s carded yarn) stood ~7% higher at ~Rs. 211/ kg in Q1 FY2019 vis-a-vis Rs.197/ kg in Q1 FY2018 and Rs. 199/ kg in Q4 FY2018. While the increase has been driven partly by the higher cotton prices, a more-than-proportionate increase vis-a-vis cotton prices (7% increase in cotton yarn realisations during Q1 FY2019 vis-a-vis 2% increase in cotton prices during the quarter) is explained by the strong transitory export demand during the quarter.

Contribution : A more-than-proportionate increase in yarn realisations vis-a-vis cotton prices has resulted in a 15% YoY increase in spot contribution margins of domestic spinners to Rs. 89/ kg in Q1 FY2019 vis-a-vis Rs. 77/ kg in Q1 FY2018 and Rs. 79/ kg in FY2018. The real contribution level (adjusted for cotton stock holding) stood even higher at Rs. 96/Kg, increasing by 25% YoY. The increase in real contribution margins has been driven by cotton stocking by spinners at lower prices during the recent harvest season (Oct'17-Mar'18) vis-a-vis the previous season, wherein cotton prices had remained firm, amid delayed cotton arrivals during demonetisation.

Even though export demand is expected to normalise, expectations of firm cotton prices and revival of domestic demand is likely to lend support to the cotton yarn prices, thereby supporting the contribution levels of spinners during FY2019. Earlier, as the benefit of low-cost cotton stocking was not available with the spinners last year, it resulted in the real contribution margin level (in percentage terms) in FY2018 being at a multi-year low and translating into the weakest performance of the spinners during the six-year period ending FY 2018.

Financial Performance of Cotton Spun-Yarn Manufacturers

The year 2018-19 has been a year of major challenges faced by the spinning industry, which faced almost year long downtrend in Selling prices, coupled with wide fluctuations in cotton prices. The power situation was also bad in the first few months but got stabilized in the subsequent period. Market demand for yarn was also continuously subdued which forced many units to reduce the working days and lower their production for export orders from global retail giants. On the other hand, from the raw material front during the year 18-19 even though domestic cotton was aplenty, still mills were importing fibre. Quality constraint is observed to be the primary reason for such industry behavior. High trash content, rampant adulteration and abnormal moisture content was observed in domestic supplies and this has resulted in rampant import by many spinners .A cross-section of spinners said that mills in Tamil Nadu have stopped procuring cotton from Gujarat, in particular, and reduced the quantity purchased from Maharashtra due to quality issues. There is said to be authenticated report on the fact that there is a mix up of quality cotton such as Sankar 6 with Comber Noil and carded waste. To make quick money, when demand surges, ginners sell cotton without removing trash. While 2 per cent trash is permissible, in recent months it has soared to 7 per cent. Many traders also liberally douse kapas with water, adding to the moisture content. "The industry experts fears that this could adversely affect the India Cotton branding initiative. "It could be a threat to the entire textile value chain. This has posed additional challenge to procure cotton at competitive costs . Experts in the industry have urged urgent government intervention for stopping such unethical trade practices and also urged for reintroduction of Cotton Control Order and ISI standards be enforced. According to experts in this industry , contracted import volumes could easily touch a record 30 lakh bales. "Mills in Tamil Nadu invariably take the lead in importing the fibre, but this year, spinners in the North have also taken to imports as the realization is 3 to 4 per cent better than the domestic fibre."Such measures will not only conserve forex reserves, but also help every stakeholder in the textile value chain. Despite being the largest producer of cotton and the biggest exporter of yarn, India continues to depend on the US, West Africa and Australia for supply of quality fibre. Cotton farming is sustainable with minimum support from the government. The present state of affairs though would push farmers away from cotton cultivation," is the general industrial observation.

There are about 600 spinning mills registered in Tamil nadu out which majority of them have faced shutdown like situation due to acute competition accentuated by continuous cost pressures from all fronts. The cotton arrivals have been affected to a larger extent due to demonetisation in the second part of the year as farmers preferred cash payment instead of other modes of payment .Spinning mills are under continuous stress .Spinning is feeder industry to weaving and knitting sectors, its fortunes mainly depend upon the dynamics of those sectors This will naturally have a cascading effect on the spinning sector, which feed the weaving and knitting sectors. The spun yarn production has been on the declining path from the month of June 2017 onwards. While in October 2017 all production was lower by about 10%, cotton yarn production was lower by 12% when compared to the first half of the year. When compared to previous year performance ,country's export during April – November 2017 was marginally higher, whereas import was lower by 8% in dollar terms

The textile Industry is facing lots of challenges and it is under transformation on following grounds

1. Excess spindle capacity due to unplanned expansion throughout the supply chain such as Ginning, spinning, weaving and till the end user stage
2. Soaring cotton prices coupled with increasing wage costs and power costs
3. Fast and quick fashion changes among consumers and other market dynamics
4. Stiff price competition
5. Entire textile industry is facing labour shortage due to labour migration and urbanisation of labour

b) COMPANY'S PERFORMANCE

- (i) In Spite of rough market condition as narrated in industry scenario, your company is able to overcome the challenges posed by competitive forces during the year. Thus during the year under review, your Company's turnover was to Rs.209.50 crores as against Rs.193.08 crores recorded in the previous year. Your Company's performance was satisfactory. This is mainly due to cost reduction measures that were adopted by the Company such as tie-up with Private Power Producers to get the required power at a price lesser than the TANGEDCO Power, securing dedicated power supply from EB Substation to all the three units of the Company and minimum use of diesel Gensets, supported by your Company's Wind Turbine generated power. In addition to that the good performance of windmill and price saving in group captive power purchased has helped the company to earn reasonable profit during the year. These measures helped to achieve improved level of plant utilization to maintain production and quality of the product and achieve reasonable profit after tax of Rs.393.90 lakhs as against Rs.346.69 lakhs recorded in the previous year.
- (ii) Your Company's Wind Turbine Generators (WTGs) recorded generation of electric power of the value of Rs.1148.40 lakhs during the year (Rs.1408.82 lakhs in gross revenue 2017-18).
- (iii) Bank interest rates remained high during the year, However management has exercised strict control on inventory and thus could reduce the interest costs from previous year level.
- (iv) In spite of many challenges company is focussed on value creation such as improving the sale per spindle , better product mix, focus on internal costs, and use of non conventional power such as wind energy power and widening market foot print by improving product mix

c) FUTURE OUTLOOK

Industry expects improvement during the current financial year as cotton prices are stabilizing and yarn prices have started improving from the first quarter of the financial year 2019-20. Considering the present market demand for products like Viscose, Modal, Linen Fibre and value added products like Gassed and Mercerized Yarn, your Company has planned to produce these new products in addition to the existing products Viz., Combed, Carded and Compact Yarn. The Company also started converting its yarn into fabric as a measure of value addition. On the wind energy side, with all set for the next windy season in the state, wind energy generation has started picking up. The State has a total installed wind energy capacity of 7,685 MW. The capacity addition was higher in states such as Andhra Pradesh. However, evacuation has not improved in Tamil Nadu and during the last financial year, contribution of wind energy to total energy consumed in the State went up to 40 % during the peak wind season. The winds started in March last year and went on till November. However , generation was less in 2018-19. This year, winds started picking up in the first week of April and wind energy generation is steadily increasing. Majority of the wind energy investors in the State are industries who have wind mills for captive use.

Going forward, in textile industry there will be increase in demand due to increase in population coupled with vast potential domestic market. In addition to existing products, lot of value added product is expected to go up manifold in the market. Also there is going to be exponential demand on technical textile products in the area of medical textiles, automobile textiles, agricultural textiles, flame retardant textiles, and other wide range of applications.

d) RISKS AND CONCERNS

Your Company has devised risk management policy which involves identification of the risks associated with the business risks as well as the financial risks, its evaluation, monitoring, reporting and mitigation measures. Audit Committee and the Board of Directors of the Company refined the risk management policy of the Company so that the management controls the risk through properly defined frame work. Heads of departments are responsible for implementation of the risk management system as may be applicable to their respective areas of functioning and report to the Board and the Audit Committee. Details of the risk management mechanism and key risks faced by the Company are enumerated in the risk management policy.

