INGRAINING A HEALTHY FUTURE

Standing at today's critical times, the basic thought on everyone's mind is 'a healthy and safe future'.

A healthy nation is a happy one. A healthy nation means sustained economic growth and more opportunities for people. We believe that the health of our Company is intrinsically linked to the health and resilience of the people we deal with, the society we operate in and the mother nature. Keeping this in mind, we are geared up to be one of the brands in India that makes 'Healthier Future' a reality! We intend to do so by ingraining the health quotient in the staple diet of more than half of the world's population. From being a player in a niche agri-product category, we are now expanding our reach and capabilities to touch more consumers with our health and nutrition rich wheat-based product basket. We aim to be a vital player in the health industry, while making significant positive difference to the lives and economy of our country's backbone – the farming community!

It's often the simple things that leave the biggest mark. With our intent of delivering nutrition to our customers, we look forward to transforming the world as we know it! We look forward to ingraining a Healthy Future in every aspect of our business.

OUR ESTABLISHED CLIENTELE

Chairman and Managing Director's Message

“We are laying a strong foundation by spearheading initiatives to achieve a prosperous future, inspired by the wisdom of our forefathers.”

Dear Shareholders,

It gives me immense pleasure to present to you our advancements for the year 2023-24. Despite several pressures on our operations during the year, we were able to register impressive growth at the end of the fiscal. Our strong performance has been a result of our strategic productions, strong operational efficiencies, continued focus on customer-centricity and needless to mention, the collaborative efforts of our team members.

As I begin discussing in finer details our performance for the financial year 2023-24, it is imperative to first address the operating environment which has thrown a number of challenges at businesses all around the world in the shape of pandemic waves, geopolitical conflicts and the supply chain issues as well as inflationary pressures that continue to create pricing pressures.

The Indian food industry is poised for huge growth, increasing its contribution to world food trade every year. In India, the food sector has emerged as a high-growth and high-profit sector due to its immense potential for value addition, particularly within the food processing industry.

The management team of the company strongly feels that in the prevailing economy, business turnaround is the need of the hour and management is working with renewed focus and energy to improve our market share, reduce our cost base, and focus on the customer satisfaction.

I would like to thank our employees, bankers and other stakeholders for their hard work and commitment in this phase of Megastar Foods Limited.

Finally, I thank you for your continued trust, confidence and support.

Sd/-

NOTES:-

1. The Ministry of Corporate Affairs (“MCA”) vide its General Circular Nos. 14/2020 dated 8th April, 2020, 17/2020 dated 13th April, 2020, 20/2020 dated 5th May, 2020, 10/2022 dated 28th December, 2022 and 09/2023 dated 25th September, 2023 (collectively referred to as “MCA Circulars”) read with Securities and Exchange Board of India (“SEBI”) circular nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated 7th October, 2023 (collectively referred to as “SEBI Circulars”), permitted the companies for holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC / OAVM. The procedure for participating in the meeting through VC / OAVM is explained hereunder in the notes.

As the AGM is being held pursuant to the MCA and SEBI Circulars for General Meetings through VC / OAVM, the facility to appoint proxy will not be available for this AGM and hence the Proxy Form, Attendance Slip and Route Map for venue of AGM are not annexed to this Notice. However, a Body Corporate is entitled to appoint authorised representative to attend the AGM through VC / OAVM and participate thereat and cast their votes through e-voting.

2. Institutional / Corporate Members (i.e. other than individual / HUF, NRI etc.) are required to send a scanned copy (PDF / JPEG format) of its Board or governing body Resolution / Authorization etc. authorizing the representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution / Authorization shall be sent to the Company at cs@megastarfoods.com with copy marked to ajaykcs@gmail.com and helpdesk.evoting@cdslindia.com.
3. The information of the Director seeking re-appointment at the ensuing AGM is provided at **Annexure-A** to this Notice as prescribed under regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India.
4. In compliance with the MCA and SEBI Circulars for General Meetings, Notice of the AGM of the Company, inter alia, indicating the process and manner of e-voting and the Annual Report 2023-24 are being sent only through electronic mode to those Members whose e-mail address are registered with the Company / DP. Members may note that Notice has been uploaded on the website of the Company at <https://www.megastarfoods.com/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of CDSL i.e www.evotingindia.com.

5. As per regulation 40 of the Listing Regulations, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialised mode, except for transmission or transposition or re-lodged for transfer of securities. Further, SEBI vide its circular No. SEBI/HO/MIRSD/RTAMB/CIR/P/2020/236 dated December 2, 2020 had fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical mode are requested to consider to dematerialise their holdings at the earliest, as it will not be possible to transfer shares held in a physical mode. Members can contact the Company or RTA for assistance in this regard.

6. Issue of shares in demat mode only: -

SEBI vide its notification dated January 24, 2022 amended certain provisions of the Listing Regulations inter alia pertaining to issue of shares in demat mode only. Further SEBI vide its circular No. SEBI/HO/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 issued operational guidelines for dematerialization of securities received for processing investor's service request.

7. The Company has engaged the service of Central Depository Services (India) Limited, for assisting the Members for casting of votes by remote e-voting as well as the e-voting system on the date of the AGM and VC facility shall also be provided by CDSL.

8. Members who have not registered their e-mail address so far are requested to register their e-mail address for receiving all communications electronically including Annual Report, Notices, Circulars, etc. from the Company.

Members may also note that the Notice of the AGM and the Annual Report 2023-24 are uploaded and available on the website of the Company, the Stock Exchanges and CDSL at www.megastarfoods.com, and www.evotingindia.com respectively. The copies of the documents will also be available for electronic inspection during normal business hours on working days, from the date of circulation of this Notice up to the date of AGM. For any communication, the members may also send requests to the Company's investor e-mail id at cs@megastarfoods.com.

9. **Inspection of Documents:** - The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or Arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 will be available electronically for inspection by the Members during the AGM. Members seeking to inspect such documents can send an email to cs@megastarfoods.com.

10. **E-Voting (voting through electronic means):**

I. The businesses as set out in the Notice shall be transacted through electronic voting system. In compliance with the provisions of section 108 of the Act read with the Companies (Management and Administration) Rules, 2014, Standard 2 of the Secretarial Standard on General Meetings and in compliance with regulation 44 of the Listing Regulations and pursuant to the MCA and SEBI Circulars for General

Meetings, the Company is pleased to offer the facility of voting through electronic means, to all its members to enable them to cast their votes electronically. The Company has made necessary arrangements with CDSL to facilitate the members to cast their votes from a place other than venue of the AGM (“**remote e-voting**”). The facility for voting shall be made available at the AGM through electronic voting and the members attending the meeting who have not cast their vote by remote-voting shall be able to exercise their right during the AGM. The facility of casting votes by a member using remote e-voting as well as e-voting at the meeting on the date of the AGM will be provided by CDSL.

In terms of provisions of section 107 of the Act, as the Company is providing the facility of remote e-voting to the members, there shall be no voting by show of hands at the AGM.

- II. The Members can join the AGM through VC / OAVM mode 15 minutes before the scheduled time for AGM and within 15 minutes after the scheduled time of the commencement of the AGM by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1,000 members on first come first served basis. This will not include large shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, the Nomination and Remuneration Committee and the Stakeholders Relationship Committee and the Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- III. The attendance of the members attending the AGM through VC / OAVM will be counted for the purpose of reckoning the quorum under section 103 of the Act.
- IV. A person whose name is recorded in the Register of Members and in the List of Beneficial Owners maintained by the depositories as on Friday, September 13, 2024 (“**cut-off date**”) shall be entitled to avail the facility of remote e-voting or voting at the time of AGM. Persons who are not members as on the cut-off date should treat this notice for information purpose only.

The members who have cast their vote by remote e-voting prior to AGM may also attend the AGM, but shall not be entitled to cast their vote again.

The members whose names appear in the Register of Members and List of Beneficial Owners as on cut-off date are entitled to vote on Resolutions set forth in the Notice of AGM. Eligible members who have acquired shares after sending the Notice electronically and holding shares as on the cut-off date may approach the Company for seeking assistance for issuance of the User id and Password for exercising their right to vote by electronic means.

- V. **Process for those members whose e-mail ids, mobile nos. are not registered with the Depositories:**
 - i. Members holding shares in physical mode-please provide the necessary details like Folio No., Name of shareholder, scanned copy of the share certificate
-

- (front and back), PAN (self-attested scanned copy of PAN card), Aadhaar (self-attested scanned copy of Aadhaar Card) by e-mail to **Company/RTA**.
- ii. Members holding shares in demat mode-please update your e-mail id and mobile number with your respective DP.
 - iii. Individual members holding shares in demat mode-please update your e-mail id and mobile number with your respective DP which is mandatory for e-voting and joining the AGM through VC / OAVM through Depository.

VI. **Instructions for members for remote e-voting, e-voting during AGM and joining the AGM through VC/OAVM are as under:**

- i. The remote e-voting period commences at **9:00 a.m. (IST) on Tuesday, September 17, 2024 and ends at 5:00 p.m. (IST) on Thursday, September 19, 2024**. During this period members of the Company, holding shares either in physical mode or in dematerialized mode, as on the cut-off date i.e. Friday, September 13, 2024, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Pursuant to SEBI Circular No. SEBI/HO/FD/CMD/CIR/P/2020/242 dated December 9, 2020, under regulation 44 of the Listing Regulations, listed companies are required to provide remote e-voting facility to its members in respect of all members' resolutions.

Currently there are multiple e-voting service providers (“ESPs”) providing e-voting facility to listed companies in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders by way of a single login credential, through their demat accounts/ websites of Depositories/ DPs. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication, but also enhancing ease and convenience of participating in e-voting process.

- iii. In view of the aforesaid SEBI Circular dated December 9, 2020, individual members holding shares in demat mode are allowed to vote through their demat account maintained with Depositories and DPs. **Members are advised to update their mobile number and e-mail id in their demat accounts in order to access e-voting facility.** Pursuant to the aforesaid SEBI Circular dated December 9, 2020, login method for e-voting and joining virtual meetings for individual members holding shares in demat mode is given below: -

Login Type	Helpdesk Numbers
<p>Individual members holding securities in Demat mode with CDSL</p>	<p>Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or call at toll free no.:1800 21 09911.</p>
<p>Individual members holding securities in Demat mode with NSDL</p>	<p>Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at: 022-4886 7000 and 022-2499 7000.</p>

iv. Login method for e-voting and joining AGM through VC/OAVM for **members other than individual members holding shares in demat and physical mode** is as under:

1. The members should log on to the remote e–voting website www.evotingindia.com.
2. Click on “Shareholders” module.

3. Now Enter your User ID
 - a) For CDSL: 16 digits beneficiary ID,
 - b) For NSDL: 8 Character DP ID followed by 8 digits Client ID,
 - c) Members holding shares in Physical Form should enter Folio Number registered with the Company.

OR

Alternatively, if the members are registered on CDSL's EASI/EASIEST e – service, a member can login at <http://www.cdslindia.com>. from login myeasi using its login credentials. Once a member successfully log in to CDSL's EASI/EASIEST e-services, click on e-voting option and proceed directly to cast its vote electronically.

4. Next enter the Image Verification as displayed and Click on Login.
5. If you are holding shares in demat mode and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
6. If you are a first time user follow the steps given below:-

	For members holding shares in Demat and Physical mode other than individual members.
PAN	Enter your 10 digit alpha–numeric *PAN issued by Income Tax Department (applicable for both, members holding shares in demat mode and members holding shares in physical mode).
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank details or Date of Birth (DOB) (in dd/mm/yyyy format) as recorded in your demat account or in the company's records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

7. After entering these details appropriately, click on “SUBMIT” tab.
8. Members holding shares in physical mode will then directly reach the Company selection screen. However, members holding shares in demat mode will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is also to be used by the demat holders for voting on resolutions of any other Company in which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
9. For Members holding shares in physical mode, the details can be used only for e-voting on the resolutions contained in this Notice.
10. Click on the EVSN for MEGASTAR FOODS LIMITED on which you choose to vote.

11. On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the resolution and option NO implies that you dissent to the resolution.
 12. Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire resolution details.
 13. After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
 14. Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
 15. You can also take a print of the vote cast by clicking on “Click here to print” option on the voting page.
 16. If demat account holder has forgotten the login password, they should enter the User ID and the image verification code and click on Forgot Password and enter the details as prompted by the system.
 17. Members can also cast their vote using CDSL’s mobile app m-Voting. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while remote e-voting on your mobile.
 18. Note for Non-Individual Members and Custodians:
 - Non-Individual members (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance Users would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - A scanned copy of the Board Resolution and/or Power of Attorney (“**POA**”), which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively non-individual members are required to send the relevant Board Resolution/authority letter together with attested specimen signature of the duly authorised signatory, who are authorised to vote, to the Scrutinizer and to the Company, if they have
-

voted from individual tab and not uploaded same in the CDSL e-voting system for the Scrutinizer to verify the same.

