Media Release

Certification for Personal Protective Equipment (PPE) Body Coverall for Covid-19

May 16, 2020, Surat: Shahlon Silk Industries Limited (BSE: 542862), one of the leading players in manufacturing of Man-made Fibre and Fabric in India, is pleased to announce the manufacturing approval Personal Protective Equipment (PPE) Body Coverall Suits for Covid-19 from “The South India Textile Research Association(SITRA)”.

The Company has earlier received the certification for manufacturing of fabric meant for Body Coverall. Further looking at the capabilities of our Company, SITRA has conferred the approval for manufacturing PPE Body coverall. The Company has overall woven fabric manufacturing capacity of 3.5 million meter per month, which will cater the growing demand for PPE Kits.

This product caters to wide range of protective apparels for medical, pharma, biotechnology, electronics and food & beverage industry.

Management Comment:

Commenting on the development, Mr. Dhirubhai Shah, Chairman, Shahlon Silk Industries Ltd., said *“Shahlon group, over the past few years, has focused on developing value added products and maintaining the quality, due to which we have gained a respectable name in the industry. We have successfully build this capacity for nation requirement and will be happy to serve the nation during this time of pandemic. The certification confirms the requirement of Ministry of Health & Family Welfare guidelines dated 02.03.2020. I would like to thank the entire team for this success.”*
