Dear valued stakeholders,

Sub: General announcement pertaining to Dubai based wholly owned subsidiary company

Ref: Pressure Sensitive Systems (India) Limited (Security ID: PRESSURS, Security Code: 526773)

We are pleased to announce that our wholly-owned subsidiary, Global Markets Insights IT Services LLC, has inaugurated its latest data center known as Pressure 2.0 Cloud. The new data center, which will consist of a single facility, will deliver 20MW of IT capacity across 194,000 square feet (18,000 square meters) to customers in early 2025.

This state-of-the-art data center is a significant step forward for Global Markets Insights IT Services LLC, as it allows us to meet the unprecedented demand for critical IT capacity in one of the largest global markets, the UAE. With recent orders worth \$32 million USD this year, our expansion in the region will help us to strengthen the digital infrastructure and contribute to the region's economic growth.

We believe that this new data center, Pressure 2.0 Cloud, is a testament to our commitment to provide cutting-edge IT solutions to our customers while supporting the growth and development of the digital infrastructure in the UAE. It demonstrates our confidence in the region's business environment, and we are excited to be part of its growth story.

As we continue to expand our presence in the UAE and beyond, we remain committed to delivering innovative and reliable IT services that help our customers achieve their business objectives. We thank you for your continued support, and we look forward to sharing more updates as we progress on this exciting journey.

Thank you for your continued support.