19. If you have any queries or issues regarding attending AGM and e-voting from the e-voting system, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com under help section or write an e-mail to helpdesk.evoting@cdslindia.com.

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Manager, CDSL, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai-400013 or send an e-mail to helpdesk.evoting@cdslindia.com or call on toll free no. 1800 21 09911.

A member can opt for only one mode of voting i.e. either through remote e-voting or e-voting at the meeting. If a member cast votes by both modes, then voting done through remote e-voting shall prevail.

20. Mr. Ajay K. Arora (C.P. No. 993 and M. No. 2191), Company Secretary, Chandigarh, has been appointed as the Scrutinizer to scrutinize the remote e-Voting process and casting vote through the e-voting system during the meeting in a fair and transparent manner.
 21. During the 13th AGM, the Chairman shall, after response to the questions raised by the Members in advance or as a speaker at the 13th AGM, formally propose to the Members participating through VC/ OAVM Facility to vote on the resolutions as set out in the Notice of the 13th AGM and announce the start of the casting of vote through the e-voting system. After the Members participating through VC/ OAVM Facility, eligible and interested to cast votes, have cast the votes, the e-voting will be closed with the formal announcement of closure of the 13th AGM.
 22. The Scrutinizer shall after the conclusion of e-voting at the 13th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting and shall make a consolidated scrutinizer’s report of the total votes cast in favour or against, invalid votes, if any, and such Report shall then be sent to the Chairman or a person authorized by him, within 48 (forty eight) hours from the conclusion of the 13th AGM, who shall then countersign and declare the result of the voting forthwith.
 23. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company at www.megastarfoods.com and on the website of CDSL at www.evotingindia.com immediately after the declaration of Results by the Chairman or a person authorized by him. The results shall also be immediately forwarded to the Stock Exchanges.
-

v. **Instructions for members attending the AGM through VC / OAVM and e-voting during AGM are as under:-**

1. The procedure for attending the AGM and e-voting on the day of AGM is same as the instructions mentioned above for remote e-voting.
2. The link for VC / OAVM to attend AGM will be available where the EVSN of the Company will be displayed after successful login as per the instructions mentioned above for remote e-voting.
3. Members who have voted through remote e-voting will be eligible to attend the AGM. However, they will not be eligible to vote during the AGM.
4. Members are encouraged to join the AGM through Laptops / IPads for better experience.
5. Further, members will be required to allow camera and use internet with a good speed to avoid any disturbance during the meeting.
6. Please note that participants connecting from mobile devices or tablets or through laptop connecting via mobile hotspot may experience audio/video loss due to fluctuation in their respective network. It is therefore recommended to use stable WI-FI or LAN connection to mitigate any kind of aforesaid glitches.
7. Members who would like to express their views/ask questions during the AGM may register themselves as a speaker by sending their request in advance at least **7 (seven) days prior to the AGM** mentioning their name, demat account number /folio number, e-mail id, mobile number and the brief description of their queries at cs@megastarfoods.com. These queries will be replied appropriately by the Company at the AGM.
8. Only those members who have registered themselves as a speaker, will be allowed to express their views/ask questions during the AGM.
9. Only those members, who are present in the AGM through VC/OAVM facility and have not cast their vote on the resolution through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system available during the AGM.
10. If any votes are cast by the members through the e-voting available during the AGM and if the same members have not participated in the AGM through VC/OAVM facility, then the votes cast by such members shall be considered invalid as the facility of e-voting during the AGM is available only to the members attending the AGM.

If you have any queries or issues regarding attending AGM & e-Voting from the CDSL e-Voting System, you can write an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Sr. Manager, (CDSL,) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call toll free no. 1800 21 09911.

REQUEST TO THE MEMBERS: -

Members desiring any relevant information on the Audited Financial Statements or any matter to be placed at the AGM are requested to write to the Company at least 7 (seven) days in advance of the date of AGM through e-mail at cs@megastarfoods.com. The same will be replied by the Company suitably.

ADDITIONAL INFORMATION REQUIRED TO BE FURNISHED PURSUANT TO SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 AND SECRETARIAL STANDARD-2 ON GENERAL MEETINGS

As required pursuant to Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Clause 1.2.5 of Secretarial Standards-2 on General Meetings, the particulars of Directors seeking appointment/re-appointment are as under: -

Sr. No	Particulars	Mr. Vikas Gupta (DIN: - 05123386)
1	Designation	Whole-time Director
2	Age	48 Years
3	DOB	30-01-1976
4	Nationality	Indian
5	Qualification	Bachelor of Commerce and Inter passed certificate from ICAI
6	Date of First Appointment on the Board	28-11- 2011
7	Effective date of Current Re-appointment	Re-appointed as Whole-time Director of the Company for a second term of Five (5) years w.e.f. 04 April 2023.
8	Brief Resume/ Profile	Mr. Vikas Gupta aged 48 years, has more than 20 years of experience in this industry. He holds a degree of Bachelor of Commerce and Inter passed certificate from ICAI. He currently heads production, HR and administration, as well as participates in business development
9	Experience and Expertise	He has been in this industry for more than 20 years and currently heads production, HR and administration, as well as participates in business development.
10	Numbers of Board Meetings attended during the year FY 2023-24	11 (eleven)
11	Directorship and Committee membership held in other companies as on 31 March 2024	Directorship: - 1. Megapacific Ventures Private Limited Committee Membership: - 1. Finance & Investment Committee
12	Inter-se relationships between Directors & Key Managerial	Mr. Vikas Gupta is not related to any other director or KMP of the company.

	Personnel	
13	Shareholding in the Company as on 31 March 2024	22,19,900 Equity Shares (19.66%)
14	Terms & Conditions for re-appointment	He is a Whole-time Director of the company and is drawing remuneration as per special resolution passed in 11 th AGM and the Terms & Conditions of appointment or re-appointment are as per the Nomination and Remuneration Policy of the Company as displayed on the Company's website i.e. www.megastarfoods.com

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of **MEGASTAR FOODS LIMITED** is pleased to present its Analysis Report covering its overall performance and outlook.

Wheat flour is used extensively owing to the presence of gluten, a protein that provides strength and elasticity to the dough as well as adds to the texture of baked products. Factors such as population growth, increasing disposable incomes, rising consumption of bakery products and changing lifestyles have further added to the global demand for wheat flour.

Wheat flour is used as the main ingredient in several bakery and fast-food products such as bread, noodles, pasta and breakfast cereals. Growth in the demand for these products has led to an escalation in the overall sales of wheat flour across the globe. Moreover, wheat flour is inexpensive as compared to the flour made from other grains on account of which it is easily available to consumers belonging to all socio-economic groups.

INDUSTRY STRUCTURE AND DEVELOPMENTS IN INDIA

The food processing industry in India is estimated to reach \$482 billion by 2025. With the increasing use of flour in bakery products and the ease of availability of raw materials, there is acceleration in the flour market. Furthermore, the launch of innovative products has fuelled the growth in the market.

Wheat flour is the largest product type in the segment which is widely consumed due to health benefits and dietary fibers. It has the highest share in the market and with the advances in technology; there is a significant improvement in the quality of flour. There are a number of wheat flour

suppliers in the country which cater to the growing demand for wheat. However, it is important to check the quality and consistency of the flour offered by the mills.

The capital cost of setting up wheat flour manufacturing plant is very high as practically all equipment is made in high grade stainless steel, power requirement is also very high as large aeration system and large volume of liquids are handled using high power pumps automated control systems, separation and packing systems.

GLOBAL WHEAT MARKET SIZE

Asia-Pacific is the Fastest Growing Market

China, India, Australia, and Pakistan are the largest wheat producers in Asia-Pacific. As per the US Department of Agriculture (USDA), during 2021-2022, China was the leading consumer of wheat, with a consumption volume of 148.5 million metric tons, followed by India, with 104.3 million metric tons of wheat consumption during the same period. More than one-third of the population in the country consumes wheat in some way or another. However, the demand for wheat to produce bread, biscuits, and cakes in the country is insignificant, less than 10% of the total wheat consumption.

Moreover, China imports some high-grade wheat every year for use in bread and pastries, which are becoming increasingly popular in the various provinces of the country. Chinese-grown wheat is rarely suitable for making croissants and other Western delicacies that are not easily baked.

In India, wheat has been primarily used as flour for various preparations since prehistoric times. Indians mostly consume it in the form of bread called roti. Roti or chapati is an integral part of the Indian diet, especially in the northern regions. Additionally, the growth of the Indian wheat market is driven by the major progressive policies implemented by the government. These include a significant increase in minimum support price (MSP) and government procurement. For instance, the MSP of wheat for rabi crops 2023-24 was fixed at INR 2,125 (USD 25.73) per quintal, with an increase of

INR 110 (USD 1.33) per quintal over the last year's MSP during the rabi season. These factors have led to the rise in wheat production in recent years.

Apart from human consumption, wheat is also used as livestock feed. Recently, opportunities to incorporate sprouted wheat into animal rations have been explored after a wet Australian harvest in some areas in 2021-22, which resulted in sprouted crops. The Australian Export Grains Innovation Centre (AEGIC) supported Australian grain traders and international customers with technical information on using sprouted wheat for animal feed.

Wheat Market : Growth Rate(%), By Region, 2024-2029

Wheat Market News

- June 2024: The Government of India imposed stock limits on wheat to prevent hoarding and unscrupulous speculation and to manage overall food security.
- October 2022: Biological nitrification inhibition (BNI) - wheat technology was introduced in India, which will aid in establishing nitrogen-efficient wheat production systems in India's Indo-Gangetic region.
- February 2022: Inari, the SEE Design company, and Inter Grain, a leading cereal breeding company in Australia, came together in a strategic collaboration to improve the yield potential of wheat, enhancing the crop's long-term viability in the rapidly increasingly variable climate.

FLOUR MILLING INDUSTRY IN INDIA

The flour milling industry in India is a significant and well-established sector, reflecting the country's strong demand for staple foods like wheat flour. Here's an overview of its key aspects:

1. Industry Structure: -

- **Mills and Capacity:** India has a large number of flour mills, ranging from small, traditional units to large, modern industrial mills. The sector includes both roller mills and traditional stone mills. The capacity of these mills varies significantly, with some catering to local needs and others operating on a national or even international scale.
- **Types of Flour:** The primary product is wheat flour (atta), but the industry also produces a variety of flours like maida (refined flour) and sooji (semolina), used in a range of Indian dishes and baked goods.

2. Key Players

- **Large Corporations:** Major players include companies like ITC Limited, Cargill and Adani Group. These corporations often have advanced milling technology and extensive distribution networks.
- **Regional Mills:** Many regional mills cater to local markets and may focus on traditional milling practices or specific varieties of wheat.

3. Raw Materials

- **Wheat Production:** India is one of the world's largest producers of wheat, with major wheat-producing states including Punjab, Haryana, Uttar Pradesh, and Madhya Pradesh. The country's wheat production is generally sufficient to meet domestic demand.
- **Import and Export:** While India produces a significant amount of its wheat, the country also imports wheat to meet specific demand fluctuations and export flour to various countries.

4. Market Trends

- **Consumer Preferences:** There is a growing demand for whole-grain products and organic flours due to increasing health consciousness. This has led to an expansion in product offerings.
- **Technological Advancements:** Modernization in milling technology, including automation and advanced quality control measures, is improving efficiency and product quality.
- **Regulations and Standards:** The industry is regulated by various standards and guidelines to ensure product safety and quality. The Food Safety and Standards Authority of India (FSSAI) oversees these regulations.

5. Challenges

- **Raw Material Fluctuations:** Variability in wheat production due to weather conditions and other factors can impact supply and pricing.
- **Competition:** The industry faces competition from both domestic and international

players, affecting pricing and market share.

- **Infrastructure:** In some regions, infrastructure challenges can affect the efficiency of distribution and supply chains.

6. Future Outlook

- **Growth Potential:** With a growing population and increasing urbanization, the demand for flour is expected to rise, driving further growth in the industry.
- **Innovation:** Continued innovation in milling processes and product development, such as gluten-free or specialty flours, will likely play a key role in the industry's evolution.

Overall, the flour milling industry in India is robust and continues to adapt to changing market demands and technological advancements.

RISK AND CONCERN/RISK MANAGEMENT IN FLOUR MILLING

Risk management in the flour milling industry is crucial due to the sector's reliance on raw materials, production processes, and market dynamics. Here's a detailed look at the risks and concerns, along with strategies for managing them:

1. **Raw Material Risks**

- **Supply Chain Disruptions:** Variability in wheat supply due to weather conditions, pest infestations, or geopolitical issues can impact production.

