Refer Note no. 11

The above is an extract of the detailed format of financial results for the quarter and half year ended on Septmber 30, 2022 filed wit the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The fu format of financial results for the quarter and half year ended on Septmber 30, 2022 are available on the Stock Exchange websit

(www.bseindia.com and www.nseindia.com) and the Company's website (www.simbhaolisugars.com) For the half year ended on September 30, 2022 and in previous years, due to higher raw material cost i.e. sugarcane costs (SAF fixed by State government and relatively lower sales realization of finished sugar, adverse demand & supply scenario, national international market dynamics and other eternal factors, the Company had continuously incurred huge cash losses resulting i complete erosion of its net worth, rendering the Company unable to meet payment obligations towards its lenders as well as to the sugarcane farmers in terms of their respective agreements and understanding. All the production units of the Company are operation and continue to operate at sub-optimum levels on year on year basis while consistent efforts have been made for improvement in operational efficiency viz. improvement in sugar recovery, reduction in overheads and reduction in other operational and administrative costs etc, but due to lack of required working capital and no capex being undertaken towards augmentation of distillery units/sugs plants is still adversely impacting the operations. During the half year and quarter ended on September 30,2022, the Company ha completed crushing for Sugar season 2021-22 in all of its three sugar mills while comprehensive annual maintenance being undertaken to commence production operations for ensuing crushing season 2022-23. However, availability of required sugarcanic for optimal utilization of production capacities is still a challenge on account of aforesaid reasons. In distillery segment, no commissioning of incineration boilers and other equipments to meet the stringent requirement of Pollution control board is sti resulting in curtailed production levels. Further, The Company also expects to receive accrued benefits under the Sugar Industries Promotion policy 2004 for which it is entitled, but presently, the matter is sub-judice.

Recognizing the status of the sugar industry, the state and central governments have taken a number of measures in past to improve the financial health of sugar mills and to support the liquidation of sugarcane arrears by grant of soft loan, fixing minimum suppor price of sugar, and Ethanol blending program with petrol coupled with long term tendering and fixing remunerative selling price of ethanol etc. All these measures specifically ethanol blending programme, have resulted in revival of the sugar industry. Th Company is continuing to suffer and incurring losses on account of non-availability of sufficient sugar cane commensurate to it crushing capacities, on account of delayed payment of sugar cane prices due to adverse liquidity position, which have resulted it the diversion of sugar cane in the command areas to the other adjoining sugar mills. Benefits under soft loan could also not be availe since credit facility accounts with its lenders were having NPA categorization.

Due to default in repayment of credit facilities, lenders to the Company have initiated recovery proceedings at various forum including filing of applications before the Hon'ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016 and also filing of recovery proceedings against personal guarantors (Promoters) before NCLT under section 95 of Insolvency and Bankruptcy Code, 2016 in addition to approaching Debt Recovery Tribunals in Delhi as well as in Lucknow Uttar Pradesh. One of the lenders had declared the Company and Guarantors to the credit facility, as Willful Defaulters, suc impugned order of lender was Set Aside by Hon'ble Punjab and Haryana High court at Chandigarh, while another lender had starte the proceedings to examine the Willful Default and a personal hearing was also granted, basis Company's representations th decision is kept in Abeyance. One lender has categorized the Company with Fraud tag and same is challenged before Delhi High Court. While one of the lenders had initiated recovery proceedings under section 138 of the Negotiable Instrument Act, wherein non bailable warrants were issued against the erstwhile directors and officials of the Company, which is being contested at the appropriate forum. Against a criminal complaint filed by one of the lenders, the Enforcement Directorate had passed an Attachment Order of certain assets of the Company to the extent of Rs. 109.80 Crore, against which the Company has preferred an appeal before will the appropriate authority and the matter is sub-judice. Therefore, Enforcement Directorate had proceeded to take the Constructive Possession of the Attached Property on which an Interim Stay has been granted by the Hon'ble Appellate Tribunal

The Company is continuing to pursue a comprehensive debt resolution proposal with all the lenders. Commercial lenders have shown their inclination to accept the debt resolution proposal and accepted the Earnest Money offered thereof, while Debt realignment proposal was submitted to other lenders against which the Company had initiated the repayments, pending approval of respective lenders. Revised and improved debt resolution proposal given to commercial lenders on bilateral basis is under consideration whi application filed with Hon'ble NCLT Bench, Allahabad is being heard. The Company is also exploring/ evaluating various option for debt resolution to streamline the business and enhance the Company's value.