Risk Management Policy adopted pursuant to the provisions of Section 134 (3) (n) of the Companies Act 2013 is hosted on the website of the Company under the web link <http://www.sambandam.com>

e) ENVIRONMENT PROTECTION, HEALTH AND SAFETY (EHS)

EHS continues to receive the highest priority in all operational and functional areas at all locations of your Company. Systematic process safety analysis, audits, periodic safety inspections are carried out by expert agencies and suitable control measures adopted for ensuring safe operations at the site. Various processes as required for Pollution Control and Environmental Protection are strictly adhered to.

f) INTERNAL CONTROL AND SYSTEMS

Your Company has in place well established internal control procedures covering various areas such as procurement of raw materials, production planning, quality control, maintenance planning, marketing, cost control and debt servicing. Steps are taken without loss of time, to correct if any weakness is observed.

Your Company is certified ISO 9001, ISO 14001 and OHSAS18001 for the systems. Further, your Company's laboratory is also certified by NABL on Global Organic Textile Standard, Better Cotton Initiative and others as displayed on the cover page of this Annual Report.

g) HUMAN RESOURCES MANAGEMENT

Employees are your Company's most valuable resource. Your Company continues to create a favourable environment at work place. Your Company has formulated and implemented various welfare measures for the employees. The Company also recognizes the importance of training and consequently deposes its work force in various work related courses/seminars including important issues like Total Quality Management (TQM), behavioural skills, soft skills, etc. Because of these labour welfare and improvement measures, your Company is able to attract and retain well trained and dedicated workforce.

The fact that relationship with the employees continues to be cordial is testimony to the Company's ability to retain high quality workforce. In view of the aforesaid relationship no man days were lost during the year under report.

h) DISCLOSURE AS PER THE SEXUAL HARASSMENT OF WOMEN AT WORK PLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT 2013

The Company has zero tolerance for sexual harassment at workplace and has adopted a policy on prevention, prohibition and redressal of sexual harassment at workplace in line with the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the rules framed thereunder. The Company has set up a Committee for addressing issues related to women and during the financial year 2018-19, there were no complaints received on sexual harassment

i) COST AUDIT

Audit Committee at the Audit Committee Meeting held on 25th May 2019, board of directors have approved the appointment of M/s.K.M.Krishnamurthy & Co., (Firm Reg No 102198 Cost Accountants for audit of cost accounts of the Company. In accordance with the provisions of the Companies Act 2013 and the Rules framed there under, Cost Audit for the Company is applicable for the financial year commencing from 1st April 2018. On the recommendation of the Audit Committee, Board of Directors of the Company at their meeting held on 26.05.2019, approved the appointment of M/s.K.M.Krishnamurthy & Co., Firm Reg. No 102198, Salem, for audit of Cost Accounts of the Company for the year 2019-20 and the resolution for ratification of the remuneration payable to the Cost Auditor for the year 2019-20 is placed before the members for ratification at the 45th Annual General Meeting of the Company scheduled to be held on 11.08.2019.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members
M/S. SAMBANDAM SPINNING MILLS LIMITED
MILL PREMISES, P.B.NO.1, KAMARAJ NAGAR
SALEM – 636014

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Sambandam Spinning Mills Limited, Salem-636014 (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by M/s. Sambandam Spinning Mills Limited (the Company) and also the information provided by the Company, its Officers, Agents and Authorized Representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the financial year ended on 31st March 2019, according to the provisions of :

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder.
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with respect to the meetings of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India.
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

During the year under report, the Company did not attract the provisions of:

- (i) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (ii) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - b) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014
 - c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998.

We further report that :

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice with agenda items supported by detailed notes thereon is given to all Directors to schedule the Board Meetings and Committee meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meetings and for meaningful participation at the meetings.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes. But there were no dissenting views during the year under report.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

We further report that during the audit period the Company had no specific events / actions, having a major bearing on the Company's affairs in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards, etc., referred to above.

**ANNEXURE TO SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2019
OF
M/s. SAMBANDAM SPINNING MILLS LIMITED**

1. Maintenance of secretarial records with reference to the provisions of the Companies Act,2013 & the Rules thereunder and the maintenance of records with reference to other applicable laws is the responsibility of the management of the Company. Our responsibility is to express an opinion based on our audit.
2. We have followed the audit practices and procedures as were appropriate to obtain reasonable assurance about the correctness of the contents of the records. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our Secretarial Audit. The verifications were done on a random test basis to ensure the correctness of the facts reflected in the records.
3. We have obtained the Management representation about the compliance of Laws, Rules and Regulations and occurrence of events. As per the Management representation given by the Chairman and Managing Director there is no law exclusively applicable for this Company other than all Laws applicable for Manufacturing Industries and hence there is no report to be given therefor.

ANNEXURE - VIII

REPORT ON CORPORATE GOVERNANCE

(Pursuant to Schedule V of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015)

1. COMPANY'S PHILOSOPHY OF CODE OF GOVERNANCE

Company's philosophy on corporate governance is delineated below :

- Effectiveness measured by quality of leadership resulting in the best performance
- Accountability through openness, public disclosure and transparency of activities
- Conforming to high ethical standards in financial policies, internal controls, constant attention towards high quality of its products and continuous upgrading of skills
- Responsibility and responsiveness to stakeholders including shareholders, customers, vendor employees, lenders and government agencies
- Sustaining a healthy and ever improving bottom line
- Upholding the spirit of social responsibility and
- To create a management team with entrepreneurial and professional skills

2. BOARD OF DIRECTORS

(i) Composition of the Board

As on March 31, 2019, the Company has ten Directors. Out of ten Directors, three (i.e.30 percent) are Executive Directors, two(i.e.20 percent) are Non-Executive Directors, and five (i.e. 50 percent) are Independent Directors. The profiles of Directors can be found on the website of the Company www.sambandam.com. The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with Section 149 of the Act.

(ii) Changes in Board of Directors

During the year, with the approval of members, Managing Directors (i.e, Sri S.Devarajan, Sri S.Jegarajan and Sri S.Dinakaran) were re-appointed at the 44thAGM held on 11.08.2018, for a period of three years w.e.f. 01.10.2018.

During the year, special resolution was passed through postal ballot on 27.03.2019 for continuation of Non-Executive Independent Director Sri. S. Gnanasekharan to hold his directorship up to his original tenure i.e., until the conclusion of 45thAGM of the Company, as he crossed the age limit of 75 years.

Non Executive Director Smt.S.Abirami has resigned from the Board w.e.f.11.08.2018. The Board has appointed Smt. Annapoorani Venugopalan as Non Executive Director w.e.f.11.11.2018.

- (iii) The Board is primarily responsible for the overall management of the Company's business. The Directors on the Board are from varied fields with wide range of skills and experience. The non-executive directors including Independent Directors bring statutory and wider perspective in the Board's deliberations and decisions. The Board periodically reviews the compliance reports of all laws applicable to the Company.
- (iv) Board fulfills the key functions as prescribed under provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Details of the Director seeking appointment / re-appointment at the ensuing Annual General Meeting have been furnished in the Notice convening the Meeting of the shareholders.
- (v) None of the Directors on the Board holds directorships in more than ten public limited companies. None of the Independent Directors serves as an independent director on more than seven listed entities. Necessary disclosures regarding Committee positions in other public limited companies as on March 31, 2019 have been made by the Directors. Promoter Directors / Non Executive Directors are related to each other. None of the Independent Director is related to each other. The details of directors and their relationship are given as below:

Independent Auditor's Certificate on Corporate Governance**To The Members of Sambandam Spinning Mills Limited**

We have examined the compliance of the conditions of Corporate Governance by Sambandam Spinning Mills Limited ('the Company') for the year ended on March 31, 2019, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2019.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF SAMBANDAM SPINNING MILLS LIMITED

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Ind AS Financial Statements of **SAMBANDAM SPINNING MILLS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section out of report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our opinion on the accompanying standalone Ind AS financial statements.

A. REVENUE RECOGNITION

Key Audit Matter Description

Reference may be made to note 3 of significant accounting policies and note 23 to the financial statements of the Company.

During the year, on account of adoption of new revenue standard Ind AS 115 – Revenue from contracts with customer, there have been changes in revenue recognition policy with regards to timing of recognition and related disclosures.

Revenue recognition is inherently an area of audit risk, which we have substantially focused on mainly covering the aspects of cut off considering the above impact of Ind AS 115 and cut-off are key audit matters.