Management Strategies:

- **Diversification:** Source wheat from multiple suppliers or regions to reduce dependency on a single source.
- **Inventory Management:** Maintain strategic reserves of raw materials to buffer against short-term disruptions.
- **Forward Contracts:** Enter into forward contracts or futures to lock in prices and secure supply.
- **Quality Variability:** Differences in wheat quality can affect the consistency of flour products.

Management Strategies:

- **Quality Control:** Implement rigorous quality control processes and testing for incoming wheat to ensure it meets standards.
- **Supplier Relationships:** Build strong relationships with reliable suppliers who

consistently provide high-quality wheat.

2. Operational Risks

- **Equipment Failures:** Machinery breakdowns can halt production and lead to financial losses.

Management Strategies:

- **Preventive Maintenance:** Establish a preventive maintenance schedule to regularly check and service equipment.
- **Training:** Ensure that staff are well-trained in equipment handling and troubleshooting.
- **Workplace Safety:** Flour milling involves dust and machinery, which can pose safety risks.

Management Strategies:

- **Safety Protocols:** Develop and enforce strict safety protocols and provide regular safety training to employees.
- **Dust Control:** Implement effective dust control systems to minimize hazards and improve air quality.

3. Market Risks

- **Price Fluctuations:** Volatility in wheat prices can affect profit margins.

Management Strategies:

- **Hedging:** Use financial instruments like futures contracts to hedge against price fluctuations.
- **Pricing Strategies:** Develop flexible pricing strategies to pass on some of the costs to customers if necessary.
- **Demand Variability:** Changes in consumer preferences or economic conditions can impact demand for flour products.

Management Strategies:

- **Market Research:** Conduct regular market research to understand consumer trends and adjust product offerings accordingly.
- **Diversification:** Expand product lines to include specialty flours or value-added

products to cater to different market segments.

4. Regulatory and Compliance Risks

- **Compliance with Standards:** Adherence to food safety regulations and quality standards is critical.

Management Strategies:

- **Regulatory Awareness:** Stay updated with local and international regulations and ensure compliance.
- **Certification:** Obtain necessary certifications (e.g., ISO, FSSAI) to demonstrate adherence to quality and safety standards.
- **Labeling and Packaging:** Incorrect labeling or packaging can lead to legal issues and customer dissatisfaction.

Management Strategies:

- **Quality Checks:** Implement rigorous checks to ensure labeling and packaging meet all regulatory requirements.
- **Training:** Train staff on labeling and packaging standards to avoid errors.

5. Environmental Risks

- **Sustainability Concerns:** Environmental regulations and sustainability issues can impact operations.

Management Strategies:

- **Eco-friendly Practices:** Adopt sustainable practices such as waste reduction, recycling, and energy-efficient processes.
- **Compliance:** Ensure compliance with environmental regulations and consider certifications for sustainable practices.

6. Financial Risks

- **Cash Flow Management:** Managing cash flow is essential to handle operational costs and unexpected expenses.

Management Strategies:

- **Financial Planning:** Develop a robust financial plan with forecasts and budgets to manage cash flow effectively.
- **Reserve Funds:** Maintain reserve funds to cover unexpected expenses or financial downturns.

7. **Technological Risks**

- **Cybersecurity:** As the industry adopts more digital solutions, cybersecurity becomes a concern.

Management Strategies:

- **Cybersecurity Measures:** Implement strong cybersecurity measures and regularly update systems to protect against breaches.
- **Data Backup:** Regularly back up critical data to prevent loss in case of cyber incidents.

By identifying these risks and implementing effective management strategies, flour milling operations can enhance their resilience and maintain smooth production and distribution processes.

INTERNAL CONTROL SYSTEM

Internal control systems in flour mills are essential for ensuring efficient operations, safeguarding assets, and maintaining compliance with regulations. Effective internal controls help mitigate risks related to financial accuracy, operational efficiency, and regulatory compliance. Here's a detailed look at the key components of internal control systems in flour mills:

1. **Control Environment**

- **Management Commitment:** The commitment of senior management to ethical behavior, adherence to regulations, and internal controls is crucial. It sets the tone for the entire organization.
- **Key Practices:**
 - **Code of Conduct:** Establish and enforce a code of conduct for employees at all levels.
 - **Training:** Provide regular training on internal controls, ethics, and compliance.
- **Organizational Structure:** An effective organizational structure with clear reporting lines and responsibilities supports internal controls.
- **Key Practices:**

- **Segregation of Duties:** Ensure that no single individual has control over all aspects of any critical transaction (e.g., authorization, recording, and custody).
- **Reporting Lines:** Clearly define and communicate reporting lines and responsibilities.

2. Risk Assessment

- **Risk Identification:** Regularly assess and identify risks related to operations, financial reporting, and compliance.

➤ **Key Practices:**

- **Risk Assessments:** Conduct periodic risk assessments to identify potential internal and external risks.
- **Risk Mitigation:** Develop and implement risk mitigation strategies based on the assessment.

- **Control Activities:** Implement control activities to address identified risks.

➤ **Key Practices:**

- **Standard Operating Procedures (SOPs):** Develop and document SOPs for key processes such as procurement, production, and quality control.
- **Checklists and Authorization:** Use checklists and require proper authorization for critical transactions and activities.

3. Control Activities

- **Operational Controls:** Ensure controls are in place to manage and oversee daily operations.

➤ **Key Practices:**

- **Production Controls:** Monitor and control the production process to ensure adherence to quality standards and efficiency.
- **Inventory Management:** Implement controls for managing inventory, including regular stock counts and reconciliation.

- **Financial Controls:** Ensure accurate and timely financial reporting.

➤ **Key Practices:**

- **Accounts Reconciliation:** Regularly reconcile accounts, including bank statements and general ledger accounts.
- **Expense Authorization:** Require proper authorization and documentation for all expenses and purchases.

- **Physical Controls:** Protect physical assets and inventory from theft or damage.

➤ **Key Practices:**

- **Access Controls:** Restrict access to critical areas, such as the cash office or inventory storage, to authorized personnel only.
- **Security Measures:** Implement security measures such as surveillance cameras and alarm systems.

4. Information and Communication

- **Information Systems:** Use reliable information systems to support operations and internal controls.

➤ **Key Practices:**

- **System Security:** Implement strong cybersecurity measures to protect against data breaches and unauthorized access.
- **Data Integrity:** Ensure data accuracy and integrity through regular system audits and updates.

- **Communication:** Establish effective communication channels to ensure that internal control policies and procedures are understood and followed.

➤ **Key Practices:**

- **Internal Reporting:** Regularly communicate performance, compliance, and control issues to relevant stakeholders.
- **Feedback Mechanisms:** Provide mechanisms for employees to report issues or concerns related to internal controls.

5. Monitoring and Evaluation

- **Ongoing Monitoring:** Continuously monitor the effectiveness of internal controls.

➤ **Key Practices:**

- **Internal Audits:** Conduct regular internal audits to evaluate the effectiveness of internal controls and compliance with policies.
- **Performance Metrics:** Use performance metrics to assess the efficiency and effectiveness of operations.

- **Periodic Reviews:** Periodically review and update internal control systems to address changes in the business environment or operations.

➤ **Key Practices:**

- **Control Review:** Regularly review control activities and make adjustments as needed based on audit findings or changes in risk assessments.

- **Policy Updates:** Update internal control policies and procedures to reflect changes in regulations, technology, or business practices.

6. Documentation and Reporting

- **Documentation:** Maintain thorough documentation of internal control processes, procedures, and compliance.
 - **Key Practices:**
 - **Process Documentation:** Document all internal control processes, including procedures and control activities.
 - **Audit Trails:** Keep detailed audit trails for financial transactions and operational activities.
- **Reporting:** Ensure accurate and timely reporting of financial and operational information.
 - **Key Practices:**
 - **Financial Reports:** Prepare and review financial reports to ensure accuracy and compliance with accounting standards.
 - **Compliance Reports:** Submit required compliance reports to regulatory authorities as needed.

Implementing a robust internal control system in a flour mill helps safeguard assets, ensure accurate financial reporting, and maintain compliance with regulations, ultimately supporting the overall efficiency and effectiveness of the operation.

HUMAN RESOURCES

The Company has always strived to attract the best talent, provide invigorative work environment, retain achievers and outstanding performers and to inculcate in the employee's loyalty for the organization. Raising employees' involvement in the decision-making process and grooming them for leadership positions has been an ongoing process. Industrial relations and work atmosphere remained cordial throughout the year with sustained communication and engagement with work force through various forums. Employees' strength as on 31 March 2024 was 181.

Directors' Report

The Directors are pleased to present the 13th Annual Report on the business and operations of the Company together with the Audited Accounts for the financial year ended 31 March 2024.

GENERAL OUTLOOK OF THE COMPANY

Our Company is having state of the art modern machinery at its wheat processing plant in Punjab, India, with an installed capacity of 200000 MT. It has been our constant endeavour at all the levels to ensure processing of wheat with quality, undertaking testing and exploring new possibilities by our team of highly skilled people. During the year under review, 11 (Eleven) Board meetings, 4 (Four) Audit Committee meetings, 2 (Two) Stakeholders Relationship Committee meetings, 2 (Two) Nomination & Remuneration Committee meetings, and 2 (Two) Corporate Social Responsibility Committee meetings were convened and held. Details and attendance of such Board & Committees meetings are mentioned in Corporate Governance Report.

Pursuant to clause VII (1) of Schedule IV of the Companies Act, 2013, a separate meeting of the Independent Director of the company was also held.

18. PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

As the ultimate responsibility for sound governance and prudential management of a Company lies with its Board, its imperative that the Board remains continually energized, proactive and effective.

The Board evaluated the effectiveness of its functioning and that of the Committees and of individual Directors by seeking their inputs on various aspects of Board/Committee Governance.

The aspects covered in the evaluation included the contribution to and monitoring of corporate governance practices, participation in the long-term strategic planning and the fulfilment of Directors' obligations and fiduciary responsibilities, including but not limited to, active participation at the Board and Committee meetings.

The Companies Act, 2013, not only mandates Board and Director Evaluation, but also requires the evaluation to be formal, regular and transparent. Subsequently, SEBI Listing Regulations has also contained the provisions regarding requirement of performance evaluation of Independent Directors by the entire Board of Directors.

The Independent Directors of the Company met separately without the presence of Non-Independent Directors and inter-alia reviewed the performance of the Members of Management, Non-Independent Directors, Board as a whole, performance of the Chairman of the Company and the Committees, after taking into consideration the views of Executive and Non-Executive Directors.

In compliance with the provisions of SEBI Listing Regulations, the Board of Directors has also carried out evaluation of every Independent Director's performance during the financial year.

19. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the provisions under Section 134(5) of the Companies Act, 2013, with respect to Directors' Responsibility Statement, the Directors confirm: -

- In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- Such accounting policies have been selected and applied consistently and the Directors have made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31 March 2024 and of the Profit and Loss of the Company for the year ended on that date;
- Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of this act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- The annual accounts of the Company have been prepared on a going concern basis;
- Internal financial controls have been laid down to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- Proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

20. ENERGY CONSERVATION, RESEARCH AND DEVELOPMENT, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

23. AUDITORS AND AUDITORS' REPORT

I.) STATUTORY AUDITORS

In terms of the provisions of Section 139 of the Companies Act, 2013, M/s. Nitin Mahajan & Associates Chartered Accountants (Firm Registration No. 019837N), were appointed as the Statutory Auditors of the Company by the Shareholders in the 12th AGM of the Company held on September 27, 2023 for a further term of 5 (Five) years from the Financial Year 2023-24 to Financial Year 2027-28. The requirement to place the matter relating to ratification of appointment by members at every AGM has been done away by the Companies (Amendment) Act, 2017 w.e.f. 07 May 2018. The notes on financial statements referred to in the Auditors' Report are self-explanatory and do not call for any further comments. The Auditors' Report does not contain any qualification, reservation or adverse remark. During the financial year, there have been no instances of fraud reported by the Statutory Auditors under Section 143(12) of Companies Act, 2013 read with rules framed thereunder, either to the Company or to the Central Government.

II.) SECRETARIAL AUDITORS

As required under Section 204(1) of the Companies Act, 2013 read with rules framed thereunder, the Company has appointed Mr. Kanwaljit Singh Thanewal, Practicing Company Secretary (M. No. 5901 & C.P. No. 5870), to conduct the Secretarial Audit for the financial year 2023-24.

The Secretarial Audit Report submitted by Mr. Kanwaljit Singh Thanewal in the prescribed form MR- 3, together with the Management Replies to the comments made by the Secretarial Auditor, is attached as '**Annexure - 4**' and forms part of this Report.

III.) COST AUDIT

As per the provisions of Section 148 read with the Cost Audit Rules, the provisions regarding Cost Audit is not applicable to the Company.

