Zenith Exports Limited: Ratings moved to Issuer Not Cooperating category

Summary of rating action

Instrument [^]	Previous Rated Amount (Rs. crore)	Current Rated Amount (Rs. crore)	Rating Action
Long Term/Short Term – Fund Based – Working Capital	22.00	22.00	[ICRA]B+(Stable)/[ICRA]A4 ISSUER NOT COOPERATING*; Ratings moved to 'Issuer Not Cooperating' category
Total	22.00	22.00	

[^]Instrument details are provided in Annexure-I

*Issuer did not cooperate; based on best available information.

Rationale

The rating is moved to 'Issuer Not Cooperating' category because of lack of adequate information regarding Zenith Exports Limited's (ZEL) performance and hence the uncertainty around its credit risk. ICRA assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its "Policy in respect of non-cooperation by a rated entity" available at www.icra.in. The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.

As part of its process and in accordance with its rating agreement with ZEL, ICRA has been trying to seek information from the entity so as to monitor its performance, but despite repeated requests by ICRA, the entity's management has remained non-cooperative. In the absence of requisite information and in line with the aforesaid policy of ICRA, a rating view has been taken on the entity based on the best available information.

Please refer to the following link for the previous detailed rationale that captures the Key rating drivers and their description, Liquidity position, Rating sensitivities, Key financial indicators: [Click here](#). ICRA is unable to provide the latest information because of non-cooperation by the entity.
