The Company will publish consolidated results, once the audited accounts of all the above-mentioned subsidiaries are made available to the Company.

4 Corona virus (COVID -19) has badly affected the world economy, including India. COVID-19 is likely to affect the business activities of the Company, the impact of which cannot be reasonably estimated at this early stage.

However, based on the preliminary estimates, the Company does not anticipate any major challenge in meeting its Financial obligations, on long term basis and does not carry any risk in the recoverability and carrying values of its assets including advances given for specific purpose to the subsidiary companies and does not anticipate any additional liability as at the Balance Sheet date.

There may be a fall in the fair value of investments in equities, which the Company expects to be temporary in nature, since all the investments are held for long term basis and as a promoter of the respective subsidiary companies.

The Company will closely monitor any material changes that may take place in future that may impact its business.

#### Impact on revenue:

The majority of source of income of the Company is in the form of sale of power and related products. The Company feels that it is too early to estimate the exact impact, if any, on the revenue from sale of power, due to COVID-19.

However, impact assessment of COVID – 19 is a continuing process given the uncertainties associated with its nature and duration, and the Company will evaluate the same at a regular interval.

- 5. Accounting standard Ind AS 116- Accounting for leases came into force on 1st day of April, 2019. There is no material impact of Ind AS 116 on the financial statements of the Company, therefore, effect of the same is not considered.
- 6. Figures for the quarter ended March 31, 2020 and March 31, 2019 represent the difference between audited figures for the financial year and the limited reviewed figures for the nine months period ended on December 31, 2019 and December 31, 2018 respectively.

The Company has reclassified previous period's / year's figures to confirm to current year's classification.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# (b) Review of Standalone Financial Results for the quarter ended March 31, 2020

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2020 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