> The above is an extract of the detailed format of financial results for the quarter and half year ended on Septmber 30, 2022 filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The ful format of financial results for the quarter and half year ended on Septmber 30, 2022 are available on the Stock Exchange website (www.bseindia.com and www.nseindia.com) and the Company's website (www.simbhaolisugars.com).

For the half year ended on September 30, 2022 and in previous years, due to higher raw material cost i.e. sugarcane costs (SAP fixed by State government and relatively lower sales realization of finished sugar, adverse demand & supply scenario, national international market dynamics and other eternal factors, the Company had continuously incurred huge cash losses resulting complete erosion of its net worth, rendering the Company unable to meet payment obligations towards its lenders as well as to the sugarcane farmers in terms of their respective agreements and understanding. All the production units of the Company are operation and continue to operate at sub-optimum levels on year on year basis while consistent efforts have been made for improvement in operational efficiency viz. improvement in sugar recovery, reduction in overheads and reduction in other operational and administrative costs etc, but due to lack of required working capital and no capex being undertaken towards augmentation of distillery units/suga plants is still adversely impacting the operations. During the half year and quarter ended on September 30,2022, the Company has completed crushing for Sugar season 2021-22 in all of its three sugar mills while comprehensive annual maintenance bein undertaken to commence production operations for ensuing crushing season 2022-23. However, availability of required sugarcane for optimal utilization of production capacities is still a challenge on account of aforesaid reasons. In distillery segment, non commissioning of incineration boilers and other equipments to meet the stringent requirement of Pollution control board is still resulting in curtailed production levels. Further, The Company also expects to receive accrued benefits under the Sugar Industrie Promotion policy 2004 for which it is entitled, but presently, the matter is sub-judice.

Recognizing the status of the sugar industry, the state and central governments have taken a number of measures in past to improve the financial health of sugar mills and to support the liquidation of sugarcane arrears by grant of soft loan, fixing minimum support price of sugar, and Ethanol blending program with petrol coupled with long term tendering and fixing remunerative selling price of ethanol etc. All these measures specifically ethanol blending programme, have resulted in revival of the sugar industry. The Company is continuing to suffer and incurring losses on account of non-availability of sufficient sugar cane commensurate to its crushing capacities, on account of delayed payment of sugar cane prices due to adverse liquidity position, which have resulted in the diversion of sugar cane in the command areas to the other adjoining sugar mills. Benefits under soft loan could also not be availed since credit facility accounts with its lenders were having NPA categorization.

Due to default in repayment of credit facilities, lenders to the Company have initiated recovery proceedings at various forum: including filing of applications before the Hon'ble National Company Law Tribunal (NCLT) under Section 7 of the Insolvency and Bankruptcy Code, 2016 and also filing of recovery proceedings against personal guarantors (Promoters) before NCLT under section 95 of Insolvency and Bankruptcy Code,2016 in addition to approaching Debt Recovery Tribunals in Delhi as well as in Lucknow Uttar Pradesh. One of the lenders had declared the Company and Guarantors to the credit facility, as Willful Defaulters, such impugned order of lender was Set Aside by Hon'ble Puniab and Harvana High court at Chandigarh, while another lender had starter the proceedings to examine the Willful Default and a personal hearing was also granted, basis Company's representations the decision is kept in Abeyance. One lender has categorized the Company with Fraud tag and same is challenged before Delhi High Court. While one of the lenders had initiated recovery proceedings under section 138 of the Negotiable Instrument Act, wherein not bailable warrants were issued against the erstwhile directors and officials of the Company, which is being contested at the appropriat forum. Against a criminal complaint filed by one of the lenders, the Enforcement Directorate had passed an Attachment Order of certain assets of the Company to the extent of Rs. 109.80 Crore, against which the Company has preferred an appeal before with the appropriate authority and the matter is sub-judice. Therefore, Enforcement Directorate had proceeded to take the Constructive Possession of the Attached Property on which an Interim Stay has been granted by the Hon'ble Appellate Tribunal.

