## TVS NTORQ 125 crosses sales milestone of 50,000 units in Nepal

**Kathmandu, August 3, 2021:** TVS Motor Company, a reputed two-wheeler and three-wheeler manufacturer globally, today announced that the TVS NTORQ 125, its sporty, Bluetooth connected scooter, has crossed the sales milestone of 50,000 units in Nepal. The scooter achieved this sales mark within three years of its launch.

In 2018, TVS NTORQ 125 was launched as the first Bluetooth connected scooter in Nepal and has since secured its place like no other. Over the years, the brand has become synonymous with industry-first technology, unrivalled style and superior performance.

Speaking on the occasion, **Mr. R Dilip, President – International Business, TVS Motor Company**, said, *“We are delighted that our smart scooter, TVS NTORQ 125, has achieved the 50,000 units sales milestone. We are deeply grateful to our customers in Nepal. Scooters are becoming a popular choice in the country due to improved infrastructure, the need for multi-utility vehicles and the growing demand for safe personal mobility. TVS NTORQ’s striking appearance, connected technology and superior performance have been a hallmark of its success in the market. This achievement reinforces our commitment to continue setting benchmarks in innovation and create aspiration for our customers.”*

**Mr. Shahil Agrawal, Managing Director, JMPL**, said, *“The customers of Nepal seek mobility solutions which are premium, boast of a robust quality and are suitable for the varied terrain of the country. By catering to these requirements, TVS NTORQ 125 has fast become a national favourite. We will continue supporting TVS Motor Company in creating a one-of-a-kind experience for TVS NTORQ 125 customers.”*

TVS NTORQ 125 boasts of superior performance backed by TVS Racing Pedigree and premieres the *TVS SMARTXONNECT™*, an innovative Bluetooth-enabled technology paired to an exclusive TVS Connect mobile App. *TVS SMARTXONNECT™* enables a host of first-in-segment additions to the fully digital speedometer, which boasts features such as navigation assist, top speed recorder, in-built lap-timer, phone-battery strength display, last parked location assist, service reminder, trip meter and multi-ride statistic modes such as Street and Sport.