Response to Key Audit Matter

Principal Audit Procedures

Our audit procedures relating to revenue comprised of test of controls and substantive procedures including the following:

- a. We assessed whether the policy of recognizing revenue was in line with Ind AS – 115.
- b. We performed procedures to assess the design and internal controls established by the management and tested the operating effectiveness of relevant controls related to the recognition of revenue.
- c. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- d. We have tested, on a sample basis, whether specific revenue transactions around the reporting date has been recognised in the appropriate period by comparing the transactions selected with relevant underlying documentation, including goods delivery notes, customer acknowledgement/proof of acceptance and the terms of sales.
- e. We have also validated subsequent credit notes and sales returns up to the date of this Report to ensure the appropriateness and accuracy of the revenue recognition.
- f. We tested journal entries on a sample basis to identify any unusual or irregular items.
- g. We also considered the adequacy of the disclosures in Company's financial statements in relation to Ind AS 115 and were satisfied they meet the disclosure requirements.

Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to adoption of Ind AS 115 and timing of revenue recognition.

B. VALUATION OF INVENTORY

Key Audit Matter Description

Considering the risks involved, such as identification of stages of work in progress valuation of inventory is considered to be key audit matter.

Response to Key Audit Matter

Principal Audit Procedures

We have planned and performed the following audit procedures with respect to the Key audit matter identified.

- a. Verified the stock issue register to identify the stage of completion
- b. Validated the management internal control process for valuation of inventory.
- c. Recheck of valuation principles adopted for inventory.
- d. Discussed with the management on the management's process of identifying the stages of completion and valuing work in progress stock at the time of book closure process.

Conclusion

Based on the above procedures and physical verification of stock with identified stages of processes by the Management at the year end, we concluded that the valuation of Inventory at the year end is fair and in terms of accounting principles. We have also concluded that other alternate manual controls established ensure that there is no material misstatement in the standalone Ind AS financial statements.

C. Actuarial valuation

Key Audit Matter Description

Reference may be made to note 6 of significant accounting policies and note 16, 20 and 21 to the standalone Ind AS financial statements of the Company.

There is a risk of material misstatement relating to the judgements made in valuing the defined benefit obligation including the use of key assumptions specifically the discount rate, life expectancy and inflation level. These variables can have a material impact in calculating the quantum of the retirement benefit liability.

Response to Key Audit Matter

Principal Audit Procedures

Our audit procedures comprised of the following:

- a. We determined whether the key assumptions are reasonable.
- b. External actuaries were engaged to determine the amount of pension provisions.
- c. We assessed the competence, capabilities and objectivity of the experts, gained an understanding of their work and the suitability of the results as audit evidence for the relevant assertions.
- d. We examined the data made available to the experts for completeness and accuracy and gained an understanding of the process to determine the calculation inputs used.

Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to the use of assumptions and actuarial valuation

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management for the standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of the India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Companies Act, 2013, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone Ind AS Financial Statements comply with the Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the Internal Financial Controls Over Financial Reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate report in "Annexure 2" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS Financial Statements. (Refer note 41 to the standalone Ind AS financial statements);
 - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2019.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

“ANNEXURE 1” to the Independent Auditor's Report referred to in paragraph 1 under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date on the standalone Ind AS financial statements of Sambandam Spinning Mills Limited

1. In respect of its fixed assets:
 - (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets have been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
 - (c) According to the information and explanations given to us and based on the examination of registered sale deeds/ transfer deeds/ conveyance deeds provided to us, we report that the title deeds, of all the immovable properties are held in the name of the Company.
2. As explained to us the inventories other than goods in transit have been physically verified at the year-end by the management and no material discrepancies were noticed on such physical verification.
3. (a) The Company has granted loan to one Company covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of such loan is not prejudicial to the Company's interest.
- (b) The Company has granted loan to one Company covered in the register maintained under section 189 of the Companies Act, 2013. The schedule of repayment of principal and payment of interest has been stipulated for the loan granted and the repayment is regular.
- (c) There are no amounts of loans granted to companies, firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013 which are overdue for more than ninety days.
4. According to the information and explanations given to us the Company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
5. According to information and explanations given to us, the Company has not accepted any deposits from public however in respect of the deposits accepted from shareholders, the Company has complied with the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act 2013 and the Companies (Acceptance of Deposits) Rules, 2014.
6. The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under Sub section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. However, we have not made a detailed examination of the same.
7. According to the information and explanations given to us and the books of account examined by us, in respect of statutory dues:
 - (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and service tax, Customs duty, cess and any other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in few cases.
 - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, goods and service tax, customs duty, cess and other statutory dues were outstanding, at year end, for a period of more than six months from the date they became payable.
 - (c) According to the records of the company, the dues of employee state insurance and other statutory dues on account of any dispute are as follows:

(Rs. in Lakhs)

Nature of dues	Disputed dues (Rs.)	Period to which the amount relates	Forum where the dispute is pending
Corporation tax	17.05	October 1998 - March 2013	Madras High Court
Infrastructure and development amenities charges	66.75	July 2012	Madras High Court
Employees State Insurance	25.63	2003 - 04 to 2004 - 05	Salem Labour Court

8. The Company has not defaulted in repayment of dues to any financial institution, or from banks.
9. The Company has not raised any money by way of initial public offer or further public offers (including debt instruments) during the year. Hence reporting on utilization of such money does not arise.
10. To the best of our knowledge and belief, and according to the information and explanations given to us, and considering the size and nature of the Company's operations, no fraud by the Company and no fraud of material significance on the Company by its officer's or employee's has been noticed or reported during the year.
11. According to the information and explanations given to us, the company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.
12. The Company is not a Nidhi Company and accordingly the provisions of Clause (xii) of the Order are not applicable to the Company.
13. In our opinion and according to the information and explanations given to us all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable. The details of the transactions during the year have been disclosed in the Standalone Ind AS financial statements as required by the applicable Accounting Standards.
14. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under Clause (xiv) of the Order is not applicable.
15. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions during the year with directors or persons connected with them. Hence reporting on whether there is compliance with provisions of section 192 of the Companies Act, 2013 does not arise.
16. The Company is not required to be registered under section 45- IA of the Reserve Bank of India Act, 1934.

“ANNEXURE 2” to the Independent Auditor’s Report of even date on the Standalone Ind AS Financial Statements of Sambandam Spinning Mills Limited

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of Sambandam Spinning Mills Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019

1. Corporate Information

Sambandam Spinning Mills Limited ("the Company") is a listed Public Company domiciled in India and is incorporated under the provisions of the Companies Act 2013 as applicable in India and its shares are listed on the Bombay Stock Exchange (BSE). The registered office headquartered in Salem, India, The Company is principally engaged in production of cotton yarn.

2. Basis of preparation of financial statements

Compliance with Indian Accounting Standards (Ind AS):

The financial statements of the Company have been prepared in accordance with the Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act).

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- ❖ Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- ❖ Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ❖ Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the revised schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has determined its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

The Ind AS Financial Statements were approved for issue by the Board of Directors on 26th May 2019.

3. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable.

Sale of Goods

Revenue from sale of products is recognized when the goods are despatched or appropriated as per the terms sales at which time the title and significant risks and rewards of ownership pass to the customer. Revenue is recognised when collectability of the resulting receivable is reasonably assured. Revenue is reduced for estimated customer returns, commissions, rebates and discounts, and other similar allowances.

Rendering of Services

Revenue from services is recognized in accordance with the specific terms of contract on performance when the collectability of the resulting receivable is reasonably assured.

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Income from energy generated

Revenue from energy generated through windmills is recognized based on the contractual rates with the customers.

Other operating revenues

Other operating revenues comprise of income from ancillary activities incidental to the operations of the company and is recognized when the right to receive the income is established as per the terms of the contract.

4. Other Income

Other Income comprises of Dividend, Interest and rental income and are accounted on accrual basis.

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

5. Foreign currency transactions

Foreign currency transactions (including booking/cancellation of forward contracts) are recorded at the rates prevailing on the date of the transaction. Monetary assets and liabilities in foreign currency, other than those covered by forward exchange contracts, are translated at year end foreign exchange rates. Exchange differences arising on settlements are recognized in the Statement of Profit and Loss. In case of forward exchange contracts which are entered into hedge the foreign currency risk of a receivable/payable recognized in these financial statements, premium or discount on such contracts are amortised over the life of the contract and exchange differences arising thereon in the reporting period are recognised in the Statement of Profit and loss. Forward exchange contracts which are arranged to hedge the foreign currency risk of a firm commitment is marked to market at the year end and the resulting losses, if any, are charged to the Statement of Profit and loss.

