Mumbai, India, January 09, 2023

We are happy to announce that Dynacons Systems & Solutions Ltd. has been recognized as a part of "Leading Mid-Corporates of India 2022" by Dun & Bradstreet for the second consecutive year.

Dun & Bradstreet felicitated leading Mid-corporate and SME business in India across various award categories at the "**Business Enterprises of Tomorrow 2022**" event hosted by them. This is an initiative by Dun & Bradstreet for recognizing and honoring the leading Mid-corporates and SMEs in India. The theme for the Business Enterprises of Tomorrow 2022 event was 'Time for India's New-Age Entrepreneurship'.

Over the years, the government has played a proactive role in fostering entrepreneurship. With the Government pushing for a self-reliant India, Mid-Corporates and SMEs are carving their path towards becoming the "Business Enterprises of Tomorrow". They are the driving force behind many innovations with immense contribution to the entrepreneurship drive, especially in the semi urban and rural areas. Further, they develop and inculcate entrepreneurial instincts and stimulate private ownership that help national growth through investments and employment creation.

The recognition is a validation of the Dynacons capabilities built in order to meet the evolving needs of clients for innovative, best-of-breed solutions. We attribute this success to our technology expertise, global delivery capability and full services portfolio which enables us to deliver high quality, high impact solutions leveraging the latest technologies to customers across multiple regions and industry verticals.