24. **CORPORATE GOVERNANCE**

At Megastar Foods Limited, it is our firm belief that the quintessence of Good Corporate Governance lies in the phrase 'Your Company'. It is 'Your Company' because it belongs to you-the Stakeholders. The Chairman and Directors are 'Your' fiduciaries and trustees.

Your Company has evolved and followed the corporate governance guidelines and best practices sincerely to not just boost long-term Shareholder value, but to also respect minority rights. We consider it our inherent responsibility to disclose timely and accurate information regarding our financials and performance, as well as the leadership and governance of the Company.

Your Company is devoted to benchmarking itself with global standards for providing Good Corporate Governance. The Companies Act, 2013 and SEBI Listing Regulations have strengthened the governance regime in the Country. Your Company is in compliance with the governance requirements provided under SEBI Listing Regulations.

The Board has also evolved and implemented a Code of Conduct based on the principles of Good Corporate Governance and best management practices being followed globally. The Code is available on the Company's website at <https://www.megastarfoods.com/>

A separate section titled 'Report on Corporate Governance' has been included in this Annual Report along with Secretarial Auditors Certificate on Corporate Governance.

25. INTERNAL FINANCIAL CONTROL SYSTEM

The Internal Financial Controls with reference to financial statements as designed and implemented by the Company are adequate and commensurate with the size, scale and complexity of its operation. The internal controls are tested for adequacy, efficiency and effectiveness through audits by the in-house internal audit department and the observations, corrective and preventative actions are reviewed by the management and Audit committee of the Board of Directors.

During financial year under review, no material or serious observation has been received from the Internal Auditors of the Company for inadequacy or ineffectiveness of such controls.

26. ADEQUACY OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS

The Companies Act, 2013, re-emphasizes the need for an effective Internal Financial Control System in the Company. The system should be designed and operated effectively. Rule 8(5)(viii) of Companies (Accounts) Rules, 2014, requires the information regarding adequacy of Internal Financial Controls with reference to the financial statements to be disclosed in the Board Report.

To ensure effective Internal Financial Controls, the Company has laid down the following measures:

- The Company's books of accounts are maintained in ERP and transactions are executed through ERP setups to ensure correctness/effectiveness of all transactions, integrity and reliability of reporting.
- The Company is having in place a Risk Management framework.
- The Company is having in place a well-defined Vigil Mechanism (Whistle Blower Policy).
- Compliance of Secretarial functions is ensured by way of Secretarial Audit.
- Compliance relating to Internal Control System of the Company is ensured by way of Internal Audit.

27. RISK MANAGEMENT

The primary objective of risk management is to protect the Company against risks to the value of the business, its capital and its continuity. In order to achieve the objective and for better governance, the Company has adopted a formal Risk Management Policy and also posted on the Company website: <https://www.megastarfoods.com/>. The Policy sets out key risk areas - financial risks (including risk to assets), legislative and regulatory risks, environmental risks (including natural disasters), operational risks (markets, production, technology, etc.), risks relating to employment and manpower, and individual large transactional risks.

The Chairman & Managing Director of the company identifies and proposes action in respect of all risks through his management team as and when any are perceived or foreseen or inherent in operations; analyses these, and then recommend it to Audit Committee for its review and further mitigation measures.

28. CREDIT RATING

The Company has not been subject to credit rating during the year under review.

29. DISCLOSURE ON DEPOSITS UNDER CHAPTER V

The Company has neither accepted nor renewed any Deposits during the Financial Year 2023-24 in terms of Chapter V of the Companies Act, 2013. Further, the Company is not having any Unpaid or Unclaimed Deposits at the end of the Financial Year.

30. PREVENTION OF SEXUAL HARASSMENT AT WORKPLACE

Your Company has zero tolerance policy in case of sexual harassment at workplace and is committed to provide a healthy environment to each and every employee of the Company. The Company has in place '**Policy for Prevention and Redressal of Sexual Harassment**' in line with the requirements of Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 (hereinafter referred "as the said act") and Rules made there under. As per the provisions of Section 4 of the said Act, the Board of Directors has constituted the Internal Complaints Committee ('ICC') at the Registered Office, Works to deal with the Complaints received by the Company pertaining to gender discrimination and sexual harassment at workplace.

Further, as per the provisions of Section 21 & 22 of the said Act, the Report on the details of the number of cases filed under Sexual Harassment and their disposal for the financial year under review, is as under:-

Sr. No.	No. of cases pending as on the beginning of the financial year under review	No. of complaints filed during the financial year under review	No. of cases pending as on the end of the financial year under review
-NIL-			

31. DEPOSITORY SYSTEMS

The Company's shares are compulsorily tradable in electronic form. As on 31 March 2024, 100% of the Company's Paid-up Equity Share Capital are in dematerialized form with both the Depositories.

The Company has established connectivity with both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

The Company has appointed M/s Skyline Financial Services Private Limited, its Registrar and Share Transfer Agent.

32. PARTICULARS OF LOAN(S), GUARANTEE(S) OR INVESTMENT(S) UNDER SECTION 186 OF THE COMPANIES ACT, 2013

As on March 31, 2024, the company has not made any investments. There were no instances of guarantee given or securities provided for the loans availed by any other party. During the period under review, the company has extended loan to its wholly owned subsidiary company M/s Megapacific Ventures Private Limited with the requisite approvals and at the prevailing interest rates for its regular business operations in ordinary course of its business and the same has been repaid by M/s Megapacific Ventures Private Limited.

The details of the loan given and the amounts outstanding thereof have been provided in the Financial Statements which forms part of the Annual Report.

33. CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES UNDER SECTION 188(1) OF THE COMPANIES ACT, 2013

In line with the requirements of the Companies Act, 2013 and amendment to the Listing Regulations, your Company has formulated a revised 'Policy on Related Party Transactions', which is also available on the Company's website at <https://www.megastarfoods.com/policies-codes-related-documents>. The Policy intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties. All transactions entered into with related parties as defined under the Companies Act, 2013 read with Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, during the year, were in the ordinary course of business and at arm's-length price.

There was no materially significant related party transaction entered into by the Company with its promoters, directors or key managerial personnel which may have potential conflict with the interest of the Company at large or which warrants the approval of the members.

Accordingly, the disclosure of related party transactions as required under Section 134(3)(h) of the Companies Act, 2013, for all the transactions covered therein, in Form AOC-2 is for the financial year ended 31 March, 2024 forms part of this report enclosed as **Annexure-5**.

Details of related party transactions entered into by the Company, in terms of IND AS-24 are disclosed in the financial statements for the financial year ended 31st March, 2024. All related party transactions were placed before the audit committee for prior approval and review on a quarterly basis and prior omnibus approval of the audit committee was obtained for the transactions which were of a repetitive nature.

34. CORPORATE SOCIAL RESPONSIBILITY

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
Megastar Foods Limited,
Plot No. 807, Industrial Area,
Phase II, Chandigarh.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by MEGASTAR FOODS LIMITED (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the company’s books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by MEGASTAR FOODS LIMITED (“the Company”) for the financial year ended on March 31, 2024, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - c) The Securities and Exchange Board of India (Share Based Employee Benefits And Sweat Equity) Regulations, 2021: Not Applicable during the financial year.

- d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 to the extent of preferential issue of equity shares during the financial year.
 - e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018: Not Applicable as there was no instance of Buy-Back during the financial year.
 - f) Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021: Not applicable during the financial year under review.
 - g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client- Not applicable as the company is not registered as Registrar to an Issue and Share Transfer Agent during the financial year under review.
 - h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021- Not applicable as the company has not delisted any securities from any stock exchange during the financial year under review.
- (vi) The major provisions and requirements have also been complied with as prescribed under other applicable laws.

I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by The Institute of Company Secretaries of India.
- b) The SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 being listed on the National Stock Exchange of India Limited and BSE Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

Based on our examination and the information received and records maintained, I further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors during the year has been carried out in compliance with the applicable regulations.
2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent well in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. All decisions are carried through majority, while the dissenting members' views, if any, are captured and recorded as part of the minutes.
4. The company has proper board processes.

Based on the compliance mechanism established by the company and on the basis of the compliance certificate(s) issued by the Company Secretary/ Officers, I am of an opinion that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines

I further report that, during the audit period:

- A. There have been instances of delays in filing of quarterly reports under Regulation 13 (3), 27(2) and 31 for the quarter ended 30th June, 2023. The SOP fines imposed by the Stock Exchanges for the same have been duly paid by the company.*
- B. The material related party transactions executed during the FY 2022-23 for which no prior approval of the members was sought, was ratified by the shareholders vide a resolution passed through postal ballot on 03.07.2023. Further, SEBI vide Show Cause Notice under Rule 4 (1) of SEBI (Procedure for Holding Enquiry and Imposing Penalties) Rules 1995, dated 13.05.2024 has intimated the initiation of Adjudication Proceedings against the company in this matter. The matter is due for personal hearing as on the date of this report.*
- C. The company, with the approval of the shareholders in EGM dated 23.12.2023, has issued 12,90,000 fully paid-up equity shares on Preferential basis. After the in-principal approval of NSE and BSE, the shares were allotted on 31.01.2024.*

The listing approval of BSE and NSE and the trading approval of both the exchange on the said shares were issued after the closure of the financial year, on account of ongoing condonation regarding intra-day trading done by one of the allottees in contravention to SEBI ICDR Regulations, 2018.

I further report that, during the audit period under review there were no instances of

- (i) Public / Rights / Preferential issue of shares / debentures / sweat equity
- (ii) Merger / amalgamation / reconstruction etc.
- (iii) Major decisions under section 180 of the Companies Act, 2013.
- (iv) Redemption / Buy-back of Securities
- (v) Foreign technical collaborations.

REPORT ON CORPORATE GOVERNANCE

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The principles of Corporate Governance are based on transparency, accountability and focus on the sustainable success of the Company over the long-term. At Megastar Foods Limited, we feel proud to belong to a Company whose visionary founders laid the foundation stone for good governance since incorporation and made it an integral principle of the business.

Responsible corporate conduct is integral to the way we do our business. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. At Megastar, we are committed to doing things the right way which means taking business decisions and acting in a way that is ethical and is in compliance with applicable legislation. Our Code of Business Conduct is an extension of our values and reflects our continued commitment to ethical business practices across our operations. We acknowledge our individual and collective responsibilities to manage our business activities with integrity. Our Code inspires us to set standards which not only meet applicable legislation but go beyond in many areas of our functioning.

To succeed, we believe, requires highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact. This is our road to consistent, competitive, profitable and responsible growth and creating long-term value for our shareholders, our people and our business partners. The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come.

The Board of Directors ('the Board') is responsible for and committed to sound principles of Corporate Governance in the Company. The Board plays a crucial role in overseeing how the management serves the short and long-term interests of shareholders and other stakeholders. This belief is reflected in our governance practices, under which we strive to maintain an effective, informed and independent Board. We keep our governance practices under continuous review and benchmark ourselves to best practices across the globe.

2. BOARD OF DIRECTORS

A. SIZE AND COMPOSITION OF BOARD

The present policy of Megastar Foods Limited regarding size and composition of the Board is to have an optimum combination of Executive and Non-Executive Directors along with Woman Director which clearly demarcate the functions of governance and management.

As on 31 March 2024, the Board comprises of 6 (Six) members, 3 (Three) of which are Independent Non-Executive Directors including 1 (One) Independent Woman Director, constituting 50% of the Board's strength and remaining 3 (Three) are Executive Promoter Directors. Out of 3 (Three) Executive Directors, 1 (One) is Chairman & Managing Director and 2 (Two) are Whole Time. The

composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations as well as the Companies Act, 2013 read with the rules issued thereunder.

B. ROTATION/REAPPOINTMENT OF DIRECTORS

RETIREMENT BY ROTATION AND SUBSEQUENT RE-APPOINTMENT

Pursuant to the provisions of Section 149(13) of the Companies Act, 2013 and Articles of Association of the Company all directors except Independent Directors are liable to retire by rotation. Accordingly, Mr. Vikas Gupta (DIN: 05123386), Whole-time Director of the Company, being the longest in the office amongst the directors liable to retire by rotation, retire from the Board by rotation this year and being eligible, has offered his candidature for re-appointment. This shall not constitute a break in his office as the Whole-time Director of the Company.

DECLARATION BY INDEPENDENT DIRECTORS

All Independent Directors of the Company have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations. In the opinion of the Board, the Independent Directors, fulfil the criteria of independence specified in Section 149(6) of the Act and Regulation 16(1) (b) of the SEBI Listing Regulations. The Independent Directors have also confirmed that they have complied with the Company's Code of Business Conduct & Ethics laid down for the Board of Directors, Senior Management Personnel and Other Employees.

Based on the disclosures received from all the Independent Directors and also in the opinion of the Board, the independent directors fulfil the conditions specified on the Companies Act, 2013 and the Listing Regulations and are independent of the management of the company.