6. Employee benefits

(i) Short term employee benefit obligations are estimated and provided for. A liability is recognised for benefits accruing to employees in respect of salaries, wages, performance incentives, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date;

(ii) Retirement Benefit plans and Post-employment benefits

Payments to defined contribution plans i.e., Company's contribution to provident fund, superannuation fund and other funds and employee state insurance are determined under the relevant schemes and/or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

For defined benefit plans i.e. Company's liability towards gratuity (funded), other retirement/ terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- ❖ service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ❖ net interest expense or income; and
- ❖ re-measurement

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

7. Property, Plant and Equipment Cost:

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty/ tax credit availed) less accumulated depreciation and accumulated impairment losses. Cost of all civil works (including electrification and fittings) is capitalised with the exception of alterations and modifications of a capital nature to existing structures where the cost of such alteration or modification is Rs. 10000 and below.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Fixtures, plant and equipment (including patterns and dies) where the cost exceeds Rs. 10,000 and the estimated useful life is two years or more, is capitalised and stated at cost (net of duty/ tax credit availed) less accumulated depreciation and accumulated impairment losses.

Depreciation/amortization:

Depreciation is recognised so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II are used:

Particulars	Depreciation
Plant and machinery (Continuous process Plant)	Over its useful life of 18 years as Technically assessed
Wind energy convertors	Over its useful life of 18 years as Technically assessed

De-recognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

8. Impairment of assets

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognised in the Statement of Profit and Loss wherever the carrying amount of an asset exceeds its estimated recoverable amount. When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss. Provision for impairment will be reviewed periodically and amended depending on changes in circumstances.

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

9. Inventories

Inventories (other than process waste) are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares and consumables comprises cost of purchases and includes taxes and duties and is net of eligible credits under applicable schemes.

Cost of work-in-progress, work-made components and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overheads, which is allocated on a systematic basis.

Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale

The cost for the said purpose is determined as follows :

- (i) in the case of stores and spare parts, the weighted average cost (net of credit, if any),
- (ii) in the case of cotton in process and manufactured yarn, is the cost adopting the absorption costing method, without deduction of the adjustment made for power generated through wind energy converters and adjusted against the cost of power purchased from state electricity board.
- (iii) Process waste is valued at net realizable value.

Provision is made for obsolete, slow moving and damaged items of inventory, if any.

10. Government grants

Government grants (including export incentives) are recognised only when there is reasonable assurance that the Company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which they accrue.

11. Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

12. Research and development

Revenue expenditure on research and development is charged to the Statement of Profit and Loss as and when incurred. Capital expenditure on research and development, where the same represents cost of Property, Plant and Equipment, if any, is given the same accounting treatment as applicable to other capital expenditure.

13. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current Tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Deferred Tax :

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

14. Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

A disclosure of a contingent liability is made when there is a possible obligation that may, but probably will not, require outflow of resources. Where there is possible obligation or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

15. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets :

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

After initial recognition :

- (i) Financial assets (other than investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- ❖ the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- ❖ the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the "Other Income".

The Company has not designated any debt instruments as fair value through other comprehensive income.

- (ii) Financial assets (i.e. derivative instruments and investments in instruments other than equity of subsidiaries, joint ventures and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

Investments in equity instruments of subsidiaries, joint ventures and associates

The Company measures its investments in equity instruments of subsidiaries, joint ventures and associates at cost in accordance with Ind AS 27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

Impairment of financial assets :

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets :

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

The Company has applied the de-recognition requirements of financial assets prospectively for transactions occurring on or after April 1, 2015 (the transition date).

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Financial liabilities and equity instruments :

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured (if not designated as at Fair value through profit or loss) at the higher of:

- ❖ the amount of impairment loss allowance determined in accordance with requirements of Ind AS 109; and
- ❖ the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

The Company has applied the de-recognition requirements of financial liabilities prospectively for transactions occurring on or after April 1, 2015 (the transition date).

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Derivative financial instruments :

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at Fair value through profit or loss.

As of the transition date, the Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed on the later of the date of first became a party to the contract and the date when there has been change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

Hedge accounting :

The Company designates certain derivatives as hedging instruments in respect of foreign currency risk, as either fair value hedges, cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to the hedged risk are recognised in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the "Other Income".

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) are included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

**16. Changes in accounting policies and disclosures
New and amended standards and interpretations**

The Company applied for the first time certain amendments to the standards, which are effective for annual periods beginning on or after 1st April, 2018. The nature and impact of each amendments is described below:

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 supersedes Ind AS 18 Revenue and related interpretations and it applies, with limited exceptions, to all revenue arising from contracts with this customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The Company adopted Ind AS 115 using the full retrospective method of adoption. Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires relevant disclosures.

17. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

18. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

19. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares)

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

20. Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the Ind AS financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

**Statement on Significant Accounting Policies forming part of the Standalone Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)**

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgments and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item, changes in the related laws / emission norms and losses associated with obsolete / slow-moving / redundant inventory items. The Company has, based on these assessment, made adequate provision in the books.

Taxation

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

Provisions

The management makes judgments based on experience regarding the level of provision required to account for potentially uncollectible receivables using information available at the Balance Sheet date. Provisions so created are based on management assessment of the receivable balances after communication with the respective debtors and are created on the receivable balances net off against related brokerage dues outstanding.

Provisions for litigation and contingencies are determined based on evaluations made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgments around estimating the ultimate outcome of such past events and measurement of the obligation amount. Due to the judgments involved in such estimations, the provisions are sensitive to the actual outcome in future periods.

Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company used market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in Note 3.6.

Notes annexed to and forming part of the Standalone Ind AS Financial Statements

34. Income taxes relating to continuing operations

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
a) Income tax recognised in Statement of profit and loss		
Current tax		
In respect of the current year	285.84	724.11
In respect of the earlier year	76.53	—
	<u>362.37</u>	<u>724.11</u>
Deferred tax		
In respect of the current year	(263.00)	(725.00)
	<u>(263.00)</u>	<u>(725.00)</u>
Total income tax expense recognised in the current year relating to continuing operations	<u>99.37</u>	<u>(0.89)</u>
b) The income tax expense for the year can be reconciled to the accounting profit as follows:		
Profit / (Loss) before tax from continuing operations	<u>547.34</u>	<u>344.05</u>
Income tax expense calculated at 27.82% (2017-18: 33.063%)	152.27	113.76
Others	(52.90)	(114.65)
Income tax expense recognised in Statement of profit and loss (relating to continuing operations)	<u>99.37</u>	<u>(0.89)</u>
The tax rate used for the reconciliations above is the corporate tax rate of 27.82% (for FY 2017-18 =33.063 %) payable by corporate entities in India on taxable profits under tax law in Indian jurisdiction.		
c) Income tax recognised in other comprehensive income		
Current tax	20.84	0.89
Total income tax recognised in other comprehensive income	<u>20.84</u>	<u>0.89</u>

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss, depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed separately for each taxable entity and for each taxable jurisdiction.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Movement of deferred tax expense during the year ended March 2018-19 (Rs. in lakhs)

Particulars	Opening balance	Recognised in statement of profit and loss	Closing balance
Deferred tax (liabilities)/assets in relation to:			
Property, plant, and equipment and Intangible Assets	(1,552.05)	255.71	(1,296.34)
Provision for compensated absences	72.05	7.29	79.34
Unused tax credit (MAT credit entitlement) *	419.33	(220.53)	198.80
	<u>(1,060.67)</u>	<u>42.47</u>	<u>(1,018.20)</u>

35. Retirement benefit plans
Defined contribution plans

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary.

The total expense recognised in Statement of profit and loss of Rs.101.17 lakhs (for the year ended March 31, 2018: Rs.96.87 lakhs)

Defined benefit plans

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death, while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation. The Company makes annual contributions to a funded Company gratuity scheme administered by the SBI Life Insurance Company Limited.

Company's liability towards gratuity (funded), other retirement benefits and compensated absences are actuarially determined at each reporting date using the projected unit credit method.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Gratuity

The principal assumptions used for the purposes of the actuarial valuations were as follows.