The Company is continuing to pursue a comprehensive debt resolution proposal with all the lenders. Commercial lenders have shown their inclination to accept the debt resolution proposal and accepted the Earnest Money offered thereof, while Debt realignment proposal was submitted to other lenders against which the Company had initiated the repayments, pending approval of respective lenders. Revised and improved debt resolution proposal given to commercial lenders on bilateral basis is under consideration whi application filed with Hon'ble NCLT Bench, Allahabad is being heard. The Company is also exploring/ evaluating various option for debt resolution to streamline the business and enhance the Company's value. Considering the steps initiated for achieving turnaround of the Company and sugar sector, and continuing manufacturing operatio

in near foreseeable future with improved operational efficiency, these financial results are continued to be presented on Going Concern basis, which contemplates realization of assets and settlement of liabilities, in the normal course of business. Accordingly property, plant and equipment's are continued to be stated at carrying amount without testing for impairment, if any. The credit facilities availed by the Company have been classified as non-performing assets (NPA) by all the lenders and intere

thereon is not being charged to the loan accounts by commercial lenders as per RBI's circular. The Company has submitted comprehensive debt resolution proposals with all the lenders to commensurate with its future cash flows including infusion of funds by strategic investor, promoters, internal accruals, monetization of assets etc. which contemplates the total waiver of interest and concession in repayment of principal amount. Commercial lenders have accepted the Earnest Money Deposit (EMD) offered consonance with the Debt Resolution Proposal. Accordingly, the Interest expenses on credit facilities pertaining to commercia lenders, for the quarter and six month ended September 30, 2022 amounting to Rs. 4,622.20 lacs and Rs. 9,285.68 lacs Respectively (previous quarter and six month ended September 30,2021 amounting to Rs. 4,382.77 lacs and Rs. 8,517.89 lacs respectively) has not been recognized in profit and loss account. An accumulated amount of Rs. 79.215.17 lacs towards accrued interest has not beprovided for in the books of accounts as on September 30, 2022.

The Company has received a notice for payment of interest on delayed payment of cane price for sugar season 2012-13, and the Company had made a representation against the aforesaid demand notice with the Cane Commissioner based on past practice of waiver/non-levying o any interest on account of delayed payment of cane price. Considering the above, no provision towards the interest on delayed payment of cane price for the aforesaid and subsequent sugar seasons has been made in the accounts. No demand notices have been raised on the Company, except for sugar season 2012-13. The amount of interest on account of delayed payment of cane price not provided for in the accounts, could also not be quantified.

Integrated Cashtech Consultants Private Limited ('ICCPL'), a subsidiary company had recognized revenue of Rs. 462.57 lacs in the financial year 2020-21 as unbilled revenue in respect of certain customers in accordance with the terms of agreements entered in between ICCPL and its customers as the customers had not accepted the claims of ICCPL, on account of certain disputes. ICCPL moved to arbitration for the settlement of disputes and expects that the matter will be settled in its favour. Accordingly, unbille revenue had been carried on at the same amount and the final adjustments, if any, will be made after the settlement with the parties The statutory auditors have given qualified opinion on the reviewed financial statements of ICCPL for the quarter ended 30, Septemb 2022, on non-provision of credit loss and of probable estimated loss arising on the settlement of the aforesaid unbilled revenue In the audited financial statements of Simbahaoli Power Private Limited ("SPPL") for the year ended March 31, 2021, the statutor auditor of the SPPL has drawn Emphasis of Matter in respect of following "During the year ended March 31, 2021, Uttar Prades

April 1, 2019. SPPL, along with bagasse-based generation plants operating in the State, have file a writ petition with Hon'ble High Court of Allahabad, Lucknow Bench, challenging CRE Regulations, 2019 which have been accepted Based on the writ petition filed and legal opinion obtained, SPPL has recorded revenue from operations for the period from April 2019