NOMINATION AND REMUNERATION COMMITTEE

I. Composition of the Committee

As on 31 March 2024, the Nomination and Remuneration Committee of Megastar Foods Limited comprises of following Members:

Name	Designation	Category
Mr. Amit Mittal@	Chairman	Independent Non-Executive Director
Ms. Savita Bansal@	Member	Independent Non-Executive Director
Mr. Prabhat Kumar	Member	Independent Non-Executive Director
Mr. Rajiv Kathuria@	Member	Independent Non-Executive Director

@Mr. Amit Mittal ceased to be Chairman and member of NRC w.e.f. 03.04.2023.

Ms. Savita Bansal was designated as the Chairperson of NRC w.e.f. 03.04.2023.

Mr. Rajiv Kathuria was inducted as a member of NRC w.e.f. 03.04.2023.

The primary objective of the Nomination and Remuneration Committee is to screen and review individuals who are qualified to serve as Key Managerial Personnel, Executive Directors, Non-Executive Directors and Independent Directors and to recommend to Board for their appointment/change in remuneration from time to time. Also, Nomination and Remuneration Committee's primary role is to identify persons who may be appointed in Senior Management and to change their remuneration from time to time.

The Company Secretary acts as Secretary to the Committee.

II. TERMS OF REFERENCE

The role of the Nomination and Remuneration Committee of Megastar also covers such functions and scope as prescribed under Section 178 of the Companies Act, 2013 read with allied Rules framed thereunder and Regulation 19 and Part-D of Schedule II of the SEBI Listing Regulations.

- Identify persons who are qualified to become directors and may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal and shall carry out evaluation of every director's performance;
- Formulate the criteria for determining the qualifications, positive attributes and independence of a director and recommend to the Board a policy relating to the remuneration for directors, KMPs and other employees;
- Formulation of criteria for evaluation of performance of independent directors and the board of directors;
- Devising a policy on diversity of board of directors;

- Whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors;
- Determine our Company's policy on specific remuneration package for the Managing Director / Executive Director including pension rights;
- Decide the salary, allowances, perquisites, bonuses, notice period, severance fees and increment of Executive Directors;
- Define and implement the Performance Linked Incentive Scheme (including ESOP of the Company) and evaluate the performance and determine the amount of incentive of the Executive Directors for that purpose.
- Decide the amount of Commission payable to the Whole time Directors;
- Review and suggest revision of the total remuneration package of the Executive Directors keeping in view the performance of the Company, standards prevailing in the industry, statutory guidelines etc.; and
- To formulate and administer the Employee Stock Option Scheme.

Nomination and Remuneration Policy: -

Nomination and Remuneration Policy is in place for Directors, KMP's and other employees, in accordance with the provisions of the Act and Listing Regulations. The policy is available on website of the Company at www.megastarfoods.com. The criteria for performance evaluation of the Directors are covered in Nomination and Remuneration Policy of the Company.

CERTIFICATE UNDER REGULATION 17(8) OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

We confirm that:

- A. We have reviewed the Financial Statements and the Cash Flow Statements for the year ended March 31, 2024 and to the best of our knowledge and belief:
- i) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii) These statements together present a true and fair view of the Company's affair and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transaction entered into by the Company during the year which are fraudulent, illegal or violative of the Company's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and for evaluating the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit Committee:
- i) Significant changes, if any, in internal control over financial reporting during the year
 - ii) Significant changes, if any, in accounting policies made during the year and the same has been disclosed in the notes to the financial statements; and
 - iii) Instances of significant fraud of which we have become aware and the involvement therein, if any, of the Management or an employee having a significant role in the Company's internal control system over financial reporting.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS
(pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,

The Members of
Megastar Foods Limited,
Plot No. 807, Industrial Area,
Phase II, Chandigarh 160102.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Megastar Foods Limited having CIN: L15311CH2011PLC033393 and having registered office at Plot No. 807, Industrial Area, Phase II, Chandigarh (hereinafter referred to as 'the Company'), produced before us by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2024 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority.

Sr. No.	Name of the Director	DIN	Date of appointment in the company
1.	Mr. Vikas Goel	05122585	28.11.2011
2.	Mr. Vikas Gupta	05123386	28.11.2011
3.	Mr. Mudit Goyal	08099543	31.03.2018
4.	Mr. Prabhat Kumar	08099531	04.04.2018

CERTIFICATE ON CORPORATE GOVERNANCE

To

**The Members of
Megastar Foods Limited**

We have examined the compliance of the conditions of Corporate Governance by Megastar Foods Limited (“the Company”) for the Financial Year ended 31st March, 2024, as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as referred to in Regulation 15 (2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of the conditions of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as mentioned in the above mentioned Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as applicable *except that during the financial year:*

- A. *There has been instances of delays in filing of quarterly reports under Regulation 13 (3), 27(2) and 31 for the quarter ended 30th June, 2023. The SOP fines imposed for the same have been duly paid by the company.*
- B. *The material related party transactions executed during the FY 2022-23 for which no prior approval of the members was sought, was ratified by the shareholders vide a resolution passed through postal ballot on 03.07.2023. Further, SEBI vide Show Cause Notice under Rule 4 (1) of SEBI (Procedure for Holding Enquiry and Imposing Penalties) Rules 1995, dated 13.05.2024 has intimated the initiation of Adjudication Proceedings against the company in this matter. The matter is due for personal hearing as on the date of this report.*

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Assumptions & Limitation of scope and Review:

1. Compliance of the applicable laws and ensuring the authenticity of documents and information furnished, are the responsibilities of the management of the listed entity.
2. Our responsibility is to certify based upon our examination of relevant documents and information. This is neither an audit nor an expression of opinion.

3. We have not verified the correctness and appropriateness of financial Records and Books of Accounts of the listed entity.
4. This Report is solely for the intended purpose of compliance in terms of Regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and is neither an assurance as to the future viability of the listed entity nor of the efficacy or effectiveness with which the management has conducted the affairs of the listed entity.

INDEPENDENT AUDITOR'S REPORT

To the members of Megastar Foods Limited Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of MEGASTAR FOODS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules ,2015,as amended ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive profit, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by The Institute of Chartered Accountants of India (ICAI) together with the independent requirement that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone financial statements.

Key Audit Matters

Key audit matter are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion in these matters.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the management discussion and analysis, Boards report including annexure to Boards Report, Corporate Governance and Shareholders information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or other information obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of these standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.
 - (e) On the basis of the written representations received from Directors as on 31st March, 2024 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2024 from being appointed as a Director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
 - (g) With respect to the matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid by the company to its directors during the year is in accordance with the provision of Section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.
 - iv. Proviso to rule 3(1) of the Companies (Accounts) Rules 2014 for maintaining books of accounts using accounting software which has feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accounting software used by a company has Audit trail (edit log) recording facility and the same has been operated throughout the year for all the transactions recorded in the software. Also, audit trail feature has not been tampered with and the audit trail has been preserved as per the statutory requirements for retention of records.
- 2 As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013 we give in 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of MEGASTAR FOODS LIMITED ('the Company') as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and effective conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Reports on Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government in terms of Section 143 (11) of the Companies Act, 2013 ('the Act') of Megastar Foods Limited ('the Company')

- (i) (a) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment on the basis of available information.
- (b) The company, during the year under consideration, did not own any intangible asset.
- (b) As explained to us, the Property, Plant and Equipment of the Company have been physically verified by the management at reasonable intervals. According to the information and explanation given to us by the management, no material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties are held in the name of the company.
- (d) The Company has not revalued its property, plant and equipment during the year ended March 31, 2024.
- (e) As explained to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transaction (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed during such verification.
- (b) During the year, the company has been sanctioned working capital limits in excess of five crores rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. The quarterly returns or statements filed by the company with such banks or financial institutions are generally in agreement with the books of account of the Company, the differences, if any are either not material or minor in nature.
- (iii) During the year, the company had granted unsecured loan to its wholly owned subsidiary M/s Megapacific Ventures Pvt. Ltd. as covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The company has extended loan of Rs. 20.05 Crores to its wholly owned subsidiary M/s Megapacific Ventures Pvt. Ltd. which is received back before the end of financial year 31st March, 2024.
 - (b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year, prima facie, not prejudicial to the Company's interest.
 - (c) The schedule of repayment of principal and payment of interest has been stipulated for the loans granted to subsidiary and the repayment/receipts are regular.
 - (d) There are no amounts of loans granted to subsidiary company, which are overdue for more than ninety days.
 - (e) There are no amount of loan outstanding as at year end.
 - (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties.

The Company has not provided any guarantee or security or granted any advances in the nature of loans, secure or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3 (v) of the Order are not applicable to the Company.
- (vi) As informed to us, the maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii) (a) According to the records of the company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Service Tax, Goods and Service tax, Custom Duty, Excise Duty, value added tax, cess and any other statutory dues to the extent applicable, have generally been regularly deposited with the appropriate authorities. According to the information and explanations given to us there were no outstanding statutory dues as on 31st March, 2024 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax or goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, custom duty, excise duty, value added tax, Cess and other statutory dues which have not been deposited on account of any dispute.
- (viii) According to the records of the company examined by us and as per the information and explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) According to the records of the company examined by us and as per the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any financial institution or banks or lender.

(b) According to the records of the company examined by us and as per the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the records of the company examined by us and as per the information and explanations given to us, the term loans were applied for the purpose for which the loans were obtained.

(d) According to the records of the company examined by us and as per the information and explanations given to us, on an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

- (e) According to the records of the company examined by us and as per the information and explanations given to us, on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of subsidiary company.
- (f) According to the records of the company examined by us and as per the information and explanations given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiary company. Hence, the requirement to report on clause (ix) (f) of the Order is not applicable to the Company.
- (x) (a) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us, the Company has made preferential allotment or private placement of shares or fully, partially or optionally convertible debentures during the year and the requirements of section 42 and 62 of the Companies Act 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.
- (xi) (a) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

(b) No report under Section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.

(c) According to the information and explanations given to us, during the year there are no whistle blower complaints received by the company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Act, where applicable, for all transactions with related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company needs strengthening internal audit system to commensurate with the size and the nature of its business.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) According to the information and explanations given to us and based on our examination of the records of the company, the Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

- (c) According to the information and explanations given to us and based on our examination of the records of the company, the Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) (c) of the Order is not applicable to the Company.
- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company does not have any unspent amount in respect of any ongoing or other than ongoing project as at the expiry of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

Standalone Statement of Change in equity for the year ended March 31, 2024

A. Equity Share Capital:

(1) At March 31, 2024

Equity shares of INR 10 each issued, subscribed and fully paid

	Balance as at 01/04/2023	Changes in Equity Share Capital Due to prior period errors	Restated balance at the beginning of the current reporting period	Changes in equity share capital during the current year	Balance as at 31/03/2024
No. in lakhs	100.037	-	-	12.90	112.94
INR in lakhs	1,000.37	-	-	129.00	1,129.37

(2) At March 31, 2023

Equity shares of INR 10 each issued, subscribed and fully paid

	Balance as at 01/04/2022	Changes in Equity Share Capital Due to prior period errors	Restated balance at the beginning of the current reporting period	Changes in equity share capital during the current year	Balance as at 31/03/2023
No. in lakhs	100.037	-	-	-	100.04
INR in lakhs	1,000.37	-	-	-	1,000.37

B. Other Equity

(INR in lakhs)

(1) At March 31, 2024

Particulars	Reserves and Surplus			Total
	Securities Premium	Retained Earning	Other Reserve Sh. Ganesh Ji Maharaj	
Balance at the beginning of the current reporting period	534.60	3,029.84	0.02	3,564.46
Change in accounting policy or prior period errors	-	-	-	-
Restated balance at the beginning of the current reporting period	534.60	3,029.84	0.02	3,564.46
Total Comprehensive Income for the current year	-	615.53	-	615.53
Dividends	-	-	-	-
Transfer to retained earnings	-	-	-	-
Share capital issued at premium during the year	4,076.40	-	-	4,076.40
Any other change (share issue expenses)	(232.90)	-	-	(232.90)
Balance at the end of the current reporting period	4,378.10	3,645.36	0.02	8,023.49

(2) At March 31, 2023

Balance at the beginning of the current reporting period	534.60	2,054.55	0.02	2,589.17
Change in accounting policy or prior period errors	-	-	-	-
Restated balance at the beginning of the current reporting period	534.60	2,054.55	0.02	2,589.17
Total Comprehensive Income for the current year	-	971.58	-	971.58
Dividends	-	-	-	-
Transfer to retained earnings	-	-	-	-
Share capital issued at premium during the year	-	-	-	-
Any other change (to be specified)	-	3.71	-	3.71
Balance at the end of the previous reporting period	534.60	3,029.84	0.02	3,564.46

Notes Forming Part of Financial Statements for the year ended March 31, 2024

1 Corporate Information

Megastar Foods Limited (the Company) is a public limited company and is incorporated under the provisions of the Companies Act, 1956. The Company's shares are listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) in India. The registered office of the company is located at Plot No. 807, Industrial Area, Phase II, Chandigarh and plant at Village Solkhian, District Rupnagar, Punjab. The company has a wholly owned subsidiary (100%) namely Megapacific Ventures Pvt. Ltd.