Discount rate(s)	7.65%	7.70%
Expected rate(s) of salary increase	5.00%	6.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:

Current service cost	26.19	26.98
Net interest expense	11.61	27.49
Components of defined benefit costs recognised in Statement of profit and loss	37.80	54.47

Notes annexed to and forming part of the Standalone Ind AS Financial Statements

35. Retirement benefit plans continued..

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
Remeasurement on the net defined benefit liability comprising:		
Actuarial (gains)/losses arising from changes in demographic assumptions	-	-
Actuarial (gains)/losses arising from changes in financial assumptions	(44.33)	(14.64)
Actuarial (gains)/losses arising from experience adjustments	108.70	9.24
Return on plan assets (excluding amounts included in net interest expense)	10.54	2.76
Components of defined benefit costs recognised in other comprehensive income	74.91	(2.64)
Total	112.71	51.83

The current service cost and the net interest expense for the year are included in the 'employee benefits expense' in Statement of profit and loss.

The remeasurement of the net defined benefit liability is included in other comprehensive income.

The amount included in the Balance Sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Present value of defined benefit obligation	456.50	404.62
Fair value of plan assets	219.92	229.82
Net liability arising from defined benefit obligation - Funded	236.58	174.80

The above provisions are reflected under 'Current Financial Liabilities - Others (Refer note. 23) to the Standalone Ind AS Financial Statements.

Movements in the present value of the defined benefit obligation in the current year were as follows:

Opening defined benefit obligation	404.62	379.26
Current service cost	26.19	26.98
Interest cost	28.57	27.49
Plan amendments : vested portion at end of period (past service)	-	20.86
Plan amendments : non vested portion at end of period (past service)	-	-
Actuarial (gains)/losses arising from changes in demographic assumptions	-	-
Actuarial (gains)/losses arising from changes in financial assumptions	(44.33)	(14.64)
Actuarial (gains)/losses arising from experience adjustments	108.70	9.24
Benefits paid	67.24	44.57
Closing defined benefit obligation	456.51	404.62

Movements in the fair value of the plan assets in the current year were as follows:

Opening fair value of plan assets	229.82	257.34
Interest Income	16.96	19.82
Return on plan assets (excluding amounts included in net interest expense)	(10.54)	(2.76)
Contributions	50.92	-
Benefits paid	67.24	44.57
Others	-	-
Closing fair value of plan assets	219.92	229.83

The Company funds the cost of the gratuity expected to be earned on a yearly basis to SBI Life Insurance Company Limited, which manages the plan assets.

The actual return on plan assets was Rs. 21.68 lakhs (2017-18: Rs.19.82 lakhs)

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumption occurring at the end of the reporting period, while holding all other assumptions constant.

1. Gratuity

If the discount rate is 50 basis points higher/ lower, the defined benefit obligation would

Decrease by	497.58	442.54
Increase by	415.41	370.83

If the expected salary is 50 basis points higher/ lower, the defined benefit obligation would

Decrease by	414.24	371.11
Increase by	491.29	441.68

Notes annexed to and forming part of the Standalone Ind AS Financial Statements
35. Retirement benefit plans continued..

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
-------------	----------------------------	----------------------------

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

The Company expects to make a contribution of Rs. 253.71 lakhs (as at March 31, 2018: Rs.459.23 lakhs) to the defined benefit plans during the next financial year.

The average duration of the benefit obligation as at March 31, 2019 is 27.30 years (as at March 31, 2018: 26.12 years).

Compensated Balances

The principal assumptions used for the purposes of the actuarial valuations were as follows.

Discount rate(s)	7.65%	7.72%
Expected rate(s) of salary increase	5.00%	6.50%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:

Current service cost	3.21	3.31
Net interest expense	18.14	16.97
Actuarial (gains)/losses arising during the period	2.45	(14.47)

Components of defined benefit costs recognised in Statement of profit and loss

	<u>23.80</u>	<u>5.81</u>
--	--------------	-------------

The current service cost and the net interest expense for the year are included in the 'employee benefits expense' in Statement of profit and loss.

The remeasurement of the net defined benefit liability is included in other comprehensive income.

The amount included in the Balance Sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Present value of defined benefit obligation	258.89	235.07
Fair value of plan assets	-	-
Net liability arising from defined benefit obligation - Unfunded	<u>258.89</u>	<u>235.07</u>

The above provisions are reflected under 'Current Financial Liabilities - Others [Refer note 23].

Movements in the present value of the defined benefit obligation in the current year were as follows:

Opening defined benefit obligation	235.07	229.27
Current service cost	3.21	3.31
Interest cost	18.14	16.97
Actuarial (gains)/losses arising during the period	2.45	(14.47)
Benefits paid	-	-
Closing defined benefit obligation	<u>258.87</u>	<u>235.08</u>

Movements in the fair value of the plan assets in the current year were as follows:

Opening fair value of plan assets	-	-
Interest Income	-	-
Return on plan assets (excluding amounts included in net interest expense)	-	-
Contributions	-	-
Benefits paid	-	-
Others	-	-
Closing fair value of plan assets	<u>-</u>	<u>-</u>

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumption occurring at the end of the reporting period, while holding all other assumptions constant.

37. Financial Instruments**Capital management**

The Company manages its capital to ensure that entities in the Company will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, non-convertible debt securities, and other long-term/short-term borrowings.

The capital structure of the Company consists of net debt (borrowings as detailed in notes 15 and 20 offset by cash and bank balances) and total equity of the Company. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

Others	814.14	789.94
b. <u>Mandatorily measured at fair value through profit or loss (FVTPL):</u>		
Derivative instruments	-	-

Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including interest rate risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

Market risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realisable fair values or future cash flows to the Company. The company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at floating interest rates.

Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 25 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 25 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended March 31, 2019 would decrease/increase by Rs.42.18 lakhs (March 31, 2018: decrease/increase by Rs. 45.69 lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

Equity price risk

Equity price risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments in available-for-sale securities exposes the Company to equity price risks. In general, these securities are not held for trading purposes.

Equity price sensitivity analysis

The fair value of equity instruments as at March 31, 2019 was Rs. 1.80 lakhs (March 31, 2018: Rs. 1.53 lakhs). A 5% change in prices of equity instruments held as at March 31, 2019 would result in an impact of Rs 0.03lakhs (March 31, 2018: Rs0.08 lakhs) on equity.

Offsetting related disclosures:

Offsetting of cash and cash equivalents to borrowings as per the consortium agreement is available only to the bank in the event of a default. Company does not have the right to offset in case of the counter party's bankruptcy, therefore, these disclosures are not required.

Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks.

The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Liquidity tables :

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Adjustments:-	
Rebates and discounts	–
Revenue from contract with customers	20,949.88

* Pursuant to transitional provisions in Ind AS 115, the relevant disclosures for the comparative period are not disclosed

d) Changes in accounting policy-on account of adoption of Ind AS 115

The Company applied Ind AS 115 for the first time by using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the company recognised the cumulative effect of initially applying Ind AS 115 as an adjustment to the opening balance of retained earnings as at 1 April, 2018. Comparative prior has not been adjusted. The Company has applied the revenue standard only to contracts that are not completed as at the date of initial application. The impact on account of applying the erstwhile Ind AS 18 Revenue instead of Ind AS 115 Revenue from Contracts with customers on the financial results of the company for the year ended March 31, 2019 and other adjustments as at March 31, 2019 on adoption of Ind AS 115 is Nil.

50. Previous year figures have been regrouped / reclassified / amended wherever necessary to conform to current year classification.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF SAMBANDAM SPINNING MILLS LIMITED

Report on the audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS Financial Statements of **SAMBANDAM SPINNING MILLS LIMITED** ("Investee Company/the Company") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2019, the consolidated Statement of Profit and Loss, including Other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the associates, the aforesaid consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, its associates as at March 31, 2019, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the consolidated Ind AS Financial Statements' section of our report. We are independent of the Company and its associates in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section out of report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our opinion on the accompanying consolidated Ind AS financial statements.

A. REVENUE RECOGNITION

Key Audit Matter Description

Reference may be made to note 3 of significant accounting policies and note 23 to the consolidated Ind AS financial statements of the Company.

During the year, on account of adoption of new revenue standard Ind AS 115 – Revenue from contracts with customer, there have been changes in revenue recognition policy with regards to timing of recognition and related disclosures.

Revenue recognition is inherently an area of audit risk, which we have substantially focused on mainly covering the aspects of cut off considering the above impact of Ind AS 115 and cut-off are key audit matters.

