## **Sub: Awards of Orders for Rs. 44 Crores**

Dear Sir/Madam,

Further to our letter dated 21/09/2018, we take great pleasure to announce that we have been awarded orders amounting to Rs.44 Crores for supply of MDPE, HDPE PIPES & HDPE DUCT from L & T LIMITED. The same has to be executed within the next 2 to 4 months.

The company takes great pride in associating with one of the top most branded infrastructure conglomerates in India. We wish to inform, that the execution of earlier order of Rs 35.30 Crores received from Tata Projects Ltd is progressing as per schedule.

The growth of government infrastructure spending has created a very robust demand in the pipes segment. We foresee a huge demand of plastic pipes in future. The "Make In India" initiative would further propel the growth & development of Indian pipe companies. The Company has also ramped up its marketing department and **has inaugurated today its new Marketing Office (MO) at A-130, (H) Road no 9D, VKI Area, Jaipur- 302013.** The management feels that a dedicated marketing team operating from the new state-of-the-art MO will further result in marked increase in new order inflow. Company is quite confident that this is just the beginning and is looking at increasing a healthy order inflow in the pipes segment.

Within the available infrastructure, **company has further added an additional Production line of HDPE Pipes which has commenced commercial production from today.**

# Tijaria Polypipes Limited

In view of huge demand for the pipes segment as explained above, additional production lines are also being installed to increase the production capacity. Details of the expansion shall be informed on completion and commencement of commercial production there from.

You are requested to take the same on record.

Yours faithfully

For Tijaria Polypipes Ltd