The Company is primarily engaged in the manufacturing of food-based products such as wheat flour and allied flour products like refined flour (maida), Semolina (suji), Bran etc.

The financial statements were authorized for issue in accordance with a resolution by the Board of Directors of the Company on 20.05.2024

2 Significant Accounting Policies

2.1 Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis except for the following assets and liabilities which have been measured at fair value:

- a. Plan assets under defined benefit plans.
- b. Certain financial assets and liabilities.

The financial information are presented in Indian Rupees (INR) and all values are rounded to the nearest lakhs, except where otherwise indicated.

(ii) Use of estimates and judgments

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a. Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the wide range of business relationships and the long term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective domicile of the companies.

b. Defined benefit plans

The cost of defined benefit plans (i.e. Gratuity benefit) is determined using actuarial valuations. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. In determining the appropriate discount rate, management considers the interest rates of long term government bonds with extrapolated maturity corresponding to the expected duration of the defined benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Future salary increases and pension increases are based on expected future inflation rates.

c. Fair value measurement of financial instrument

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

d. Useful lives of PPE:

The Company reviews the useful life of PPE at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

2.2 Summary of Significant Accounting Policies:

2.2.1 Property, Plant & Equipment (PPE):

Property, Plant and equipment including capital work in progress are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprise of purchase price, taxes, duties, freight and other incidental expenses directly attributable and related to acquisition and installation of the concerned assets and are further adjusted by the amount of GST credit availed wherever applicable. Cost includes borrowing cost for long term construction projects if recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their respective useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

The company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Capital work- in- progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

In respect of others assets, depreciation is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life is as follows:

Sr. No.	Nature of asset	Useful Life (years)
1	Building	30 years
2	Plant & Machinery (including lab equipments)	10-15 years
3	Furniture & Fixtures & Electrical Installations	10 years
4	Vehicles	8-10 years
5	Office equipments	5 years
6	Computer & Software	3 years

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

2.2.2 Current versus Non Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

2.2.3 Inventories:

Inventories (other than by-products) are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials/ Stores & Spares: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.

Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

By-products i.e. Refraction are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.2.4 Employee Benefits:

(a) Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's service up to the end of reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligation in the balance sheet.

(b) Other Long term employee benefit obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured based on the actuarial valuation using projected unit credit method at the year end. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the term of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

(c) Post-employment obligations:

The Company operates the following post-employment schemes:

- (1) defined benefit plans such as gratuity; and
- (2) defined contribution plans such as provident fund and ESI.

Gratuity Obligations:

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The amount of the actuarial valuation of the gratuity of employees at the year-end is provided for as liability in the books.

Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit (liabilities/assets). The Company recognized the following changes in the net defined benefit obligation under employee benefit expenses in statement of profit and loss

i. Service cost comprising current service cost, past service cost, gain & loss on curtailments and non-routine settlements.

ii. Net interest expenses or income

2.2.5 Taxes:

Current Income Tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 (as amended) and Income Computation and Disclosure Standards (ICDS) enacted in India by using the tax rates and tax laws that are enacted or substantively enacted, at the reporting date in India where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction relating to OCI & Equity either in OCI (Other Comprehensive Income) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax:

Deferred tax is provided using the liability method on temporary differences between the tax basis of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction related to OCI & Equity either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax including Minimum Alternate Tax (MAT) recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during specified period, i.e. the period for which MAT credit is allowed to be carried forward. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Goods & Service Tax (GST) on acquisition of assets or on incurring expenses:

Expenses and assets are recognised net of the amount of GST paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included
The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current assets or other current liabilities in the balance sheet.

2.2.6 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets:

The Company classified its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income or through profit & loss)
- Those measured at amortized cost

Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a Business model test : The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes), and
- b Cash flow characteristics test : Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate to the gross carrying amount of financial assets. When calculating the effective interest rate the Company estimates the expected cash flow by considering all contractual terms of the financial instruments. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for financial instruments. Any financial instrument, which does not meet the criteria for amortized cost or FVTOCI (Fair value through Other Comprehensive Income), is classified as at FVTPL. A gain or loss on a Debt instrument that is subsequently measured at FVTPL and is not a part of a hedging relationship is recognized in statement of profit or loss and presented net in the statement of profit and loss within other gains or losses in the period in which it arises. Interest income from these Debt instruments is included in other income.

Equity instruments measured at Cost

Equity instruments / Investments in subsidiaries are accounted at cost in accordance with Ind AS 27 - Separate Financial Statements.

Derecognition:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in statement of profit and loss if such gain or loss would have otherwise been recognised in statement of profit and loss on disposal of that financial asset.

Impairment of financial assets:

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit and loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in statement of profit and loss.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. As a practical expedient, the Company uses a provision matrix to determine impairment loss of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. The ECL loss allowance (or reversal) during the year is recognised in the statement of profit and loss.

Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

(b) Financial Liabilities:

Initial recognition and measurement:

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. The Company's financial liabilities include loans and borrowings including bank overdraft, trade payable, trade deposits and other payables.

Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

Trade Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 0-180 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using EIR method.

Financial Liabilities at fair value through profit & loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognised in OCI. These gains/ losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Loans & Borrowings:

Borrowings are initially recognised at fair value, net of transaction cost incurred. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR (Effective Interest Rate) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortization process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.2.7 Cash & Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks; cash in hand, other short term deposits with original maturities of three months or less which are subject to an insignificant risk of changes in value.

2.2.8 Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the best estimate.

Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

2.2.9 Revenue Recognition:

The Company earns revenue primarily from sales of wheat products.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Contract assets are recognised when there is excess of revenue earned over billings on contracts.

Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there is a billing in excess of revenues.

Contracts are subject to modification to account for changes in contract specification and requirements. The Company reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

Interest income:

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Use of significant judgments in revenue recognition

- The Company's contracts with customers could include promises to transfer multiple products to a customer. The Company assesses the products promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.
- Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.
- The Company uses judgement to determine an appropriate standalone selling price for a performance obligation. The Group allocates the transaction price to each performance obligation on the basis of the relative stand-alone selling price of each distinct product promised in the contract. Where standalone selling price is not observable, the Company uses the expected cost plus margin approach to allocate the transaction price to each distinct performance obligation.
- The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

2.2.10 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

The Company, as a lessee, recognises a right-of-use of asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

Company as a Lessor

Lease income from operating lease where the Company is a lessor is recognized in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate the lessor for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their respective nature.

2.2.11 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (a) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (b) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (c) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring and non-recurring fair value measurement, such as derivative instruments measured at fair value.

External valuers are involved for valuation of significant assets, such as properties and financial assets and significant liabilities. Involvement of external valuers is decided upon annually by the management. The management decided, after discussions with the Company's external valuers which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies.

The management in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.2.12 Borrowing Costs:

Borrowing cost includes interest expense as per effective interest rate [EIR]. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset until such time that the asset are substantially ready for their intended use. Where funds are borrowed specifically to finance a project, the amount capitalized represents the actual borrowing incurred. Where surplus funds are available out of money borrowed specifically to finance project, the income generated from such current investments is deducted from the total capitalized borrowing cost. Where funds used to finance a project form part of general borrowings, the amount capitalized is calculated using a weighted average of rate applicable to relevant general borrowing of the Company during the year. Capitalisation of borrowing cost is suspended and charged to profit and loss during the extended periods when the active development on the qualifying project is interrupted. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to the borrowing costs.

2.2.13 Impairment of Non Financial Assets:

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company basis its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses of operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

After impairment depreciation is provided on the revised carrying amount of the asset over its remaining economic life.

An assessment is made in respect of assets at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

2.2.14 Foreign Currency Transactions:

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in statement of profit and loss except for those which are designated as hedging instruments in a hedging relationship.

Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.

For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in statement of profit and loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in the statement of profit and loss.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in statement of profit and loss.

2.2.15 Government Grants:

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset. However if any export obligation is attached to the grant related to an asset, it is recognized as income on the basis of accomplishment of the export obligation.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

2.2.16 Intangible Assets:

- (a) Purchased Intangible assets are measured at cost as at the date of acquisition, less accumulated amortization and impairment losses if any. For this purpose, cost includes deemed cost on the date of transition and acquisition price, license fees, non-refundable taxes and costs of implementation/system integration services and any directly attributable expenses, wherever applicable for bringing the asset to its working condition for the intended use.
- (b) Amortization methods, estimated useful lives and residual value Intangible assets are amortized on a straight-line basis (without keeping any residual value) over its estimated useful lives of five years from the date they are available for use. The estimated useful lives, residual values and amortization method are reviewed at the end of each financial year and are given effect to, wherever appropriate.
- (c) The cost and related accumulated amortization are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

2.2.17 Investment in Subsidiary

The Company's investments in its subsidiary is accounted for at cost.

2.2.18 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use.

Non-current assets and disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell. This condition is regarded as met only when the sale is probable and the asset or disposal group is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately from other assets in the balance sheet. The non current assets after being classified as held for sale are not depreciated or amortized.

2.2.19 Earnings per share

Basic and diluted earnings per Equity Share are computed in accordance with Indian Accounting Standard 33 'Earnings per Share', notified accounting standard by the Companies (Indian Accounting Standards) Rules of 2015 (as amended). Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holder of company (after deducting preference dividends and attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The company has not granted any loans to promoters, director, KMPs and the related parties (as defined under Companies Act, 2013) either severally or jointly with any other person during the year under consideration.

Terms and conditions of transactions with related parties

The sales to and purchases from related parties, if any are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended March 31, 2024, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2024: Nil, March 31, 2023: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Deferred Tax:

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Corporate Social Responsibility:

During the year, the amount spent on corporate social responsibility activities amounted to INR 17.50 Lakhs (31 March 2023: 11.89 lakhs) in accordance with Section 135 of the Act, 2013. The following amounts were actually spent during the current and previous year

Particulars	(INR in lakhs)	
	31-Mar-24	31-Mar-23
(i) Amount required to be spent by the company during the year	17.40	11.77
(ii) Amount of expenditure incurred	17.50	11.89
(iii) Shortfall at the end of the year	NIL	NIL
(iv) Nature of CSR activities	Expenses on Eradicating Hunger, Promotion of Education to Poor and Needy Children	Expenses on animal welfare, healthcare & sanitation facilities and Swachh Bharat mission

Security premium:

As per sub-section 2 of Section 52 of The Companies Act, 2013 the securities premium account may be applied by the company in writing off the expenses of, or the commission paid or discount allowed on, any issue of shares or debentures of the company. During the year, Company issued 12,90,000 shares @ Rs. 326 each (including premium of Rs. 316 per share). Expenses incurred on issue of new shares amounting to Rs. 232.90 lakhs were adjusted with the balance of security premium account.

(INR in lakhs)			
Opening Security premium balance	From new issue	Towards issue expenses	Closing balance
534.60	4,076.40	232.90	4,378.10

Bills for an estimated amount of INR 3 Crores concerning the issuance of share capital are awaited. As the precise amount is undetermined and the bills have not yet been received, the expense will be written off from the Securities Premium account once the invoices are received.

Earning per Share:

As per IND AS 33, Basic earnings per share shall be calculated by dividing profit or loss attributable to ordinary equity holders of the parent entity (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period. Following is the calculation of weighted average number of ordinary shares outstanding at the end of year:

Particulars	(INR in lakhs)	
	2023-24	2022-23
Net profit to equity shareholders	616.33	961.71
Shares outstanding at start of the year	100.037	100.037
Shares issued during the year	12.90	-
Share holding period for new shares (issued on 31-01-2024) (In months)	2	-
Weighted average number of shares	102.19	100.04
Basic and Diluted Earnings Per Share	6.03	9.61
Face Value per Share	10.00	10.00

Employee Benefits:

The Company has a defined benefit gratuity plan. Under Gratuity Plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service.

The gratuity plan is governed by the Payment of Gratuity Act, 1972. The level of benefits provided depends on the member's length of service and salary at retirement age.