Response to Key Audit Matter

Principal Audit Procedures

Our audit procedures relating to revenue comprised of test of controls and substantive procedures including the following:

- a. We assessed whether the policy of recognizing revenue was in line with Ind AS – 115.
- b. We performed procedures to assess the design and internal controls established by the management and tested the operating effectiveness of relevant controls related to the recognition of revenue.
- c. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- d. We have tested, on a sample basis, whether specific revenue transactions around the reporting date has been recognised in the appropriate period by comparing the transactions selected with relevant underlying documentation, including goods delivery notes, customer acknowledgement/proof of acceptance and the terms of sales.
- e. We have also validated subsequent credit notes and sales returns up to the date of this Report to ensure the appropriateness and accuracy of the revenue recognition.
- f. We tested journal entries on a sample basis to identify any unusual or irregular items.
- g. We also considered the adequacy of the disclosures in Company's consolidated Ind AS financial statements in relation to Ind AS 115 and were satisfied they meet the disclosure requirements.

Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to adoption of Ind AS 115 and timing of revenue recognition.

B. VALUATION OF INVENTORY

Key Audit Matter Description

Considering the risks involved, such as identification of stages of work in progress valuation of inventory is considered to be key audit matter.

Response to Key Audit Matter

Principal Audit Procedures

We have planned and performed the following audit procedures with respect to the Key audit matter identified.

- a. Verified the stock issue register to identify the stage of completion
- b. Validated the management internal control process for valuation of inventory.
- c. Recheck of valuation principles adopted for inventory.
- d. Discussed with the management on the management's process of identifying the stages of completion and valuing work in progress stock at the time of book closure process.

Conclusion

Based on the above procedures and physical verification of stock with identified stages of processes by the Management at the year end, we concluded that the valuation of Inventory at the year end is fair and in terms of accounting principles. We have also concluded that other alternate manual controls established ensure that there is no material misstatement in the consolidated Ind AS financial statements.

**C. ACTUARIAL VALUATION****Key Audit Matter Description**

Reference may be made to note 6 of significant accounting policies and note 16, 20 and 21 to the consolidated Ind AS financial statements of the Company.

There is a risk of material misstatement relating to the judgements made in valuing the defined benefit obligation including the use of key assumptions specifically the discount rate, life expectancy and inflation level. These variables can have a material impact in calculating the quantum of the retirement benefit liability.

Response to Key Audit Matter**Principal Audit Procedures**

Our audit procedures comprised of the following:

- a. We determined whether the key assumptions are reasonable.
- b. External actuaries were engaged to determine the amount of pension provisions.
- c. We assessed the competence, capabilities and objectivity of the experts, gained an understanding of their work and the suitability of the results as audit evidence for the relevant assertions.
- d. We examined the data made available to the experts for completeness and accuracy and gained an understanding of the process to determine the calculation inputs used.

Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to the use of assumptions and actuarial valuation

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management for the consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Company and its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, amended. The respective Board of Directors of the Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the Company and its associates are responsible for assessing the ability of the company and its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the company and its associates are also responsible for overseeing the financial reporting process of the company and its associates.

Auditor's Responsibilities for the Audit of the consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Investee Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the company of which we are the independent auditors and whose financial formation we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the company and its associates included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

- (a) The consolidated Ind AS financial statements include the Group's share of net profit of Rs.12.27 lakhs for the year ended March 31, 2019, as considered in the consolidated Ind AS financial statements, in respect of one associate, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts of disclosures included in respect of these associates, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid associates, is based solely on the report of such other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of associates, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
- (d) In our opinion, the aforesaid consolidated Ind AS Financial Statements comply with the Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- (e) On the basis of the written representations received from the directors of the investee company as on March 31, 2019 taken on record by the Board of Directors of the investee company and the reports of the statutory auditors who are appointed under section 139 of the Act, its associates, none of the directors company and its associates is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the Internal Financial Controls Over Financial Reporting of the Company with reference to these consolidated Ind AS financial statements of the company and its associates and the operating effectiveness of such controls, refer to our separate report in "Annexure 1" to this report;

In our opinion and based on the consideration of reports of other statutory auditors of the associates, the managerial remuneration for the year ended March 31, 2019 has been paid/provided by the Company, its associates to their directors is in accordance with the provisions of section 197 read with Schedule V to the Act;

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the associates, as noted in the 'Other matter' paragraph:
- i) The consolidated Ind AS financial statements disclosed the impact of pending litigations on its consolidated financial position of the company, its associates in its consolidated Ind AS Financial Statements. (Refer note 42 to the consolidated Ind AS financial statements;
 - ii) The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2019.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its associates.

“ANNEXURE 1” to the Independent Auditor's Report of even date on the Consolidated Ind AS Financial Statements of Sambandam Spinning Mills Limited

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of Sambandam Spinning Mills Limited (“the investee Company”) and its associates as of March 31, 2019 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Company and its associates, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company and its associate have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the company, in so far as it relates to one associate, is based on the corresponding reports of the auditors of such associate company.

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019

1. Corporate Information

Sambandam Spinning Mills Limited ("the investee company/the Company") is a listed Public Company domiciled in India and is incorporated under the provisions of the Companies Act 2013 as applicable in India and its shares are listed on the Bombay Stock Exchange (BSE). The registered office headquartered in Salem, India, The Company is principally engaged in production of cotton yarn.

2. Basis of preparation of financial statements

Compliance with Indian Accounting Standards (Ind AS):

The financial statements of the Company have been prepared in accordance with the Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act").

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17 and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- ❖ Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- ❖ Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ❖ Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the revised schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has determined its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

The Ind AS Financial Statements were approved for issue by the Board of Directors on 26th May 2019.

3. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable.

Sale of Goods

Revenue from sale of products is recognized when the goods are despatched or appropriated as per the terms sales at which time the title and significant risks and rewards of ownership pass to the customer. Revenue is recognised when collectability of the resulting receivable is reasonably assured. Revenue is reduced for estimated customer returns, commissions, rebates and discounts, and other similar allowances.

Rendering of Services

Revenue from services is recognized in accordance with the specific terms of contract on performance when the collectability of the resulting receivable is reasonably assured.

Income from energy generated

Revenue from energy generated through windmills is recognized based on the contractual rates with the customers.

Other operating revenues

Other operating revenues comprise of income from ancillary activities incidental to the operations of the company and is recognized when the right to receive the income is established as per the terms of the contract.

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

4. Other Income

Other Income comprises of Dividend, Interest and rental income and are accounted on accrual basis.

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

5. Foreign currency transactions

Foreign currency transactions (including booking/cancellation of forward contracts) are recorded at the rates prevailing on the date of the transaction. Monetary assets and liabilities in foreign currency, other than those covered by forward exchange contracts, are translated at year end foreign exchange rates. Exchange differences arising on settlements are recognized in the Statement of Profit and Loss. In case of forward exchange contracts which are entered into hedge the foreign currency risk of a receivable/payable recognized in these financial statements, premium or discount on such contracts are amortised over the life of the contract and exchange differences arising thereon in the reporting period are recognised in the Statement of Profit and loss. Forward exchange contracts which are arranged to hedge the foreign currency risk of a firm commitment is marked to market at the year end and the resulting losses, if any, are charged to the Statement of Profit and loss.

6. Employee benefits

- (i) Short term employee benefit obligations are estimated and provided for. A liability is recognised for benefits accruing to employees in respect of salaries, wages, performance incentives, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date;

- (ii) Retirement Benefit plans and Post-employment benefits

Payments to defined contribution plans i.e., Company's contribution to provident fund, superannuation fund and other funds and employee state insurance are determined under the relevant schemes and/or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

For defined benefit plans i.e. Company's liability towards gratuity (funded), other retirement/ terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- ❖ service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ❖ net interest expense or income; and
- ❖ re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

7. Property, Plant and Equipment Cost :

Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost (net of duty/ tax credit availed) less accumulated depreciation and accumulated impairment losses. Cost of all civil works (including electrification and fittings) is capitalised with the exception of alterations and modifications of a capital nature to existing structures where the cost of such alteration or modification is Rs.10000 and below.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Fixtures, plant and equipment (including patterns and dies) where the cost exceeds Rs.10,000 and the estimated useful life is two years or more, is capitalised and stated at cost (net of duty/ tax credit availed) less accumulated depreciation and accumulated impairment losses.

Depreciation/amortization :

Depreciation is recognised so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II are used:

Particulars	Depreciation
Plant and machinery (Continuous process Plant)	Over its useful life of 18 years as Technically assessed
Wind energy convertors	Over its useful life of 18 years as Technically assessed

De-recognition :

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

8. Impairment of assets

The carrying amount of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognised in the Statement of Profit and Loss wherever the carrying amount of an asset exceeds its estimated recoverable amount. When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss. Provision for impairment will be reviewed periodically and amended depending on changes in circumstances.

**Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)****9. Inventories**

Inventories (other than process waste) are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares and consumables comprises cost of purchases and includes taxes and duties and is net of eligible credits under applicable schemes.

Cost of work-in-progress, work-made components and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overheads, which is allocated on a systematic basis.

Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale

The cost for the said purpose is determined as follows:

- (i) in the case of stores and spare parts, the weighted average cost (net of credit, if any),
- (ii) in the case of cotton in process and manufactured yarn, is the cost adopting the absorption costing method, without deduction of the adjustment made for power generated through wind energy converters and adjusted against the cost of power purchased from state electricity board.
- (iii) Process waste is valued at net realizable value.

Provision is made for obsolete, slow moving and damaged items of inventory, if any.

10. Government grants

Government grants (including export incentives) are recognised only when there is reasonable assurance that the Company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which they accrue.

11. Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

12. Research and development

Revenue expenditure on research and development is charged to the Statement of Profit and Loss as and when incurred. Capital expenditure on research and development, where the same represents cost of Property, Plant and Equipment, if any, is given the same accounting treatment as applicable to other capital expenditure.

13. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current Tax :

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Deferred Tax :

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilized

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

14. Provisions and contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

A disclosure of a contingent liability is made when there is a possible obligation that may, but probably will not, require outflow of resources. Where there is possible obligation or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

15. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets :

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

After initial recognition :

- (i) Financial assets (other than investments and derivative instruments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- ❖ the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- ❖ the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the "Other Income".

The Company has not designated any debt instruments as fair value through other comprehensive income.

- (ii) Financial assets (i.e. derivative instruments and investments in instruments other than equity of subsidiaries, joint ventures and associates) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

Investments in equity instruments of subsidiaries, joint ventures and associates

The Company measures its investments in equity instruments of subsidiaries, joint ventures and associates at cost in accordance with Ind AS 27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets :

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

The Company has applied the de-recognition requirements of financial assets prospectively for transactions occurring on or after April 1, 2015 (the transition date).

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Financial liabilities and equity instruments :

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities (other than derivative instruments) are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured (if not designated as at Fair value through profit or loss) at the higher of:

- ❖ the amount of impairment loss allowance determined in accordance with requirements of Ind AS 109; and
- ❖ the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

The Company has applied the de-recognition requirements of financial liabilities prospectively for transactions occurring on or after April 1, 2015 (the transition date).

**Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)*****Derivative financial instruments :***

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at Fair value through profit or loss.

As of the transition date, the Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed on the later of the date of first became a party to the contract and the date when there has been change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

Hedge accounting :

The Company designates certain derivatives as hedging instruments in respect of foreign currency risk, as either fair value hedges, cash flow hedges. Hedges of foreign exchange risk on firm commitments are accounted for as cash flow hedges.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Fair value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in the hedged item attributable to the hedged risk are recognised in profit or loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the "Other Income".

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) are included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

16. Changes in accounting policies and disclosures

New and amended standards and interpretations

The Company applied for the first time certain amendments to the standards, which are effective for annual periods beginning on or after 1st April, 2018. The nature and impact of each amendment is described below:

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 supersedes Ind AS 18 Revenue and related interpretations and it applies, with limited exceptions, to all revenue arising from contracts with this customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The Company adopted Ind AS 115 using the full retrospective method of adoption. Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires relevant disclosures.

17. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

18. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

19. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares)

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

**Statement on Significant Accounting Policies forming part of the Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (Contd.)****20. Critical accounting judgments and key sources of estimation uncertainty**

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the Ind AS financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgments and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item, changes in the related laws / emission norms and losses associated with obsolete / slow-moving / redundant inventory items. The Company has, based on these assessment, made adequate provision in the books.

Taxation

Tax expense is calculated using applicable tax rate and laws that have been enacted or substantially enacted. In arriving at taxable profit and all tax bases of assets and liabilities, the Company determines the taxability based on tax enactments, relevant judicial pronouncements and tax expert opinions, and makes appropriate provisions which includes an estimation of the likely outcome of any open tax assessments / litigations. Any difference is recognised on closure of assessment or in the period in which they are agreed.

Deferred income tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

Provisions

The management makes judgments based on experience regarding the level of provision required to account for potentially uncollectible receivables using information available at the Balance Sheet date. Provisions so created are based on management assessment of the receivable balances after communication with the respective debtors and are created on the receivable balances net off against related brokerage dues outstanding.

Provisions for litigation and contingencies are determined based on evaluations made by the management of the present obligation arising from past events the settlement of which is expected to result in outflow of resources embodying economic benefits, which involves judgments around estimating the ultimate outcome of such past events and measurement of the obligation amount. Due to the judgments involved in such estimations, the provisions are sensitive to the actual outcome in future periods.

Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The Management determines the appropriate valuation techniques and inputs for the fair value measurements. In estimating the fair value of an asset or a liability, the Company used market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engaged third party qualified valuers to perform the valuations in order to determine the fair values based on the appropriate valuation techniques and inputs to fair value measurements. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in Note 3.6.

Notes annexed to and forming part of the Consolidated Ind AS Financial Statements

(Rs. in Lakhs)

34. Basis of Consolidation

34.1 The Consolidated Financial Statements relate to Sambadam Spinning Mills Limited ("the Investee Company") and its Associates.

34.2 Principles of Consolidation

a. The Consolidated Financial Statements have been prepared in accordance with Ind AS 28 "Investment in Associates and Joint Ventures" prescribed under Section 133 of the Companies Act, 2013. The Financial Statements of Associates used in the consolidation are drawn upto the same reporting date as of the investee Company i.e., year ended March 31, 2019.

b. The following Associates company is considered in the consolidated financial statements using equity method.

S. No.	Name of the Associate	Nature of Business	Country of Incorporation	% of ownership interest	
				31-03-2019	31-03-2018
1.	SPMM Health Care Services Private Limited	Health care services	India	49.75%	49.75%
2.	Salem IVF Centre Private Limited	Health care services	India	27.73%	27.73%

34.3 Additional Information, required under Schedule III to the Companies Act, 2013 of entity consolidated as Associates

S. No.	Name of the Entity	Net Assets		Share in Profit or Loss		Share in Other Comprehensive Income		Share in Total Comprehensive Income	
		As a % of Consolidated Net Assets	Amount (Rs. lakhs)	As a % of Consolidated Profit or (Loss)	Amount (Rs. lakhs)	As a % of Consolidated Profit or (Loss)	Amount (Rs. lakhs)	As a % of Consolidated Profit or (Loss)	Amount (Rs. lakhs)
1.	Investee Company Sambadam Spinning Mills Limited Associate (Investment as per equity method)	99.09%	9288.61	97.33%	447.97	100%	(54.07)	96.98%	393.90
2.	SPMM Health Care Services Private Limited	1.34% (0.43%)	125.8 (40.18)	2.67%	12.27	-	-	3.02%	12.27

35. Income taxes relating to continuing operations

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
a) Income tax recognised in Statement of profit and loss		
Current tax		
In respect of the current year	285.84	724.11
In respect of the earlier year	76.53	—
	<u>362.37</u>	<u>724.11</u>
Deferred tax		
In respect of the current year	(263.00)	(725.00)
	<u>(263.00)</u>	<u>(725.00)</u>
Total income tax expense recognised in the current year relating to continuing operations	<u>99.37</u>	<u>(0.89)</u>
b) The income tax expense for the year can be reconciled to the accounting profit as follows:		
Profit / (Loss) before tax from continuing operations	<u>547.34</u>	<u>344.05</u>
Income tax expense calculated at 27.82% (2017-18: 33.063%)	152.27	113.76
Others	(52.90)	(114.65)
Income tax expense recognised in Statement of profit and loss (relating to continuing operations)	<u>99.37</u>	<u>(0.89)</u>
The tax rate used for the reconciliations above is the corporate tax rate of 27.82% (for FY 2017-18 =33.063 %) payable by corporate entities in India on taxable profits under tax law in Indian jurisdiction.		
c) Income tax recognised in other comprehensive income		
Current tax	20.84	0.89
Total income tax recognised in other comprehensive income	<u>20.84</u>	<u>0.89</u>

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss, depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed separately for each taxable entity and for each taxable jurisdiction.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Movement of deferred tax expense during the year ended March 2018-19 (Rs. in lakhs)

Particulars	Opening balance	Recognised in statement of profit and loss	Closing balance
Deferred tax (liabilities)/assets in relation to:			
Property, plant, and equipment and Intangible Assets	(1,552.05)	255.71	(1,296.34)
Provision for compensated absences	72.05	7.29	79.34

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
-------------	----------------------------	----------------------------

36. Retirement benefit plans
Defined contribution plans

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary.

