Firstsource is featured in S&P Global Sustainability Yearbook 2024

Mumbai, India | February 16, 2024: [Firstsource Solutions Limited](#) (NSE: FSL, BSE:532809), a global provider of Business Process Management (BPM) services and an RP-Sanjiv Goenka Group company, has been featured as a member of the S&P Global Sustainability Yearbook 2024. This follows its [recent ranking in the top 96th percentile on the Dow Jones Sustainability Index](#).

Being included in the Yearbook is a significant milestone and a moment of pride for Firstsource that reflects the company's dedication to operating responsibly and sustainably. A 'member company' attribution is reserved for companies within the top 15% of their industry by number and falling within 30% of that industry's top-performing companies.

Ritesh Idnani, MD & CEO, Firstsource shared, "Our inclusion in the S&P Sustainability Yearbook is a validation of our steadfast commitment to sustainable and responsible business practices. This recognition indicates our proactive approach to environmental, social, and governance considerations, and signifies a collective success, attributed to the efforts of every member within our organization. Together, we are driving positive change and shaping a sustainable legacy that aligns with our business objectives and long-term vision."

In its 20th edition now, the annual S&P Global Sustainability Yearbook aims to distinguish individual companies, within their industries, that have demonstrated strengths in corporate sustainability. Membership was highly competitive this year – over 9,400 companies were assessed in FY 2022-23 Corporate Sustainability Assessment (CSA), yet only 759 companies were included in the 2024 Sustainability Yearbook.