Description of Risk Exposures

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow:

i) Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

ii) Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.

iii) Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

iv) Investment Risk – The plan is unfunded hence the greatest risk to the beneficiary is that there are insufficient funds available to provide the promised benefits. This may be due to (a) The insufficient funds set aside, i.e. underfunding; (b) The insolvency of the Employer; (c) The holding of investments which are not matched to the liabilities; or (d) a combination of these events

Defined Contribution Plan

Contribution to defined contribution plan, recognized as expense for the year is as under:

(INR in lakhs)

Particulars	2023-24	2022-23
Employer's contribution towards Provident Fund	21.07	14.36

Fair Value of Financial Instruments

The comparison of carrying value and fair value of financial instruments by categories that are not measured at fair value are as follows:

The management assessed that trade receivables, cash and cash equivalents, other bank balances, loans and advances to related parties, interest receivable, trade payables, capital creditors, other current financial assets and liabilities are considered to be the same as their fair values.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

(INR in lakhs)

Category	Note No.	Carrying Value		Fair Value	
		31-03-2024	31-03-2023	31-03-2024	31-03-2023

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs that have a significant effect on the-recorded fair value are observable, either directly or indirectly

Level 3: Techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial risk management objectives and policies

The Company has instituted an overall risk management programme which also focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. Financial risk management is carried out by Finance department under policies approved by the Board of Directors from time to time. The Finance department, evaluates and hedges financial risks in close co-operation with the various stakeholders. The Board of Directors approves written principles for overall financial risk management, as well as written policies covering specific areas, such as credit risk, use of derivative financial instruments and non-derivative financial instruments.

The Company is exposed to market risk, credit risk and liquidity risk. These risks are managed pro-actively by the Senior Management of the Company, duly supported by various Groups and Committees.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company employs prudent liquidity risk management practices which inter alia means maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. Given the nature of the underlying businesses, the corporate finance maintains flexibility in funding by maintaining availability under committed credit lines and this way liquidity risk is mitigated by the availability of funds to cover future commitments. Cash flow forecasts are prepared and the utilized borrowing facilities are monitored on a daily basis and there is adequate focus on good management practices whereby the collections are managed efficiently. The Company while borrowing funds for large capital project, negotiates the repayment schedule in such a manner that these match with the generation of cash on such investment. Longer term cash flow forecasts are updated from time to time and reviewed by the Senior management of the Company.

The table below represents the maturity profile of Company's financial liabilities at the end March 31, 2024 and March 31, 2023 based on contractual undiscounted payments:-

(INR in lakhs)

Total		5,685.37	5,782.44

Credit Risk

Credit Risk is the risk that the counter party will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks, foreign exchange transactions and other financial assets.

(i) Trade receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Management evaluate credit risk relating to customers on an ongoing basis. Receivable control management team assess the credit quality of the customer, taking into account its financial position, past experience and other factors. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on group/category basis. The calculation is based on exchange losses, historical data and available facts as on date of evaluation. Trade receivables comprise a customer base including FMCG companies, dealers and retail customers. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

(ii) Financial instruments and cash deposit

Credit risk from balances with banks and financial institutions is managed by the Company's Finance department team in accordance with the Company's policy. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counter party's potential failure to make payments. Credit limits of all authorities are reviewed by the management on regular basis. All balances with banks and financial institutions is subject to low credit risk due to good credit ratings assigned to the Company.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risks comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loans and borrowings. The sensitivity analyses in the following sections relate to the position as at March 31, 2024 and March 31, 2023. The analyses exclude the impact of movements in market variables on; the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of at March 31, 2024 and March 31, 2023.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue, expense or capital expenditure is denominated in foreign currency). The company is not exposed to material foreign currency risk.

Interest rate risk

Interest rate is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligation at floating interest rates which is not material.

Commodity price risk

The Company is affected by the price volatility of certain commodities. Its operating activities require the ongoing purchase of raw material and therefore requires a continues supply. The Company operations may impact due to changes in prices of those raw materials.

Commodity price sensitivity of Raw material

Nature	Change in year-end price	(INR in lakhs)	
		Effect on	profit before tax

For the year ended March 31, 2023	5%		-779.99
For the year ended March 31, 2023	-5%		779.99

Capital Management

For the purpose of the Company's capital management, capital includes issued equity attributable to the equity shareholders of the Company, security premium and all other equity reserves. The primary objective of the Company's capital management is that it maintain an efficient capital structure and maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net interest bearing debt divided by total capital attributable to shareholders. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents, other bank balances which are free.

INDEPENDENT AUDITOR'S REPORT

To the members of Megastar Foods Limited Report on the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of MEGASTAR FOODS LIMITED ("the Company"), its subsidiary (the Parent Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at March 31 2024, the Consolidated Statement of Profit and Loss, including Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules ,2015,as amended ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive profit, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of these standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors.

We communicate with those charged with governance of the Parent Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

The consolidated annual financial results include the audited financial statements of one wholly owned subsidiary i.e. MegaPacific Ventures Private Limited, whose financial statements reflects total asset of Rs. 312.21 lakhs as at 31 March 2024, total revenue of Rs. 2095.68 lakhs, total net profit of Rs. 15.92 lakhs, and cash inflow of Rs. 83.46 lakhs for the year ended on that date, as considered in the consolidated annual financial results, which have been audited by its independent auditor's. The independent auditor's report on financial statements of this entity have been furnished to us by the management and our statement in so far it relates to the amounts and disclosures included in respect to the subsidiary is based solely on the reports of such auditor.

Report on Other Legal and Regulatory Requirements

- 1 As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books;
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
 - (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors of the Parent Company and its subsidiary as on March 31, 2024 taken on record by the respective Board of Directors of the Parent Company and its subsidiary, none of the directors of the Group's companies is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements of the Parent Company and its subsidiary company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report.
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid / provided by the Parent Company and its subsidiary company to their directors in accordance with the provisions of section 197 read with Schedule V to the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group does not have any pending litigations which would impact its financial position;
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which required to be transferred by the Group to the Investor Education and Protection Fund.
 - iv. Proviso to rule 3(1) of the Companies (Accounts) Rules 2014 for maintaining books of accounts using accounting software which has feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accounting software used by a company has Audit trail (edit log) recording facility and the same has been operated throughout the year for all the transactions recorded in the software. Also, audit trail feature has not been tampered with and the audit trail has been preserved as per the statutory requirements for retention of records.
- 2 With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanation given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to Consolidated Financial Statements of the Parent Company and its subsidiary (the Parent Company and its subsidiary together referred to as "the Group"), which are companies incorporated in India, as of March 31, 2024, in conjunction with our audit of the Consolidated Financial Statements of the parent company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Parent Company's internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Parent Company and its subsidiary companies, which are companies incorporated in India, have maintained in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes Forming Part of Consolidated Financial Statements for the year ended March 31, 2024

1 Corporate Information

Megastar Foods Limited (the Company) is a public limited company and is incorporated under the provisions of the Companies Act, 1956. The Company's shares are listed on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited. The registered office of the company is located at Plot No. 807, Industrial Area, Phase II, Chandigarh and plant at Village Solkhan, District Rupnagar, Punjab. The company has a wholly owned subsidiary (100%) namely Megapacific Ventures Pvt. Ltd.

The Company is primarily engaged in the manufacturing of food-based products such as wheat flour and allied flour products like refined flour (maida), Semolina (suji), Bran etc.

The financial statements were authorized for issue in accordance with a resolution by the Board of Directors of the Company on 20.05.2024

2 Significant Accounting Policies

2.1 Basis of Principles of Consolidation

- (i) The consolidated financial statements of Megastar Foods Limited and its subsidiary (hereinafter referred to as "the Group") have been prepared in accordance with the applicable accounting standard relating to preparation of consolidated financial statements.
- (ii) The consolidated financial statements comprise the audited financial statements of following entities:
 - Megastar Foods Limited, a company incorporated in India ("holding company")
 - Megapacific Ventures Private Limited, a wholly owned subsidiary company, incorporated in India
- (iii) The financial statements of the holding company and its subsidiary are consolidated on a line by line basis adding together the book values of like items of assets, liabilities, incomes and expenses. The effects of inter-company transactions are eliminated in consolidation.
- (iv) The difference between the proceeds from disposal of investment in subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated statement of profit and loss, being the profit or loss on disposal of investment in subsidiary.
- (v) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.

2.2 Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis except for the following assets and liabilities which have been measured at fair value:

- a. Plan assets under defined benefit plans.
- b. Certain financial assets and liabilities.

The financial information are presented in Indian Rupees (INR) and all values are rounded to the nearest lakhs, except where otherwise indicated.

(ii) Use of estimates and judgments

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a. Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the wide range of business relationships and the long term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective domicile of the companies.

b. Defined benefit plans

The cost of defined benefit plans (i.e. Gratuity benefit) is determined using actuarial valuations. An actuarial valuation involves making various assumptions which may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. In determining the appropriate discount rate, management considers the interest rates of long term government bonds with extrapolated maturity corresponding to the expected duration of the defined benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Future salary increases and pension increases are based on expected future inflation rates.

c. Fair value measurement of financial instrument

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

d. Useful lives of PPE:

The Company reviews the useful life of PPE at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

2.3 Summary of Significant Accounting Policies:

2.3.1 Property, Plant & Equipment (PPE):

Property, Plant and equipment including capital work in progress are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprise of purchase price, taxes, duties, freight and other incidental expenses directly attributable and related to acquisition and installation of the concerned assets and are further adjusted by the amount of GST credit availed wherever applicable. Cost includes borrowing cost for long term construction projects if recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their respective useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

The company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Capital work- in- progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

In respect of others assets, depreciation is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management and in the manner prescribed in Schedule II of the Companies Act 2013. The useful life is as follows:

Sr. No.	Nature of asset	Useful Life (years)
1	Building	30 years
2	Plant & Machinery (including lab equipments)	10-15 years
3	Furniture & Fixtures & Electrical Installations	10 years
4	Vehicles	8-10 years
5	Office equipments	5 years
6	Computer & Software	3 years

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

2.3.2 Current versus Non Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

2.3.3 Inventories:

Inventories (other than by-products) are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials/ Stores & Spares : cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.

Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

By-products i.e. Refraction are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.3.4 Employee Benefits:

(a) Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's service up to the end of reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligation in the balance sheet.

(b) Other Long term employee benefit obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured based on the actuarial valuation using projected unit credit method at the year end. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the term of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

(c) Post-employment obligations:

The Company operates the following post-employment schemes:

- (1) defined benefit plans such as gratuity; and
- (2) defined contribution plans such as provident fund and ESI.

Gratuity Obligations:

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. The amount of the actuarial valuation of the gratuity of employees at the year-end is provided for as liability in the books.

Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit (liabilities/assets). The Company recognized the following changes in the net defined benefit obligation under employee benefit expenses in statement of profit and loss

- i. Service cost comprising current service cost, past service cost, gain & loss on curtailments and non-routine settlements.
- ii. Net interest expenses or income

2.3.5

Taxes:

Current Income Tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 (as amended) and Income Computation and Disclosure Standards (ICDS) enacted in India by using the tax rates and tax laws that are enacted or substantively enacted, at the reporting date in India where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction relating to OCI & Equity either in OCI (Other Comprehensive Income) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax:

Deferred tax is provided using the liability method on temporary differences between the tax basis of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction related to OCI & Equity either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax including Minimum Alternate Tax (MAT) recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during specified period, i.e. the period for which MAT credit is allowed to be carried forward. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Goods & Service Tax (GST) on acquisition of assets or on incurring expenses:

Expenses and assets are recognised net of the amount of GST paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included
The net amount of tax recoverable from, or payable to, the taxation authority is included as part of other current assets or other current liabilities in the balance sheet.

2.3.6 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets:

The Company classified its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income or through profit & loss)
- Those measured at amortized cost

Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a Business model test : The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes), and
- b Cash flow characteristics test : Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate to the gross carrying amount of financial assets. When calculating the effective interest rate the Company estimates the expected cash flow by considering all contractual terms of the financial instruments. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for financial instruments. Any financial instrument, which does not meet the criteria for amortized cost or FVTOCI (Fair value through Other Comprehensive Income), is classified as at FVTPL. A gain or loss on a Debt instrument that is subsequently measured at FVTPL and is not a part of a hedging relationship is recognized in statement of profit or loss and presented net in the statement of profit and loss within other gains or losses in the period in which it arises. Interest income from these Debt instruments is included in other income.

Derecognition:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in statement of profit and loss if such gain or loss would have otherwise been recognised in statement of profit and loss on disposal of that financial asset.

Impairment of financial assets:

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit and loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in statement of profit and loss.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. As a practical expedient, the Company uses a provision matrix to determine impairment loss of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. The ECL loss allowance (or reversal) during the year is recognised in the statement of profit and loss.

Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

(b) Financial Liabilities:

Initial recognition and measurement:

Financial liabilities are classified at initial recognition as financial liabilities at fair value through profit or loss, loans and borrowings, and payables, net of directly attributable transaction costs. The Company's financial liabilities include loans and borrowings including bank overdraft, trade payable, trade deposits and other payables.

Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

Trade Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 0-180 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using EIR method.