The total expense recognised in Statement of profit and loss of Rs.101.17 lakhs (for the year ended March 31, 2018: Rs.96.87 lakhs)

Defined benefit plans

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death, while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation. The Company makes annual contributions to a funded Company gratuity scheme administered by the SBI Life Insurance Company Limited.

Company's liability towards gratuity (funded), other retirement benefits and compensated absences are actuarially determined at each reporting date using the projected unit credit method.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Gratuity

The principal assumptions used for the purposes of the actuarial valuations were as follows.

Discount rate(s)	7.65%	7.70%
Expected rate(s) of salary increase	5.00%	6.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:

Current service cost	26.19	26.98
Net interest expense	11.61	27.49
Components of defined benefit costs recognised in Statement of profit and loss	37.80	54.47

Notes annexed to and forming part of the Consolidated Ind AS Financial Statements

36. Retirement benefit plans continued..

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
Remeasurement on the net defined benefit liability comprising:		
Actuarial (gains)/losses arising from changes in demographic assumptions	-	-
Actuarial (gains)/losses arising from changes in financial assumptions	(44.33)	(14.64)
Actuarial (gains)/losses arising from experience adjustments	108.70	9.24
Return on plan assets (excluding amounts included in net interest expense)	10.54	2.76
Components of defined benefit costs recognised in other comprehensive income	74.91	(2.64)
Total	112.71	51.83

The current service cost and the net interest expense for the year are included in the 'employee benefits expense' in Statement of profit and loss.

The remeasurement of the net defined benefit liability is included in other comprehensive income.

The amount included in the Balance Sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Present value of defined benefit obligation	456.50	404.62
Fair value of plan assets	219.92	229.82
Net liability arising from defined benefit obligation - Funded	236.58	174.80

The above provisions are reflected under 'Current Financial Liabilities - Others (Refer note. 23) to the Standalone Ind AS Financial Statements.

Movements in the present value of the defined benefit obligation in the current year were as follows:

Opening defined benefit obligation	404.62	379.26
Current service cost	26.19	26.98
Interest cost	28.57	27.49
Plan amendments : vested portion at end of period (past service)	-	20.86
Plan amendments : non vested portion at end of period (past service)	-	-
Actuarial (gains)/losses arising from changes in demographic assumptions	-	-
Actuarial (gains)/losses arising from changes in financial assumptions	(44.33)	(14.64)
Actuarial (gains)/losses arising from experience adjustments	108.70	9.24
Benefits paid	67.24	44.57
Closing defined benefit obligation	456.51	404.62

Movements in the fair value of the plan assets in the current year were as follows:

Opening fair value of plan assets	229.82	257.34
Interest Income	16.96	19.82
Return on plan assets (excluding amounts included in net interest expense)	(10.54)	(2.76)
Contributions	50.92	-
Benefits paid	67.24	44.57
Others	-	-
Closing fair value of plan assets	219.92	229.83

The Company funds the cost of the gratuity expected to be earned on a yearly basis to SBI Life Insurance Company Limited, which manages the plan assets.

The actual return on plan assets was Rs. 21.68 lakhs (2017-18: Rs.19.82 lakhs)

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumption occurring at the end of the reporting period, while holding all other assumptions constant.

1. Gratuity

If the discount rate is 50 basis points higher/ lower, the defined benefit obligation would

Decrease by	497.58	442.54
Increase by	415.41	370.83

If the expected salary is 50 basis points higher/ lower, the defined benefit obligation would

Decrease by	414.24	371.11
Increase by	491.29	441.68

Notes annexed to and forming part of the Consolidated Ind AS Financial Statements
36. Retirement benefit plans continued..

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
-------------	----------------------------	----------------------------

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

The Company expects to make a contribution of Rs. 253.71 lakhs (as at March 31, 2018: Rs.459.23 lakhs) to the defined benefit plans during the next financial year.

The average duration of the benefit obligation as at March 31, 2019 is 27.30 years (as at March 31, 2018: 26.12 years).

Compensated Balances

The principal assumptions used for the purposes of the actuarial valuations were as follows.

Discount rate(s)	7.65%	7.72%
Expected rate(s) of salary increase	5.00%	6.50%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Amounts recognised in total comprehensive income in respect of these defined benefit plans are as follows:

Current service cost	3.21	3.31
Net interest expense	18.14	16.97
Actuarial (gains)/losses arising during the period	2.45	(14.47)
Components of defined benefit costs recognised in Statement of profit and loss	23.80	5.81

The current service cost and the net interest expense for the year are included in the 'employee benefits expense' in Statement of profit and loss.

The rereasurement of the net defined benefit liability is included in other comprehensive income.

The amount included in the Balance Sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Present value of defined benefit obligation	258.89	235.07
Fair value of plan assets	-	-
Net liability arising from defined benefit obligation - Unfunded	<u>258.89</u>	<u>235.07</u>

The above provisions are reflected under 'Current Financial Liabilities - Others [Refer note 23].

Movements in the present value of the defined benefit obligation in the current year were as follows:

Opening defined benefit obligation	235.07	229.27
Current service cost	3.21	3.31
Interest cost	18.14	16.97
Actuarial (gains)/losses arising during the period	2.45	(14.47)
Benefits paid	-	-
Closing defined benefit obligation	258.87	235.08

Movements in the fair value of the plan assets in the current year were as follows:

Opening fair value of plan assets	-	-
Interest Income	-	-
Return on plan assets (excluding amounts included in net interest expense)	-	-
Contributions	-	-
Benefits paid	-	-
Others	-	-
Closing fair value of plan assets	-	-

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumption occurring at the end of the reporting period, while holding all other assumptions constant.

38. Financial Instruments**Capital management**

The Company manages its capital to ensure that entities in the Company will be able to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, non-convertible debt securities, and other long-term/short-term borrowings.

The capital structure of the Company consists of net debt (borrowings as detailed in notes 15 and 20 offset by cash and bank balances) and total equity of the Company. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

Financial risk management objectives

The treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including interest rate risk), credit risk and liquidity risk.

The Company seeks to minimise the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, the use of financial derivatives, and the investment of excess liquidity. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

Market risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realisable fair values or future cash flows to the Company. The company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

Interest rate risk management

The Company is exposed to interest rate risk because it borrow funds at floating interest rates.

Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 25 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 25 basis points higher/lower and all other variables were held constant, the Company's profit for the year ended March 31, 2019 would decrease/increase by Rs.42.18 lakhs (March 31, 2018: decrease/increase by Rs. 45.69lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

Equity price risk

Equity price risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments in available-for-sale securities exposes the Company to equity price risks. In general, these securities are not held for trading purposes.

Equity price sensitivity analysis

The fair value of equity instruments as at March 31, 2019 was Rs. 1.80 lakhs (March 31, 2018: Rs. 1.53 lakhs). A 5% change in prices of equity instruments held as at March 31, 2019 would result in a impact of Rs 0.03lakhs (March 31, 2018: Rs0.08 lakhs) on equity.

Offsetting related disclosures:

Offsetting of cash and cash equivalents to borrowings as per the consortium agreement is available only to the bank in the event of a default. Company does not have the right to offset in case of the counter party's bankruptcy, therefore, these disclosures are not required.

-------------	----------------------------	----------------------------

Liquidity risk management

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks.

The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Liquidity tables :

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	Due in 1st year	Due in 2nd to 5th year	Due after 5th year	Carrying amount

Particulars	31.03.2019 Rs. in Lakhs	31.03.2018 Rs. in Lakhs
d) Changes in accounting policy-on account of adoption of Ind AS 115		
<p>The Company applied Ind AS 115 for the first time by using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the company recognised the cumulative effect of initially applying Ind AS 115 as an adjustment to the opening balance of retained earnings as at 1 April, 2018. Comparative prior has not been adjusted. The Company has applied the revenue standard only to contracts that are not completed as at the date of initial application. The impact on account of applying the erstwhile Ind AS 18 Revenue instead of Ind AS 115 Revenue from Contracts with customers on the financial results of the company for the year ended March 31, 2019 and other adjustments as at March 31, 2019 on adoption of Ind AS 115 is Nil.</p>
