## Q2 FY23 Earnings Presentation

11<sup>th</sup> November, 2022

Certain statements made in this presentation relating to the Company's objectives, projections, outlook, expectations, estimates, among others may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections etc., whether express or implied. These forward-looking statements are based on various assumptions, expectations and other factors which are not limited to, risk and uncertainties regarding fluctuations in earnings, competitive intensity, pricing environment in the market, economic conditions affecting demand and supply, change in input costs, ability to maintain and manage key customer relationships and supply chain sources, new or changed priorities of trade, significant changes in political stability in India and globally, government regulations and taxation, climatic conditions, natural calamity, commodity price fluctuations, currency rate fluctuations, litigation among others over which the Company does not have any direct control. These factors may affect our ability to successfully implement our business strategy. The company cannot, therefore, guarantee that the 'forward-looking' statements made herein shall be realized. The Company, may alter, amend, modify or make necessary corrective changes in any manner to any such forward looking statement contained herein or make written or oral forward-looking statements as may be required from time to time on the basis of subsequent developments and events.