Financial Liabilities at fair value through profit & loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk is recognised in OCI. These gains/ losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Loans & Borrowings:

Borrowings are initially recognised at fair value, net of transaction cost incurred. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR (Effective Interest Rate) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortization process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.3.7 Cash & Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks; cash in hand, other short term deposits with original maturities of three months or less which are subject to an insignificant risk of changes in value.

2.3.8 Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the best estimate.

Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

2.3.9 Revenue Recognition:

The Company earns revenue primarily from sales of wheat products.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Contract assets are recognised when there is excess of revenue earned over billings on contracts.

Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there is a billing in excess of revenues.

Contracts are subject to modification to account for changes in contract specification and requirements. The Company reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

Interest income:

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Use of significant judgments in revenue recognition

- The Company's contracts with customers could include promises to transfer multiple products to a customer. The Company assesses the products promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.
- Judgement is also required to determine the transaction price for the contract. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

- The Company uses judgement to determine an appropriate standalone selling price for a performance obligation. The Group allocates the transaction price to each performance obligation on the basis of the relative stand-alone selling price of each distinct product promised in the contract. Where standalone selling price is not observable, the Company uses the expected cost plus margin approach to allocate the transaction price to each distinct performance obligation.
- The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

2.2.10 Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangement entered into prior to April 1, 2020, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

The Company, as a lessee, recognises a right-of-use of asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

Company as a Lessor

Lease income from operating lease where the Company is a lessor is recognized in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate the lessor for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their respective nature.

2.3.11 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (a) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (b) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (c) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring and non-recurring fair value measurement, such as derivative instruments measured at fair value.

External valuers are involved for valuation of significant assets, such as properties and financial assets and significant liabilities. Involvement of external valuers is decided upon annually by the management. The management decided, after discussions with the Company's external valuers which valuation techniques and inputs to use for each case.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies.

The management in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.2.12 Borrowing Costs:

Borrowing cost includes interest expense as per effective interest rate [EIR]. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset until such time that the asset are substantially ready for their intended use. Where funds are borrowed specifically to finance a project, the amount capitalized represents the actual borrowing incurred. Where surplus funds are available out of money borrowed specifically to finance project, the income generated from such current investments is deducted from the total capitalized borrowing cost. Where funds used to finance a project form part of general borrowings, the amount capitalized is calculated using a weighted average of rate applicable to relevant general borrowing of the Company during the year. Capitalisation of borrowing cost is suspended and charged to profit and loss during the extended periods when the active development on the qualifying project is interrupted. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to the borrowing costs.

2.3.13 Impairment of Non Financial Assets:

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company basis its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses of operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

After impairment depreciation is provided on the revised carrying amount of the asset over its remaining economic life.

An assessment is made in respect of assets at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

2.3.14 Foreign Currency Transactions:

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in statement of profit and loss except for those which are designated as hedging instruments in a hedging relationship.

Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.

For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in statement of profit and loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in the statement of profit and loss.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in statement of profit and loss.

2.2.15 Government Grants:

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset. However if any export obligation is attached to the grant related to an asset, it is recognized as income on the basis of accomplishment of the export obligation.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

2.3.16 Intangible Assets:

- (a) Purchased Intangible assets are measured at cost as at the date of acquisition, less accumulated amortization and impairment losses if any. For this purpose, cost includes deemed cost on the date of transition and acquisition price, license fees, non-refundable taxes and costs of implementation/system integration services and any directly attributable expenses, wherever applicable for bringing the asset to its working condition for the intended use.
- (b) Amortization methods, estimated useful lives and residual value Intangible assets are amortized on a straight-line basis (without keeping any residual value) over its estimated useful lives of five years from the date they are available for use. The estimated useful lives, residual values and amortization method are reviewed at the end of each financial year and are given effect to, wherever appropriate.
- (c) The cost and related accumulated amortization are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

2.3.17 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use.

Non-current assets and disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell. This condition is regarded as met only when the sale is probable and the asset or disposal group is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately from other assets in the balance sheet. The non current assets after being classified as held for sale are not depreciated or amortized.

2.3.18 Earnings per share

Basic and diluted earnings per Equity Share are computed in accordance with Indian Accounting Standard 33 'Earnings per Share', notified accounting standard by the Companies (Indian Accounting Standards) Rules of 2015 (as amended). Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holder of company (after deducting preference dividends and attributable taxes, if any) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The company has not granted any loans to promoters, director, KMPs and the related parties (as defined under Companies Act, 2013) either severally or jointly with any other person during the year under consideration.

Terms and conditions of transactions with related parties

The sales to and purchases from related parties, if any are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended March 31, 2024, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2024: Nil, March 31, 2023: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

29.3 Corporate Social Responsibility:

During the year, the amount spent on corporate social responsibility activities amounted to INR 17.50 Lakhs (31 March 2023: 11.89 lakhs) in accordance with Section 135 of the Act, 2013. The following amounts were actually spent during the current and previous year

Particulars	31-Mar-24	31-Mar-23
-------------	-----------	-----------

(i) Amount required to be spent by the company during the year	17.40	11.77
(ii) Amount of expenditure incurred	17.50	11.89
(iii) Shortfall at the end of the year	NIL	NIL

29.4 Security premium:

As per sub-section 2 of Section 52 of The Companies Act, the securities premium account may be applied by the company in writing off the expenses of, or the commission paid or discount allowed on, any issue of shares or debentures of the company. During the year, Company issued 12,90,000 shares @ Rs. 326 each (including premium of Rs. 316). Expenses incurred on issue of new shares amounting to Rs. 232.90 lakhs were adjusted with the balance of security premium account.

Opening Security premium balance	From new issue	Towards expenses	Closing balance
534.60	4,076.40	232.90	4,378.10

Bills for an estimated amount of INR 3 Crores concerning the issuance of share capital are awaited. As the precise amount is undetermined and the bills have not yet been received, the expense will be written off from the Securities Premium account on finalisation of amount.

29.5 Earning per Share:

As per IND AS 33, Basic earnings per share shall be calculated by dividing profit or loss attributable to ordinary equity holders of the parent entity (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period. Following is the calculation of weighted average number of ordinary shares outstanding at the end of year:

Particulars	2023-24	2022-23
Net profit to equity shareholders	632.25	1,008.20
	-	-
Shares outstanding at start of the year	100.04	100.04
Shares issued during the year	12.90	-
Share holding period for new shares (issued on 31-01-2024) (In	2.00	-
	-	-
Weighted average number of shares	102.19	100.04
Basic and Diluted Earnings Per Share	6.19	10.08
Face Value per Share	10	10

29.6 Employee Benefits:

The Company has a defined benefit gratuity plan. Under Gratuity Plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service.

The gratuity plan is governed by the Payment of Gratuity Act, 1972. The level of benefits provided depends on the member's length of service and salary at retirement age.

Description of Risk Exposures

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow:

- Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- Investment Risk – The plan is unfunded hence the greatest risk to the beneficiary is that there are insufficient funds available to provide the promised benefits. This may be due to (a) The insufficient fund set aside, i.e. underfunding; (b) The insolvency of the Employer; (c) The holding of investments which are not matched to the liabilities; or (d) a combination of these events

A. Defined Contribution Plan

Contribution to defined contribution plan, recognized as expense for the year is as under:

Particulars	INR in lakhs	
	2023-24	2022-23
Employer's contribution towards Provident Fund	21.07	14.36
Employer's contribution towards ESI	5.27	4.51

B. Defined Benefit Plan

General description of the plan:

Gratuity	Leave Encashment
Unfunded	Unfunded

C. Method of valuation: Projected unit Credit Method

D. Reconciliation of opening and closing balance of defined benefit obligation:

Item	(INR in lakhs)

The Company at present is engaged in the business of manufacture and sale of wheat products, which constitutes a single business segment.

29.8

Particulars	March 31, 2024	March 31, 2023
Value of imports calculated on CIF basis in respect of Raw Material	-	-
Expenses in foreign exchange	748.86	1,090.75
Foreign currency exposure not hedged by derivative or forward contract as on last day of the year	-	-
Earnings in foreign exchange	30.03	167.45

29.9 Fair Value of Financial Instruments

The comparison of carrying value and fair value of financial instruments by categories that are not measured at fair value are as follows:

The management assessed that trade receivables, cash and cash equivalents, other bank balances, loans and advances to related parties, interest receivable, trade payables, capital creditors, other current financial assets and liabilities are considered to be the same as their fair values, due to their nature.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

Category	Note No.	Carrying Value		Fair Value	
		March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023

INR

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs that have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: Techniques that use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

(i) Quantitative disclosure of fair value measurement hierarchy for financial assets

Particulars	Carrying value	Fair Value		
		Level 1	Level 2	Level 3
		Level 1	Level 2	Level 3

29.10 Financial risk management objectives and policies

The Company has instituted an overall risk management programme which also focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. Financial risk management is carried out by Finance department under policies approved by the Board of Directors from time to time. The Finance department, evaluates and hedges financial risks in close co-operation with the various stakeholders. The Board of Directors approves written principles for overall financial risk management, as well as written policies covering specific areas, such as credit risk, use of derivative financial instruments and non-derivative financial instruments.

The Company is exposed to market risk, credit risk and liquidity risk. These risks are managed pro-actively by the Senior Management of the Company, duly supported by various Groups and Committees.

(a) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company employs prudent liquidity risk management practices which inter alia means maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. Given the nature of the underlying businesses, the corporate finance maintains flexibility in funding by maintaining availability under committed credit lines and this way liquidity risk is mitigated by the availability of funds to cover future commitments. Cash flow forecasts are prepared and the utilized borrowing facilities are monitored on a daily basis and there is adequate focus on good management practices whereby the collections are managed efficiently. The Company while borrowing funds for large capital project, negotiates the repayment schedule in such a manner that these match with the generation of cash on such investment. Longer term cash flow forecasts are updated from time to time and reviewed by the Senior management of the Company.

The table below represents the maturity profile of Company's financial liabilities at the end March 31, 2024 and March 31, 2023 based on contractual undiscounted payments:-

March 31, 2024	INR in lakhs			
	0-1 Years	1-5 Years	More than 5 Years	Total
Interest bearing borrowings	1,820.44	3,844.50	20.43	5,685.37

% to Total	58.62%	38.93%	2.45%	

Reconciliation of Interest bearing borrowings

	INR in lakhs		
	Schedule No.	As at March 31, 2024	As at March 31, 2023
Non-Current borrowings	13	3,864.93	2,555.75
Short-term borrowings	13	1,820.44	3,226.68
Total		5,685.37	5,782.44

(b) Credit Risk

Credit Risk is the risk that the counter party will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks, foreign exchange transactions and other financial assets.

(i) Trade receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Management evaluate credit risk relating to customers on an ongoing basis. Receivable control management team assess the credit quality of the customer, taking into account its financial position, past experience and other factors. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on group/category basis. The calculation is based on exchange losses, historical data and available facts as on date of evaluation. Trade receivables comprise a customer base including FMCG companies, dealers and retail customers. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

(ii) Financial Instruments and cash deposit

Credit risk from balances with banks and financial institutions is managed by the Company's Finance department team in accordance with the Company's policy. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counter party's potential failure to make payments. Credit limits of all authorities are reviewed by the management on regular basis. All balances with banks and financial institutions is subject to low credit risk due to good credit ratings assigned to the Company.

(c) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risks comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loans and borrowings. The sensitivity analyses in the following sections relate to the position as at March 31, 2024 and March 31, 2023. The analyses exclude the impact of movements in market variables on; the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of at March 31, 2024 and March 31, 2023.

(d) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue, expense or capital expenditure is denominated in foreign currency). The company is not exposed to material foreign currency risk.

(e) Interest rate risk

Interest rate is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligation at floating interest rates which is not material.

(f) Commodity price risk

The Company is affected by the price volatility of certain commodities. Its operating activities require the ongoing purchase of raw material and therefore requires a continues supply. The Company operations may impact due to changes in prices of those raw materials.

Commodity price sensitivity of Raw material

Nature	INR in lakhs	
	Change in year-end price	Effect on profit before tax
For the year ended March 31, 2024	5%	-736.07
For the year ended March 31, 2024	-5%	736.07
For the year ended March 31, 2023	5%	-958.50
For the year ended March 31, 2023	-5%	-958.50

29.11 Capital Management

For the purpose of the Company's capital management, capital includes issued equity attributable to the equity shareholders of the Company, security premium and all other equity reserves. The primary objective of the Company's capital management is that it maintain an efficient capital structure and maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net interest bearing debt divided by total capital attributable to shareholders. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents, other bank balances which are free.

	INR in lakhs	
	As at March 31, 2024	As at March 31, 2023
Borrowings	5,685.37	5,782.44
Other financial liabilities	-	-
Less: Cash and Cash equivalents	(184.28)	(397.24)
Less: Other bank balances	(0.05)	-
